From the President....

May 2016

Hope everyone is having a great start to 2016 with at least one exciting group ride.

April 2nd we held our April club meeting at Track Dog Racing during their open house. We had plenty of snacks to share, stories to tell, and in general a good time.

April 7th we drove to Kerrville and only had one water crossing, saw Falkenstein castle, and many more bluebonnets than we expected. We had a great weekend with members of the Northwest Arkansas Miata Club. We had 8 cars ride with us and another 8 cars meet us in Kerrville. On Friday night we strained Mamaciata's Restaurant and Cantina with 46 people who came for supper. On Saturday night at Alamo Springs General Store & Café we saw Janis Joplin, Ruth had a drink with Janis, and one of our own, Yvonne Dodgen, got up on stage and sang for us. Alamo Springs was a lot of fun, they had good food, and the ride there and back to the motel was exciting. I would recommend anyone in the area to take 473 out of Comfort to Old #9 Road, to Old Fred Road for an enjoyable twisty ride.

Speaking of the Lone Star Challenge remember you can post your pictures at <http://internetcarclubs.com/Events/TexasMiataChallenge2016.aspx>.

Our next ride to Mitas Hill Winery and meeting is on May 7th. We are meeting at 12 noon at El Dorado Mazda Dealer in McKinney (US 75 North Access Road). After the meeting Gary and Jane Munger will lead us on a ride north of Dallas to Mitas Hill Vineyards.

Eagle Canyon track day was cancelled on April 14th and moved to May 14th.

On May 21st Brian Knopp is planning the U-Pick Berries ride to Pittsburg. At the destination you will be able to pick blackberries, peaches, plums, and possibly strawberries. Brian is also trying to work in a trip to Paris to get the Lone Star Challenge picture at the Eiffel Tower.

On May 27th we meet in San Angelo for the Ultimate Shopping Trip to Prada Marfa and far west Texas. During the weekend we will make it to Mexican border along the Rio Grande and down 170 to the Starlight Theatre in Terlingua.

June 11th is the Annual Ancient Ovens Ride. This is one ride you must pay for up front, \$24 per person (includes tax & gratuity) to Gerry & Suzanne Sauls. A flyer will be available at the next meeting. Gerry will take payments via PayPal.

Houston Miata Club plans to host the 2016 Texas Miata Round Up near Huntsville the weekend of November 10th thru the 13th. Details are still being worked out on this as well.

Thanks everyone for making this a fun club to be a member of.

Mitas Hill Wine Run

Host: Lone Star Miata Club

When: Saturday May 7, 2016 at 12:00 Noon

**Where: Meet at El Dorado Mazda Dealer
2150 N. Central Expy
McKinney, TX 75070 US 75 North Access Road**

Mitas Hill was the vision of Harold Mitas and his wife Sue. They have built a beautiful compound which contains five homes for the entire family and over 20 acres of vines with room for expansion.

I was lucky enough to be there when they laid out the blue prints for the restaurant, pizza bar and wedding chapel. It is an amazing place to visit.

One vine quickly became two and before long, the rocky soil of Mitas Hill was graced with nearly five thousand vines and seven varietals.

Mitas Hill is a North Texas vineyard, winery and events destination in McKinney - in the heart of Collin County. Mitas Hill is owned and managed by members of the Mitas family.

Please join Jane and I at the El Dorado Dealership for a short monthly meeting, some pictures for the dealership, sandwiches and a short ride through some of the hills north of McKinney.

The ride should take about one hour and a half, then some fun with some tasty wines and wood fired pizza.

The 2016 Texas Miata Challenge

For 2016, it's time to take your Miata to the weird side. Weird Texas, that is. All of the challenge sites were inspired by (and some were featured in) "Weird Texas: Your Travel Guide to Texas' Local Legends and Best Kept Secrets" by Wesley Treat, Heather Shade, and Rob Riggs. Descriptions and addresses came from RoadsideAmerica.com. The goal is to take a picture of yourself with your car at each location. **Please note EACH PARTICIPANT must be in the picture, per original rules by Bruce Gibson. Couples can submit two pictures or use a selfie stick or tripod if needed.** Participation is NOT LIMITED to Lone Star Miata Club members! So without further ado, here are next year's challenge destinations:

1. Prada Marfa, [US Hwy 90, Valentine, TX](#). The work will be located on the outskirts of Valentine, Texas near Marfa on desolate ranching land with no other visible trace of civilization. As one drives toward the artwork it will appear to be a large minimalist sculpture, as one gets closer it will look like a luxury boutique where a display of Fall 2005 high-heel Prada shoes and bags will be seen through the store front windows. Yet, one cannot open the door, it is a sealed time capsule and will never function as a place of commerce.

2. Stonehenge II and Easter Island Heads, [120 Point Theatre Rd S., Ingram, TX](#). Stonehenge II was erected as an amusing art project by the late Al Shepperd and his friend and neighbor, Doug Hill. Hill had offered a limestone slab to Shepperd in 1989, unused in his recently completed back patio. Shepperd stood the rock up, monolith-style, and then odd thoughts started to seep into his head. He was gripped by what we've observed as a rare but not unknown malady -- Stonehenge Fever. Shepperd added two 13-ft. tall Easter Island heads a year and a half later, after visiting Easter Island. The heads stand away a respectful distance on either side of the 'Henge.

