FOREWORD

SALES AND USE TAXES EXEMPTIONS AND EXCLUSIONS

This publication summarizes the exemptions and exclusions from sales and use tax in effect when the publication was printed (as noted on the front cover). However, statutory or regulatory changes may have occurred since that time. If there is a conflict between the text in this publication and the law, the decision will be based on the law and not this publication.

In general, California sales and use taxes are imposed on the retail sale or the use of tangible personal property in this state. Since the enactment of the Sales and Use Tax Law in 1933, many exemptions have been granted that remove the liability for tax for various types of property and certain individuals or organizations. In addition to complete exemptions, provisions have been enacted that reduce the tax base by defining certain persons to be consumers of property sold, or provide a partial exemption or credit. Other transactions are excluded from the imposition of sales and use taxes because of basic definitions contained in the law or because they do not involve the transfer of merchandise.

The following two comprehensive listings are intended to identify and provide a brief general description of exemptions and exclusions from the imposition of California sales and use taxes, first by category and second by alphabetical reference. The explanations are not meant to provide detailed information as to the requirements or conditions of qualifying for exemption, and should not be used as a legal reference. For example, not all nonprofit organizations qualify for the exemptions and special rules summarized in this publication. The California Sales and Use Tax Law, as implemented by duly adopted regulations of the California Department of Tax and Fee Administration (CDTFA), should be consulted to determine the requirements and complete description of the exemptions and exclusions identified by the listings.

The listing by category places the exemptions and exclusions into the following categories:

I. Necessities of Life; II. General Public Benefit; III. Industry Benefit; IV. Exclusions by Definition; and V. Other Exemptions, Exclusions, or Credits. In addition to identifying the exemptions and exclusions, this listing provides the section(s) of the Sales and Use Tax Law that provides the exemption or exclusion along with an estimate of annual revenue lost, if available. Revenue lost refers to revenue which is not realized due to the exemption or exclusion and includes both state and local revenue. The estimates of revenue lost are based on the most recent data available and are provided to give an order of magnitude of the revenue lost attributable to the exemption or exclusion. It should be noted that the amount of revenue lost is not extracted from the Sales and Use Tax returns filed with the CDTFA by taxpayers, since taxpayers are not required to report sales by commodity. In order to estimate the revenue lost attributable to the various exemptions and exclusions, the CDTFA relies on data from outside sources. However, for many of the exemptions and exclusions contained in this publication, reliable data is not available. Where the revenue lost is not known because the information is not available, "N/A" is noted.

In some cases, the publication identifies certain sellers and lessors as consumers of the tangible personal property they sell or lease. These persons do not owe sales tax on their transfers of the property. Instead, the sale to them or their use is subject to sales or use tax. The sales to them are not nontaxable sales for resale.

The placing of exemptions and exclusions into categories is in many instances subjective. Many provisions of the law impact numerous types of individuals or businesses. However, an attempt was made to place the exemptions or exclusions within the category that is perceived to be the main beneficiary of the granting of relief from tax, or that was intended to benefit from the enactment of specific legislation.

However, a person who purchases MTE solely for purposes of leasing may elect to pay tax on the fair rental value of such MTE if the election is made timely. If the lessor makes such an election rather than paying tax on purchase price, tax is due on fair rental value whether the property is inside or outside California.

- **LEASES OF PROPERTY ACQUIRED IN AN OCCASIONAL SALE**—The lease of property acquired in an exempt occasional sale, other than mobile transportation equipment, is generally a taxable continuing sale. REVENUE: N/A SECTION: 6094.1

- **RENTAL RECEIPTS SUBJECT TO USE TAX OR FROM PROPERTY OUTSIDE STATE**—Rentals payable under a lease of tangible personal property are exempt from sales tax when the rental receipts are required to be included in the measure of use tax or where the rental property is located outside this state. REVENUE: N/A SECTION: 6005

V. OTHER EXEMPTIONS, EXCLUSIONS, AND CREDITS

- **CREDIT FOR TAX PAID TO OTHER STATES**—Credit is allowed as an offset against a person’s liability for California use tax on tangible personal property for any sales or use taxes imposed on that property and paid by that person to any other state, political subdivision thereof, or the District of Columbia.

REVENUE: N/A SECTION: 6406

- **DELIVERY TO EXPORT PACKERS**—Sales of property purchased for use solely outside this state are exempt from sales tax if the property is delivered to a forwarding agent, export packer, or other person engaged in business of preparing goods for exportation, and the goods are delivered to a port outside the continental limits of the United States prior to any use.

