SAP BusinessObjects Emergency License Keys

Valid to 27/10/2016

IMPORTANT INFORMATION - PLEASE READ BEFORE CONTINUING:

1. The emergency temporary keys in this file are to assist customers who have purchased licenses to activate the software they have purchased while permanent keys are requested and processed.
2. **To obtain the permanent license keys which activate the exact licenses as per your order or license agreement, please follow the process for requesting permanent keys in the Keys & Requests section on your SMP account:
<https://support.sap.com/keys-systems-installations/keys.html>**
3. For any enquiries or assistance with your license keys, please open a support incident on component XX-SER-LIKEY-BOJ.
4. To use these emergency keys, select the license name and type below which matches the licenses in your license agreement/order.

PLEASE NOTE:

You are only entitled to deploy the product functionality and access as detailed in your license agreement.

5. The emergency keys in this file are not for trial or evaluation use.

6. For a trial or evaluation of any product or license option for which you are not already licensed, please contact your Account Manager to arrange a Trial Agreement.
7. To access any product which is still only available in ramp-up program, please go to <http://service.sap.com/rampup>.
