Sharing the Love of Jesus

THE TEAM

Spirit Power™
SpiritPowerMusic.org

"Spirit Power" is music created to feed the soul. It is worship, prayer, reflection and healing: a way to help the inner-self encounter love.

"Spirit Power" represents the journey of musicians/song writers Jules and Marty Rotella. Their inspired creations invite you on your own journey to experience the love of Jesus.

The brothers make a great team. Marty is the singer/songwriter/evangelist who presents their music and message to diverse audiences. Jules is the producer, taking the music and Marty's vocals and creating the amazing sounds heard on their CDs and digital downloads found on SpiritPowerMusic.org.

These songs contain the message of God's love, helping to foster compassion for others and a regard for personal worth.

Marty has presented the Gospel message of Jesus's love in forty-three states in addition to Australia, Europe, Central and South America and Canada. With over thirty years of ministry through teaching and motivational speaking, he has presented in churches, schools, conferences, and prisons.

The mission of "Spirit Power" is to bring the love of Jesus to as many individuals as possible.

THE TESTIMONIALS

Fr. Andrew Apostoli, CFR

Most Rev. Thomas A. Donato

Sr. Cora Lombardo, A.S.C.J.

“Words cannot express my gratitude for your presentations to our Confirmation candidates and their parents. You did an outstanding job of proclaiming the awesome love of God. God is certainly at work in you and your ministry.

Frank Smoczynski, President

Queen of the Americas Guild

“Again you’ve done a fantastic job for Our Lady and the Guild. All the people who hadn’t heard you before were very impressed and appreciative of your lovely music. The rest of us, already knowing how beautiful and splendid your music is, were just able to sit back and enjoy your inspiring musical contribution to Our Lady for the Guild.

Most Rev. Thomas A. Donato

Auxiliary Bishop of Newark

“Marty is a devout Catholic who gives praise and worship to God through his ministry of song and teaching. He has conducted many retreat days within our Archdiocese and beyond, and has touched the lives of many people. He has worked in the Pro-Life movement.

Fr. Andrew Apostoli, CFR

Host-Sunday Prime Time -EWTN

“A man with a mission for the church. This man is a good friend of mine. He is a songwriter and an on-fire evangelist. He calls it “Spirit Power”.

Fr. Robert Stefanotti, Supervisor Chaplain

Garden State Youth Correctional Facility

“On behalf of our faith community, administration and myself, I would like to sincerely thank you for your recent concert. I must tell you I have never had such a wave of positive feedback for any of the musical events we have presented in the chapel. Your music truly touched many of these inmates; and, I can safely say, has made a positive impact on their lives.

Ed Winter, Boothwyn, PA

“Seeing you at the Divine Mercy Conference with Rev. Pablo Straub was the highlight for me this year. I was amazed at how well composed you were and how smooth you were as MC, music director/performer. God has certainly touched your heart and it was compelling to listen to your witness.

I can honestly say that I’ve never heard the songs on the “One Rose, One Heart” album. It is the very BEST one to date. The “I Fall in Love” song is truly special.

Michelle Krystofik, Associate Director

Respect Life Office - Archdiocese of Newark

“ I am writing this letter to inform you that Marty Rotella has been a part of our Respect Life ministry here in the Archdiocese of Newark. Marty is not only an incredibly talented musician but he is a man of deep faith. His music is soothing and peaceful and has been a positive and integral part of several areas of our office.

Marty has played the music for our annual Archdiocesan Pro-Life seminar choosing and playing beautiful music for the opening Mass. Marty is also our music minister for one or more Rachel's Vineyard weekends each year. These are weekends of hope and healing for those who have been hurt by abortion.