REVENUE: N/A SECTION: 6387

- **INTERSTATE AND FOREIGN COMMERCE**—Sales of property which, pursuant to the contract of sale, are shipped by the retailer to a point outside this state are exempt from tax. Generally, no exemption applies if the property is delivered to the purchaser or purchaser’s representative in this state, even if the purchaser subsequently removes the property from this state.

REVENUE: N/A SECTION: 6396

- **OCCASIONAL SALES**—A sale by (and purchase from) a person who is not engaged in a business requiring a seller’s permit is exempt from sales and use taxes. These types of sales are “occasional” sales (some states have similar exemptions for “casual” sales). Generally, a person who makes three or more sales for substantial amounts in any period of 12 months is required to hold a seller’s permit. A person who makes a substantial number of sales for relatively small amounts is also required to hold a seller’s permit. (The 12 month test period can be the 12 months before the sale in question, the 12 months after the sale in question, or any other 12 month period in which the sale occurs.) A person holding two garage sales with no other sales in any 12 month period in which the garage sales are held are regarded as making exempt occasional sales. A business that is not required to hold a seller’s permit would be making an occasional sale when making a single sale of its assets upon termination of its business. Such persons should be aware that making two or three sales in anticipation of final liquidation will generally result in all the sales being subject to sales tax.

REVENUE: N/A SECTIONS: 6006.5 and 6367

V. OTHER EXEMPTIONS, EXCLUSIONS, AND CREDITS (cont.)

- PURCHASES IN FOREIGN COUNTRIES—The first eight hundred dollars (\$800) purchase price of tangible property purchased in a foreign country by an individual and personally hand carried into this state from the foreign country within any 30-day period is exempt from the use tax.

REVENUE: N/A SECTION: 6405

- PURCHASES FROM UNITED STATES—The use of property purchased by a consumer from the United States, or any agency or instrumentality thereof, is exempt from use tax except when property has been declared “surplus property” pursuant to the Surplus Property Act of 1944.

REVENUE: N/A SECTION: 6402

- SALE FOR RESALE—The sale of property purchased for subsequent sale in the regular course of business, and property purchased that will become a component part of such property, is not subject to tax provided the purchaser makes no use of it prior to its resale.

REVENUE: N/A SECTIONS: 6007 and 6008

- UNITED STATES—Sales and leases to the United States or its incorporated agencies and instrumentalities, any incorporated agency or instrumentality wholly owned by the United States or by a corporation wholly owned by the United States, and sales to the American National Red Cross are exempt from sales tax.

REVENUE: N/A SECTION: 6381

- VEHICLES, VESSELS, AND AIRCRAFT PURCHASED OUTSIDE CALIFORNIA—A presumption is made that if a vehicle, vessel, or aircraft is purchased outside of California, first functionally used outside of California, and brought into California more than 12 months after purchase, the vehicle, vessel, or aircraft was not purchased for use in California and use tax does not apply.

REVENUE: N/A SECTIONS: 6248

- VEHICLES SOLD TO FAMILY—The sale and use of vehicles, vessels, and aircraft is exempt from tax when sold by the parent, grandparent, child, grandchild, spouse or registered domestic partner, or the brother or sister if the sale is between two minors, provided that the seller is not engaged in business of selling that type of property.

(SECTION 6010.40)
- POLLUTION CONTROL FACILITY—The transfer of title to property constituting any project or pollution control facility by the California Pollution Control Financing Authority is not a “sale” or “purchase” for purposes of sales and use tax when the transfer or lease is made pursuant to certain provisions of the Health and Safety Code. (SECTION 6010.10)
- POULTRY LITTER—The sale and use of wood shavings, sawdust, rice hulls, or other products used as litter in poultry and egg production and ultimately resold or incorporated into fertilizer products are exempt from the sales and use tax. (SECTION 6358.2)

In addition to substances commonly recognized as medicines, the following items are specifically included in the definition of “medicine” for sales and use tax purposes:

