City of Shorewood
5755 Country Club Road
Shorewood, MN 55331
952.960.7900
cityhall@ci.shorewood.mn.us

Uncle Sam needs you for 2020 elections

It takes a village, or in this case a city, to run an effective election. There are three elections in Shorewood in 2020. Serving as an election judge at one or all of the elections is a great way to learn about elections and is a great service to the community. Shorewood City Council and staff are grateful for the service of the residents who play such an important role in the election process. It really could not be done without them or YOU! Please consider working the 2020 elections.

Judges must be eligible to vote in Minnesota and be able to read, write, and speak English. Your employer is required by law to provide you time off from work to serve with no reduction in pay. Students in good academic standing that are ages 16 and 17 may be election judge trainees with permission from their parents. City of Shorewood election judges are paid \$12 per hour, head

election judges are paid \$13 per hour and student judge trainees are paid \$10 per hour. Judges are assigned to morning, afternoon, or all-day shifts as desired and are required to take at least two hours of paid training. For additional information or to request a Shorewood Election Judge Application, email cityhall@ci.shorewood.mn.us, or call the city at 952.960.7900. You may also apply online at www.ci.shorewood.mn.us.

The Presidential Nomination Primary Election is March 3, 2020. Absentee Voting begins January 17, 2020. One hour of additional training is required for all election judges working the Presidential Nomination Primary. The Primary Election is Tuesday, August 11, 2020 and the General Election is Tuesday, November 3, 2020.

Private well water testing encouraged

Residents with private wells are encouraged to routinely have their well checked for arsenic and other contaminants. A Shorewood resident recently informed the city that they are suffering from arsenic poisoning due to well water contamination. They did have a reverse osmosis system installed and were unaware that the system had malfunctioned.

Residents with private wells are responsible for water testing. According to the Minnesota Department of Health, water should be tested for a variety of contaminants, including arsenic, nitrates and bacteria. Professionals at the department say that it is up to well owners to have their water tested and, although it is quite important, many well owners are either unaware or do not think there is

a problem with their water. It is recommended that tests be repeated every one to two years because changes occur in the groundwater due to various environmental factors.

City of Shorewood tests municipal water, but there is not city testing of private wells. The city does have testing kits available for collection of water samples that you can send to a health department certified lab for testing. Testing costs range between \$35 and \$140.

If you have water concerns with your private well and would like to see if your home can be connected to city water, please call city hall at 952.960.7900. For a list of licensed labs and additional information go to www.ci.shorewood.mn.us/private_wells.

For more information on private wells, see the Minnesota Department of Health website, www.health.state.mn.us.

Recreational fire permits

Homeowners with backyard fire pits are required to get a free recreational fire permit each year from Excelsior Fire District. Applications may be downloaded from www.excelsiorfire.org, or fill out the permit at city hall. All homeowners with a bonfire must have a copy of the permit available upon request by fire personnel.

Recycling Weeks for September 2019

All recycling must be curbside no later than 7 a.m. on recycling day. Mainland residents recycle September 5 and 18; Island residents recycle September 6 and 19.

Report misses by noon the following day: 952.960.7900
NOTE: Recycling is delayed one day due to the Labor Day holiday.

Create dirt not waste

Compost is organic material that can be added to soil to help plants grow. Food scraps and yard waste together currently make up about 30 percent of what we throw away, and should be composted instead. Making compost keeps these materials out of landfills where they take up space and release methane, a potent greenhouse gas. In Hennepin County it keeps it out of the burner, which makes the burners more effective creating energy and by reducing the

amount of ash created.

Composting Basics

Composting requires three ingredients:

- Browns: Includes materials such as dead leaves, branches, and twigs.
- Greens: Includes materials such as grass clippings, vegetable waste, fruit scraps, and coffee grounds.
- Water: Having the right amount of water, greens, and browns is important for

compost development.

Your compost pile should have an equal amount of browns to greens. Alternate layers of organic materials of different-sized particles in the pile. The brown materials provide carbon for your compost, the green materials provide nitrogen, and the water provides moisture to help break down the organic matter. It's a complete science experiment!

