Weekly Game Fee	\$78.00

Team Registration

When registering a team, a **Team Contact/Captain** must be nominated for all Teams. The team captain/contact will be the *main* contact for all communication between teams and Aligned Leisure management. It is the responsibility of the team captain/contact to ensure all competition information, rules and regulations, and fixture changes have been communicated to the rest of the team. It is a requirement that all coaches and team managers over the age of 18, hold a current Working with Children Check (WCC).

Timely registrations will close **Sunday April 4th**, which will ensure your team is registered to play from Round 1. **Final registrations** will close **Friday June 20th**. Any registrations after this time will be at the discretion of the Aligned Leisure management.

Player Registration & Qualifications

Before playing the first game, all players details must be submitted via the registration process. To be qualified to play finals, all players must be registered and have played a minimum of seven (7) games throughout the regular season. A player is deemed absent if he/she does not score or foul and does not sign the back of the scoresheet in the presence of the referee.

To register a player to appear on the score sheet every week, all players must follow the individual registration process through the PlayHQ system and register through the link that is provided when they register their team.

All club players will be required to be registered to their Club through the PlayHQ system, so that the club can then register the players into their designated teams.

Individual Basketball Victoria Membership and Insurance

As part of each players annual individual registration/affiliation fee to Basketball Victoria, you are covered by Basketball Victoria insurance for the entire season. This fee is an annual payment and will cover participants for 365 days. All players will be required to pay this fee whilst registering for their team.

Senior Basketball Victoria Membership	\$39
--	-------------

Any player injured during a game should seek First Aid from the Sports Captain, or another Aligned Leisure staff member, and complete the relevant documentation. Failure to do so, will result in Aligned Leisure management unable to sign off on any insurance claims to be sent to Basketball Victoria.

Further information on what is covered, how to make a claim and where to download claim documents can be found here: <http://www.vinsurancegroup.com/basketball>

Grading

The grading period will last for four (4) weeks at the start of the season. It is at the discretion of the PDBA and Aligned Leisure management to grade teams in a manner that they feel is appropriate. Scores and points accumulated during grading will not carry over to the official season.

Considerations regarding grading will be made via a grading committee, who will meet throughout the grading period and provide input into the grading process. Grading requests from teams after the team registration will be accepted during allocated special request dates.

If required, an additional round of grading will be undertaken during Round 10 of each respective competition.

Mixed Basketball (Seniors)

A team must be represented by at least two (2) female and two (2) male players on the court; the fifth player can be either female or male. The game will be called a forfeit if either team is unable to comply and have at least one (1) of each sex on the court. The offending team loses the game regardless of points scored.

In the first half of games, only female players will be permitted in to enter the key, in the second half of games only male players are permitted in the key.

Scoring (Bench Officials)

All teams must provide one competent bench official for each game. Referees may ask a player to sit off if no bench official is provided; points penalties may be applied in failure to supply a scorer for your team. If not sure how to complete a score sheet, please see the Aligned Leisure Sports Captain.

Due to changes to Working with Children legislation, officials over the age of 18, officiating a competition must be a holder of a valid Working with Children's Check. Under Basketball Victoria's guidance, bench officials scoring a game are currently exempt from the Act. All participants are encouraged to obtain a Working with Children's Check to ensure no issues arise with further amendments to legislation and sport organization guidelines.

The opposing team will then be given a win with a score of 20-0 and qualification for all registered players.

Players Code of Conduct

1. Understand and play by the rules.

Understanding and playing by the rules is your responsibility. The rules exist for the safety, proper order and enjoyment of all people involved in basketball. The lessons to be learned in this respect in basketball are lessons that can and should be carried over into all aspects of your lives.

Do not ignore or deliberately break any rules. Even if you think that a deliberate foul may give your team an advantage, you should not commit the deliberate foul in the interests of fair play. If you do consistently commit deliberate fouls or break the rules you must accept that there will be consequences for you and your team. Do not let yourself or your team down.

