

MORE THAN A GAME

2017-2018

SEASON TICKET HOLDER RENEWALS

MORE THAN OWI

No one hates losing more than I do.

Leading up to this season, with the addition of Harrison Barnes, Andrew Bogut and Seth Curry to our core of Dirk, Wesley and Deron, I believed we were headed for a winning season that would allow us to improve considerably over last season's 6th seed finish.

As with every season, our success is dependent on our stars staying healthy. Unfortunately, the injury bug hit us harder than ever and our record reflects all the games that our injured players missed. Fortunately, there have been a few silver linings:

- Harrison Barnes has emerged as a budding superstar, averaging more than 20 points per game and proving that he is one of the best go-to scorers in the NBA.
- Seth Curry has become a starter and one of the best 3-point shooters in the game.
- Wesley Matthews has more than bounced back from his injuries and become one of the best perimeter defenders in the NBA.
- Rookies Dorian Finney-Smith and Nico Brussino have shown us flashes of brilliance.
- Newest Maverick Yogi Ferrell seized his opportunity on a ten-day contract, winning over coaches and fans alike with his energetic brand of play.
- And of course, as Dirk recovers, he once again reminded us all why he is the most beloved player in Mavs history.

While this season has not been ideal, I am confident that our core will come back stronger. And with the addition of a high draft pick we will be back to our winning ways next sea-

WINNER ... AN MFFL

son. We have no intention of undertaking a long-term rebuilding effort.

I have had only one losing season since I bought the Mavs in 2000, and my goal is to never have another!

But there is far more to our Mavs than just winning...

We consider you, our Season Ticket Holders, to be a part of our Mavs family. Your commitment, your energy, and your enthusiasm during Mavs games with your family, friends and colleagues are what drive us to make you proud of our organization. We want you to leave every game feeling like you've received considerable value for your investment, because you've had an amazing entertainment experience. Our goal is to make every game a lasting memory.

We want you to be part of Season Ticket Holder events and get to know our guys. They are committed to making you proud on the court and in the community.

Finally, and this is hard to even write, if next season turns out to be Dirk's last, it won't be the same without you. We have every intention of making each and every home game a tribute to his many accomplishments.

Thank you for being an MFFL.

With gratitude,

Mark Cuban
