# Welcome to Scosche

## .: The Scosche Mission

To produce cutting edge, innovative accessories with competitive pricing. To provide superior consultation and services for our customer. To understand the consumer and create Scosche products they will enjoy manufactured with the American ingenuity and quality they expect.

## .: The Scosche Path

To be wise in our efforts and relentless in our pursuits. To provide an environment of growth, prosperity and integrity for our employees (their families), associates and customers.

Thanks for choosing us,

The Alves family
