CAPE COD

September 2017
Volume XXXV Issue 5

PIECE FROM THE TOP

Summer is winding down and we have SO much to tell you about our 2017-2018 year. First, however, we must comment on how wonderful this year's show, "**Our Lucky Stars**", was! A heartfelt **THANK YOU** goes to the Show Chair Ellen Bowler, Co-Chair Cindy Greenwood and all the Show Committee members, guild members, family and friends who worked so hard to ensure the Show's success. A huge amount of planning, talent and energy created a gorgeous display of over 300 quilts and a splendid Show. We'd like to recognize the superb job done by our Show Curators, Claude Danner and Robin Maguire, over the years. They are stepping down, but fear not, Diana Anderson and Alison Carroll are taking over and started learning this key position from Claude and Robin during the show. **THANK YOU** again to the teams who created this year's wonderful "Starlight" and "Fabricadabra" **Raffle Quilts**. Thanks to our members who sold raffle tickets, volunteered at the show, made Boutique items or donated to the raffle basket or the Pieced Treasures raffle. Your efforts and contributions are crucial. Don't forget that our raffle ticket sales fund Scholarships and Toolships for Cape Cod Technical High School students!

What's coming up? Programs Chairs Jane Wilson and Lynn Perrault have a great mix of **Programs** for us. In September, fabric painter Mickey Lawler will speak and offer two workshops (one is already sold out!) In October, Bonnie Dwyer will speak and give two workshops.

An important reminder: our monthly guild meetings will no longer be held at Our Lady of the Cape Church. Instead, our Tuesday evening meetings for September and October will be held at the Brewster Ladies Library on Route 6A in Brewster and our Wednesday morning meetings will take place at the Harwich Community Center on Oak Street in Harwich. Watch your email for further details.

Saturday **Quilt-Ins** resume on September 9th. They are a great place to sew, learn or just chat with friends. Diane McGuire will also host several Wednesday afternoon Quilt-Ins. Our **New Members' Tea** will take place on Saturday, **October 7th**, following the Quilt-In. We encourage **current** members to attend and welcome new members. Later in October Diane will lead a special workshop in support of our **2018 Quilt Show Theme, "Seasons of Quilting"**. Speaking of next year's Show, we are delighted to report that Noreen Couture has agreed to be 2018 Show Co-Chair with Cindy Greenwood. Thank you, Noreen! The location for next year's show is still uncertain. We'll keep you posted at meetings and by email.

What else is lined up? We are excited about our first ever **Seaside Retreat** beginning on October 1st. Thank you Rada and Noreen for organizing what should be a great time in a beach-front location. Debbie Zieda has a **shop-hop bus trip** scheduled for us on November 1st. Our annual **Holiday Lunch** is planned for December 2nd. Two more of our popular **Winter Retreats** will take place in early 2018. Our wonderful **Block of the Month** coordinator, Noreen, will continue to encourage our creativity

Please take advantage of what Bayberry has coming up. Please also consider getting involved in helping Bayberry do all that it does. None of it happens without YOU!

2017 Quilt Show Review

Huge thanks to all of you who made the 2017 quilt show a success. As you all know, there's so much involved in planning the show, setting it up, running it, and taking it down. It takes all of you to make it happen.

The lucky winner of this drawing was **Alison Carroll**, who won a \$50.00 gift certificate to Tumbleweed. Congratulations, Alison, and happy sewing!

Bayberry in Action/Quilt-a-thon

This year the Quilt-a-thon run as part of the Bayberry In Action booth during the show asked visitors to stop and make a block for quilts being made for seriously ill children at Boston Floating Hospital for Children. Visitors were invited to choose a block design, choose shapes from precut fabric in primary colors, and sew their block together. Over the three show days, visitors made 30 blocks, which will be made into five child-sized quilts!

In addition, at the May guild meeting we asked members to help by making a block to bring to the show. We received 87 blocks! Many thanks to each of you generous members.

At the September and October Quilt-ins, members are being invited to sew these happy blocks into quilt tops. Please come to help if you can. Susan Griffin's husband has offered to quilt many of these quilts, but we are looking for other members to take one or two to quilt them. From this superb response we expect to make about 20 quilts! Thank you to all who helped.

Carol Salerno and Diane McGuire

Bayberry Boutique

Thanks to all who contributed items to this year's Bayberry Boutique. With all the wonderful items made by Bayberry members, the Boutique was a great place to shop during the quilt show!

Also, a huge thanks to all our volunteers. All of you were such a big help and very much appreciated!!

Bayberry Raffle

The Bayberry Raffle was a huge success this year. Our members sold more tickets than in past years. We offered three exciting prizes: *Starlight*, a queen-size bed quilt; *Fabricadabra*, a modern wall hanging; and a basket of Cape Cod goodies. The raffle winners were as follows:

Starlight quilt: Alex Lage, Cumberland, RI

Fabricadabra quilt: Tina Labossiere, South Dennis, MA

Thanks go to our skilled quilters who worked tirelessly on completing the show raffle quilts. I also want to thank everyone who sold tickets, volunteered to work at the raffle table, or made donations to the raffle basket. A sincere thank you!

From the Membership Chairperson:

Special thanks to those who volunteered at the Membership Table at the Quilt Show! I couldn't have made it through those days without your help! Thanks also to those who renewed their membership before and during the show. Free memberships were awarded to three people: Elaine Skoler, Mary Spurr, and Jane Wilson.

We have several new members and I am trying to match them with a Bayberry Buddy. I currently need buddies in Harwich, Falmouth and Plymouth. E-mail me if you can help.