(SECTION 6379.5)
- **PRINTING MATERIALS**—The fabrication or transfer by a typographer of composed type or reproduction proofs for use in preparing printed matter is excluded from the definition of a "sale" and "purchase." Also, the fabrication or transfer of such reproduction proofs or impressed mats is not subject to tax when the fabrication is for, or the transfer is to, a printer or publisher for use in printing. (SECTION 6010.3)
- **PROFESSIONAL HEALTH SERVICES**—A licensed chiropractor, optometrist, physician, surgeon, podiatrist, licensed hearing aid dispenser, or registered dispensing optician is generally the consumer and not the retailer of property furnished in the performance of professional services. Also, producers of x-ray films or photographs are the consumers of property used to produce the films or photographs for use in diagnosing the medical or dental conditions of a human being. In addition, licensed pharmacists dispensing certain replacement contact lenses are regarded as consumers, rather than retailers, with respect to those lenses. A retailer's loan of a vehicle to a veteran's hospital or such other nonprofit facility or institution to provide instruction in specially equipped vehicles to disabled veterans is also exempt from use tax. (SECTION 6404)
- **PUBLIC PASSENGER TRANSPORTATION VEHICLES**—The sale and purchase of public passenger transportation vehicles when purchased by a transit authority, special district, or governmental entity at the end of a lease or sublease pursuant to any exercise of a purchase option under the lease or sublease are exempt from sales and use tax under specified conditions. SALES AND USE TAX EXEMPTIONS AND EXCLUSIONS (cont.)

- **RACEHORSE BREEDING STOCK**—Sales and purchases of racehorse breeding stock are exempt from the 5 percent state sales and use tax. “Racehorse breeding stock” means a horse that is capable of reproduction and for which the purchaser states that it is the purchaser’s sole intent to use the horse for breeding purposes. - **RECYCLED FEEDSTOCK, ADVANCED MANUFACTURING, ADVANCED TRANSPORTATION TECHNOLOGIES** – Until January 1, 2021, there is a specific exclusion for qualifying entities that apply for financial assistance from the California Alternative Energy and Advanced Transportation Financing Authority for specified tangible personal property purchased for projects that process or use recycled feedstock or that are used in the state for the design, manufacture, production, or assembly of advanced manufacturing, advanced transportation technologies, or alternative source products, components, or systems. - **RENTAL RECEIPTS SUBJECT TO USE TAX OR FROM PROPERTY OUTSIDE STATE**—Rentals payable under a lease of tangible personal property are exempt from sales tax when the rental receipts are required to be included in the measure of use tax or where the rental property is located outside this state. The exemption does not apply to leases of mobile transportation equipment, with respect to which a lessor who has elected to pay tax on the fair rental value must report and pay tax on that basis whether the mobile transportation equipment is inside or outside this state. (SECTION 6390)
- **RENTALS OF HOUSEHOLD FURNISHINGS**—The rental of household furnishings is not subject to tax when rented with living quarters. Tax must be paid on the cost of such items unless purchased in an exempt occasional sale. (SECTIONS 6006 and 6010)
- **RENTALS OF LINEN SUPPLIES**—A person leasing linen supplies and similar articles who furnishes the recurring service of laundering or cleaning such linen supplies and similar articles is the consumer of tangible personal property provided, and tax applies to the purchase of such items. (SECTIONS 6006 and 6010)
- **RETURNED MERCHANDISE**—Amounts allowed by a retailer for returned merchandise are not subject to tax provided the full sales price and any amount designated as “sales tax” is returned to the customer, and the customer is not required to purchase a more expensive item in order to receive credit. The retailer may deduct actual expenses for rehandling and restocking without affecting this deduction. (SECTIONS 6011 and 6012)
- **SALE AND LEASEBACK ARRANGEMENTS**—For sales and use tax purposes, “sale” and “purchase” do not include any transfer of title to, nor any lease of, tangible personal property pursuant to an acquisition sale and leaseback. An acquisition sale and leaseback is a sale by a person and leaseback to that person of tangible personal property where (1) that person has paid California sales tax reimbursement or use tax with respect to that person’s purchase of the property, and (2) the acquisition sale and leaseback is consummated within 90 days of that person’s first functional use of the property. (SECTION 6010.65)

