To the Reader

Messenger:

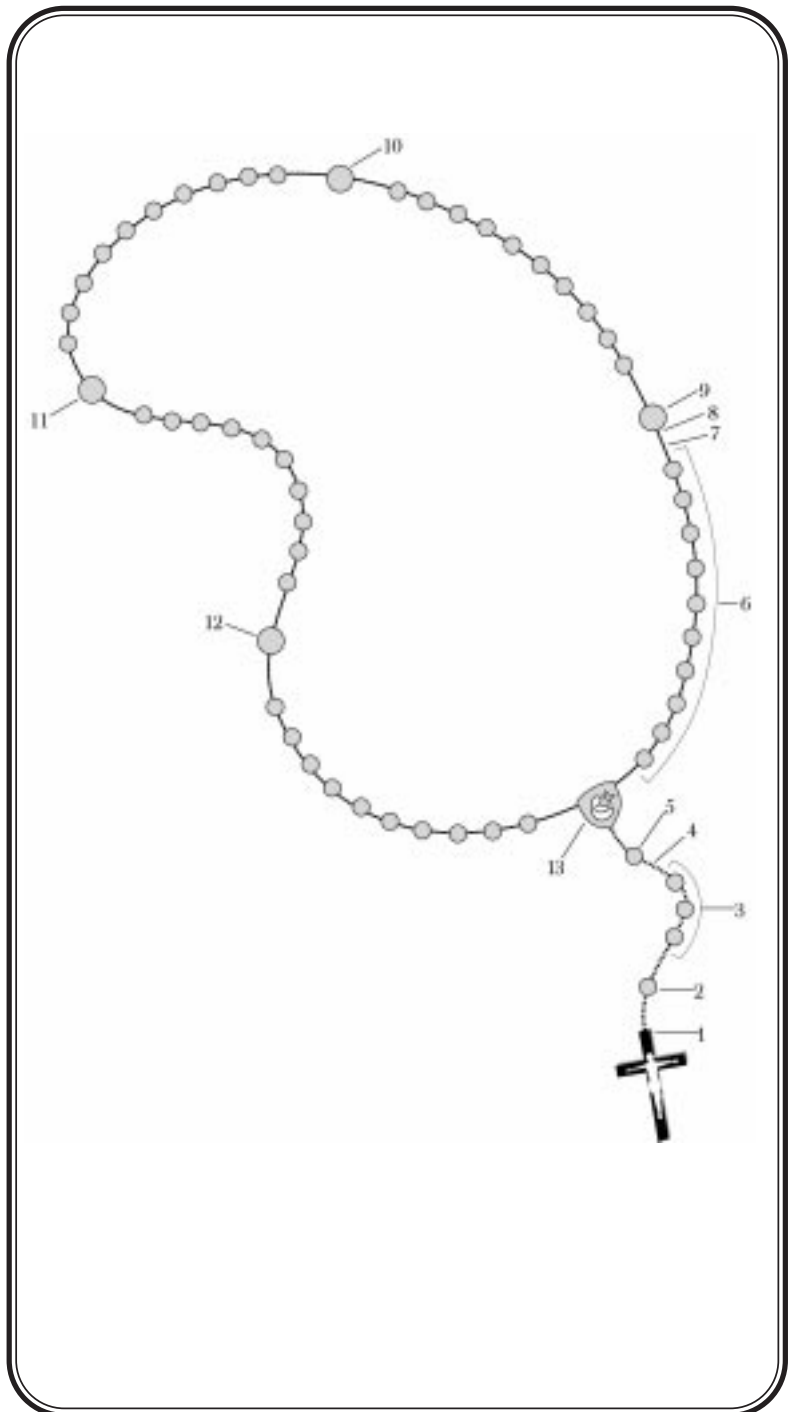

When visiting a nursing home this is a plan you can follow to pray a little part of the rosary with the elderly or sick residents.

What is usually done and tolerated by the elderly folks is one Our Father, five Hail Mary's and another Our Father. The song, A Song from Jesus, can be sung before and after these prayers.

It is desirable to have a big picture of the rosary Mystery you are using when doing these meditations. Also it is recommended that you have pictures of the Sacred Heart and the Immaculate Heart of Mary.

