Introduction

The aim of this document is to improve and standardise the mechanics of table officials at all levels with regards to completing the Basketball England Traditional Scoresheet, Basketball England Running Scoresheet, and the International Scoresheets used by FIBA and IWBF.

This document also aims to give table officials a thorough understanding of the scoresheet through both simple and more complex scenarios which will prepare a scorer for any situation that may occur during a game.

Prenotes

Section B of the FIBA and IWBF Rule Books outline the regulations for completing the international scoresheets; **the FIBA Table Officials Manual 2017+ Version 5.0 gives additional instructions for completing the scoresheet** and the wider role of the Table Officials; **finally, the Basketball Table Official Mechanics Manual outlines additional information relating to the role of the Scorer**, this manual should be read in conjunction with these **documents**.

There are a number of different example games contained in this manual. Each example contains a play-by-play record of the game, a completed Basketball England Traditional Scoresheet, a completed Basketball England Running Scoresheet and an additional notes section which explains the process behind completing specific scenarios within each scoresheet.

There is also an example of a completed FIBA International Scoresheet and an example of a completed IWBF International Scoresheet. **A FIBA Digital Scoresheet version is also included for each example.**

Each example assumes the knowledge from all of the previous examples, so example Scoresheet 2 assumes the knowledge from Example 1 etc.

Which Scoresheet Will I Be Using?

All four formats of the scoresheet are used in Britain. The table below shows which format is used at different levels of the game.

| Level of Game | Scoresheet(s) Used |
|---|--|
| FIBA International Games & Tournaments | FIBA Scoresheet or FIBA Digital Scoresheet (DSS)* |
| IWBF International Games & Tournaments | IWBF Scoresheet |
| British Basketball League (BBL) | BE Running Scoresheet |
| Women's British Basketball League (WBBL), Basketball England Senior National League (Men's Divisions 1-4 & Women's Divisions) & Basketball Wales Regional Leagues | BE Running Scoresheet or BE Traditional Scoresheet. <i>Often if there is statistics provision at the game the BE Running Scoresheet is used, if this isn't the case then the BE Traditional Scoresheet is generally used. This is at the discretion of the Home Club.</i> |
| Basketball England Junior National Leagues | BE Traditional Scoresheet. <i>The BE Running Scoresheet can be used. This is rarely the case. This is, however, at the discretion of the Home Club.</i> |
| British Wheelchair Basketball Senior National Leagues & Women's Leagues | BE Running Scoresheet or BE Traditional Scoresheet. <i>This is at the discretion of the Home Club.</i> |
| British Wheelchair Basketball Junior League | IWBF Scoresheet or BE Traditional Scoresheet |
| Local Leagues | BE Traditional Scoresheet. <i>The BE Running Scoresheet can be used. This is rarely the case. This is, however, at the discretion of the local league organisers.</i> |
| <p>* The FIBA Digital Scoresheet (DSS) is used in all FIBA Europe international games and tournaments. This is a computer software programme which produces an onscreen scoresheet which is then printed. This method of completing the scoresheet will not be discussed further in this manual however this software can be downloaded from https://fibaeurope.mangospring.com/sf/iytFKVEk4Gz1, and the accompanying User Manual, supplied by FIBA, can be found downloaded from https://fibaeurope.mangospring.com/sf/aOLK_KrbeLjV. In order to obtain a permanent licence key for the FIBA Digital Scoresheet, contact your National Instructor or your National Governing Body.</p> | |

EXAMPLE SCORESHEET 2A, B, C and D

Commissioners V Statisticians

The 4 versions of this scoresheet explore 3 different situations regarding a tied score at the end of Period 4.

Example 2A is tied at the end of Period 4 and requires 1 period of overtime.

Example 2B is tied at the end of Period 4 and at the end of the first period of overtime and therefore requires a second overtime period.

Example 2C is tied at the end of Period 4, at the end of the first and second periods of overtime and therefore requires a third overtime period. This example also shows the process for a game which uses all available space on the BE Traditional Scoresheet and requires the scorer to go back into a previous column.

