# MORTON SUBOTNICK'S **Creating Music Series**

New Home Editions

## HEARING MUSIC

This series of fun-filled games breaks musical concepts down to patterns, visuals, and easy exercises. Children can learn to identify different sections

of music, nuances in a melody, and changes in rhythm—all by listening to songs by the world's most famous composers. Explore the elements that build music; hear musical differences in endings, repetitions, and variations; compare differences in the music you hear; link musical phrases in the proper order; see what you hear by matching the musical notation to the sound clip; learn the difference between “same” and “similar”; and grow from beginner to advanced with three levels for each game. An integrated help menu provides audio instructions for each game. For ages 5 and up, this version is perfect for home use.

**(34022) | CD-ROM NEW | \$14.95**

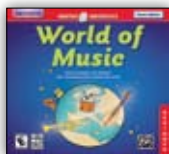

## MAKING MUSIC

Making Music helps children experience sound not only with their ears but also with their eyes! This product introduces the innovative “musical canvas,” which

has kids draw their compositions to visualise the different instruments and tools. There's also a mix-and-match melody exercise, in which music is divided into beginning, middle, and end sections to teach structure. Another feature shows children how to combine melodies and rhythms, to gain an understanding of the complete piece of music. Fun, interactive games reinforce concepts using the knowledge from the other activities!

**(34023) | CD-ROM NEW | \$14.95**

## WORLD OF MUSIC (BEGINNER)

Just like languages, music and instruments are different around the globe. Use the innovative “musical canvas” tool to

draw compositions with the sounds of four distinct regions of the world: North America, Asia, West Africa, and the Middle East. Visualise the different elements of pitch and rhythm and explore your musical potential!

**(30532) | CD-ROM NEW | \$14.95**

## MAKING MORE MUSIC

Be a composer, conductor, and audience member! Learn more about the fundamentals of music as you draw notes, experiment

with different instruments, and put together the components of a score. The “musical canvas” allows you to convert drawings into sheet music notation! Special Features:

- Introduces music in the styles of Mozart, Beethoven, Byrd, and Chopin.
- Instructional videos explain fundamental concepts of tempo, scales, and musical notation.
- Nine percussion instruments, including parts of the drumset.
- Virtual encyclopedia with more than 50 entries.

**(34024) | CD-ROM NEW | \$14.95**

## PLAYING MUSIC

How does the composer explain how he wants the music played? How would you play some of the world's famous classical pieces? Learn about tempo, dynamics, and expression with games, performance videos, and a glossary of music terms. Then, relate the concepts to written music by seeing the appropriate expression marks in notation. Finally, create your own interpretations of classical music and see it performed by three lovable characters!

**(34021) | CD-ROM NEW | \$14.95**

## WORLD OF MUSIC (INTERMEDIATE)

This more advanced version provides additional tools for composing, such as the ability to combine rhythm

and melodies into a complete piece. An advanced pitch canvas allows you to draw then modify your compositions! New features allow you to change the tempo, copy/paste sections, stretch selections, and save a composition then work on it later.

## DIRECTOR'S CHOICE EDITION

You make it yours.

SI Director's Choice Edition allows a director to use everything in the standard edition, but offers the opportunity to customise the method at [alfred.com/soundinnovations](http://alfred.com/soundinnovations) by choosing the:

- ▶ Starting pitch (B<sub>2</sub>, D<sub>2</sub> or F<sub>2</sub>)
- ▶ Starting note value (whole notes or quarter notes)
- ▶ Optional inclusion of note names inside the noteheads for up to 8 pages
- ▶ Beginning technique (arco, pizzicato)
- ▶ Pitch direction (ascending, descending)
- ▶ Starting note values (quarter notes or quarter notes & eighth notes)
- ▶ Optional inclusion of note names inside the noteheads for up to 10 pages

The director may then preview and order books, or may further customise the method by:

- ▶ Selecting a genre of tunes to emphasise in their book's playlist (choose from sacred, pop, classical, Latin, and many more!)
- ▶ Substituting individual tunes, including popular music, in their book's playlist
- ▶ Adding enrichment pages after each level
- ▶ Personalizing the text on the cover