How to Pray the Rosary

1. Make the Sign of the Cross and say the Apostles' Creed.
2. Say the Our Father.
3. Say 3 Hail Marys.
4. Say the Glory Be to the Father.
5. Announce the First Mystery, then say the Our Father.
6. Say 10 Hail Marys.
7. Say the Glory Be to the Father.
8. Say the O My Jesus.
9. Announce the Second Mystery, then say the Our Father, 10 Hail Marys, Glory Be and O My Jesus.
10. Announce the Third Mystery, then say the Our Father, 10 Hail Marys, Glory Be and O My Jesus.
11. Announce the Fourth Mystery, then say the Our Father, 10 Hail Marys, Glory Be and O My Jesus.
12. Announce the Fifth Mystery, then say the Our Father, 10 Hail Marys, Glory Be and O My Jesus.
13. Conclude by saying the Hail Holy Queen.
14. Make the Sign of the Cross.

The Rosary Prayers

The Sign of the Cross

In the name of the Father and of the Son and of the Holy Spirit.
Amen

The Apostles Creed

I believe in God the Father Almighty, Creator of heaven and earth; and in Jesus Christ, His only Son, our Lord; who was conceived by the Holy Spirit, born of the Virgin Mary, suffered under Pontius Pilate, was crucified, died and was buried. He descended into hell; the third day he arose again from the dead; he ascended into heaven; sits at the right hand of God the Father Almighty; from thence he shall come to judge the living and the dead. * I believe in the Holy Spirit, the Holy Catholic Church, the communion of Saints, the forgiveness of sins, the resurrection of the body, and life everlasting. Amen.

Our Father

Our Father, Who art in heaven, hallowed be Thy name. Thy kingdom come, Thy will be done on earth as it is in heaven. * Give us this day our daily bread and forgive us our trespasses as we forgive those who trespass against us. And lead us not into temptation but deliver us from evil. Amen.

Hail Mary

Hail Mary, full of grace, the Lord is with thee; blessed art thou among women, and blessed is the Fruit of thy womb, Jesus. * Holy Mary, Mother of God, pray for us sinners, now and at the hour of our death. Amen.

Glory Be

Glory be to the Father, and to the Son, and to the Holy Spirit. * As it was in the beginning, is now, and ever shall be, world without end. Amen.

O My Jesus

O My Jesus, forgive us our sins, save us from the fires of hell and lead all souls to heaven, especially those who are in most need of Thy mercy.

Hail Holy Queen

Hail, holy Queen, Mother of mercy, our life, our sweetness and our hope. To thee do we cry, poor banished children of Eve. To thee do we send up our sighs, mourning and weeping in this valley of tears. Turn then, most gracious advocate, thine eyes of mercy toward us. And after this, our exile, show unto us the blessed Fruit of thy womb, Jesus, O clement, O loving, O sweet Virgin Mary.

V. Pray for us, O holy Mother of God.

R. That we may be made worthy of the promises of Christ.

Let us pray. O God, whose only begotten Son, by His life, death, and resurrection has purchased for us the rewards of eternal life; grant, we beseech Thee, that meditating upon these mysteries of the most Holy Rosary of the Blessed Virgin Mary, we may imitate what they contain and obtain what they promise, through the same Christ Our Lord. Amen.

*Note: When the rosary is said aloud by two or more persons, one person is the leader. He says the first part of the prayer (up to the asterisk *). Everyone else answers by saying the remainder of the prayer. The O My Jesus and the Hail, Holy Queen are said by all together.

Excerpt from July 28, 1995 Rosary

Jesus Carries His Cross up Calvary

1. **Jesus:** I ask you to carry the cross that you are given this day and to carry this cross with joy in your heart.
4. **Messenger:** It is in Mary that we will reach this deep intimacy with the Heart of Jesus. It is in going to Mary's Heart, in being rocked in her arms and held close to her breast, that she gives to us the milk of salvation. She gives to us life from her Son Jesus.
5. It is in knowing the tender love of our beloved Mother that we will join more deeply to the love of Father, Son and Holy Spirit. It is through Mary's Heart that we are carried to this love of God.
6. **Jesus:** Release yourself and let go for I am truly present in this room with you at this very moment. Put off all distractions. Focus more and more on My presence with you. All through your day, all through your encounters with others, I want you to be aware of My presence with you, not just when you pray, but all through the day—when you are talking to others, when you are walking, whatever you are doing.
10. ...As you look into My eyes, tender, loving eyes, My dear ones, I want you to hear three words from My lips as I look back at you with My tender loving eyes. I love you!

