EXPLANATION-Matter enclosed in bold-faced brackets [thus] in this bill is not enacted and is intended to be omitted in the law.

9 committee of each political party named on the ballot shall
10 provide signed official designation forms with the names of
11 the designated challengers and substitutes to the local
12 election authority for confirmation of eligibility to serve
13 as a challenger. The local election authority, after
14 verifying the eligibility of each designated and substitute
15 challenger, shall sign off on the official designation
16 forms, unless the challenger is found not to have the
17 qualifications established by subsection 5 of this section.
18 If the election authority determines that a challenger does
19 not meet the qualifications of subsection 5 of this section,
20 the designating party chair may designate a replacement
21 challenger and provide the local election authority with the
22 name of the replacement challenger before 5:00 p.m. of the
23 Monday preceding the election. The designating chair may
24 substitute challengers at his or her discretion during such
25 hours.

26 2. Challenges may only be made when the challenger
27 believes the election laws of this state have been or will
28 be violated, and each challenger shall report any such
29 belief to the election judges, or to the election authority
30 if not satisfied with the decision of the election judges.

31 3. Prior to the close of the polls, challengers may
32 list and give out the names of those who have voted. The
33 listing and giving out of names of those who have voted by a
34 challenger shall not be considered giving information
35 tending to show the state of the count.

36 4. [In a presidential primary election, challengers
37 may collect information about the party ballot selected by
38 the voter and may disclose party affiliation information
39 after the polls close.

40 5.] All persons selected as challengers shall have the
41 same qualifications required by section 115.085 for election
42 judges, except that such challenger shall be a registered
43 voter in the jurisdiction of the election authority for
44 which the challenger is designated as a challenger.

45 [6.] 5. Any challenge by a challenger to a voter's
46 identification for validity shall be made only to the
47 election judges or other election authority. If the poll
48 challenger is not satisfied with the decision of the
49 election judges, then he or she may report his or her belief
50 that the election laws of this state have been or will be
51 violated to the election authority as allowed under this
52 section.

 115.123. 1. All public elections shall be held on
2 Tuesday. Except as provided in subsections 2 and 3 of this
3 section, and section 247.180, all public elections shall be
4 held on the general election day, the primary election day,
5 the general municipal election day, the first Tuesday after
6 the first Monday in November, or on another day expressly
7 provided by city or county charter, and in nonprimary years
8 on the first Tuesday after the first Monday in August. Bond
9 elections may be held on the first Tuesday after the first
10 Monday in February but no other issue shall be included on
11 the ballot for such election.

12 2. [Notwithstanding the provisions of subsection 1 of
13 this section, an election for a presidential primary held
14 pursuant to sections 115.755 to 115.785 shall be held on the
15 second Tuesday after the first Monday in March of each
16 presidential election year.

17 3.] The following elections shall be exempt from the
18 provisions of subsection 1 of this section:

19 (1) Bond elections necessitated by fire, vandalism or
20 natural disaster;

21 (2) Elections for which ownership of real property is
22 required by law for voting;

25 (4) Tax elections necessitated by a financial hardship
26 due to a five percent or greater decline in per-pupil state
27 revenue to a school district from the previous year.

28 [4.] 3. Nothing in this section prohibits a charter
29 city or county from having its primary election in March if
30 the charter provided for a March primary before August 28,
31 1999.

32 [5.] 4. Nothing in this section shall prohibit
33 elections held pursuant to section 65.600, but no other
34 issues shall be on the March ballot except pursuant to this
35 chapter.

115.225. 1. Before use by election authorities in
2 this state, the secretary of state shall approve the marking
3 devices and the automatic tabulating equipment used in
4 electronic voting systems and may promulgate rules and
5 regulations to implement the intent of sections 115.225 to
6 115.235.

7 2. No electronic voting system shall be approved
8 unless it:

9 (1) Permits voting in absolute secrecy;

10 (2) Permits each voter to vote for as many candidates
11 for each office as a voter is lawfully entitled to vote for;

12 (3) Permits each voter to vote for or against as many
13 questions as a voter is lawfully entitled to vote on, and no
14 more;

15 (4) Provides facilities for each voter to cast as many
16 write-in votes for each office as a voter is lawfully
17 entitled to cast;

18 (5) Permits each voter in a primary election to vote
19 for the candidates of only one party announced by the voter
20 in advance;

21 (6) Permits each voter at a presidential election to
22 vote by use of a single mark for the candidates of one party

24 their presidential electors;

25 (7) Accurately counts all proper votes cast for each
26 candidate and for and against each question;

30 (9) **Produces the election results from paper ballots**
31 **that can be voter-verified;**

32 (10) Permits each voter, while voting, to clearly see
33 the ballot label;

34 [(10)] **(11)** Has been tested and is certified by an
35 independent authority that meets the voting system standards
36 developed by the Federal Election Commission or its
37 successor agency. The provisions of this subdivision shall
38 not be required for any system purchased prior to August 28,
39 2002.