Example 2D is the first-leg of a two-legged (aggregate score) match, as a result no Overtime is played.

Player Technical Fouls are also introduced in these examples.

 5. Write the number of points scored in Period 4 in the footer at the bottom of the scoresheet.
 6. Overtime always begins in the 'Overtime Score' column, so transfer the scores into this column in the same way as half time. NOTE: The teams do not swap baskets at the beginning of overtime. They remain shooting in the same direction regardless of how many overtime periods are played.

Write the combined number of points scored in all periods of overtime in the footer of the scoresheet, the final score, the Winning Team and the time at which the game ended in brackets after the name of the winning team.
See Example 1 for End of Game procedures.

②- Game Continuing into Overtime
End of Period 4

Should the scores be tied at the end of Period 4, periods of 5 minutes are played until the tie can be broken.

①- Time-outs
Period 4, 1:59

"Team A are granted their first time-out of the second half"
If a team does not use their first time-out before 2:00 remaining in Period 4, they lose their right to this time out. This is recorded by inscribing an '=' in the first time-out box of the second half, as shown.

1. Draw a heavy line under the last entries of Period 4. Note that this is a single line as the game has not ended.
2. Circle the score at the end of Period 4
3. DO NOT draw round any player and coach fouls in Period 4. For the purposes of fouls, any Overtime periods are considered as an extension of Period 4, so;
4. DO NOT draw a '=' in any unused team foul boxes
5. Time-outs however DO NOT carry over into Overtime, so, using the Dark Colour, draw an '=' in any unused time-out boxes
6. Write the number of points scored in Period 4 in the footer at the bottom of the scoresheet

 Overtime Period 2, 1:40
 A player technical foul is recorded by writing 'T', followed by the number of free-throws, in this case T₁. This is also recorded in the Team Fouls Section.
 NOTE 3 & 4 3/10/10

The penalty for a player technical foul in FIBA is normally* 1 free-throw and possession of the ball. However, under the IWBF Wheelchair Basketball rules, there are circumstances when a player technical foul has a higher penalty (Lifting Fouls). As a result, in a game of Wheelchair Basketball a T₂ or a T₃ is possible. The only exception to this is during the cancelling of equal penalties, in which there will be no free-throws.

⑧ - Returning to a Previous Column

Very rarely a situation occurs when there is no more available space in the scoresheet. When this occurs the procedure is:

- If during the first half, the first two columns are full, continue into the third column
- If during the second half, the third and fourth columns are full and
 - There is remaining space in the first two columns return back (i.e. do not enter the Overtime column)
 - There is no remaining space in the first two columns then enter the Overtime column
- If during Overtime, the Overtime column is completed (this is the case in this example), return back as far as possible. Be careful as the teams may be shooting in the opposite direction. Should this be the case, rewrite, using the Dark Colour, the column headings as shown.

Should a situation occur where there is no remaining space on the scoresheet then a new scoresheet must be started. In this case:

- Continue recording points in the first column of the second scoresheet
- Complete the header of the scoresheet (this may need to be done after the game has ended)
- Complete the officials details in the footer
- Continue to record all fouls on the first scoresheet.

At the end of the game:

- Complete the first scoresheet as with any other scoresheet, also;
- Ensure the officials sign BOTH scoresheets
- Complete the scores section, including the winning team, on BOTH scoresheets.
- Ensure both scoresheets are attached together.

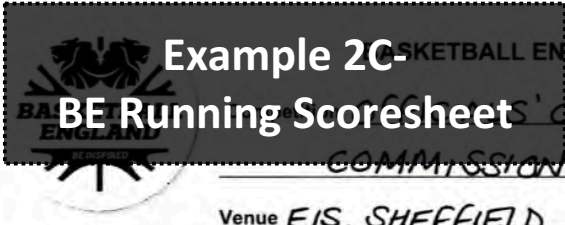

If the game requires more than 3 overtime periods, continue recording time-outs underneath the existing 3 Overtime time-out boxes.