- **SECURITIES**—The sale of stocks, bonds, and other securities including memberships in limited liability companies are not subject to sales or use taxes because they are not considered to be sales of tangible personal property.
- **SERVICES**—The sale of services where no tangible personal property is transferred, or where the transfer of property is incidental, are not subject to sales and use taxes. Persons providing services are consumers of property used in their business activities. However, persons who engage in service operations are retailers of any supplies or other tangible personal property sold to their customers or clients, and tax applies to gross receipts from such sales. Certain services, however, are defined as sales of tangible personal property. For example, the fabrication of tangible personal property for a consumer is defined as a “sale” even when the consumer provides all the tangible personal property used to fabricate the end product.
- **SPACE FLIGHT PROPERTY**—The sale or use of specified qualified property for use in space flight, including an orbital space facility, space propulsion system, space vehicle, satellite, or space station of any kind, or any property which is placed or used aboard any such systems, including fuel, adapted and used exclusively for space flight, is exempt from sales and use tax. (SECTION 6380)
- **STATE GOVERNMENTS**—State government entities, other than California state and local government entities, are not “persons” for sales and use tax purposes. Sales by and purchases from such governmental entities are not subject to tax. The use of property in California by other states is not taxable. However, sales in California to other states are subject to sales tax. (SECTION 6005)
- **STORAGE AND USE EXCLUSION**—The keeping or retention of property for sale in the regular course of business is not a use. In addition, the keeping or retention of property for purpose of subsequent transportation outside California for use solely outside the state is not a “use.” Therefore, no tax applies with respect to property properly purchased outside California and brought into the state solely for subsequent transportation to an out-of-state point for use thereafter by the purchaser solely outside California. (SECTIONS 6008, 6009, and 6009.1)
- **STUDENT MEALS**—The sale and use of meals and food products are exempt from tax when sold or furnished to students by a public or private school, school district, student organization, parent-teacher association, and any blind vendor operating a restaurant or vending stand in an educational institution unless sold for consumption within a place subject to an admission charge except for national and state parks and monuments. (SECTION 6363)

(SECTION 6016.5)
- **TELEPRODUCTION AND POST PRODUCTION EQUIPMENT**—The sale of teleproduction and post production equipment to businesses primarily engaged in teleproduction and post production activities (as described in Code 512191 of the North American Industry Classification System Manual) is exempt from the 5 percent state sales and use tax when that property is used 50 percent or more in those activities, subject to specified conditions. (SECTION 6378)
- **TIMBER HARVESTING EQUIPMENT**—Sales and purchases of equipment, machinery and their parts designed primarily for off-road use in commercial timber harvesting are from the 5 percent state sales and use tax when sold to or purchased by a qualified person engaged in commercial timber harvesting operations. SALES AND USE TAX EXEMPTIONS AND EXCLUSIONS (cont.)

- **TRANSPORTATION CHARGES**—Separately stated charges for transportation from the retailer to its customer are not subject to tax if transported by common carrier and the amount charged is the cost of the transportation. In addition, reasonable charges for transportation by the retailer’s facilities, or for property sold for a delivered price are not taxable if separately stated and if title to the property passes to the purchaser prior to such transportation. Note, however, that title passes to the customer prior to transportation by the retailer’s own facilities only if the seller and purchaser explicitly contract for such early passage of title. (SECTIONS 6011 and 6012)
- **TRANSPORTATION OF LANDFILL**—The amount charged for transporting landfill from an excavation site to a site specified by a purchaser is not subject to sales and use tax if (1) the charge is separately stated and is reasonable or (2) the entire amount charged relates to transportation. (SECTIONS 6011 and 6012)
- **TRAVEL ACCOMMODATIONS**—Charges for tickets to travel on aircraft, trains, ships, and other modes of transportation are not subject to sales or use tax.

