

Autumn's Leaflet

September 2013
Number 156

As the fall season approaches, I look forward to resuming school shows. Autumn Ginn herself, of course, has already been teaching kids music for nearly a month here in Georgia. School starts here in early August, so already I have entertained and educated over 1000 kids with Secrets of Ancient Egypt, in which I "walk like an Egyptian!" Lynne tolerates me still.

So what's new at Ginnville this season? Take a look at this—

The Crystal Tube *

Pavel invented this in the 1960s, and I learned it in 1966 at his lecture in Italy. This is the excellent marketed version: push 3 silks into a clear tube, blow them into the air, and they sail down TIED together in knots! I usually follow them with a blendo, as you can see in my new YouTube video of this trick. Easy to do, looks great on stage or close up. Sammy Smith did this in over 100 workshops with me years ago. Hey, you'll use it! Silks, tube, gimmick, instructions. **Just \$20.00!**

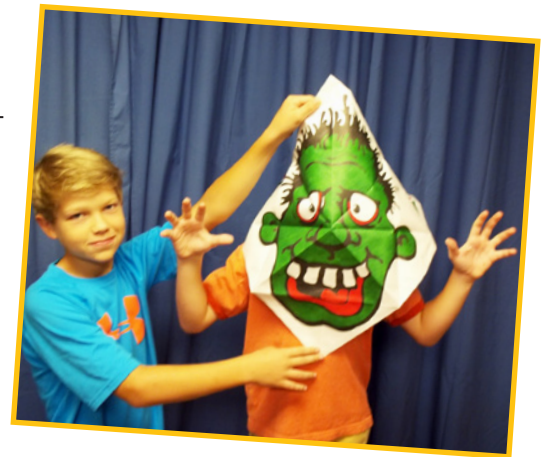

Cloth Sleeve Bouquet *

What delightful props! These new cloth TEN-Bloom Sleeve Bouquets are not only beautiful and colorful, but reasonably priced! Hide them in your sleeve (instructions show how), in a production box or tube, or hanging in a tube behind a table, chair, or even inside your coat. When you make them magically appear they spring right open! My friend Skyler is holding two of them, WOW! In my career, I've spent \$50-\$100 for sleeve bouquets. But these Cloth Sleeve Bouquets are only **\$22.00 each!**

Bongo Monster Hat *

Out of stock for two years! Nobody in the USA or UK had them! Now they're back — Ali Bongo's masterful, clever paper-folding novelty hat that David Ginn has used for 35 years, including just last week! Made of a tyvek style no-tear paper. Show the hat small and keep opening it up, making different kinds of hats. Finally the last one is a green monster — SHREK'S BROTHER! I tell them. When you order, ask for David's 2013 routine FREE! Packs small, plays big! Funny too. **And just \$25.00!**

* = Now on YouTube!

BIG NEWS! The new website — www.GinnMagic.com — officially opens on September 13, 2013! Since I was born on the 13th, even Friday the 13th is a GOOD DAY for me, and you too. Check out the new design, the new products, the new jokes, and the monthly Specials Banner at the bottom of the home page. Hey, I think you'll like it!

Make It Magic — JAMBOREE!

Leslie and Arthur Stead are at it again, this time with royalty-free down home, good ole foot stomping, toe-tapping pure American music. Yes, 17 all instrumental Country Roots Tracks

for your shows. You'll get the feel of major country artists on this CD without paying any royalties! Cuts include Skedaddle, Rodeo Clowns, Red/White&Blue (sounds like Tobey Keith), Electric Cowboy, Honky Tonk Saloon, STEPHEN FOSTER MEDLEY, Kickin' Back, Down Home, Wild Card, and much more. If you perform with a country theme, this is for you! **Only \$30.00.**

Ethereal Salt Shaker *

POUR the entire shaker of SALT into your fist. Show the shaker empty. Wiggle your closed fist fingers and open them — the salt is GONE! Now, close your other hand around the empty shaker or cover it with a silk. In two seconds the shaker is FULL OF SALT again! Yes, it's mechanical, it works great, and you can use it anywhere! **\$20**

Jumbo Vanishing Deck *

Here is the "card trick that is NOT a card trick!" And it's so easy to do! Show a jumbo deck of cards in a **black case**. Remove the box, then tell a spectator to name any card. He says 3 of Diamonds. You tell him the first card you take out will be his. So you open the case and remove a 52-on-one jumbo card: his card is one of the 52. Yes, ha, ha — but it's not over.

Replace the card in the box and slide the box back into the black case. Say you'll make that person's card VANISH from the deck: one, two, three. When you turn it over, **the black box is empty — the entire deck & card box are GONE!** Facts: no card skill required, well made and easy to perform. Plus something better: **ONLY \$15.00!**

Linking Rope Loops *

Show 3 pieces of rope (red, green, blue) and tie each in a circle. Suddenly they link together. Amazing! They just as mysteriously UNLINK and you untie them. Easy gimmick, a little practice! Woven colored ropes and instructions, plus that simple gimmick. Magnetic! **\$20.00**

Folding Top Hat *

Economy model folding top hat excellent for magic. Wear it, produce things, use as a catch-all. Instructions show ways to produce a rabbit or silk load. David uses one in lectures now! **\$30.00**

Vernet Sixth Finger *

You can do many tricks with a sixth finger, such as silk productions and vanishes. I just use it as a gag. I pretend to count my fingers. In doing so, I slip the 6th finger between two of my fingers and count 1-2-3-4-5-SIX! Whoops! One too many! I say, pulling off the 6th finger

and tossing it aside into my case. Yes, it's a quick sight gag, but kids like it. They're used to seeing grandpa pull off his thumb or finger, but NEVER tossing it aside like this. So that makes it a real surprise. **\$6.00**

Tippie Toppie Wand *

When you hold this wand, the white end falls down. You fix that end, then the other end falls down. Kids love it when you play look don't see with this wand. I finally show both ends "fixed", then they both fall down for a laugh-filled finish.