9- Completing the Scoresheet for two-legged (aggregate score) match
 According to FIBA Rules, for matches played over two legs, no overtime is played should the score be tied at the end of the first leg. In such situations the scoresheet is completed in exactly the same way as any other game however the name of the winning team is entered as **!** in the footer of the scoresheet.

Completing the scoresheet for the second leg of a two-legged match.
 The scoresheet is a record for each individual game, it is the responsibility of the organising body to calculate the aggregate total score for each team. Therefore, regardless of the aggregate score, the name of the team that won the **second leg** is entered in the footer of the scoresheet.
 Example
 1st Leg: Commissioners 80-75 Statisticians 79
 2nd Leg: Statisticians 94-92 Commissioners
 (Aggregate Score: Commissioners 172-169 Statisticians)
 Even though Commissioners won on aggregate score, 'STATISTIANS' is still entered as the name of the winning team on the scoresheet for the second leg.

Entering Overtime when the score is NOT tied
 Example
 1st Leg: Commissioners 73-80 Statisticians 57
 2nd Leg: Statisticians 77-84 Commissioners
 (Aggregate Score: Commissioners 157-157 Statisticians)
 The second-leg will enter overtime at a score of 77-84.
 In this situation, continue the scoresheet as normal and as though the score was tied at the end of Period 4.
 Still record the name of the winning team as the team that won the second leg.

EXAMPLE SCORESHEET 4

Classifiers V Referee Supervisors

This example is based on an international wheelchair basketball game.

It explains a couple of slight differences when completing the scoresheet for a wheelchair basketball game.

A number of new principals are introduced in this slightly more complicated scoresheet. These include: unsportsmanlike fouls, technical fouls on Team Bench Personnel, technical fouls during intervals of play, cancelling of equal penalties and game disqualifications.

⑥- Fouls During an Interval of Play

Interval during Period 1 and Period 2

Fouls during an interval of play* are recorded in the same way as during a quarter except the minute is recorded as 'IN'.

Interval technical Fouls: IN^T

Interval unsportsmanlike Fouls: IN^U

Interval disqualifying Fouls: IN^D

These are all repeated in the team fouls for the following period.

Interval coach technical Fouls: IN^C

Interval bench technical Fouls: IN^B

These two are NOT repeated in the team fouls

*- Intervals of Play are: 20 minutes before the start of the game, 2 minutes between quarters and any periods of overtime and the half-time interval.

NOTES- A time-out is NOT an interval of play.

All interval fouls except before the start of the game are record in this way. See Example 4 for Fouls before the start of the game.

⑦- Cancelling of Equal Penalties

Period 1, 8:46

Cancelling of equal penalties are recorded in the same way as normal, however in addition a subscript 'c' is also inscribed in the bottom right hand corner of the box.

In this situation, technical fouls are called on A10 and B14 in the 2nd minute, this is therefore recorded as 2^{Tc}.

Double unsportsmanlike fouls would be recorded as M^{Uc}

Double disqualifying fouls would be recorded as M^{Dc}

These are all repeated in the team fouls section for both teams.

Double coach technical fouls would be recorded as M^{Cc}

Double bench technical fouls would be recorded as M^{Bc}

These two are NOT repeated in the team fouls section for either team- See ③.

Where M refers to the minute.

† Refer to Article 49 of the FIBA Rules for further clarification

Final Score: Team A 63 Team B 56

⑤- Player Game Disqualifications

Period 4, 1:58

When a player receives either his 2nd technical foul, 2nd unsportsmanlike foul or one technical and one unsportsmanlike foul, that player receives a 'Game Disqualification'.

This is recorded by first recording the technical/ unsportsmanlike foul as normal. Then in the next available foul space recording 'GD' (as shown).

If the 2nd technical/ unsportsmanlike foul is that player's 5th foul, the 'GD' is inscribed in the space immediately to the right of the 5th foul box.

