TAKING A BYTE OUT OF COVID

FALL CONFERENCE

September 19 - 21, 2021

Columbia Marriott
Columbia, SC

The Board of the South Carolina Information Technology Directors Association (SCITDA) welcomes you to the 2021 Fall Conference. This is our 43rd year as an organization, and it will be our thirteenth year in Columbia! If you are a first-time attendee, we extend you a very warm welcome. You will find this group to be very interested in meeting you and sharing information, which is at the core of the association's mission. If you are a member or returning attendee, welcome back! We hope you will find your time here well spent.

This year's conference is especially relevant as we have all been through some extraordinary times over the past year and a half. This is our opportunity to come together as peers and friends and make this event the best one yet! We will have several excellent keynote speakers and a diverse mixture of twenty-eight interesting agency and vendor presentations. The Birds of a Feather session is back again this year as well. Breakfast and lunch will be served each day. These presentations are open to all attendees. Best of all, throughout this conference you will have the opportunity to network with your peers in a relaxed and informal environment! You can also keep up with all the conference activities and with each other in the Socio mobile app.

Our corporate sponsors are a vital part of this association. Thanks to each of them for their support, sponsorship, exhibits, and informative presentations. You will find details about each corporate sponsor in the program and in the Socio mobile app. This information should help you learn more about them and which ones might be able to help your agency with IT solutions. Breakfast and lunch will be served in the exhibit hall. Please take advantage of this and other opportunities to visit the exhibit hall and meet our outstanding corporate sponsors, become acquainted with their products/services and enjoy their exhibits. Thanks to our Gold Sponsors, there will be a reception at the Columbia Museum of Art on Monday night.

Dedicated exhibit hall and networking time has been set aside on both days. Please network with other attendees, visit the exhibit hall and take time to talk with our corporate sponsors. Tuesday's closing session will wrap up the conference and will include several great prizes giveaways. Be sure to stay for this last event, you must be present to win!

The Agency Members of SCITDA will have a business meeting and lunch on Monday. At that time, the Vice Chairman and Secretary will be elected for a two-year term. All agency members are urged to attend.

Please do not hesitate to contact SCITDA Board members if we might be of service to you. We hope you enjoy the conference and find it professionally rewarding.

PAMELA S. EVETTE**93rd Lieutenant Governor of South Carolina**

Pamela S. Evette of Travelers Rest was elected as the 93rd Lieutenant Governor of South Carolina on November 6, 2018.

Prior to her election as the first female Republican lieutenant governor of South Carolina, Evette founded Quality Business Solutions, Inc. (QBS), a payroll, human resources, and benefits services firm headquartered in Travelers Rest. Under her leadership as President and CEO, QBS grew exponentially, going from start-up to one of the nation's fastest growing

small businesses. QBS has been repeatedly honored among the fastest growing and best places to work in South Carolina.

Evette has received numerous business and professional accolades, including the ATHENA Leadership Award®; the Enterprising Woman of the Year Award; the Women Presidents' Organization 50 Fastest-Growing Women-Owned/Led Companies Award; and as a member of the Impact 50, an annual ranking of the most powerful women leaders of Inc. 5000 companies.

A trained accountant and former CFO, with many years serving in a financial capacity at a wide range of organizations, Evette has demonstrated a keen focus on driving customer growth and a deep understanding of the regulatory issues and challenges facing small and medium sized businesses.

Based on her years of experience in handling small business compliance, Evette served as a member of South Carolina's Small Business Regulatory Review Committee prior to taking office. This committee is charged with reviewing and supporting or challenging proposed regulations that might impact small businesses' ability to start-up, operate effectively or grow within the state.

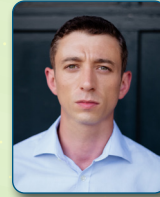

Evette is passionate about, and has been focused on, improving educational performance in her community, assisting the elderly and the young, and helping small- and women-owned businesses. She serves on the boards of directors of the St Francis Foundation (affiliated with Bon Secours St. Francis Hospital) and the National Association of Professional Employer Organizations (NAPEO) where she is also an emeritus member of the state legislative committee.

A native of Ohio, Evette is the granddaughter of Polish immigrants. Her parents, Jennie and Emil Gajoch, were first generation Americans who taught her the value of hard work and the importance of getting involved and giving back. Evette holds a Bachelors of Business Administration in accounting from Cleveland State University.

Evette and her husband David, President of QBS, attend Prince of Peace Catholic Church in Taylors. The Evettes have three children, Amanda, 22, Joseph, 20, and Jackson, 11.

