Vacation Care

Standard of care

Northern Beaches Council Vacation Care operates in accordance with the requirements set by the Australian Children's Education & Care Quality Authority (ACECQA) including the National Quality Framework (NQF) and the framework for school age care in Australia, My Time Our Place (MTO).

Philosophy

Northern Beaches Council Vacation Care aims to provide the highest quality education and care service for children in a fun and safe environment.

At Northern Beaches Council Vacation Care we:

- Provide an inclusive and anti-biased approach to our education and care service which welcomes and includes all children and families regardless of ability, language, race, culture, gender, religion, socio-economic status, family structure or lifestyle, within the capabilities of the service.
- Promote a positive environment where children have the opportunity to learn, explore, develop and be creative while fostering respect, self esteem and the unique contribution of each individual child.
- Acknowledge play as a vital part of a child's development and we encourage and support the principles of play through our programming by looking at the needs, interests and abilities of all children.
- Promote teamwork and value staff whom we support through communication, training and development.
- Build respectful partnerships with families and the community.
- Value the natural environment in which we live and encourage children to love and respect nature, the land, animals and people, while fostering an eco-friendly centre by recycling and discouraging waste.
- Encourage children to explore social learning by developing new friendships, negotiate rules of play and be encouraged to develop independent cognitive skills.

General information

Vacation Care is for children up to 12 years old attending primary school.

Children must have completed their first term of school to attend Vacation Care unless they are attending the Pre-school Vacation Care during the January school holidays at Manly Vale.

Staff are employed from 7.30am to 6.00pm and children are to be electronically signed in and out by a parent/guardian between these times. Children will only be allowed to leave the centre accompanied by an adult nominated in your Hubworks registration. Our admin team can help you register new authorised / emergency contacts - please call our office on 9942 2312. Centre staff will make an alternative arrangement if a person collecting the child appears to be under the influence of alcohol/drugs or if the child could be at risk - this is up to staff discretion.

Prescription medication can only be administered by staff with written permission from parents/guardians and be in the original packaging. Non-prescription medication is not permitted at Vacation Care. See centre staff for further details.

PG rated movies may be shown at the centre, please see staff if you have any concerns about this.

Every effort is made to provide the activities exactly as advertised in this brochure, however sometimes, due to circumstances out of our control, this is not possible. If an activity is cancelled we will try to provide another activity and inform families as early as possible, usually on the morning of the scheduled activity via signage at the centre.

Centre and program rules are established for the safety and well-being of all children. Please note consistent disregard of rules may result in exclusion from the program following consultation with Council staff and parents/guardians.

What to bring

Children need to bring a hat, lunch, snacks and a refillable drink bottle. We suggest you pack a frozen ice brick with your child's lunch to help prevent the growth of bacteria and keep it cool until lunch time. Cooking activities may be part of the day's program but they are not meal substitutes.

Children should not bring any valuable toys, electronic devices, mobile phones or expensive jewellery to Vacation Care as they may be lost. Vacation Care will not be responsible for lost valuable items.

What to wear

Please clearly label all items!

Sunhat and sunscreen – no hat means children may only be allowed to play in the shade. Children without hats may miss out on outdoor activities!

Parents – please apply sunscreen to your child every day before dropping them to Vacation Care. Sunscreen will be available at the centre.

Clothing should be practical and sun smart. Singlet tops are not appropriate as exposed shoulders are prone to sunburn.

Please note that centres often do messy activities so be prepared for dirty clothes at the end of the day!! The centre does not provide protective shirts for arts and crafts.

Please wear covered shoes only – thongs, slides and most sandals are NOT appropriate or safe footwear at Vacation Care. 'Wheele' shoes and Crocs are also inappropriate footwear for Vacation Care. Please note children who do not have appropriate footwear may not be able to participate in all activities.

Food

Help us be allergy friendly! Many children have allergies to various foods. Nut allergies are especially common.

Please help us by not providing any nuts or nut products (including peanut butter and hazelnut spread) in your children's lunches and snacks.

Please provide healthy snacks and lunches. Lollies, sugary drinks and sweets are discouraged.

Please ensure your child has plenty to eat and a drink bottle to fill with water.

Hours of operation

The program runs from 7.30am to 6pm each day.

Children with additional needs

Northern Beaches Council Vacation Care Programs are additional needs and disability friendly. Before enrolment, we require detailed information about your child's individual needs in order to work together to support your child. If your child has high support needs, additional support may need to be accessed via the Federal Government's Inclusion Support Subsidy (ISS). The application process can take some time as we consult with schools and complete an assessment to determine how to best meet your child's needs at Vacation care. Contact the Vacation Care Coordinator on 8495 6685 as early as possible to ensure that your child can access all aspects of the program.

Immunisation

Children who are not immunised are to be excluded for the duration of an outbreak of an immunisation preventable disease. Vacation care is exempt from collecting and keeping Immunisation records.

In centre days

Activities vary throughout the day and allow for sessions of high and low physical activity. Incursions scheduled for certain days will usually run for a one to two hour period. The remainder of the day will include activities organised by the educators. Each day will have a theme that will be incorporated into some of the activities during the program for the day. Please be aware that activities may be cancelled or modified at last minute, depending on Covid restrictions at the time.

Excursion Day

Children and staff will travel by charter bus or walk to each excursion venue. On excursion days children will leave the centre at a time after 9.00am and return to the centre by 4.00pm. Please ensure children are dropped off before the children are required to leave the centre to get to the excursion.

There will be up to 80 children attending each excursion, with one educator for every eight children, except when they are attending a swimming excursion at which there will be a ratio of one educator to five children.

A risk assessment with more details about each excursion can be viewed on the Vacation Care website prior to booking.

Information on the time of departure for excursions, special requirements for the day, or late changes to the program are displayed at the centre or are available by phoning the centre during opening hours. Parents/ Guardians are responsible for ensuring they have all information required. Children will not be permitted to purchase food on excursions so please do not send money with your child to Vacation Care.

Please be aware that excursions may be cancelled or modified at last minute, depending on Covid restrictions at the time.

Child Care Subsidy (CCS)

If you wish to claim Child Care Subsidy (CCS) you will need to complete an online Child Care subsidy assessment using your Centrelink online account through my.gov.au. Once you enrol your child in HubHello you will receive an email with your logon ID and password for HubHello.

Bookings

Bookings for our vacation care program will open three weeks prior to the start of the school holiday period. All bookings are made using BookMe in the HubHello program.

Northern Beaches Council's Vacation Care centres follow the Federal Government's 'enrolment priority of access' guidelines. Priority of access will be given in the following order:

1. A child at risk of serious abuse or neglect.
2. A child of a single parent who satisfies, or of parents who both satisfy the work/training/study test under section 14 of the Family Assistance Act.

Should your family be instructed to self-isolate due to COVID testing, or potential exposure risk, please do not send your child to Vacation Care. Contact our office so that we can adjust your booking accordingly.

Children must have completed their first term at primary school to attend Northern Beaches Council's vacation care program unless they are attending our pre-school Vacation Care program during the January school holidays.
