

## SCHOOL PROFILE

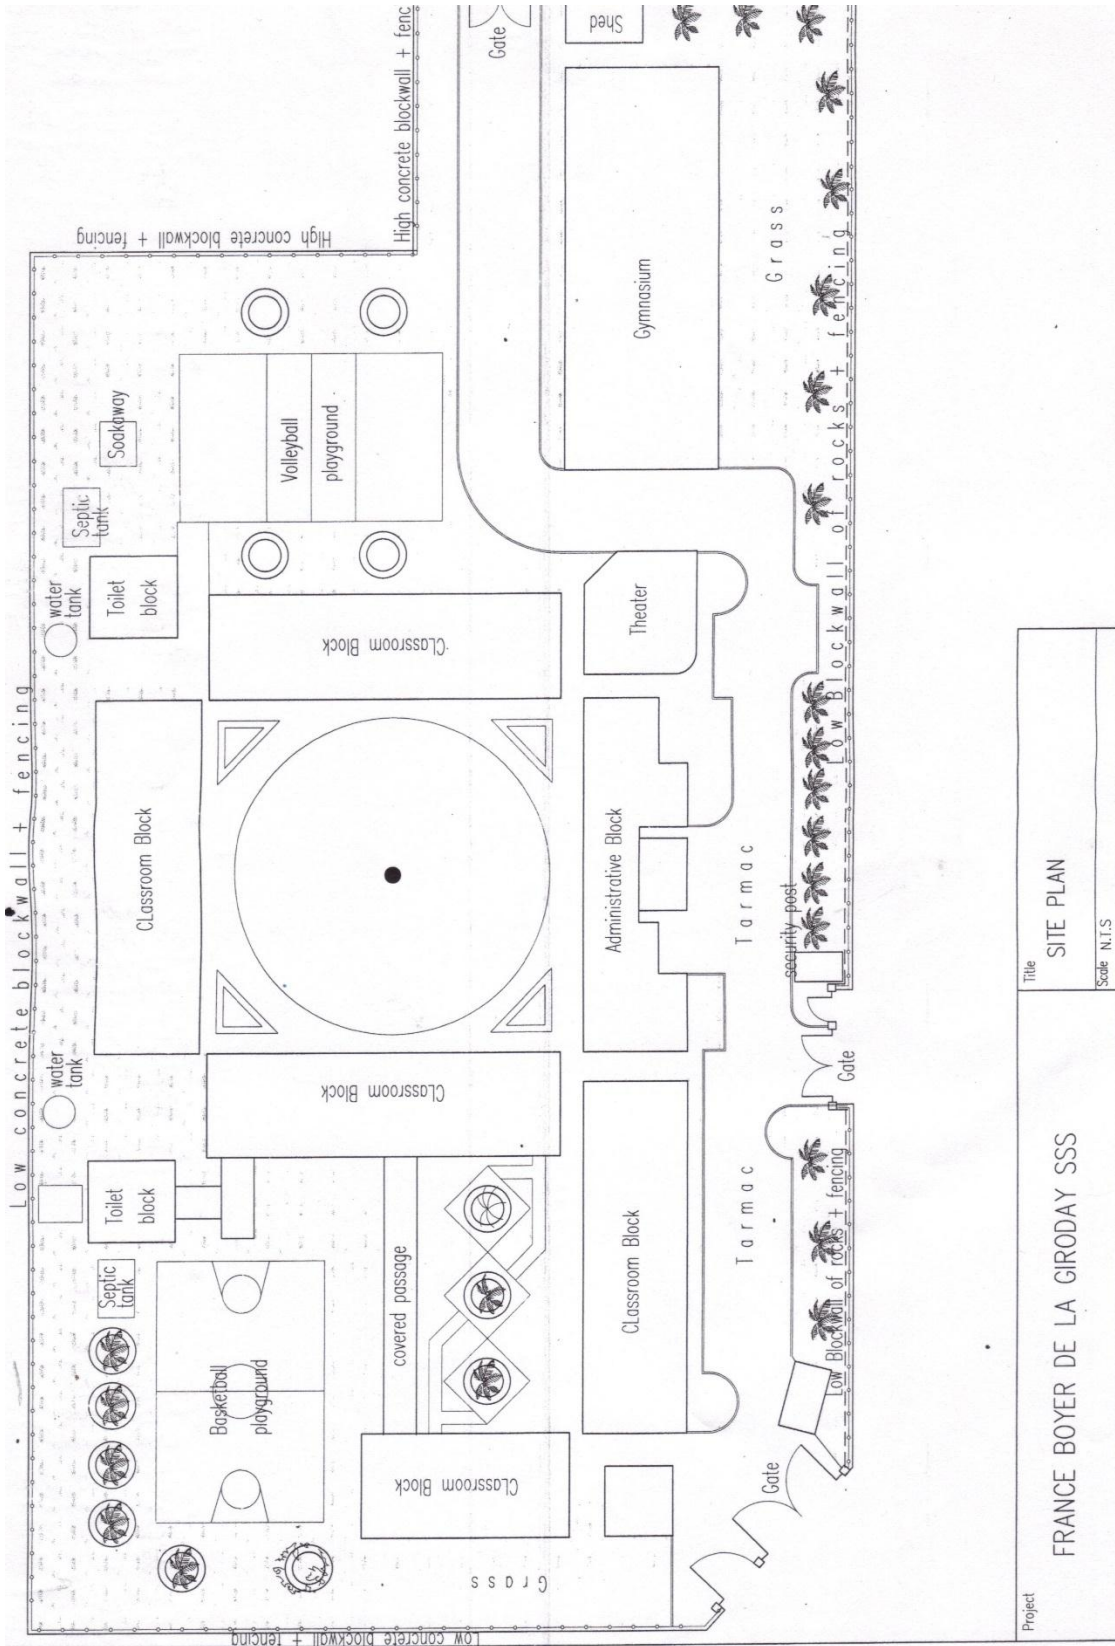

France Boyer de la Giroday SSS was founded in 1996. Named after the greatest pioneer who was actively involved in social work and who worked for the benefit of the under-privileged, the school has earned itself the reputation of “Jewel of the South.” Every year, the increasing demand for admission to Form I indicates that the school deserves the ‘National College’ status which the school obtained in 2009.

Students FBG SSS benefit of a sound environment as well as well-maintained premises. The approximate area of school premises is 23210 m<sup>2</sup>. Students benefit from various amenities including well equipped laboratories, a gymnasium, a Lecture Theatre, a Multi-media Room, Basketball and Volleyball playground. Various projects are under way to allow further opportunities to our students, including a language lab as well as a football ground.

Besides academic achievements, the school is known for its laudable participation in most extra and co-curricular activities. With an aim to provide an all-round education to the students, various clubs contribute to encourage students to develop their potential and their hidden talents.

The school population in 2015 is 868.

Project	FRANCE BOYER DE LA GIRODAY SSS
Title	SITE PLAN
Scale	N.T.S

**ASPIRATION:**

FBG aspires to be a school which equips students with the ability to adopt a realistic attitude to life.

**VISION:**

Our vision is to foster efficient education through a holistic approach.

**MISSION:**

To create a healthy learning environment which aims to unlock the individual capabilities of students to enable them to become responsible citizens.

**OUR BELIEFS:**

We believe in the potential of learning of each student

We believe in our responsibilities to mould the personality of each student