Excerpt from October 13, 1996 Rosary
(From the Apostles' Manual)

The Coronation of Our Lady

1. **Mary speaks:** I am Our Lady of the Holy Rosary... It is through the rosary that you will have peace in your hearts. My little children, you must learn to discipline your thoughts. You must come to Our Hearts and meditate on Our lives. Our lives will live in your life as you meditate on the mysteries of the rosary.
6. **Messenger:** This is the good news: if we do what Mary tells us at Fatima, we will have peace. There will be the reign of the Sacred Heart and the triumph of her Immaculate Heart in which souls will fervently love Jesus with the greatest love. Her plan is so simple but Satan has blocked this plan. Satan has blocked these rosary messages and meditations. We must pray that we can circulate the messages of Jesus and Mary to the world that is hungry and in need of help.
7. One day soon we will be with God in heaven, forever and ever.
8. Wrapped in the embrace of the Almighty God for all eternity. Heaven is a place of love for the Almighty God is love. We will be satisfied. We will know love. We will be at peace.
But, hell is a place where there is no love, there is no community, there is isolation, there is longing for God for all eternity.
He is alive, He is alive and He is with us this day...
10. **Jesus speaks:** ...How tenderly I love you, My beloved ones. I am Jesus... Will you be My apostles of love? I am calling you to love God and to love one another, to be one in your hearts, to put aside all hatred and bitterness within your heart, to not give into the tauntings of Satan to divide you, to always operate in love, to focus on God. Let your hearts be filled with love.

Excerpt from March 17, 1995 Rosary

The Agony in the Garden

- 2. Jesus speaks:** I am an endless furnace of love. My Heart is beating for each one of you here. See My Heart as it beats. Think of this beating. Think of the beating Heart!
- 3.** I pour out to you My endless love constantly. I never leave you. I am forever with you, second by second, minute by minute. Be alone with Me. Empty your mind of any distractions, of any concerns. Be totally wrapped in the love that I am giving to you. Open your hearts wide and let Me unite ever so closely within your heart. I am Jesus, your most ardent Lover, on fire for love of you, My beloved ones. As I knelt in the Garden, I pondered the ways of your heart. My Heart ached for all the souls that would treat Me with such indifference and neglect. Comfort My aching Heart with your love for Me.
- 5.** I call out to you to take My plea seriously. My plea involves the salvation of souls. Open your hearts and let Me unite closely to you so that I can live in you. Through you I will touch My beloved ones that I love so dearly. How I love you this day, My precious ones. Be alone with Me, totally wrapped in My embrace. I am Jesus, your Savior, and I love you with the deepest, tenderest love. I pour My love out to you. Harken to Me. Let go!
- 9.** Open wide the portals of your heart. Let Me penetrate every cell of your being. I want such oneness with you. You do not comprehend My immense love. You must surrender!
- 10.** Consecrate yourself totally to My Heart and that of My Mother.

Excerpt from March 17, 1995 Rosary

Jesus Is Scourged at the Pillar

3. Messenger: He stood in such total submission to these men who treated Him so harshly. He did not answer back, always in compliance with the Father's will. It is in compliance with His will that our peace and joy lie. He has a plan for each one of us, His specially loved children.

6. Jesus speaks: I pour My life out to you. My grace is My life. It is divine life that I give. Nothing on this earth compares to this divine life!

7. Pray to be sensitive to My touch. Every time that I give you My grace I am touching you in a special way so that you may respond to all the graces that I am pouring out to you this day.

8. I give to you My Heart as a sign of My immense love for you. See My Heart beating! See it, each pulse of My Heart! This is how I love you. Second by second, minute by minute, I am always there.