CRAIG P. ORGERON, PH.D.**Executive Government Advisor, Amazon Web Services (AWS)**

Dr. Orgeron has extensive information technology experience in both the private sector and the federal and state level of the public sector. Currently, Dr. Orgeron serves as an Executive Government Advisor with Amazon Web Services (AWS) coaching State and Local Government (SLG) Executives through strategy, policy, and governance challenges to help them accelerate their journey to the cloud. Prior to joining AWS, he served as the Executive Director of the Mississippi Department of Information Technology Services (ITS) and CIO for the State of Mississippi, and President of the National Association of State Chief Information Officers (NASCIO).

AARON ROSE

Aaron Rose is a Cyber Security Evangelist, Security Architect & Member of the Office of the CTO at Check Point Software Technologies. A subject matter expert in Cloud, Internet of Things, and Application security, Aaron has focused his career on securing organizations & their resources beyond the perimeter of the traditional network firewall.

An avid international traveler, Aaron welcomed the opportunity to spend three months in Tel Aviv, Israel training with Check Point's research & development teams at the company's global headquarters.

Other speaking engagements:

- Triad ISSA
- SIM-RTP
- University of North Carolina - Charlotte (multiple occasions)
- ISC^2 - Columbia, SC (multiple occasions)
- Charlotte ISSA Summit
- Greensboro Tech Summit
- Other company sponsored or technology partner events

- 16th Annual API Cybersecurity Conference - Texas - November 2021
- 19th Information Security Summit - Ohio - October 2021
- Triangle InfoSeCon - October 2021

JOHN DAVIS

Vice President, Public Sector
Palo Alto Networks

Retired U.S. Army Major General John Davis is the Vice President, Public Sector for Palo Alto Networks, where he is responsible for expanding cybersecurity initiatives and global policy for the international public sector and assisting governments around the world to successfully prevent successful cyber breaches.

Prior to joining Palo Alto Networks, John served as the Senior Military Advisor for Cyber to the Under Secretary of Defense for Policy and also served as the Acting Deputy Assistant Secretary of Defense for Cyber Policy. Prior to this assignment, he served in multiple leadership positions in special operations, cyber, and information operations.

John earned a Master of Strategic Studies from the U.S. Army War College, Master of Military Art and Science from U.S. Army Command and General Staff College, and Bachelor of Science from U.S. Military Academy at West Point.

J. THOMAS (TOM) LEDBETTER, JR

Tom Ledbetter is a management professional with forty+ years' experience in the rapidly changing advanced manufacturing, technology development, small business management, and higher education sectors. His experience includes line, staff, and executive management responsibilities across a broad spectrum of organizational disciplines, in both public sector and private sector organizations, and in launching and running his own

businesses. Since 2003, Tom has been an employee of Midlands Technical College in Columbia, most recently being named Associate Vice Provost for Entrepreneurship and Educational Support. Mr. Ledbetter also owns his own business, Next Phase Management LLC, established in 2002 as a small business consultant.

A graduate of the University of North Carolina – Chapel Hill, Mr. Ledbetter is an engaged and proven advocate of local community development activities, entrepreneurial development, workforce development strategies, and larger-scale economic development efforts across the State of South Carolina. He is a Certified Economic Developer in South Carolina, and is certified as a Facilitator/Administrator for the FastTrac® series of entrepreneurial training courses. Mr. Ledbetter is a passionate advocate for education, and has been recognized within South Carolina and nationally for his work in career development activities within K-12 and higher education. He speaks frequently on issues surrounding workforce development and the demographics of the changing workforce.

Tom is the devoted husband of Cindy, and they are really enjoying "life after children." He is an expert "Honey-Do List" completer, an accomplished "Mr. Fix-It", and avid but not good golfer.

FALL CONFERENCE COVID DISCLAIMER

As with the transmission of any communicable disease like a cold or flu, you may be exposed to COVID-19, also known as 'Coronavirus', at any time or in any place. Given that our event participants health and well-being is our most important priority, the SCITDA Board is working closely with the Marriott Columbia and event vendors on developing and implementing health and safety best practices for the 2021 SCITDA Fall Conference. Be assured that we will follow local, state and federal regulations required for personal protection and disinfection protocols to limit transmission of all diseases at the event. However, SCITDA requests that each participant evaluates their personal health needs and concerns before registering for and/or attending 2021 SCITDA Fall Conference. As a voluntary participant of the event, you recognize and accept that SCITDA and the Marriott Columbia are not responsible or liable for injury or illness or other personal safety or health risks associated with your registration and presence at the event.