⑥ - Fouls During an Interval of Play
 Interval during Period 1 and Period 2
 Since the BE Running Scoresheet and the FIBA and IWBF Scoresheets do not use minutes for recording fouls, fouls committed during intervals of play* are recorded in the same way as during a quarter, i.e.:
 Interval technical Fouls: T₁ 85
 Interval unsportsmanlike Fouls: U₂
 Interval disqualifying Fouls: D₂
 These are all repeated in the team fouls for the following period.
 Interval coach technical Fouls: C₁
 Interval bench technical Fouls: B₁
 These two are NOT repeated in the team fouls.
 * Intervals of Play are: 20 minutes before the start of the game, 2 minutes between quarters and any periods of overtime and the half-time interval.
 NOTE- A time-out is NOT an interval of play.

⑦ - Cancelling of Equal Penalties
 Period 1, 8:46
 Where two or more fouls are committed simultaneously by members of both teams, equal penalties can be cancelled in the order in which the fouls occur. For example if technical fouls are called on a member of Team A and Team B at the same time, the penalties can be cancelled.
 Cancelling of equal penalties are recorded by writing the type of foul committed followed by a subscript 'c' in the bottom right hand corner of the box. In this situation, technical fouls are called on A10 and B14 in the 2nd minute, this is therefore recorded as T_{1c}.
 Double unsportsmanlike fouls would be recorded as U_{2c}
 Double disqualifying fouls would be recorded as D_{2c}
 These are all repeated in the team fouls section for both teams.
 Double coach technical fouls would be recorded as C_{1c}
 Double bench technical fouls would be recorded as B_{1c}
 These two are NOT repeated in the team fouls section for either team - See ③.
 Refer to Article 49 of the FIBA Rules for further clarification
 Double Fouls: There is no penalty for a double foul, therefore double fouls are recorded as P for both players.

⑧ - Player Game Disqualifications
 Period 4, 1:58
 When a player receives either his 2nd technical foul, 2nd unsportsmanlike foul or one technical and one unsportsmanlike foul, that player receives a 'Game Disqualification'.
 This is recorded by first recording the technical/ unsportsmanlike foul as normal. Then in the next available foul space recording 'GD' (as shown).
 If the 2nd technical/ unsportsmanlike foul is that player's 5th foul, the 'GD' is inscribed in the space immediately to the right of the 5th foul box.

2. A12 is disqualified for fighting and this is recorded as shown in ③

3. Since B9 has already received 5 personal fouls, the fighting foul is recorded in the space immediately to the right of the 5th personal foul box.

4. Bench technical fouls are charged against both coaches. Since both coaches receive a bench technical foul, these penalties cancel each other. These are therefore recorded as B_C.

5. These bench technical also mean both coaches have committed the required number of coach and bench technical fouls to receive a Game Disqualification. This is recorded as a 'GD' in the space immediately to the right (as shown).

6. *NOTE*- The coach and/or assistant coach are permitted to leave the team bench area during a fight to assist the officials to restore order. Therefore, the assistant coach from Team B is not disqualified.

③ - Leaving the Team Bench Area During a Fight or Any Situation Which May Lead to a Fight
Period 2, 1:50

4 Substitutes, excluded players or team followers who leave the team bench area during a fight or during any situation which may lead to a fight shall be disqualified for 'fighting'.

This is recorded as an 'F' and Fs in all remaining foul boxes (as shown). Irrespective of the number of people that leave the team bench area a single bench technical is also charged.

NOTE This is not recorded as a team foul since the penalty is a bench technical, which are not counted towards team fouls.

① - Fouls Before the Start of the Game

Since the BE Running Scoresheet and the FIBA and IWBF Scoresheets do not use minutes for recording fouls, fouls committed before the start of the game are recorded in the same way as during a quarter, i.e.:

Interval technical Fouls: T₁

Interval unsportsmanlike Fouls: U₂

Interval disqualifying Fouls: D₂

These are all repeated in the team fouls for Period 1.

