A word from the sale manager...

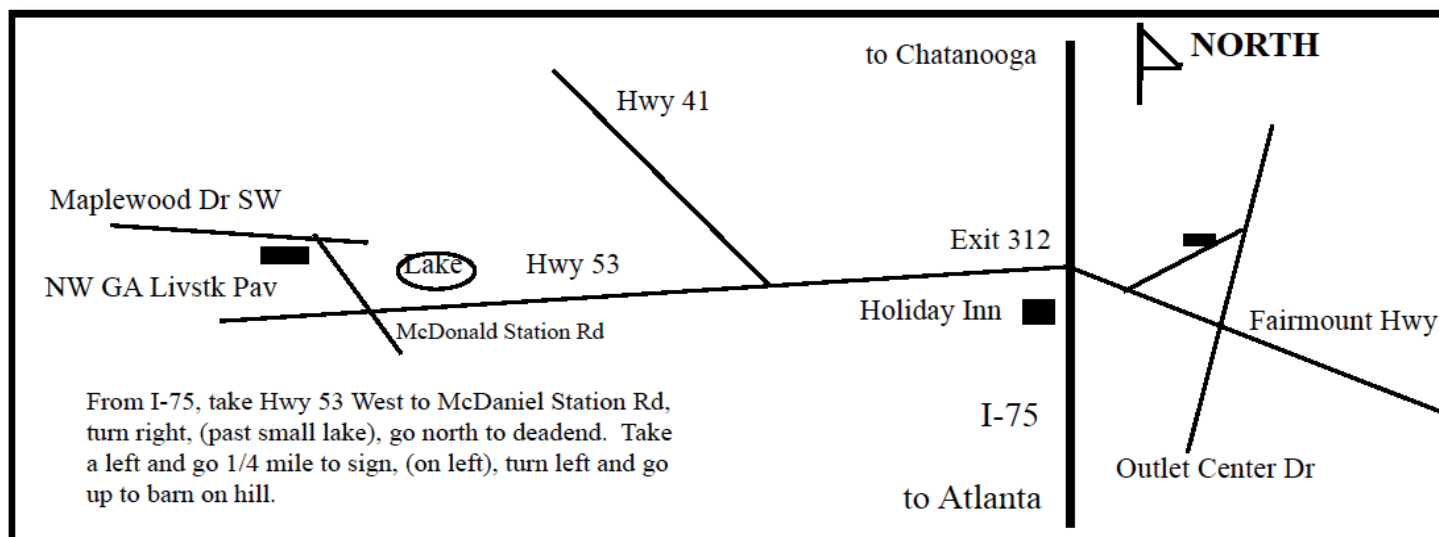

Welcome to another great Southern Connection Sale! We have a tremendous offering for you this year. Starting with some super herd sire offerings! Some of the best genetics we have ever offered in this powerful edition. Notice the Lot 1 bull by JDJ Maximo, a real classy prospect, with all the proceeds being donated to the Wampler Fund. A chance to help your program and the Wampler's! Most of the bulls come from very proven backgrounds with full sibs working in major herds in the United States so you can buy with extra confidence. These bulls are the kind that will add weight to your calves with an extra quality look!

The females are also an awesome collection of the best in the breed. Several top donor cows sell along with some of the best stacked genetics of proven lineage, again so you can buy with the utmost confidence. Several quite fancy heifers will undoubtedly attract your attention with a desire to own!

With the dry weather, it points out the advantage of owning just the best you can and not try to do with just numbers of cattle. You make more profit in the purebred business with quality! This sale is loaded with quality and with the markets, it's absolutely the best time to be buying cattle!

Thanks, and hope to see you October 22nd! If we can be of assistance, please give me a call.

Sincerely,
Dennis Adams

Selling three embryos.

Clarice is one of the most exciting and productive daughters of her dam. Her calves have topped many sales, including a 2nd high selling Cigar daughter in the 2016 Sale of Excellence and another open heifer from her sold for \$7500. Look for powerful Asset calves loaded with meat and growth to start dominating sales!

An own daughter of Sly Illusion, this feminine heifer displays the growth, sharp angular front-end and stature to make a very productive brood cow. She is credited with a great calving EPDs, a 6.8 for CE and -0.5 for BW! I don't think the Webb's have ever pulled a calf by Sly! Sly calves grow fast and efficiently, have excellent thickness, and bull buyer's love them.

Sells Open. A very attractive President daughter with abundant growth and performance. Her dam is a combination of Eaton, Pate, and Cooley genetics. Her light birth weight of 84 lbs. is enforced with her EPDs of 1.1 CE and 1.7 BW. These President daughters have fantastic udder quality and do a great job. Here is an opportunity to invest in a female that will win you over!

Sells Open. C66 is a massively thick heifer with good bone, lots of volume and capacity. Her dam traces to the great Cobalt bull, (Sire of JDJ Equity P370 P), and U3006 is a maternal sib to BHD Reality T3136 P. U3006 is now in the Hudspeth ET program. Ty Cobb is a junior herd sire at Bracewell & Leven's elite program from a "Pick of Cobb's" herd female.

Sells Open. An ultra-feminine heifer with tremendous growth, volume, and natural thickness. She sold at the side of her dam in the 2015 The ONE Sale for \$7500. A rich pedigree of Verna E225, a stalwart of Three Trees ET program, blended with DeBruycker's JDJ Curlin, a powerful maternal sire! Her sire, 2537, is a full ET sib to WC Capital Gain 2220 P ET bull owned with Southern Cattle Co.

Bred to M6 New Standard 335, M826229. A top young female with plenty of opportunity to become a stalwart producer in your herd. Her sire is out of the great \$50,000 JWK Verna E225 that was a center of Three Trees ET program. Peugeot sires tremendous growth and performance in his offspring. Unlimited Ease certainly adds a high degree of maternal ability and strong milking qualities.