We believe in community involvement to ensure a better society

We believe in the involvement of parents as guides to children

We believe in seeing failure as the stepping stone to progress

**AIMS**

To provide a conducive learning environment to enable students to be independent lifelong learner.

To improve the quality of results at SC and HSC level.

To enhance management, organisation and administrative procedures to facilitate the teaching and learning process.

To promote teamwork among all partners.

To encourage staff to adopt innovative teaching techniques to improve teaching and learning.

To maintain a healthy environment.

## **WHERE ARE WE NOW? (SCOTT ANALYSIS)**

### **STRENGTHS**

A cordial atmosphere which promotes good communication between Rector, teaching and non-teaching staff, students, parents and community.

To keep up to date with demands of the times.

The school is seen as the 'Jewel of the South.'

Good location of the school.

Good intake at Form 1 level.

PTA involvement.

Development of a School Behaviour Policy with the aim to implement a School Culture.

### **CONSTRAINTS**

Lack of consistent training sessions for staff to master new technologies.

Lack of WIFI all over school.

Transport problems for students.

Absenteeism of students.

### **OPPORTUNITIES**

Involvement of Responsible Parties

Staff of the school is receptive to paradigm shift.

Co and extra-curricular activities aiming at overall development of students.

Cultivation of leadership skills in students.

Promotion of benevolent activities.

### **THREATS**

Demands and high expectations from different stakeholders create extra stress to the teaching profession.

Inadequate collaboration from certain parents.

Social websites

Few students from broken families
