

TRADITION FIVE

“Each Group has but one primary purpose – to carry its message to the alcoholic who still suffers.”

I am brand new to Alcoholics Anonymous. I just walked into the Fellowship for my first meeting ... scared not knowing why I am here. I think, just be still ... don't look at anybody ... it's OK. Finally, to my relief, everyone sits down and the meeting begins. Then we get to the sharing portion of the meeting. This is about job loss, divorce, bad relationships, how hard it is to follow the rules of the treatment centers, how some of them let their parents down, still others must get home to their children, why they hate their bosses and the job, and finally how hard it is to stay sober. What does any of this have to do with alcoholism ... Who knows? And this is why we have Tradition Five. It is the responsibility of each group to carry the message of hope. That is what is meant by attraction rather than promotion.

You may find this hard to believe – but I just walked into a meeting of Alcoholics Anonymous. The chances are I know about the pain of alcoholism and how, even though unwillingly, I let myself, my friends, and all my loved ones down. What I need to know is how to stop this madness. I am hopeless.

In the Big Book, Alcoholics Anonymous, it states “our stories disclose in a *general way* what it was like, what happened and what it is like now”. That is what we share ... that's it! It is the obligation of each member of Alcoholics Anonymous to help the alcoholic by sharing our “experience” to help the newcomer identify and then introducing them to

recovery. By carrying the message of the 12 Steps forward, we show the newcomer how wonderful sobriety can be - how our troubles are cast aside as we began a whole new life - living happily free from alcohol as we learn to be comfortable in our own skin.

The best sermon you will find is action and not words. Walk over to that newcomer, shake their hand, smile and say WELCOME! In the chapter of the Big Book, Alcoholics Anonymous, “Working with Others”, it says we seek out the newcomer. And I was taught if I am not sharing the message of Alcoholics Anonymous, I am probably spreading the disease of alcoholism. I must always remember I might be the only example of the Big Book that a newcomer sees. So, I either walk the walk and live “the primary purpose” or I am a sober horse thief.

I am not picking on anyone or any group, I am simply writing about Tradition Five and our primary purpose which is to stay sober and help other alcoholics achieve sobriety. In order to keep this gift received by the grace of God, we must be willing to go to any length and give it away. These are not my rules. The founders of Alcoholics Anonymous learned these through their experience that we might carry this forward.

Love and service,
Tommy B.

MILESTONES IN MEDICINE
Dedicated to Science by the Kinsel Drug Company

**A NEW "PILL"
 FOR ALCOHOLISM**

MEDICAL science has long recognized the physical and mental deterioration accompanying the abuse of alcoholic beverages, but the most systematic and thoroughgoing exploration of the problem has failed to find a medical remedy.

The development of a drugless therapy by Alcoholics Anonymous has met with such notable success in treating chronic alcoholism that this organization and its methods are commended editorially in *Hygeia*, The Health Magazine of the American Medical Association.

Numerous Detroit physicians are enthusiastically recommending AA to patients who are sincere in their desire to achieve sobriety. Kinsel's congratulate the AA Fellowship of Detroit for its outstanding contribution to human health and welfare.

Drug Chain Ties in Copy with Alcoholics Anonymous

Detroit, Feb. 2.—Work of Alcoholics Anonymous was tied in with institutional advertising of Kinsel Drug Company last week when the *Detroit News* carried the third of the chain's series of ads designed to exploit new methods of healing and improve relations with the medical profession.

Approved by Physicians

Copy described the invisible war waged against alcoholism by Alcoholics Anonymous, under the heading, "A New 'Pill' for Alcoholism." Medical approval of the advertisement was given by a number of Detroit physicians glad to be relieved of the "problem drinker," and the value of AA therapy received additional support from an editorial appearing in the November *Hygeia*, mentioned in the Kinsel copy.

manager of Kinsel Drug Company, who prepared the advertisement, declared that more than 150 inquiries were received from *Detroit News* readers seeking more information about AA and its success in treating alcoholism "by a therapy which includes humility, self-denial, good example and a new pattern of social recreation." He said chapters of Alcoholics Anonymous are now organized in most of the large cities and more than 10,000 members are carrying the message of hope to victims of the drink habit.

Chair: Cheryl S: The meeting opened with a moment of silence followed by the Serenity Prayer. Chair called for approval of last month's minutes; Sheryl M. made a motion to approve February 22, 2017 minutes. The motion was seconded and passed unanimously. Chair welcomed new group reps.