(SECTION 6381)
- **USE OF PROPERTY HELD FOR SALE**—If a person uses property frequently for demonstration and display while holding it for sale in the regular course of business and uses it partly for other purposes, the person owes tax on the fair rental value of the property for the period of such other use. (SECTIONS 6094 and 6244)
- **USED FLOATING HOMES**—Tax does not apply to sales of used floating homes subject to local property taxation whether sold in a private party transaction or by a retailer. (SECTION 6379)
- **USED MOBILEHOMES**—Tax does not apply to the sale of a used mobilehome if, at the time of sale, the mobilehome is subject to local property tax. For mobilehomes that are not subject to property tax at the time of sale, such mobilehomes are subject to vehicle license fees. When a used mobilehome that is subject to vehicle license fees is sold between private parties, or in a brokerage transaction, tax applies to the retail value of the used mobilehome as determined in accordance with an approved value guide, or the actual sales price, whichever is less. (SECTIONS 6012.2, 6276.1 and 6379)
- **VEHICLE MODIFICATIONS FOR HANDICAPPED**—The sale of property used to modify vehicles for physically handicapped persons is exempt from tax. When a previously modified vehicle is resold, the sale of the portion of the vehicle which has been modified is exempt if the vehicle is sold to a disabled person who is eligible to be issued a distinguishing license plate or placard. (SECTION 6369.4)
- **VEHICLES LOANED TO UNIVERSITY EMPLOYEES**—A retailer will not owe use tax on his or her full purchase price of vehicles loaned to any employee of the University of California or the California State University provided the vehicle is for the employee’s exclusive use, the loan has been approved by the chancellor or president of the university, and it is demonstrated that the loan is not dependent on the retailer receiving any automotive-related business from the university. The retailer will instead owe tax on the fair rental value of the loaned vehicle for the period of the loan. (SECTION 6202.7)
- **VEHICLES, VESSELS, AND AIRCRAFT PURCHASED OUTSIDE CALIFORNIA**—A presumption is made that if a vehicle, vessel, or aircraft is purchased outside of California, first functionally used outside of California, and brought into California more than 12 months after purchase, the vehicle, vessel, or aircraft was not purchased for use in California and use tax does not apply. (SECTION 6248)
- **VEHICLES SOLD TO FAMILY**—The sale and use of vehicles, vessels, and aircraft is exempt from tax when sold by the parent, grandparent, child, grandchild, spouse, or registered domestic partner, or the brother or sister if the sale is between two minors, provided that the seller is not engaged in business of selling that type of property. (SECTION 6285)
- **VEHICLES SOLD TO FOREIGN RESIDENT**—A new motor vehicle manufactured in the United States and sold to a resident of a foreign country who arranged for the purchase through an authorized vehicle dealer in the foreign country prior to arriving in the United States is exempt from tax, provided (1) the purchaser is issued an in-transit permit pursuant to the Vehicle Code, and (2) prior to the expiration of the permit, the retailer ships or drives the vehicle to a point outside the United States by the retailer’s facilities or by delivery to a carrier, customs broker or forwarding agent for shipment to that point. (SECTION 6366.2)

SALES AND USE TAX EXEMPTIONS AND EXCLUSIONS (cont.)

- **VEHICLES SOLD TO LESSEE**—Normally the sale of a vehicle by a lessor to a lessee is subject to tax. However, it is rebuttably presumed that if the lessee transfers the vehicle to a third party within ten days from the date the lessee acquired title from the lessor at the lease termination, the sale by the lessor is a nontaxable sale for resale, and no tax would be due for the interim ten day period. (SECTION [6277](#))
- **VEHICLES, SUBSTANTIALLY SAME OWNERSHIP**—The only occasional sale exemption for sales of vehicles, vessels, and aircraft is for sales of such property as part of the sale of all or substantially all the assets of a business (whether those assets are inside or outside this state) when the ownership of the property remains substantially similar to that which existed before the sale. (SECTION [6281](#))
- **VENDING MACHINE SALES**—Nonprofit, charitable or educational organizations are consumers of tangible personal property sold through vending machines for 15 cents or less. Library districts, municipal libraries, or county libraries and any vendor making sales pursuant to a contract with these libraries are consumers of photocopies which are sold at retail through coin-operated or card-operated copy machines located at a library facility. (SECTION [6359.45](#))
- **VENDING MACHINE SALES OF FOOD**—The vending machine operator is the consumer of (1) food products which sell at retail for 15 cents or less and (2) food products which are sold through a bulk vending machine, as defined in the Revenue and Taxation Code, for 25 cents or less. Sales of cold food products, hot coffee, hot tea and hot chocolate through other vending machines at a price greater than 15 cents are also partially exempt from tax, in the following percentages: 23% in 1988, 45% in 1989 and 67% thereafter. (SECTIONS [6359.2](#) and [6359.4](#))

To qualify for this exemption, the common carrier must furnish the seller with a properly executed exemption certificate. This provision will expire January 1, 2024, unless extended by legislation. (SECTION [6385](#))
- **WATERCRAFT**—The sale, use, or lease of watercraft and component parts thereof sold or leased for use in interstate or foreign commerce, or for use in commercial deep sea fishing outside California's territorial waters, is exempt from tax. Only the operational use, excluding storage or repair, during the first 12 months is considered to determine if the exemption applies. Usage of the watercraft after the first 12 months does not affect the exemption. Tax does not apply to the sale or use of watercraft functionally used 80 percent or more of the time in the transporting for hire of property or persons to vessels or offshore drilling platforms located outside the territorial waters of this state. (SECTIONS [6368](#) and [6368.1](#))
- **WHEELCHAIRS, CRUTCHES, CANES, WHITE CANES AND WALKERS**—Sales to and purchases by persons of wheelchairs, crutches, canes, quad canes, white canes for the legally blind, and walkers under the direction of a physician, are exempt from tax. (SECTION [6369.2](#))
- **WORTHLESS ACCOUNTS**—A retailer is relieved from sales tax liability for accounts found worthless and which are charged off for income tax purposes. If any such accounts are thereafter collected in whole or in part, the retailer must pay tax on the amount so collected. Special rules also apply to assignees of accounts receivable. (SECTIONS [6055](#) and [6203.5](#))

SALES AND USE TAX EXEMPTIONS AND EXCLUSIONS (cont.)