The Member Handbook is about to go to the printers. If you did not yet renew, but wish to, please mail it to me or bring it to one of the September meetings. Please be sure to fill out the form on the website or available at the check-in table, even if your contact information has not changed. I have to have a paper trail for the records. Renewals must be received by October 31st or you will be removed from the e-mail list.

Pieced Treasures

Wishes to thank all the members who contributed raffle prizes to our table. Although our profit was down, all who won were delighted with their gift.

I wish to thank Bayberry Quilters for honoring me by choosing me to be a featured quilter, at this year's quilt show. It was fun to see the variety of quilts produced in one area. I also enjoyed talking with Carol Burton about her quilts, especially the 50th anniversary quilt for her parents, and "Heat" with the Costa Rican beads.

2018 QUILT SHOW

As we look back on the success of the 2017 Quilt Show, the planning for the 2018 Quilt Show has begun.

Our title for the 2018 show will be **"Seasons of Quilting"** and the show colors will be variations of **orange** and **green**. I hope that all of our Bayberry quilters will be able to find inspiration in the wonderful changing seasons of the Cape. I know that the talented Elsa Hahn will be working on the challenge quilt guidelines and that many of you have fabric stashed away in our show colors that are just waiting for the right inspiration.

I am very pleased that Noreen Couture will be working as the 2018 co-chair. She will bring that extra spark, creativity and organization to our show that will inspire us, as we work to resolve the uncertainties of the possible change in our quilt show location. We must remember that the location of the quilt show is only secondary to the beauty of the quilts our Bayberry members create and display.

We still have a few openings on the 2018 Quilt Show team and we are looking for that Bayberry member that wants to contribute to the success of the show. To our new members, joining the Quilt Show team is a wonderful way to meet the Bayberry members. We need help with our show book, publicity, decorations and our memorial quilt corner. Please contact Co-chairs Cindy Greenwood and/or Noreen Couture and join the team!

FALL SHOP HOP!

Our wonderful show is now a happy memory, so it's time to look forward to the fall. Plans have been made for a fun-filled Shop Hop to our neighboring Rhode Island.

Date: Wednesday, November 1, 2017.

Pick up Times: Orleans at 8:00 AM

Hyannis at the CCRT location at the Route 28 exit of the Cape Cod Mall at 8:20 AM

Sagamore Commuter Lot at 8:45

Our first stop will be Ryco Trim and Fabrics (<http://www.rycotrim.com/>), which comes highly recommended.

Our next stop will make quilters and knitters happy. We will stop at Knit One, Quilt Too.

(<https://knitonequilttoo.com/>).

Our last stop is up in the air. The one I had hoped to include is closed that week. Will discuss our options at the September meeting.

You can either brown bag it, which I do recommend, or grab a bite to eat Table Bistro in the same area as Knit One. Their website is <http://www.tableri.com/>. But, this is NOT a fast food restaurant. It is small, so if you opt for a sit down lunch, you may not have time to shop at Knit One, Quilt Too.

The cost for signing up BEFORE OCTOBER 1, 2017 is \$45.00 for members,
\$50.00 for non-members.

After October 1, cost will be \$55.00 for members, \$60.00 for non-members.

Please either bring your check, made payable to Bayberry Quilters of Cape Cod, to the September meeting, or mail it to Debbie Zeida. My address is in your membership book, or email me at dzquilter@gmail.com for more information.

BAYBERRY QUILT GUILD 2017-2018 PROGRAMS AND WORKSHOPS

The upcoming program year continues Bayberry's tradition of presenting speakers from New England and across the country for our members to meet and learn from. We are pleased to spotlight talents from within our guild as well!

WORKSHOPS

Bayberry workshops offer you the opportunity to work directly with the instructor, asking questions and getting one-on-one help when needed, while sharing experiences with fellow students.

Many workshops at big quilt shows cost more than Bayberry charges. Our guild actually underwrites the cost of many of our instructors' workshops.

Bayberry workshops: a great way to learn!

Students will learn the design concepts behind using large-scale prints and how to show them off to their best advantage. Kids Can Sew!

Once again the Bayberry Annual Quilt Show was a success. More success came with the donation of three brand new Janome SUV 1108 sewing machines from Sew Vac Direct in Bryan, TX. Below is a photo of some of the youngsters using these machines to make pillows, and one very young one who just wanted to ham it up for the camera. We also want to thank Murray's Fabrics for loaning two machines for use at Kids Can Sew.

Make a block for kids fighting cancer

Quilt-in plans: During our September 9th all day, October 7th morning and Wed. Oct. 18th afternoon quilt-ins we will be working to assemble tops for Tufts Floating Hospital for Children. We are still accepting donations of 12 1/2" blocks (finished 12") in Crayola crayon primary colors, any design, up until the September meeting.

Some of the tops will be quilted by Susan Griffin's husband but we are looking for more volunteers to quilt tops and finish bindings. We will provide all batting and backing thanks to Quilt Bank. Simple quilting would be fine. The quilts will vary in size as the children are various sizes.

The New Members' Tea will be held at the Graded Schoolhouse on October 7th at 1 pm after the morning quilt-in. More information will follow.

On October 28th we will have an Autumn Leaves workshop (or any season you like) at the Graded Schoolhouse. This skill-building workshop by Diane McGuire will feature several leaf designs using half square triangles made by one of three methods shown. Included will be patterns for blocks and suggestions on how to turn them into a quilt for the show. Learn easy two sided leaves to applique by machine or by hand and three dimensional leaves and their many uses. More information will follow. We hope this workshop will give you a jump-start on your projects for the quilt show.
