## Principal Report

After a busy first term it was lovely to finish with a bit of a return to normal with our Easter Hat Parade today. This was the first school event we have been able to invite the community to take part in since early last year. Thank you to those who were able to attend.

Today I put the finishing touches on the schools 2021-2024 School Improvement Plan. It has now been published to our website so head on over and have a look. Thank you to everyone who contributed by answering surveys and filling in questionnaires. Look out next term for more information and over-views about our new initiatives.

Please take care over the break. Happy Easter and I am looking forward to seeing everyone's smiling faces back next term.

## 3/4T are learning to persuade others of their opinion.

Here are some of our views on Day vs Night! Which one will you pick?

Daytime

I definitely love the day because I get to always play soccer on a Friday in Yass. After that I always go home and obviously play the Nintendo switch, which is unquestionably fun. Joel Bingley

Absolutely daytime is the best because you get to play on technology and go to the movies. Daytime is so much better so come on, who's in? Because you don't have to go to bed! Joel Fitzpatrick

Daytime will absolutely kick off night times pants, ALWAYS even if you think night time is better. Day time is full of extraordinary fun 100% adventure with lots of super awesome friends. Jayne Olsen

At day time you get educated and that means you can learn and get the job you want. Absolutely it must be the best and at night time you can't see it is not better so you must be silly if you like night time. Elyse McIntyre

Day time is so good because I like to go motorbike riding because you can do jumps. Lawson Gallimore

Daytime is definitely better because we can play tackle footy. When it is wet we can get really muddy and it is really really fun! Koby Cook

## 3/4T are learning to persuade others of their opinion continued

Nigh time 

I reckon night time is better as there is a cool moon and the stars are shiny. You must trust me!  
Max Fraser

I hate daytime because it is impossible to sleep!! It is totally light in the morning.  
Carter Adams

Obviously, night time is best because footy training is on, it has to be better than day.  
Noah Hall

Clearly night is better than day of course! You could get to watch movies and sneak out and play spotlight or hide and seek. You could get to play games and you can go anywhere without your mum saying no. You can go ghost hunting, it is soooooo much fun! You can go to dinner, it is the best! Noah Hewlett

I like night time the best and you should certainly choose night over day. Day sucks and you can get bored. At night you can do so many more things. At day you have to work and get tired. That is why night is EXTRAORDINARY and AMAZING!!!! Makayla Timm

Night time is definitely better than daytime because you can go hunting at night.  
Noah McKenzie

Daytime will never beat night time, shall we all agree that night time is 1 000/ 1000 better!  
Heidi Dodd

I think night time is better because you get to go hunting and stay up late with your friends.  
Tai Olah

Night is way better than day because the day is so boring and you have to do your chores and you have to listen to your parents. I feel terrible. Egan Bradley

## 3/4T are learning to persuade others of their opinion

Night time is clearly the greatest out of day time. Night has the advantage over daytime because day makes you sleepy! Jack Allan

My favourite time is night time because you can have a sleep in and make some pancakes and some cookies. Avah Baker

Definitely night time is better because you can go hunting and sit up in bed eating ice-cream while watching McCloud's Daughters. So buy ice-cream and hot chocky and you can stay up to whatever time you want. You will never have regrets and it is so much fun staying up late. Ava Muscat

Don't you feel the cool breeze? Definitely better than the roasting hot daytime. Night time is awesome to go camping, look at the stars, run around in the cool breeze and roast marshmallows. Clearly you have to believe me that night time is so much better. Jasmine Jackson

Night time sleep, dinner and dessert. It is the Best! Eve Chapman

Night time is clearly better than daytime because you get to go hunting with your dad. You get to sit on the back of the car tray with a tub and you get to catch wild pigs, boar, wild dogs and goats too. Logan Gray

I think that night time is absolutely better because I do footy training and I get to watch footy and that's why night time is absolutely definitely better!

Harry Waters

Absolutely, I pick night time as the best because you can play spotlight and hide and seek. Daytime is so boring that I wish it was night time all the time because daytime will never beat night time!

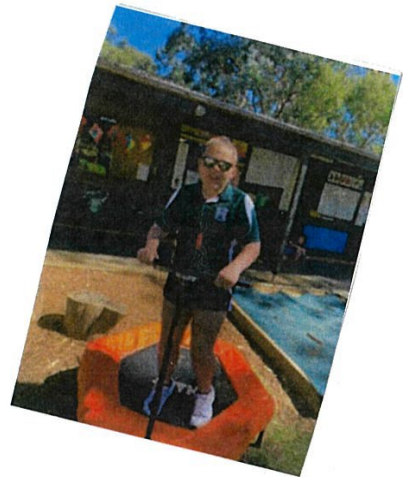

Travis Rattenbury

Night time is better because you can go pig hunting, watch movies and stay up late with friends. Willow Larkham

In MP this term, we have been learning about lots of fun and interesting things! We thought we would show you!

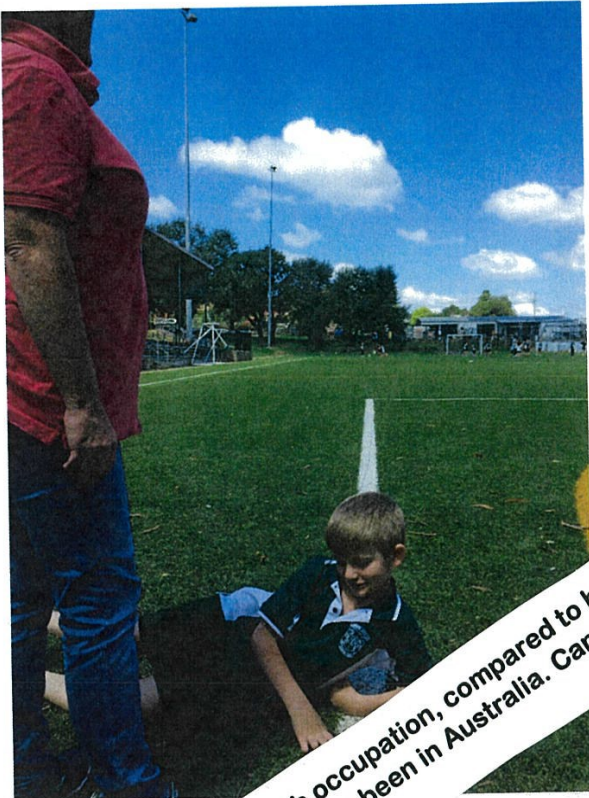

We love fitness in MP

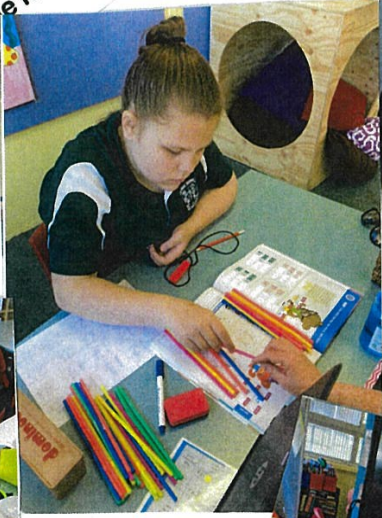

We measured lots of things in the playground with our 'Paper Chain' rulers

We created a timeline of British occupation, compared to how long Aboriginal and Torres Strait Islander people have been in Australia. Can you see the students in the background?
