# Government Guide

4th LEGISLATIVE DISTRICT

This guide to government provides information on how to contact federal, state and local government offices and services.

# 2021 Government Guide

Dear friends and neighbors,

As your state senator in Olympia, I am pleased to offer this 2021 edition of our government guide. This guide provides contact information for elected representatives and important local agencies, to assist you in your dealings with local, state and federal governments.

I am honored to serve in the Legislature and be your voice at the state Capitol. My goal is to bring the values of the 4th Legislative District to the state Capitol. Our district is blessed with innovative people, resilient small businesses and vibrant, close-knit communities where we care about one another.

In Olympia, I work to keep state spending under control, reduce the size of our state bureaucracy, strengthen our economy, support our charitable organizations and promote traditional family values. I recognize that every tax dollar we spend in Olympia is a dollar that has come from the hardworking people of this state.

Together we can build a better state for our children and for future generations. You can influence the decisions that will shape our future by making your opinions known to the people who represent you at all levels of government. In this guide you will find names, addresses, phone numbers, websites and email addresses for government officials and agencies.

I hope you will share with me your comments and concerns about state government. I encourage you to visit my website at <http://mikepadden.src.wastateleg.org> for further information. On this site you also can sign up for my regular e-mail updates. I am proud to represent you in the Legislature, and I look forward to hearing from you.

Best regards,

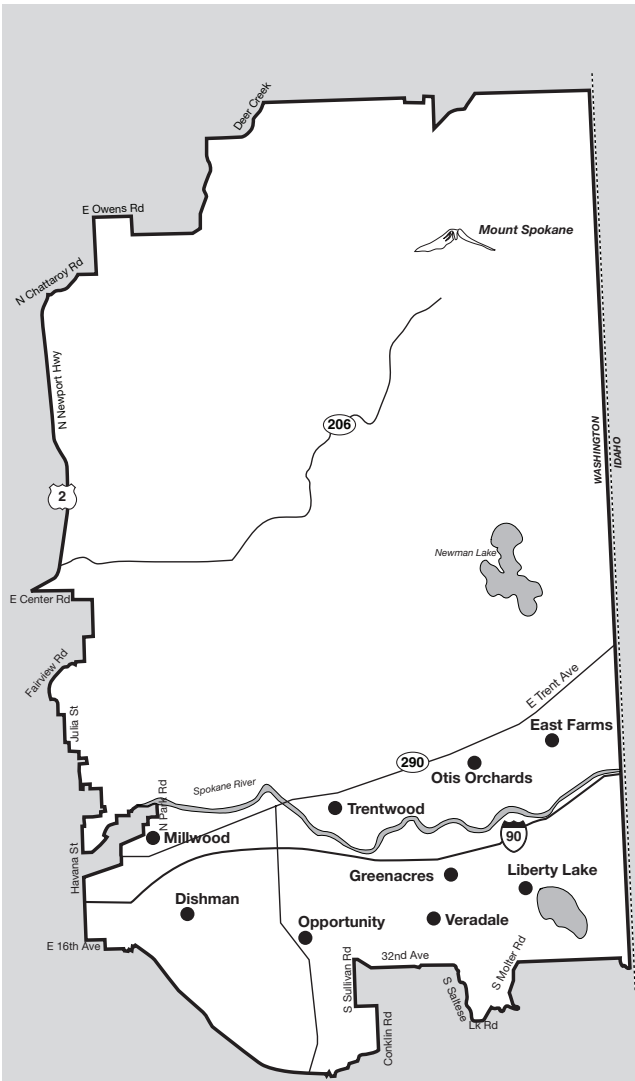

Sen. Mike Padden

## **How Your Voice Can Be Heard**

---

Washington has one of the most open legislatures in the country. Every bill being considered by the House or Senate must be discussed in open hearings before the appropriate committees. The general public is encouraged to attend committee hearings and to testify on issues important to them. While words like “hearing” and “testify” may sound forbidding, they simply represent your opportunity to come to Olympia and tell lawmakers how you feel before action is taken on an issue. For more information on how to testify effectively, write or call the Legislative Information Center at (360) 786-7573.

You can leave messages supporting or opposing bills or issues for your state representatives, senator and the governor by calling the toll-free Legislative Hotline. The hotline is available Monday through Friday from 8am to noon and 1 to 4:30pm during the interim. During the legislative session they are available Monday through Friday from 8am until 8pm and Saturday from 9am to 1pm.
