"I began working for Rocky Mountain Sewing & Vacuum at the show held at the Denver Mart before the first store opened 10 years ago. The Littleton store and the Aurora stores were my "homes" and allowed me to share my love of sewing and embroidery with so many. The last couple years being involved with Sew Fun and the Special Events allowed me to interact with all of our stores and wonderful customers. I consider myself a very lucky person to work with such an exceptional company." - Nancy Tornquist

August Sew Fun

Summer is winding down, and cooler weather is on the horizon. It's time to try some new techniques and patterns. The Wedge Quilt Workshop book has ten quilts made with a ten degree ruler. The quilts look a bit complicated, but they aren't; just take your time and you will achieve great results.

I'm very excited about the Loralie Happy Campers 1 embroidery pack. Loralie designs are just the cutest, and sew out sew nicely. And these whimsical campers are just adorable.

(Note: The date of Sew Fun for August has been moved up a week due to our What's New Party!)

- Aurora: Tuesday: 8/14: 10a-12p or 2-4p or 6-8p**
- Littleton: Wednesday: 8/15: 10a-12p or 2-4p or 6-8p**
- Arvada: Thursday: 8/16: 10a-12p or 2-4p or 6-8p**
- Colorado Springs: Friday: 8/17: 1-3p or 5-7p**

125 YEARS BERNINA Q20

The BERNINA Q 20 is designed, engineered, and assembled in Switzerland and comes standard as a sit-down model machine. The generous longarm depth and height provide ample space for managing your larger quilts. Quilt larger quilts than on a domestic machine. The Q 20 offers less footprint in your sewing room. Undecided? The Q 20 can be upgraded to a frame model machine at any time.

Perfect free-motion stitches

- Achieve perfect stitches with the integrated BERNINA Longarm Stitch Regulation
- Keep the stitch length consistent at any speed
- Stay flexible with three regulation modes
- Simple customizing via the machine's touch screen
- Precise sensing of machine/fabric movement with dual sensors
- Thoughtfully positioned spool holders and forward threading path are easy to reach and simple to follow
- On-board bobbin winder (M Class bobbin) makes it convenient to wind coordinating bobbin threads for your projects, independent of machine operation
- Love the free-motion movement of a sit-down machine
- Discover the stitch Regulation without throat space restrictions

PFAFF performance icon™

NEW!

Inspired by German heritage, the PFAFF® performance icon™ sewing machine represents everything you've come to value from PFAFF®—a comprehensive and innovative sewing experience that truly delivers to your highest expectation. For over 155 years, PFAFF® has developed elegant sewing machines distinguished by sophisticated technology, superior results and ultimate design freedom.

Enhanced Original IDT™

Integrated Dual Feed technology precisely feeds all types of fabric from the top and bottom for perfect stitching every time. Includes its own power source, and a built-in sensor lets you know when to activate or deactivate it.

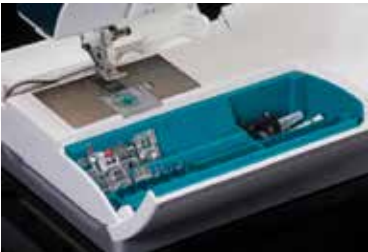

Shared Sewing Knowledge

Help Center features more than 50 animated or illustrated interactive onscreen, step-by-step guides for reference and efficiency in support of countless projects. The screen interface features tablet-like ability to swipe, pinch, and zoom.

Comprehensive Connectivity with WiFi and mySewnet™

Load stitches to your machine from the mySewnet™ app— enabled with cloud storage and automatic updates via WiFi. When connected to the free PFAFF® CreatorCue™ app, step-by-step sewing instructions and tutorials from the Help Center can be viewed on demand.

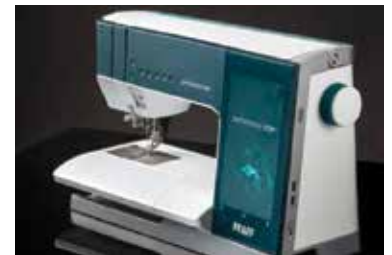

More Accessories, More Storage

There are several presser feet included to take care of all of your basic needs, as well as two large stitch plates. The built-in accessory tray is rubberized with neat and tidy custom compartments where you can also store optional accessories.