2. Respect referees and other officials.

Referees and officials have a difficult task to perform and you could not play the game without them. They are there to enforce the rules of play but they cannot always be right. Accept bad calls graciously. Abuse of referees is unacceptable behaviour. Players who consistently dispute decisions or do not accept bad decisions are bad sports. If you disagree with a decision, have your coach, captain or manager approach the referee during a break or after the game, in an appropriate manner.

3. Control your temper.

Verbal abuse of officials is a serious offence against the rules of basketball. Verbally abusing other players or deliberately distracting or provoking an opponent are also not acceptable or permitted in basketball. Loss of temper is not only unpleasant for other participants in the game, it can also distract you and have an adverse effect on your concentration and effectiveness on the court.

4. Work equally hard for yourself and for your team.

You owe it to yourself and others involved in your team to train and play to the best of your abilities. Your team's performance will benefit – so will you. If you are half-hearted about your involvement in the sport you will become dissatisfied and lose out on the much of the enjoyment and satisfaction you can derive from giving it your best.

5. Be a good sport.

Acknowledge all good plays whether they be by your team or the other team. Good manners and respect can be infectious. Everyone likes to be praised when they do something well. If you acknowledge the achievements of your opponents, it is likely they will follow suit. Part of participation in sport is respect for all participants in the game. Your opponents are entitled to proper courtesy. Always introduce yourself to your opponents on court, congratulate them whether you win or lose and accept a loss gracefully. Remember that the opposition coach is there trying to do the best for their team and is also entitled to respect.

6. Treat all players as you would like to be treated.

Do not interfere with, bully or take unfair advantage of another player. Just because one of your team cannot perform as well as you do does not mean that they are not trying. Everyone makes mistakes. Do not abuse or ridicule another player when a mistake is made. Constructive guidance and encouragement when a player does well will assist a player to improve their game.

7. Play for the “enjoyment of it” and not just to please parents and coaches.

Playing sport, including basketball, should be fun. This doesn't mean that you shouldn't take it seriously, just that at the same time you should enjoy it. If you enjoy an activity you will perform much better and derive far more benefit from it than if it is an unpleasant experience. You may experience pressure from your coach and parents and others to perform outside of your capability or desires. Whilst this can be a positive and their way of showing you support in your activities; you should resist it where it no longer is enjoyable.

8. Respect the rights, dignity and worth of every person.

Regardless of their gender, ability, cultural background, religion or other factor irrelevant to the game, all persons connected with basketball are entitled to equal treatment and respect. Avoid any remarks that could be construed as offensive or discriminatory. Sometimes even a joke may give offence. Even if a person refers to themselves with a particular label, it should not be taken as an invitation for you to do so. Using discretion is imperative and it is better to err on the side of caution.

9. Be prepared to lose sometimes.

Everyone wins and loses at some time. Be a fair winner and a good loser. Disappointment at losing is natural, but it should not be obvious to the point of being unpleasant for others. Just as unpleasant can be the boastful winner. Recognise that even in defeat, the loser has achieved something, just by playing. Not everything in life can be a winning situation. Losing can be an important learning experience for your wider life goals.

10. Listen to the advice of your coach and try to apply it at practice and in games.

Your coach has been appointed to coach your team because they have certain abilities and experience. They have also undergone training to ensure that you get the best coach that you can commensurate with your skill levels. Apart from skills training, your coach can provide you with helpful advice on all aspects of playing basketball. Make the most of the opportunity provided to you to work with your coach to have a happy and successful experience in basketball.

11. Always respect the use of facilities and equipment provided.

Facilities and equipment cost money and will only function properly if kept in good order. Ensure that you do not abuse anything provided for use. Do not engage in dangerous practices such as hanging off hoops or “slam dunking”. Quite properly, these practices are banned in most venues. Not only can equipment be damaged but serious injury can occur.