3. Car buying statue, [4006 Weber, Corpus Christi, TX](#). It's a couple (not two men) and they're checking it out as if to buy it. He's kicking the tires. She's peering into the windshield. Does it look like a Miata to you?

4. Bob's Oil Well, [Bailey Ave., Matador, TX](#). Built by Texan Luther Bedford "Bob" Robertson in 1939 atop his gas station. The steel derrick is 84 feet tall, and was outfitted with lights. Bob was so successful at attracting customers that his station eventually boasted a zoo with lions, monkeys, and a cage of rattlesnakes, but he died unexpectedly in 1947. His widow, Olga, kept the Oil Well going (she even installed bigger lights), but it closed in the 1950s.

5. Giant fork, [4206 Duval St., Austin, TX](#). A giant fork stands outside Hyde Park Bar & Grill, there since 1982. It is regularly "updated" with different art pieces on top -- holiday, seasonal and current event items -- wrapped around or otherwise attached. Stop for a delicious meal when you visit.

6. This Land is Your Land musical fence, [1101 N. Hobart St.,](#)

[Pampa, TX](#). A 150-foot-long steel musical staff displays the notes for Woody Guthrie's "This Land Is Your Land." Welder Rusty Neef created this work of art to honor his father and Woody Guthrie (Guthrie lived in Pampa in the 1930s and 1940s). This destination hearkens back to the 2015 challenge, which featured many Texas music references.

7. Huge pair of legs, [Sundown Ln., Amarillo, TX](#). Huge Pair of Legs in the middle of nowhere! Meant to evoke the sonnet "Ozymandias" by Percy Bysshe Shelley. Artist "Lightnin McDuff" created the sculpture. Currently fenced off to prevent visitor interaction.

8. Eiffel Tower, [2025 Jefferson Rd, Paris, TX](#). Not just an Eiffel Tower replica in a town named Paris. It's an Eiffel Tower replica topped with a big cowboy hat in a town named Paris.

9. Lady Bug VWs, [Hwy 677, Saint Jo, TX](#). The VW Bugs are surrounded by irrigation pipe cactus, flowers, and other art in the middle of a quiet little German area of Texas.

10. Beer Can House, [222 Malone, Houston, TX](#). John Milkovich drank 39,000 cans of beer, then decorated his house with the flattened empties.

Please send completed entries to: Bruce Gibson, 1020 Mesa Court, Shady Shores TX 76208. Or email JPG pictures to brucegibson5@gmail.com.

Deadline is Oct. 1, 2016!! Prizes for completion will be awarded at the 2016 Miata Roundup in Huntsville.

Russellville Roadsters Rally

Russellville Roadsters in Russellville AR would like to invite you to our first annual rally on Oct 14, 15, 16. We have an awesome route planned taking you through a lot of switchbacks and curvy roads. Cost of the rally is \$50/group to cover the cost of the meeting room.

Friday night a catered barbecue dinner is planned at a cost of \$12/person.

Saturday morning we start the ride at 8:30. More than likely we will stop in Harrison AR for lunch at the Old Mill.

Saturday evening is a meet & greet so everyone gets a chance to talk about the run and get to know each other.

Sunday morning continental breakfast at the hotel as we say our goodbyes until next year.

More things are in the planning stage.

We have booked a block of rooms at the Days Inn in Russellville AR. The cost of the hotel is \$99/night + tax.

We will meet at the 7-11 at Dalton Rd & N Goliad St in Rockwall. They have Exxon gas and snacks, so fuel for car and driver is available. Meeting time is 9:00 - 30 minutes for socializing, paperwork and driver meeting has us pulling out at 9:30.

I drove the route on 16 April, and it took me about three hours, but that includes about a half hour for a missed turn (wouldn't be a Miata run pre-drive without it), so I expect to hit Pittsburg at about noon.

We'll meet up at Pittsburg Hot Links for lunch - I'm told they have a room where we can have a brief meeting, and will have firmer information soon - before heading to the U-Pick.

Efurd farms is about three miles south of town on 271. They have an interesting selection of produce already picked and packaged; they also have produce available for picking. They told me that on 21 May the strawberries may be done, but blueberries should be coming in by then. They also predicted peaches and purple-hull peas. Of course, those predictions are subject to the whims of Mother Nature.

I recommend bringing a cooler and some cold-packs to bring your fresh produce home.

Paris is about 60 miles north, straight up highway 271, so anyone doing the challenge can swing up there and get that picture.

LSMC 6th Annual Ancient Ovens Fun Run June 11, 2016

Time for a change..... The gimmick ride has run its course.

That required 2 people per car to make it work, eliminating single seat cars.

Not this year...This year it will be a fun drive through the north Texas countryside.

The Details - Meet at the ticket box office (on the back side of the building) of Texas Motor Speedway at TBD. Please be sure to have a full tank of gas when you arrive because the course is about 100 miles long.

