## INTRODUCTION

The 2019-2020 Salary Schedule provides a uniform and equitable payment of wages for services rendered by certificated and support employees. Certificated employees must possess a valid Alabama Teacher's Certificate or be eligible for a waiver from the State Department of Education. Support personnel includes all support employees who do not work as certificated employees.

Salaries in the Salary Schedule are based on years of experience, degree/certification, and assignment. Years of experience are categorized as "STEPS" on this schedule. For example, five STEPS indicate four years of experience. Experience is defined as the number of years of service in education or a related field. Credit may be granted for years of experience outside the school system. It is the responsibility of the employee to verify the accuracy and correctness of his/her compensation and to promptly call questions and discrepancies to the attention of his/her principal/director. In addition, it is the responsibility of the employee to submit appropriate verification of experience, degree/certification, military experience, and/or other information affecting compensation to the employee's principal/director or to the personnel division of the Board. Any revisions to the 20192020 salary schedule that are made during the year will be posted on the website. (www.calhoun.k12.al.us).

In order to advance steps on the salary schedule, an employee must have been in active pay status a minimum of fifty percent of the contract days from the previous year.

## CONTRACT DAYS

Teaching contracts are normally nine months. The base salary of full-time salaried employees is generally paid in twelve equal monthly increments, regardless of the term of the appointment.

The payroll periods for all employees will be established according to a schedule developed by the Accounting Department. The schedule setting forth those payroll periods is available at each school/job site. Payroll checks are normally issued on the last working day of the month, however during holiday months, payment will be based on receipt of State funds. Pay checks and additional pay due for extracurricular activities or additional duties will be combined in the employees' monthly check and processed once a month. Additional pay runs will be performed should an employee not receive a check in error. Additional runs will normally be done 5 days after the last working day of the month, unless during a holiday month. In lieu of a lost check, reissue will occur 7 business days after original check issuance.

Employees who are hired after the beginning date of their contract year receive a prorated salary for the balance of that contract year. Nine and ten-month employees hired after January 1 shall receive a prorated salary based on the number of days remaining in their contract, to be divided equally over the remaining months through June.

Participation in the Retirement Systems of Alabama is mandatory if an individual is employed in a position that is eligible for coverage and is employed on at least a one-half time basis. The member's contribution rate is set by law at a percentage of earned compensation based upon Tier rates established by RSA. Tier rates are based upon hire dates and/or service time in the RSA system. Tier 1 employees have hire/service dates prior to Jan. 1, 2013 and contribute 7.50\%. Tier II employees hired Jan.1, 2013 and later contribute $6.00 \%$.

New employees begin employment under the guidelines of the Salary Schedule. The salaries of some employees may be based on previous salary schedules. A change in employment status requires a reevaluation of salary placement.

Central Office personnel are generally expected to maintain office hours of 8 a.m. to $4: 00$ p.m. Exceptions must be approved by the Superintendent. Twelve month school office personnel are expected to work seven and one-half hours exclusive of lunch/breaks.

## Salary Supplements

Salary supplements are provided to approved certificated employees who perform tasks beyond the requirements of the teacher's assigned daily schedule. An employee cannot earn two concurrent supplements during each seasonal program. The amount of the salary supplement is based upon the following criteria:

- years of experience (Step)
- instruction beyond the established school day and school year
- approval of the Principal, Superintendent, and Board

Supplements are not paid as a part of any contractual obligation and may be terminated or modified at any time by the Board of Education with or without cause.

SUPPLEMENTS WILL BE PAID OVER A 12 MONTH PERIOD AS APPROVED BY THE BOARD. SUPPLEMENTS APPROVED AFTER THE BEGINNING OF THE CONTRACT YEAR WILL BE PRORATED OVER THE REMAINING MONTHS IN THE CONTRACT

COACHING SUPPLEMENT SCHEDULE

A person serving as either a varsity basketball coach or an assistant football coach may only be assigned no more than two (2) category E-K positions. In the event a varsity basketball coach also serves as an assistant football coach, he/she shall not be paid for any additional coaching position (E-K) unless the additional position is submitted in writing to and approved by the Superintendent. Additional sports or supplements require written approval of the Superintendent and Board, and the school will be required to reimburse the Board for any such additional paid supplement and related fringe benefits.

All coaching supplements, including Head Football supplements, will be paid over a twelve-month term from Sept 1 through Aug 31 on the last working day of each month; however during holiday months, payment will be based on receipt of State funds. Any teacher/coach who completes a partial coaching assignment will receive a prorated portion of the relevant supplement.
