SEAT ALHAMBRA
By Lewis Reed

ENHANCED COMFORT...

The new Alhambra has been meticulously crafted and conveys a level of sporting appeal that no other MPV manages to do.

It is available in the generously equipped S, SE, and the high spec SE Lux. It is an exceptional car with sleek, aerodynamic design. It's new distinctive front grille, clean sharp lines and arrow shaped bonnet all help create the profile of a family car with a little extra sporting appeal.

The new LED taillights, standard across all models, improve overall safety on the road. Whichever trim level you choose, the Alhambra's stylish range of new alloy wheels add a touch of class and sportiness that isn't easily found in similar family cars.

It's suspension gives a quiet and smooth drive plus has a wealth of innovative safety features as standard. The optional panoramic sliding roof has an enormous opening, while the three-zone climatronic feature ensures optimum temperature in all seating areas. Optional electric sliding doors and electric hand brake button are all available for enhanced comfort. Available in petrol or diesel, all engines offer either a 6 speed manual or DSG semi-auto gearbox.

> Looks GOOD, is GOOD

Instantly recognisable for it's great sense of style and stunning looks

> ENVIRONMENTALLY Friendly

Revolutionary Ecomotive engines incorporate a Start/Stop System helping to reduce fuel consumption and emissions.

INTELLIGENT SPACE

The new SEAT Alhambra is the most complete, up to date MPV wheelchair accessible vehicle for the modern family.

Crafted for comfort, highly adaptable and generously spacious, the New Alhambra is ready for everything. Its dimensions have been increased delivering an outstanding level of interior space. Its high interior roof line is evidence of its practicality and comfort offering a fantastic eyeline and sporty feel.

Lewis Reed has converted this vehicle to leave a lasting impression on everyone. Never before had a wheelchair accessible family car blended so intelligently the concepts of space, technology and functional design and most importantly the needs of the passengers and wheelchair user.

> Interior DETAILING

Sophisticated dashboard with 6.5" WVGA display.

EASY ACCESS

The New Alhambra.
A very accessible vehicle.

Using Lewis Reed's uniquely designed rattle free integral TorSpring® ramp mechanism entering is a simple and effortless task. It is lightweight, durable, easy to use and cleverly hidden within the back bumper allowing the car to retain its good looks. As well as rear entry, this car has two wide sliding doors. All fixed seats can be fully collapsed with ease.

QUALITY CONVERSION

Quality is paramount with Lewis Reed and as you'd expect with all our vehicles, the Alhambra is finished beautifully through our innovative unique seal and suspension technologies.

Our designs give perfect conversion benefits such as the integrated rattle free TorSpring® ramp plus smooth exterior lines where the ramp is hidden within the bumper.

Headroom for rear seat passengers is exceptional and there are large darkened windows which offer a fantastic eye line with the option of an integral blind for extra privacy for the rear passengers.

The Alhambra is fitted with 4 original full sized seats plus an optional removable middle rear seat and one wheelchair position. It is a fantastic high quality conversion.

> Discreetly HIDDEN

Lewis Reed's unique rattle free integral TorSpring® ramp mechanism making entry a simple and effortless task.

TECHNOLOGY TO ENJOY

The award-winning new SEAT Alhambra coupled with Lewis Reed's excellent achievement of winning Best Wheelchair Accessible Vehicle Supplier by Motability is a new outstanding quality conversion for you and your family.

There's entertainment for everyone in the New Alhambra with an integrated Navigation System or Media System Plus, which comes with 8 speakers, CD, SD card slot and Bluetooth®. Both can easily be operated using the 6.5" touchscreen.

Cutting edge technology also comes in the form of the three-zone climate control, which ensures optimum temperature in all seating areas. And the optional Park Assist helps you to park with ease, helping to make driving less stressful and more enjoyable.

This is a vehicle really worth considering. Everything about it exudes versatility and flexibility. It comes with seating for up to five passengers and one wheelchair position. Lewis Reed focuses on the whole family when designing and developing the perfect bespoke conversion for you.

> Enhanced COMFORT

The optional panoramic sliding roof has an enormous opening and makes a superb addition.