After the run, we'll meet up in the town square of St. Jo for the drive down the hill to Ancient Ovens. Word of warning – the road and the driveway to Ancient Ovens is hard pack dirt/gravel..... it's not bad but you wouldn't want to race down that road! Denis will let us in to park our cars in the car corral so we must arrive there by 7:30 pm.

Dinner – 4 course dinner served buffet style. Its BYOB – so bring your ice chest with ice and adult beverage of choice. Iced Tea and water is provided -

Check out their web site www.ancientovens.com.

We have space for 30 people, and this will fill up fast so don't delay in RSVP'ing.

RSVP & Payment – the fine print— It's \$24 per person including gratuity

To RSVP your spot, we need to collect full payment by no later than June 1, 2016!!!!

Any questions or concerns, just let me know.

Northern Utah has a lot of scenic roads and interesting attractions. We will take and guide you on many of them to experience these fabulous roads yourself. We anticipate this to be one of the Premier Miata Events anywhere in the country in 2016, at a Premier Event Location so be sure to plan to come!

TULIP TIME RALLY

This winter has been hard across the country, so we are ready for images of spring, like the tulips above right. The image above left is a kind of rally instruction called a tulip. This one means "Turn left at slant T at STOP". The X represents the stop sign. These were first used by the famous Tulip Rally in Holland. We will use this type of route instruction for some of the event.

The other difference between this rally and the others we will present this year is rally timing: you are going to be timed to the second for parts of the rally. But this is easy: all you need is a watch with a second hand (or an app that displays time to the second). We ask you to drive a one-hour+ loop north of Denton, twice, in exactly the same time. The team that comes closest to that goal will be the winner. There will be a few sign questions that will act as tie-breakers.

We will be starting and ending at the Horny Toad Restaurant, in the Stonehill Center in Denton, at the (northern) intersection of I-35 and Loop 288.

The rally will be held on Saturday, May 21. Registration opens at 10:00am at the museum. The first car will start at 11:31am. Cost is \$25 per car (SCCA members get a \$5 discount). There will be a mid-rally lunch break at the Horny Toad Restaurant. Preregistration will be at <http://msreg.us/TTR16msr>. Those who preregister will get the event rules via email prior to the rally. There will be a \$5 late fee at the Horny Toad for those who do not preregister. The event is open to any four-wheel street-legal vehicle, and there must be two or more people old enough to read aboard. Any person in the car who is a minor (under 18 years old) must have an SCCA "Minor Release" signed by a parent in the presence of the rally registrar or a Notary Public. Course following will be easy, with mileages at most instructions.

To preregister, visit <http://msreg.us/TTR16msr>

This rally is sanctioned as a Divisional Rally by SCCA, and is a part of the National SCCA RoadRally Championship. Sanction Number 2016-DG-41-03.

Texas Region SCCA (www.texasscca.org) is affiliated with the Sports Car Club of America (www.scca.org). With over 65,000 members, and with Regions all over the US, the club offers car related activities in a broad range of automotive events.

This is the third event in the 2016 Texas Region SCCA Championship RoadRally Series.

Don't forget the new LSMC website

<http://www.internetcarclubs.com/Clubs/LoneStarMiataClub.aspx>

Doug Dodgen has been working on the website to make it the best place to check information about the club. He has added the yearly calendar so you can plan for upcoming rides. Keep in mind that dates are subject to change. Members can log in and modify their contact information as well as add a profile picture. You will no longer get a PDF directory of members. If you have questions about editing your information, please contact Doug. The main page of the Lone Star Miata Club part of the website contains a link to our www.LSMiata.org Wordpress site where links to newsletters and events will continue to be published.

Check us out at <http://www.internetcarclubs.com/Clubs/LoneStarMiataClub.aspx>!

If you have not renewed your membership for 2016, please do so ASAP. You will be removed from the club roster and from Evites after March 30. Remember the new dues structure is \$39 for couples who both want to join, and \$30 for singles. Your dues go toward doorprizes, club insurance, and supplementing costs for annual events such as the Christmas party and picnic.

Be sure to check your Evites for details about trips to the Big Bend area over Memorial Day weekend and to the Panhandle over July 4 weekend. We'll be visiting some Miata Challenge sites for those who are interested.

From your editor

Don't forget the photo sharing site at <http://lonestarmiataclub.shutterfly.com/>. You have to create a free Shutterfly account to gain access. I know many of you (including me) already had a Shutterfly account, so it should be an easy way for us to share photos of events and "stuff." We also share photos on Facebook, so join us at the Lone Star Miata group.

When you lead a drive, please download and print participant waivers from <http://lsmiata.org/events/>. There is a track waiver and a street/rally waiver, so print the right one. It's a good idea to have maps with your phone number printed on them for a trip. Also be sure to bookmark the home page <http://lsmiata.org> and the new website at <http://www.internetcarclubs.com/Clubs/LoneStarMiataClub.aspx> to get all the latest information about us.

Doug has cards to leave on Miatae we see out and about. This is a great way to invite them to the club. Pick your cards up at the next meeting.

I have included all the upcoming events I know about. If you have anything you would like to see in the newsletter please let me know. Please feel free to contact me at newsletter@LSMiata.org.