Interval coach technical Fouls: C₁

Interval bench technical Fouls: B₁

These two are NOT repeated in the team fouls

⑤ - Table Officials' Names

On the FIBA and IWBF International Scoresheets only, the table officials NOW DO sign the scoresheet. Like all other formats of the scoresheet, table officials' names are written in the form: SURNAME, I.

② - Disqualifying Fouls
Period 2, 7:32
An unsportsmanlike foul is recorded by writing 'D', followed by the number of free-throws, in this case D₂.
This is also recorded in the Team Foul Section.

⑤ - Table Officials' Names
On the FIBA and IWBF International Scoresheets only, the table officials NOW DO sign the scoresheet. Like all other formats of the scoresheet, table officials' names are written in the form: SURNAME, I.

Fighting Situations

Below clarifies the rule regarding fighting situations and how to record these on the scoresheet.

For clarification, a 'fighting situation' is a situation in which in the judgement of the officials, any of: coaching staff, substitutes, excluded players or team followers leave the team bench area during a fight, or a during any situation which may lead to a fight.

Should any of the above mentioned personnel leave the team bench area they shall be disqualified.

Only the coach and/or assistant coach are permitted to leave the team bench area during a fighting situation providing they intend to restore order. Should this be the case, they shall not be disqualified.

The penalty for a fighting situation is a single bench technical foul with 2 free-throws, regardless of the number of personnel that leave the bench area. Since this is a bench technical foul, this is not counted as a team foul.

Below outlines a number of scenarios and how these should be recorded.

1. Only substitute A7 (who currently has committed 2 personal fouls) leaves the team bench area

Scoresheet Errors

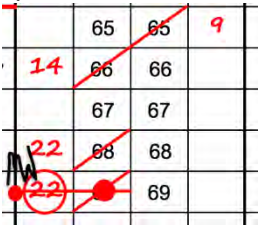

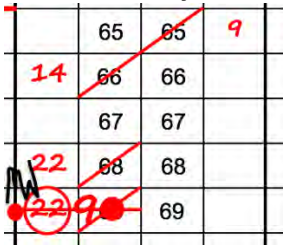

All officials make mistakes from time to time; it is important that any mistakes are corrected as soon as possible and in the appropriate way.

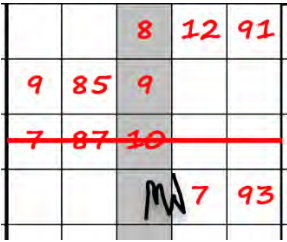

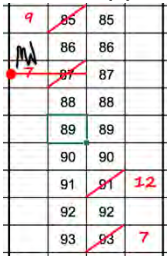

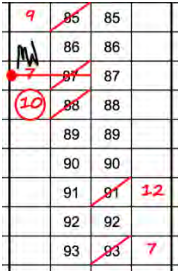

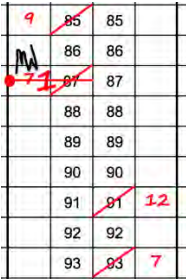

A mistake on the scoresheet can be corrected **up until the Crew Chief signs the scoresheet** at the end of the game, even if this affects the overall result of the game.

It is also important that when a mistake is made, the Crew Chief is made aware and **acknowledges the mistake** by **signing or initialling** the scoresheet adjacent to the mistake.

Below explains the process of correcting errors made on each type of scoresheet.

| Case | Example | Method of Correction- Traditional Scoresheet | Method of Correction- Running Scoresheet |
|--|---|--|---|
| <p>Case 1: Less points recorded than required</p> | <p>3-point basket recorded as a 2-point basket.</p> | <p>If the entry can be easily and clearly corrected, then this can be completed as below:</p>  <p>If this is not possible, draw a single horizontal line through the incorrect score and record the score correctly on the next line.</p>  <p>Ruling through all 5 columns prevents additional entries being added</p> | <p>Draw a single horizontal line through the incorrect score and record the score correctly.</p>  |