Learn more at www.epa.gov/recycle/composting-home.

Fall deer management program

City of Shorewood will work again this year with the Metro Bowhunters Resource Base to provide a deer management program. The scheduled dates of the hunt are:

- September 20 – 22
- October 4 – 6
- October 18 – 20
- November 1 – 3
- November 15 – 17 (if needed)

The city has contacted land owners who have participated in the program in past years, or who have expressed interest in being a site location. If your property has not been a site in the past, but you are interested, please contact the city at 952.960.7900. Your site will be evaluated to determine if it is a suitable location, and program representatives will answer any

questions you have about the program. As a courtesy, property owners adjacent to the lots that are part of the management program will be notified of neighboring property's inclusion in the program.

Primary election 2020

The Presidential Nomination Primary (PNP) Election is March 3, 2020. Absentee voting begins January 17, 2020. The Primary Election is Tuesday, August 11, 2020.

All polling places will be open just as in the Primary and General Elections. Only presidential candidates from major political parties will participate and each major party will have a separate ballot. The chair of each party will submit a list of candidates

by December 31, 2019, that will appear on the ballot. The PNP will determine who is on the Primary ballot in January. Voters may vote

in person at Shorewood City Hall Monday through Friday from 8:00 a.m. to 4:30 p.m. or request a ballot be

sent to them. Absentee ballot (AB) applications are available on the city's website, www.ci.shorewood.mn.us. The application is sent to the county. A ballot will arrive at

your residence during the PNP AB Voting period. A voter must request the ballot of the party of their choice. If a voter refuses to select a party, they will not be able to vote in the Presidential Primary. A voter's choice of party ballot will be recorded and is private data; however, a list of all who voted in the presidential nomination primary and the political party each voter selected will be provided to the chair of each major political party. How a voter voted is secret. The presidential primary results must bind the election of delegates in each party. Precinct caucuses are still held on February 25, 2020, to conduct other party business.

Managing ash trees

Emerald ash borer, an invasive tree pest that attacks and kills ash trees, is the biggest current threat to our tree canopy. There are over 1 million ash trees in Hennepin County, and 100 percent of them are threatened by the emerald ash borer.

Most residents live within 15 miles of an infested ash tree, which means you should be taking steps now to determine if you have ash trees on your property and how you are going to manage them.

Take the following steps to decide how to manage ash trees on your property from the threat of emerald ash borer:

- Identify and inventory ash trees: figure out if you have ash trees, how many you have, and where they are located.
- Determine if your ash trees are worth saving: they should be healthy, at least 30 inches in circumference or 10 inches in diameter at chest height, show no or few signs of emerald

ash borer infestation, in a good location, and valuable to the property owner.

- Work with a certified arborist to treat trees that are worth saving: use a trunk injection of ememectin benzoate (commercial name Tree-age) every two to three years in late spring; cost is typically \$100 to \$200 depending on the size of the tree.
- Monitor and make a plan for removal for trees that aren't being treated: monitor your trees for signs of emerald ash borer, work with a certified arborist to remove your trees when necessary between October 1 and April 30 to avoid the season when emerald ash

borer is active, and consider planting a tree or two to replace any you remove.

Learn more about emerald ash borer, how to identify ash trees, signs of emerald ash borer infestation, and tips for hiring a certified arborist at hennepin.us/ashtrees. If you have an ash tree you are concerned about, contact city hall, 952.960.7900, for a free inspection.

Hennepin County

Council Activities

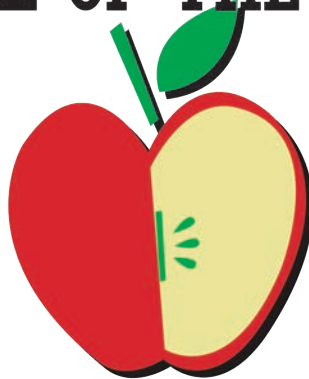

Since the last council meeting the city council:

- Heard 2020 budget presentations from Chief Mike Meehan of South Lake Minnetonka Police Department and Chief Curt Mackey of Excelsior Fire District.
- Approved funding for Cathcart Park hockey rink painting.
- Accepted purchase and installation of new security system at city hall.
- Approved an ordinance amendment for accessory structures over 1200 square feet. The amendment removes the conditional use permit requirement.

