Roadmap Notes:

Alignment with Come Follow Me Calendar:

- We are aligning with Come Follow Me and will teach the same book of scripture in the same calendar year based on the CFM schedule. Everyone in the World will move to this calendar year model (Jan-Dec) regardless of the school year calendar.
- For Old Testament 2022, we will have to use old curriculum because of this alignment change and the lack of time to adjust curriculum to the new CFM schedule. Language will determine what materials you will use in 2022.