| Case | Example | Method of Correction- Traditional Scoresheet | Method of Correction- Running Scoresheet |
|--|---|---|--|
| <p>Case 2: More points recorded than required</p> | <p>2-point basket recorded as a 3-point basket.</p> | <p>If the entry can be easily and clearly corrected, then this can be completed.</p> <p>If this is not possible, draw a single horizontal line through the incorrect score and record the score correctly.</p> | <p>The scorer shall record immediately the correct score, but not draw a horizontal line through the incorrect score, instead he should draw a small dot (•) to indicate this is where an error has occurred and wait to see what happens next.</p> <p>Should a free throw be scored next (meaning the scorer must overwrite the error), the free throw shall be recorded by drawing the successful free throw dot (•) over the existing /.</p> <p>Should the scorer of the free throw be the same number as the error, no further number is required to be written:</p>  <p>If the scorer is not the same, the correct number should be added in an appropriate place to the left or right of the incorrect number. The correct number must be clearly visible:</p>  |

| Case | Example | Method of Correction-Traditional Scoresheet | Method of Correction-Running Scoresheet |

| <p>Case 3: Recording Points for the Incorrect Team</p> | <p>A7 is credited with 2 points instead of B7</p> | <p>Draw a single horizontal line through the incorrect score and record the score correctly on the next line.</p>  | <p>The scorer shall record immediately the correct score, but not draw a horizontal line through the incorrect score, instead he should draw a small dot (•) to indicate this is where an error has occurred and wait to see what happens next.</p>  <p>Should the next score for the affected team (Team A here) not be affected by the error, scoring should continue as normal:</p>  <p>Should the next score for the affected team be affected by the error, this should be recorded in the same way as Case 2:</p>  |

Complex Game Scenarios:

Default, Forfeiture and Abandonment of Games

Below is guidance on how to complete a scoresheet when a game is lost by default, forfeiture or a game is abandoned.

General Notes

- ❖ Remember that the scoresheet is an accurate record of the game played.
- ❖ If the game is played, complete the scoresheet ensuring that no further scores, fouls, team list or summary points can be added after the event.
- ❖ Any event which results in disqualifications, forfeit or default wins will also be reported within 48 hours to the Competitions Department, **in addition**, the Crew Chief **is required to write** a brief summary on the back of the scoresheet, **Article 46.10-FIBA Rules**.

Examples

1) Game does not start due to team only having 4 players 15 minutes after the scheduled tip-off time.

Following Article 20 of the FIBA Rules, the game has been lost by **forfeit** and the score is recorded as **20-0**.

Procedure:

- Complete the scoresheet header and team list **for the team which is present**.
- **A team is permitted to arrive 15 minutes after the advertised tip-off time. At least 10 minutes prior to this time, the scorer shall obtain the starting 5 players and the captain of the team that is present. The coach of this team must then sign the scoresheet.**
- If there are more than 4 players from the offending team entered onto the scoresheet, rule through any players who are not present at the game.
- 15 minutes after the original tip-off time, the time at which the game is awarded, the scorer shall:
 - Using the dark colour, rule through any unused spaces in the team list for the team that is present
 - Using the dark colour, write "ABSENT" in the players' names section of the team list of the team that is not present
 - Record the final score as 20 - 0 (or 0 - 20) and record the name of the winning team in the footer and complete the footer information.
 - Sign the scoresheet, Table Officials first followed by the Umpire(s) and finally the Crew Chief.
 - The Crew Chief must then write a brief report, **which is signed, dated and the time of writing included**, on the back of the scoresheet, followed by a detailed report sent to the organising body.