Unprecedented Lighting Design

Innovative lighting technology gives you the most even work light on the market for the brightest sewing experience. LED lighting is perfectly positioned at the most beneficial points to eliminate shadows.

Huge Multi-Touch Screen with a Smart Digital Interface

The 10.1in full-color screen works like a smartphone or tablet, and is the largest, most intuitive display available from PFAFF®, specially designed to support dedicated sewists.

Power, Stability and Precision

The base design reduces vibrations, giving you the stability you require for precise results. The needle piercing power is also nearly twice as strong as previous models, sewing through heavy fabrics with ease.

Biggest Workspace

You've never had more room to navigate large projects. The market's largest workspace under the arm and sewing head will give you a panoramic view of your project.

PFAFF creative icon™

To inspire all your imagination, the PFAFF® creative icon™ offers a portfolio of embroidery features to fulfill your expectations and the ideas you envision. Since the embroidery artisan can have many styles and techniques, the PFAFF creative icon is the right tool for all your projects. With high speed and improved mechanics, you get the most efficient performance for every embroidery. Enjoy the speed of up to 1050 stitches per minute while getting optimal results. A 90% increase in needle power, along with exclusive designs and stitches, make the creative icon™ sewing and embroidery machine your perfect sewing partner.

Power, Stability and Precision

Revamped base design reduces vibrations, giving you the power and stability you need for the most precise results. Also increased needle piercing force by more than 90% to 150 NWT for more strength.

Unprecedented Lighting Design

Innovative lighting technology gives you the most even work light on the market for the brightest sewing experience. LED lighting is perfectly positioned at the most beneficial points to eliminate shadows.

Comprehensive Connectivity with WiFi, mySewnet™ and SewNotice™

Receive alerts on your smartphone, stay connected with machine updates, real-time project status, and digitize photos when you're on the go. Also, create your own embroidery with your phone or tablet camera with PFAFF® ImageStitch app.

Largest Workspace

The market's largest workspace: a 69% increase in area, 12.2in (310mm) width and 5.51in (140mm) height with increased height under the sewing head 3in (76.2mm).

Innovative and Exclusive Stitches

Floating Stitches, Radiant Stitches, Single, Double and Triple Ribbon Stitches, Lace Edge Stitches, and Stacking Stitches for sophisticated design. Customize projects with 27 proprietary embroidery techniques, and 812 (47 machine-exclusive) built-in embroidery designs.

Enhanced Original IDT™

Integrated Dual Feed technology precisely feeds all types of fabric from the top and bottom with its own power source for more control and a new built-in sensor will let you know when to activate or deactivate it.

Multi-Touch, Tablet-Like Screen

68% bigger screen than before and works like a smart phone or tablet. Swipe, zoom, pinch and personalize on the customizable, and intuitive 10.1in (257mm) full-color display.

ActivStitch™ Technology

This revolutionary technology delivers precise, gorgeous embroidery even when using challenging novelty threads like metallic. Sensors measure the fabric thickness to regulate the amount of thread needed to achieve perfect balance between the needle and bobbin threads. Results are perfect on both sides of the fabric.

"While dismantling the booth on Saturday at the Rusty Barn Quilt Show in Castle Rock, I realized that I started working for Rocky Mountain 10 years ago, at that very show... my, how time flies. As an original member of the Rocky Mountain team, I am so blessed to have a job that I love. I wake up every day happy to go to work. Not many people can say that and I am one of the fortunate ones. I love sharing my passion for sewing and interacting with such talented ladies and gentlemen. You aren't just customers to me, you are family and I cherish the relationships we have formed. As I look to the next ten years, I can't wait to see what the future holds. Thanks from the bottom of my embroidered heart to all of you for a great 10 years!" - Lynn Washington
