A few words of thanks...

Thank **you** for attending the auction and enabling the PTA to continue to support the various programs and events the PTA sponsors. Your donation tonight will allow us to grant funds to the school for assemblies, classroom support, and field trips, as well as sponsor programs and events such as drama club, softball, the Carnival, Pizza Bingo Night and much, much more! None of it could happen with our support from you.

Thank you.

In addition to the auction attendees, the PTA would like to thank all those businesses and individuals who donated items or services. You will find the names of these generous business and individuals listed next to each item. The PTA is incredibly grateful for the support provided by the community.

The night would not have been the same without the student and staff performances. Thank you for making the event a special one and being willing to share your talents.

Lastly, we would like to thank the volunteers for making this happen. Our wonderful and talented art docents and teachers allowed us to include the class art projects as part of our fundraising efforts. The time and effort spent is greatly appreciated. Thanks are also owed to the auction committee members have worked hard over the past 6 months to pull this event together, as well as all of our “night of” volunteers.

Thank you for supporting the Shorewood PTA.