This is shown below:

Team that is present:

| License No. | Players | no. | Fouls | 1 | 2 | 3 | 4 | 5 |
|-------------|--------------------|-----|-------|---|---|---|---|---|
| 114 | SMITH, A. | 4 | 0 | | | | | |
| 115 | JONES, B. | 4 | 0 | | | | | |
| 117 | WILLIAMS, C. | 5 | 0 | | | | | |
| 118 | BROWN, D. | 5 | 0 | | | | | |
| 121 | TAYLOR, E. | 10 | 0 | | | | | |
| 123 | DAVIES, F. | 11 | 0 | | | | | |
| 133 | WILSON, G. | 12 | 0 | | | | | |
| 147 | EVANS, H. (CAP) | 15 | 0 | | | | | |
| 154 | THOMAS, I. | 16 | 0 | | | | | |
| 443 | Coach: WISCHIT, M. | | | | | | | |

Team that is not present:

| License No. | Players | no. | Fouls | 1 | 2 | 3 | 4 | 5 |
|-------------|---------|-----|-------|---|---|---|---|---|
| ABSENT | | | | | | | | |

Scores section:

| Scores | Period 1 | A | B | Period 2 | A | B | |
|-----------------------|-----------------|----|---|----------|---|---------|--|
| | Period 3 | A | B | Period 4 | A | B | |
| Extra Periods | A | B | | | | | |
| Final Score: | Team A | 20 | | Team B | 0 | | |
| Name of winning team: | TABLE OFFICIALS | | | | | (12:15) | |

Note, the scorer is not required **not** rule through the unused fouls, timeout etc. as the game was not played.

See Example Scoresheet 3, for an example of this Complex Scenario.

2) Team refuses to re-enter the court to continue the game after been instructed to do so by the Crew Chief.

Following Article 20 of the FIBA Rules, the game has been lost by **forfeit** and the score is recorded as **20-0**.

Procedure:

- As the game has started rule through any unused foul, time out and any unused team list boxes.
- Regardless of the point in the game, using the **dark colour**, double underline the final score, and if using the Running Scoresheet, circle the final score at the point the game was stopped.
- Complete the footer of the scoresheet. If any periods have not been played, put a "/" in the relevant spaces in the Scores section. If periods have been partially completed, write the number of points scored up until the game was stopped in the Scores section.
- Record the final score as 20 - 0 (or 0 - 20) and record the name of the winning team in the footer and complete the footer information.
- Sign the scoresheet, Table Officials first followed by the Umpire(s) and finally the Crew Chief.
- The Crew Chief must then write a brief report, **which is signed, dated and the time of writing included**, on the back of the scoresheet, followed by a detailed report sent to the organising body.

3) Team has fewer than 2 players on the playing court ready to play and...

a) The team reduced to fewer than 2 players are ahead (or the game is tied) at the point the game is stopped.

Following Article 21 of the FIBA Rules, the game is lost by **default**.

Procedure:

- As the game has started, always using the **dark colour**, rule through any unused personal foul, team foul and time out boxes.
- Regardless of the point in the game, using the **dark colour**, double underline the final score, and if using the Running Scoresheet, circle the final score at the point the game was stopped.
- Complete the footer of the scoresheet. If any periods have not been played, put a "/" in the relevant spaces in the Scores section. If periods have been partially completed, write the number of points scored up until the game was stopped in the Scores section.
- Record the final score as **2-0** in favour of the team who the game is awarded to.
- Sign the scoresheet, Table Officials first followed by the Umpire(s) and finally the Crew Chief.
- The Crew Chief must then write a brief report, **which is signed, dated and the time of writing included**, on the back of the scoresheet, followed by a detailed report sent to the organising body.

b) The team reduced to fewer than 2 players are behind at the point the game is stopped.

Following Article 21 of the FIBA Rules, the game is lost by **default**.

Procedure:

- As the game has started, always using the **dark** colour, rule through any unused personal foul, team foul and time out boxes.
- **Regardless of the point in the game, using the **dark** colour, double underline the final score, and if using the Running Scoresheet, circle the final score at the point the game was stopped.**
- Complete the footer of the scoresheet. If any periods have not been played, put a "/" in the relevant spaces in the Scores section. **If periods have been partially completed, write the number of points scored up until the game was stopped in the Scores section.**
- Record the final score as the score at the point where the game was stopped.
- Sign the scoresheet, Table Officials first followed by the Umpire(s) and finally the Crew Chief.
- The Crew Chief must then write a brief report, **which is signed, dated and the time of writing included**, on the back of the scoresheet, followed by a detailed report sent to the organising body.