Minutes and agendas for city council meetings are available on the city website. You can register for email updates from the home page of the city website by signing up for the "General City News and Events" category.

Shore Report September 2019

Lawn watering time restrictions

Residents and businesses in Shorewood may water before 11 a.m. or after 4:30 p.m. seven days per week through the month of September. Children's toys, private wells and hand watering are exempt.

Complete information is available on the city web site, www.ci.shorewood.mn.us under Environment: Yard and Tree Care.

Volunteer for the rink painting party

Making Shorewood parks beautiful is a community affair and the city wants to make it a party! Residents and area skaters are asked to help "paint the rink" at Cathcart Park, 26655 W. 62nd Street, Saturday, September 28, between 9 a.m. and noon. A rain date has been set for Saturday, October 5. If you are able to join the community event, please R.S.V.P. by calling the city at 952.960.7900. Volunteers should bring a paintbrush for exterior fence painting if they have one and wear old clothes. Help us make this rink shine!

September road construction

Several Shorewood roads will get mill and overlay construction during September. Residents using the following roads are encouraged to sign up for email alerts under "I want to" and "Sign up for" on the city website. Email will be the main form of communication for delays and closures during the road project.

Construction roads include:

Birch Bluff Road	Edgewood Road
Cardinal Drive	Excelsior Blvd (St. Alban's Bay to Deephaven)
Country Club Road (Echo to Yellowstone)	Sweetwater Curve

Home under construction?

Tips for fall

If your property is under construction and the project will continue through the winter, there are a few things that you should do to make sure that your yard is ready for the spring thaw:

- Make sure dirt stock piles have adequate protection around the base. Small piles can be covered for extra protection.
- Silt fences should be secured. They must be rechecked in the spring, but a fall check will result in fewer spring repairs.
- Check your construction entrance if the drive is not complete and make sure there is plenty of rock to cover open dirt.

If you have questions about these tips, or about any construction-related issues, please contact the city at 952.960.7900, and talk with staff in Building/Inspections.

Senior Self-Defense

Monday, September 23

10:30 a.m.-noon, Ages: 55+

Ron Tobin, Shorewood National Karate, will conduct a class in self-defense for seniors. The cost of the class is \$5 for SouthShore Senior Partners members and \$10 for non-members. Do not miss this opportunity to get some essential safety tips! Call the center to register.

**Garage Organizing Workshop FREE
Thursday, September 12, 10 – 11:30 a.m.**

Get your garage cleaned out and ready to park the cars in winter. It's not too late! Local Professional Organizer, Michele Dudley, with Reyestone Organization, will offer tips to help you get your garage organized including a Q&A at the end of the workshop. Call the center at 952.474.7635 to register.

**Driver Improvement Class
Refresher Class**

Thursday, September 12, 1 – 5 p.m.

First Time Class

**Saturday, October 19,
8:30 a.m. – 5 p.m.**

Call MN Safety Center to sign up, 1.800.234.1294.

**Rag Basket Making
Monday, September 16,
1:30 p.m.; \$25**

Learn to make a rag basket with Bev and Pam from Paint*Paper*Scissors. No experience required! Call to register 952.474.7635.

**Line Dancing!
Wednesdays, 1 p.m., Ages: All**

NEW!

Join the fun and burn some calories as you tone your body and your brain in this one hour class. Call the center to register.

Flu Shot

**Friday, October 11 9:30 – 10:30 a.m.
Ages: All**

Call the center to register for your flu shot! Most insurance accepted.

**Closet Organizing Workshop FREE
Tuesday, October 15th 7– 8:30 p.m.**

Fall into a more functional Clothes Closet. Local Professional Organizer, Michele Dudley, with Reyestone Organization, will offer tips to refresh your closets and create breathing space. Save time in your morning routine, by getting organized! Call the center at 952.474.7635 to register.