40 3. The secretary of state shall promulgate rules and
41 regulations to allow the use of a computerized voting
42 system. The procedures shall provide for the use of a
43 computerized voting system with the ability to provide a
44 paper audit trail. Notwithstanding any provisions of this
45 chapter to the contrary, such a system may allow for the
46 storage of processed ballot materials in an electronic form.

47 4. Any rule or portion of a rule, as that term is
48 defined in section 536.010, that is created under the
49 authority delegated in this section shall become effective
50 only if it complies with and is subject to all of the
51 provisions of chapter 536 and, if applicable, section
52 536.028. This section and chapter 536 are nonseverable and
53 if any of the powers vested with the general assembly
54 pursuant to chapter 536 to review, to delay the effective
55 date or to disapprove and annul a rule are subsequently held
56 unconstitutional, then the grant of rulemaking authority and
57 any rule proposed or adopted after August 28, 2002, shall be
58 invalid and void.

 115.237. 1. Each ballot printed or designed for use
2 with an electronic voting system for any election pursuant
3 to this chapter shall contain all questions and the names of
4 all offices and candidates certified or filed pursuant to
5 this chapter and no other. As far as practicable, all
6 questions and the names of all offices and candidates for
7 which each voter is entitled to vote shall be printed on one
8 page except for the ballot for political party committee
9 persons in polling places not utilizing an electronic voting
10 system which may be printed separately and in conformity
11 with the requirements contained in this section. As far as
12 practicable, ballots containing only questions and the names
13 of nonpartisan offices and candidates shall be printed in
14 accordance with the provisions of this section, except that
15 the ballot information may be listed in vertical or
16 horizontal rows. The names of candidates for each office
17 shall be listed in the order in which they are filed.

18 2. In polling places using electronic voting systems,
19 the ballot information may be arranged in vertical or
20 horizontal rows or on a number of separate pages or

21 screens. In any event, the name of each candidate, the
22 candidate's party, the office for which he or she is a
23 candidate, and each question shall be indicated clearly on
24 the ballot.

25 3. Nothing in this subchapter shall be construed as
26 prohibiting the use of a separate paper ballot for questions
27 [or for the presidential preference primary] in any polling
28 place using an electronic voting system.

29 4. Where electronic voting systems are used and when
30 write-in votes are authorized by law, a write-in ballot,
31 which may be in the form of a separate paper ballot, card,
32 or envelope, may be provided by the election authority to
33 permit each voter to write in the names of persons whose
34 names do not appear on the ballot.

35 5. No ballot printed or designed for use with an
36 electronic voting system for any partisan election held
37 under this chapter shall allow a person to vote a straight
38 political party ticket. For purposes of this subsection, a
39 "straight political party ticket" means voting for all of
40 the candidates for elective office who are on the ballot
41 representing a single political party by a single selection
42 on the ballot.

43 6. The secretary of state shall promulgate rules that
44 specify uniform standards for ballot layout for each
45 electronic or computerized ballot counting system approved
46 under the provisions of section 115.225 so that the ballot
47 used with any counting system is, where possible, consistent
48 with the intent of this section. Nothing in this section
49 shall be construed to require the format specified in this
50 section if it does not meet the requirements of the ballot
51 counting system used by the election authority.

52 7. Any rule or portion of a rule, as that term is
53 defined in section 536.010, that is created under the
54 authority delegated in this section shall become effective
55 only if it complies with and is subject to all of the
56 provisions of chapter 536 and, if applicable, section
57 536.028. This section and chapter 536 are nonseverable and
58 if any of the powers vested with the general assembly
59 pursuant to chapter 536 to review, to delay the effective
60 date or to disapprove and annul a rule are subsequently held
61 unconstitutional, then the grant of rulemaking authority and
62 any rule proposed or adopted after August 28, 2002, shall be
63 invalid and void.

 115.277. 1. **(1) Except as provided in subsections 2,
2 3, 4, and 5 of this section, any registered voter of this
3 state may vote by absentee ballot in person at a location
4 designated by the election authority for all candidates and
5 issues for which such voter is eligible to vote at the
6 polling place without providing a reason for the need to
7 vote absentee. Absentee ballots may be cast in person
8 pursuant to this subdivision beginning on the third Tuesday
9 prior to an election and ending at 5:00 p.m. on the day
10 before the election.**

(2) (a) Except as provided in subsections 2, 3, 4,

19 to vote;

54 to this subsection shall also serve as a voter registration
55 application under section 115.908 and the election authority