4) Game abandonment

This covers a game which is stopped prior to the game being completed and includes:

- ❖ injuries to players
- ❖ venue issue
- ❖ for Basketball England Junior National League games, a junior team being unsupervised by a DBS checked adult due to disqualifications

Procedure:

- **As the game has started, always using the **dark** colour, rule through any unused personal foul, team foul and time out boxes.**
- **Regardless of the point in the game, using the **dark** colour, double underline the final score, and if using the Running Scoresheet, circle the final score at the point the game was stopped.**
- **Complete the footer of the scoresheet. If any periods have not been played, put a "/" in the relevant spaces in the Scores section. If periods have been partially completed, write the number of points scored up until the game was stopped in the Scores section.**
- **Record the final score as the score at the point where the game was stopped.**
- **Record the winning team as the team leading at the point the game is stopped, regardless of any injuries which have led to the game being stopped.**
- Sign the scoresheet, Table Officials first followed by the Umpire(s) and finally the Crew Chief.
- **The Crew Chief must then write a brief report, **which is signed, dated and the time of writing included**, on the back of the scoresheet, followed by a detailed report sent to the organising body.**

The organising body will decide on the final outcome of the game or if the shall be replayed.

Captain Signature Under Protest Procedure

If a team believes that its interests have been adversely affected by a decision of an official or by any event that took place during the game, they are able to sign the scoresheet under protest.

FIBA Rules Section C outlines the procedure in which this is completed and states:

- The captain of the team protesting shall, within 15 minutes of the end of the game, inform the **Crew Chief** that his team is protesting the result of the game and signs the scoresheet in the correct section of the scoresheet. For Basketball England Competitions, the Captain must inform the Crew Chief immediately at the end of the game that he wishes to sign the scoresheet under protest. He must then physically sign the scoresheet within 15 minutes.
- In order to make this protest valid, the official representative of the team (of national federation in the event of international competitions) must give confirmation of this protest **in writing** to the organising body (FIBA in the case of an international competition). It is sufficient to write:

[Name of team protesting] wishes to protest against the result of the game [include match number, if applicable] between [Home team] and [Away team] held on [date].

- In the event the protest is rejected, the protesting team must deposit the required amount to the organising body or FIBA representative/ President of the Technical Committee during international games
- Within 1 hour following the end of the game the team must submit its protest to the organising body.

Notes for Officials

It is important that officials are fully aware of the procedures outlined above in the event this occurs at a game they are officiating. Below is some further important additional information for officials to be aware of.

- **Only the playing captain (who must not have been disqualified during the game)**, is eligible to sign the scoresheet under protest. In the event of the captain nominated by the coach prior to the game being disqualified, the new captain as nominated by the coach may sign the scoresheet under protest.
- The **Crew Chief** must submit a detailed report to the organising committee within **1 hour of the end of the game**.
- It is important that the officials make a note of the time at which:
 1. The game ends, which will be included after the name of the Winning Team
 2. The captain signs the scoresheet under protest
 3. The Crew Chief submits his reportas all of the above may affect the validity of the protest.

Officials are **not** required to make a note of the protest on the scoresheet. It will be apparent that a team has protested due to the captain's signature under protest and the reports and correspondence to the organising body.

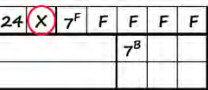

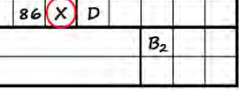

Amendments

Occasionally it is necessary to make changes to the way table officials carry out their roles, including completing the scoresheet. These changes occur for a number of reasons including: amendments and additions to the FIBA Rules; changes made by the FIBA Table Officials Development Group; or changes to mechanics.

New FIBA Rules

Below summarises changes to completing the scoresheet as a result of changes to the FIBA Rules or mechanics.
