### President's Comments

Hello Quilters!

I hope you all had a grand holiday! Don't forget we are NOT meeting on New Year's Day!

I have registered the SMQG at the SCCQG Meet the Teachers event at the Carson Convention Center on April 18, 2020 for our fabulous fabric sale.

We will need a few people to help with this event. Put it on your calendar now and we'll finalize a schedule in April! Feel free to share with your groups, too.

If you want to order a lunch, I have their order form. This year it is \$18 for a sandwich, chips, salad, cookie & water. Steep, but convenient and tasty! You can give me your check and form and I'll get them to Sue Glass. I don't see a deadline for ordering, but it's probably a month out from event. I'll remind you as it gets closer.

### Program

Pam Hadfield is our January speaker. Her trunk show includes a variety of quilts ranging from piecing, appliqué with cotton and wool, mixed techniques, and pictorial quilts. To see her work go to her website -

<https://www.mamapquilts.com/>. Pam was the featured quilter at the San Diego Quilt Show recently. A

In February, we will host Rob Appell. Many of you have seen his Man Sewing You Tube shows offered through Missouri Star Quilt Company. He's a hoot! It's shaping up to be a lively evening! We'll be sending out a note to all local guilds in

the next week or so in the hope that many will join us for the lecture and workshop. Please remind your friends in other guilds about Rob's upcoming visit to SMQG. Guests may attend the meeting for \$5.

Your votes determined that we will offer the Color Strata workshop. It's a full-day workshop and will be held the day after the meeting, Thursday, February 6, 10 to 4 pm. Please note that we have increased the cost of this workshop to \$60 for members and \$75 for nonmembers. The increased fees will help us defray the cost of the workshop. While we have a number of people signed up for the workshop, please remember that your reservation is confirmed only

when you have paid for the workshop. At that time, Aileen will provide you with a copy of the Color Strata supply list. We need your support in order to host these workshops. If you haven't already signed up, please contact Aileen Cooke today to sign up.

We hope you will join us!

- Color Strata – this workshop uses a jelly roll and background yardage to accomplish the strata

## SMQG Retreat 2020

Mary and Joseph Retreat Center was not able to give us the Lounge area for our Quilting Retreat this year so I cancelled our request for the March 27-29, 2020, weekend. I will contact them next year to see when the Lounge is available for our 2021 Retreat.

The Board and I are exploring other options for a quilting retreat. Let me know if you are interested in a weekend retreat and/or just a day retreat locally

## Out and About

## Travels with Sue: Part 2

Last month when Sue and I left you we were traveling south out of Missouri driving into Arkansas. We were heading for Bentonville, a fast growing city, home of Walmart and the wonderful, Crystal Bridges Museum, sponsored by a Walmart admission is free, the collection features American art.

In family livability surveys, Bentonville is rated highly, with median House costing around 175K, The average age of the population 33. It also has good restaurants and a lovely town square.

From Bentonville we drove, through beautiful rolling country side, on wide open freeways, to Sue's new home town, Heber Springs. It is a small town, the population, as of the 2010 census, was 7,165. The town is situated on a huge lake, formed by the Greers Ferry Dam, the area is popular for boating and fishing. Sue hasn't taken up boating or fishing yet, but, should she ever use up her fabric stash or run out of quilting ideas, you never know?

Heber Springs has a lovely quilt shop in the old town. All the usual support services, including a huge Walmart are situated out of town. Sue's house is painted blue, with white trim. Her sewing room has room for; 2 cutting tables , two sewing machines, a Murphy-Bed, and a TV, PLUS, a huge walk-in closet; in other words, stash heaven!

My stay ended with a trip the theater, in Little Rock, and a flight home via Dallas the next day.

It was good to see Sue enjoying her new life settling in to the community. Thank you for your hospitality Sue.

I look forward to more travels with Sue.  
Maureen Gardner

## Kudos!!!!

Emily Watts' quilt "To All the Plants I've Killed Before" was selected to hang at QuiltCon 2020 in Austin, Texas, hosted by

the Modern Quilt Guild. The quilt is 40" x 49" and was created for the Hoffman Me+You Indah Batik Fabric Challenge, which designated four specific fabrics you needed to use in your quilt.