- **YOUTH ORGANIZATIONS**—The following organizations are consumers, rather than retailers, of food products, nonalcoholic beverages, and tangible personal property made or produced by members of the organization when those sales are made on an irregular or intermittent basis and the organization's profits from those sales are used exclusively in furtherance of organization: (1) any nonprofit organization which qualifies for tax exempt status under Section 501(c) of the Internal Revenue Code whose primary purpose is to provide a supervised program of competitive sports for youth or to promote good citizenship in youth and which does not discriminate on the basis of race, sex, nationality, or religion; (2) any youth group sponsored by or affiliated with a qualified educational institution, including, but not limited to, any student activity club, athletic group, or musical group; and (3) Little League, Bobby Sox, Boy Scouts, Cub Scouts, Girl Scouts, Campfire, Inc., Young Men's Christian Association, Young Women's Christian Association, Future Farmers of America, Future Homemakers of America, 4-H Clubs, Distributive Education Clubs of America, Future Business Leaders of America, Vocational Industrial Clubs of America, Collegiate Young Farmers, Boys' Clubs, and Girls' Clubs, Special Olympics, Inc., American Youth Soccer Organization, California Youth Soccer Association, North, California Youth Soccer Association, South, and Pop Warner Football. You can log onto the CDTFA website for additional information—such as laws, regulations, forms, publications, industry guides, and policy manuals—that will help you understand how the law applies to your business.

You can also verify seller's permit numbers on the CDTFA website (look for "[Verify a Permit/License](#)") or call the CDTFA's toll-free automated verification service at 1-888-225-5263.

Multilingual versions of publications are available on the CDTFA website at www.cdtfa.ca.gov.

Another good resource—especially for starting businesses—is the California Tax Service Center at www.taxes.ca.gov.

TAX INFORMATION BULLETIN

The quarterly Tax Information Bulletin (TIB) includes articles on the application of law to specific types of transactions, announcements about new and revised publications, and other articles of interest. You can find current and archived TIBs on the CDTFA website. Sign up for CDTFA updates email list and receive notification when the latest issue of the TIB has been posted to the CDTFA website.

FREE CLASSES AND SEMINARS

Most of the CDTFA statewide field offices offer free basic sales and use tax classes with some classes offered in other languages. Check the Sales and Use Tax Section on the CDTFA website at www.cdtfa.ca.gov for a listing of classes and locations. You can also call your local field office for class information. We also offer online seminars including the Basic Sales and Use Tax tutorial and how to file your tax return that you can access on the CDTFA website at any time. Some online seminars are also offered in other languages.

WRITTEN TAX ADVICE

For your protection, it is best to get tax advice in writing. You may be relieved of tax, penalty, or interest charges that are due on a transaction if we determine that we gave you incorrect written advice regarding the transaction and that you reasonably relied on that advice in failing to pay the proper amount of tax. For this relief to apply, a request for advice must be in writing, identify the taxpayer to whom the advice applies, and fully describe the facts and circumstances of the transaction.

Please visit the CDTFA website at: www.cdtfa.ca.gov/email to email your request. You may also send your request in a letter to: Audit and Information Section, MIC:44, California Department of Tax and Fee Administration, P.O. Box 942879, Sacramento, CA 94279-0044.

TAXPAYERS' RIGHTS ADVOCATE

If you would like to know more about your rights as a taxpayer or if you have not been able to resolve a problem through normal channels (for example, by speaking to a supervisor), please see publication 70, *Understanding Your Rights as a California Taxpayer*, or contact the [Taxpayers' Rights Advocate Office](#) for help at 1-916-324-2798 (or toll-free, 1-888-324-2798). Their fax number is 1-916-323-3319.

If you prefer, you can write to: Taxpayers' Rights Advocate, MIC:70; California Department of Tax and Fee Administration; P.O. Box 942879; Sacramento, CA 94279-0070.