**Happy Feet
Monday, September 16**

Appointments: 763.560.5136; Age: 55+ Clients who regularly receive nursing foot care express an increased sense of comfort and well-being. The health and appearance of the feet are restored so that the client may once again participate in improved daily living. Care includes foot soak, foot massage, care for corns, calluses or problem nails. Make your appointment today.

**Chair Fitness
Wednesdays, 10-10:30 a.m.; \$6 per class**

This class addresses the needs and challenges of those in need of the stabilizing safety of a chair during workouts. Light weights, stretching and wonderful music will be incorporated into the workout.

**Fitness Class
Monday, Wednesday,
Friday, 8:30 a.m.**

**\$6 per class or
purchase a discount
package with monthly
sign up at class
Ages: 55+**

This program, designed for active adults, uses low impact exercises to get your heart pumping! Exercises can be adapted for all levels of fitness and physical ability. Call the center, 952.474.7635, with questions.

**Busy Bee Quilters
Monday and Wednesday
9 a.m.-12 p.m.; Ages: All**

Have a great time sharing personal quilt projects, helping each other, and making various service projects. Currently the group is working on mittens, hats and scarves for Caring and Sharing Hands. For more information, call Linda, 952.475.1430. No RSVP necessary.

**Woodcarving
Tuesdays, 9:30 a.m.; Ages: All**

Have you thought of woodcarving as a hobby or already carve? Stop in and join this community of carvers. Learn how or carve and share your knowledge. No fees or sign up necessary.

**Knitting
Tuesdays, 10:30 a.m.; Ages: All**

Open to all interested in the needle arts. All levels of expertise welcome. Bring your favorite pattern to share and learn great tips from fellow knitters! No RSVP necessary.

**Beading
Tuesdays, 1 p.m.; Ages: All**

No experience needed for this fun group. An instructor is available if you are new to beading. Supplies available, or bring your own. For more information contact Linda, 952.475.1430. No RSVP necessary.

**Mahjong
Wednesdays, 1 p.m.; Ages: All**

Mahjong is a tile-based game which originated in China. It requires tactics, observation, memory, teamwork and is generally played with four players. Join a table each week for a fun and challenging game. Instruction is available.

**Toastmasters
Thursdays, 12-1 p.m.; Ages: All**

If you have wondered what Toastmasters is all about, or used to be in a group and are looking for a local group to join, a Toastmasters group is now at Southshore Center weekly. Stop by any Thursday.

**Bridge
Thursdays, 1 p.m.; Ages: All**

Love the game of bridge? Want to join a table, or improve your skill? Call the center to reserve a spot for weekly games, 952.474.7635.

**Dementia Support Group
Fridays, September 6 and 20**

**9-10 a.m.; Ages: All
First and third Fridays monthly**

If you are caring for a loved one with dementia, or someone close to you is suffering from dementia and you could use some support, meet with other concerned caregivers. Learn from each other on ways to be a better caregiver, and to better take care of yourself. Questions? Call Jane at 952.474.4673, or Joanne, 952.474.6022. No RSVP necessary to attend.

Movie in the Park

Freeman Park

6000 Eureka Road

Friday, September 6, 8 p.m.

Mary Poppins returns

In Depression-era London, a now-grown Jane and Michael Banks, along with Michael's three children, are visited by the enigmatic Mary Poppins following a personal loss. Through her unique magical skills, and with the aid of her friend Jack, she helps the family rediscover the joy and wonder missing in their lives.

Everyone enjoys watching a movie outdoors on the big screen! Enjoy Freeman Park for the annual movie event.

Bring lawn chairs, blankets and snacks. Concessions available.

Bring friends and family for this fun community event!

**Friday, October 25, 5:30-7:30 p.m.
Free Family Fun!**

**Enjoy free German fare, music, and crafts for the kids!
Dress in your lederhosen best and join us for this free family event.
Free wine and Excelsior Brewing beer tasting.**

Residents age 55+ are encouraged to join the partners and sign up for event news. Sign up at www.ci.shorewood.mn.us/SeniorPartners.