Newly made in UK! \$25.00

Jumbled Numbers Silk *

Like my color changing Shake Silk, this 4-ft streamer turns inside out. Purple in color, it has large white numbers printed on it in the wrong order: 4-1-5-3-6-2. Shake the silk and turn it inside out revealing the correct number order! **\$15**

Magic Safari *

Show these nine ANIMAL cards one by one, asking spectator to remember one. Then hand that person the cards and have him transfer a number of them from top to bottom. When you spread them out on the table, you can immediately identify the person's ANIMAL. Easy to do! Full color cards and instructions! **Only \$3.00**

Shake Silk *

Show all four feet of the Shake Silk (about 7" wide) solid black, then you either swirl it around or just SHAKE it up and down...whereupon it turns inside out into a FULL COLOR rainbow streamer! Here's friend Marty Hahne of Rabbit Disaster Plan fame holding one! **Only \$15**

Favorite Magic By GOSH!

Oreo Sponge Cookie

Here is a 4-inch Oreo style sponge cookie that I have used in 500 shows. Hide it in your hand and produce from behind a kid's ear. Pull out of a Girl Scout cookie box. A hundred uses! Looks like a big version of the favorite cookie! **Just \$6.00**

Incredi-Ball and Growing Ball *

Each of these inside/out balls do the same thing: start small and reverse to make a larger ball. The Growing Ball goes from 1.5 inch to about 4 inches. The Incredi-Ball changes from 2-inches to about 6 or 8 inches (if you wet it). See my Hidden Tutorials on website!

GROWING BALL: **only \$8.00**

INCREDI-BALL: **just \$12.00**

Sponge Toothbrush

Great Goshman clown prop, but magicians can use it too. 15" long yellow toothbrush with white bristles. Fold it up for production. Wave like

a wand. Pretend to brush hair or teeth or both! Well made prop! **Just \$10.00**

Rainbow Birthday Cake *

A 15-inch tall colorful four-tier foam cake that collapses to TWO inches and hides inside a six-inch dove pan. I've just put mine through 300 school shows with great results. The RAINBOW BIRTHDAY CAKE is a colorful combination with a candle on top. Wonderful for stage or parties up close.

\$40.00 (cake only)

Sponge Dog Bone

Goshman's giant bone for your dog, cat or rabbit! Use this one to reward your Magical Dog Arm Puppet!

White, sponge, 12 inches long!

Thrown me a bone! Fetch! Pull it out as your magic wand—the kids will laugh out loud! **\$7.00**

Green Frog Hop *

Goshman green sponge frog with Ginn routine to make him vanish in front of kids audience. Now showing in my lectures! Frog & my instructions. **Only \$5**

Color Explosion Blendo PURPLE! *

Yes, I've always wanted a "Barney Purple" version of the blendo, and here it is! This replaces the sold-out green and nearly gone red blendos we made in previous years! Wave around a string

of silks, crush them in your hands, and open them up to reveal a large 3-ft full color silk! Includes 36" blendo silk, six little 9" silks, and instructions. See our website tutorials for more! **\$35**

Rainbow Silk Streamers *

We carry lots of pure silks here at Ginnville, including these beautiful China silk ones from Goshman. You can actually sew these together if you wish to make longer ones. What a colorful production!

1. 3-in x 12-foot Streamer — **\$10.00**
2. 12-in x 30-foot Streamer — **\$55.00**
3. 4-in x 50-foot Streamer — **\$35.00**

45" Happy Elephant Silk *

Is it Barnum's Jumbo before he got big? At least he's happy! Again a new ORIGINAL DESIGN, thanks to Ken & Mollie Johanson, giving the feeling of child favorites such as Dumbo and Horton.

Tell the audience you're going to pull an elephant, not a rabbit, out of your hat.

Then produce this guy! "Okay, sorry, it's

just a baby elephant! I guess I'm a dumb!" **\$35**

45" Peacock Explosion Silk *

Use it as a production silk, blendo silk, or background silk. When I produce mine, I ask the kids, "What kind of animal is this?" I listen to their replies, then say, "Who said turkey? Boy, if you think THIS is a turkey — I'm not eating Thanksgiving Day dinner at your house!" **\$35**

45" Rabbit Ta-Dah Silk *

We designed this new ORIGINAL rabbit to compliment any magic or clown act. He's got pizzazz and personality! Just look at him waving that magic wand and the hand posed for applause. That's the applause YOU will get when you make this professional magic rabbit silk appear in your show! Nearly four feet square! **\$35**

Best Sellers from Ginnville!

Happy Santa Blendo *

Wave a string of four 12-inch silks (red, white, green, black) around, bunch them up in your hands, and instantly they blend into a 36-inch full color Santa Claus! Comes with instructions, 4 little silks, and the 36" Santa pure China silk. **\$35**

Happy Santa 18" Silk

Just in time for your Christmas shows, we have now made an 18" silk from the same design as the SANTA 36" BLEND. Buy two of these and make your own 20th century silks. Vanish one Santa and make him re-appear between two other silks. Lots of possibilities! **\$8 each**