Thank you to the groups that contributed to Intergroup in February. All contributions received through the end of last month are included in this report. We remain transparent in our financial reporting. The P&L statement and group contributions will continue to be included in the SCAAN, are available online. New Group Reps: William B, Wine Into Water; Crystal C, We Are Not Saints; Christian V, Men With Solutions; Max P, Boca Boyz; Laura K, Women In Recovery; and Savannah R, Women Living Sober!
Committee Reports:
Archivist: Michael G: No report.
Archives: Mike B: Not too much to report. At the Intergroup office, there are a ton of Grapevines, even extending to the 1970's. They're available for anyone to come visit and see. I've been in contact with a gentleman who is willing to help us complete our collection of Grapevine's throughout the years. Thank you!

Bridge the Gap: Bari W (women): Excused absence. No report. **Tom K (men):** Excused absence. Nothing new to report. No phone calls received from Intergroup.

General Service Liaison: Arlene P: The District Public Information Committee is looking for volunteers, more information on who to contact is available on the District 8 website. They would like feedback regarding the website. There will be an Area Quarterly from April 7-9th at the Boca Raton Marriott and they are asking for volunteers as well.

Group Information: Jason W: I continue to contact the reps from our group rep sign-in sheet. I've begun attending meetings that do not currently have an Intergroup representative to let them know that they have a voice at Intergroup. I've attended 4 this month and intend to attend one a week going forward. The current number of groups listed on our roll call sheet is 94, 76 have been verified by myself. The current number of meetings listed in the Where & When are 164. My committee could use some help, especially regarding women's meetings in the area.

Public Information: Open

Hospitals and Institutions: Open (men): Natasha V (women): There are no new meetings as of this month. We still have 21 meetings in 11 facilities each week organized through H&I. If anyone would like to volunteer please contact the Intergroup office who will forward your information to me.

SCAAN: John T: Excused absence. Articles are always welcome and can be emailed to the Intergroup office. Please submit by the 15th of the month.

Telephone Relay: Tony C: Contacted April recipient of phone to confirm expected attendance for handoff. The phone is covered through July.

Where & When: Sheryl M: Updated the list for Where & When's last month. New prints will be coming out in April. The new ones will be for sale at the Intergroup office once the stock of the old ones run out.

12th Step Committee: Katie K (women): We added one new volunteer to the women's 12 step list, making the total number 24. Still taking volunteers for the women's list. **Steve J (men):** Few additions and few removed from the list. Will call the large portion of the list this coming month to ensure they are all still viable volunteers.

Liaison to North County Intergroup: Kendall C: Their office operations are doing great. Their part-time manager Leslie has continued to work on a manual to allow the Intergroup office to stay operational in case of emergency. Literature prices will not have to be increased after all. Elections were held according to Third Legacy procedures. If you would like any of the new chairs information, please contact me via the Intergroup office. The plan for the old-timer's ice cream social on April 22nd at the Triangle Club is doing well. Please advertise this event at your home groups. Those eligible to speak at the event will need to have 50+ years of sobriety. If not enough 50+ speakers are available they will have 35+ years speak. In spite of strong sales, February was a quiet month in regards to literature.

Picnic Chair: Jerry R: Looking forward to a great picnic this year! We will be at John Prince Park again, 11am-3pm on May 21st. Intergroup reps please pick up 10 tickets for the picnic from the Intergroup office to bring back to your groups. If you need more tickets that is no problem as well. Tickets are \$10 and children under 12 are free. We will be setting up volunteers, please ask

your groups if anyone is interesting in being of service. Games, food, servers, face painters are all positions available for your groups. This is a great opportunity for service. I am very grateful to have this position again this year.

Old Business:

Committee Elections: Election was held for Public Information Chair. Sheldon was elected from Delray Central House! Report to follow next month. H&I men's position will have an election next month.

Review Current Intergroup By-Laws: Intergroup asked last month that the reps familiarize themselves with the by-laws. If you have any suggested revisions please email them to the Intergroup office. The by-laws can be found on our website at aainpalmbeach.org. Michael G. the Archivist made a motion to change the Archives Chair position from a 1 year to a 2 year service position due to the large scale and training required to be a productive chair. The motion was seconded and discussion followed. Michael G. amended his motion to make the position retroactive, so that the current Archives chair can continue his position into his second year. Discussion followed. Please take this to your homegroup and bring your feedback to next months vote.

New Business: None!

Next Business Meeting: April 26, 2017

Closed meeting with the Lord's Prayer.

Respectfully,
Jay W.