9. I want to be one in you, to operate from you! You must surrender!

Excerpt from March 17, 1995 Rosary

Jesus is Crowned with Thorns

1. **Messenger:** They pounded into His head a crown of sharp, piercing thorns.
4. This is Jesus Christ. He is truly God! God took the form of a human being because He loved us so much. He took on our human nature. A divine Person took on our human form!
5. Who are we that God loves us this much?
7. **Jesus speaks:** I want to tell each one of you this day of My immense love that I have for you. You do not realize how I am truly speaking here to you. You close your hearts. You cut yourself off from the grace I am giving to you. I truly love with the deepest love. Open up your hearts and surrender. My ways are so simple. My ways are truth! You must release yourselves and come to Me for all your needs. Realize that, minute by minute, second by second, I am dealing with you directly.
8. The very hairs of your head are numbered. I am with you at this second and I am providing for every one of your cares and needs but your minds are busy and you think of all that you must do. When will you release yourself and let Me operate with you in every deed that you do? When will you become one with Me so that I can operate through you to do the work that is at hand? You are humans. When I become one with you, the might of God is within you. I can do in one second what a human cannot do in a million years. You must trust. You must surrender. You must let go. Let go now and be totally wrapped in My love, My intense love that I pour out to you, My beloved ones. Let go! Let go! Let go, for I am truly here and working in your heart.

Excerpt from March 17, 1995 Rosary

The Carrying of the Cross

1. **Jesus speaks:** They gave Me a heavy cross that they placed on My shoulder and I carried My cross. I could hardly move but My thoughts were always of you and the immense love that I have for you.
5. ...Powered by the fire of My love, you can conquer the earth with your hearts filled with the immense love that I pour out to this world through you. You will be the light that will shine in the darkest night. You will be a city set on a hill that will shine to the rest of this world. Come to My Heart and take refuge in My Heart for I am truly God and I call out to you, My beloved ones, with such tender love this day.
6. As I walked on and on with the heavy cross on My back, a cross which became heavier as I walked, your crosses seem to get heavier each day. Time is so short! The work you do here will help to lead souls to eternal happiness in heaven. Please listen to Me! Have courage! Pray to the Spirit for the fearlessness to do the job that is at hand..."
7. In battle there is bloodshed. On My way to Calvary I shed much blood for love of My beloved souls. I ask you to surrender and to do this work for Me this day for I truly gave My life for love of each precious soul. Will you not spread this love to a world that is in pain and hurting?
8. Surrender! Surrender! Surrender! It is not by your own might that you will light up the world. It is only through My power radiating through you. It is only in your oneness with Me. The most important thing you can do is to spend time with Me each day, to become one in Me. Keep your focus on Me and all will fall into line for I am truly here and longing to operate from your hearts. I am the Almighty God. My power is endless, My love a source of such love that no human can even comprehend. I am God! I am speaking to you!

Excerpt from March 17, 1995 Rosary

The Crucifixion

3. **Jesus speaks:** My Mother stood under My cross. My beloved Mother! How she loves each one of you. Go to the Heart of Mary and reside in her arms. Rest in her Heart. This is Her House. She is with each one of you on your journey. We love you with the tenderest love.
4. As she stood by Me all through My life, she stands by your side. Think of that! Where you are sitting now, Mary is right by you. Do you feel her presence? Put yourself on the other side. Be alone with Us now. Let go of this world. Be touched by the grace of God, special grace that I am giving to you alone. The angels and saints are so present here at this Center. They are in the halls. You do not realize because you do not see. You must be alone with Me and let go of your world to be united ever closer and to see these things that I want to show you.
5. See Me hanging on the cross. Do you see that? Do you need to see with your eyes? Do you know what you feel when you receive the Eucharist? You must reach more and more beyond your vision. Reach into your heart. I communicate in your heart. Such oneness I have with you in your heart! See beyond your eyes, beyond your ears, and go inside into your heart. Minute by minute, second by second, I am there! Mary is with you. My Father and the Holy Spirit are inside of you. You just do not see. Pray more for grace to partake in the life I want to give you.
8. Let Me pour My life out to you. Feel its vibrancy within you. I am truly with you this day and longing for closer union with you. Let go! Let go! Let go!
9. It is in this time that you spend alone with Me that I can work in

Rosary Meditations for Elderly, Ill, and Homebound

your heart. Do not look for visions. Do not look to hear things. Go inside of your heart and be alone with Me. Spend this time with Me each day and, through the day, spend short periods, minutes when you just close your eyes and focus on My presence with you, for I am truly present. I will work in your heart when you come to Me in these special moments.

Excerpt from April 16, 1995 Rosary

The Resurrection

- 1. Jesus speaks:** It is in your suffering that you will have im-mense union with Me.
- 3.** You have come to Me and I am here waiting for you to share this time alone with you. Put your minds at rest and unite ever so closely to My Most Sacred Heart.
- 6.** My power is endless for I am truly here and present in this room with you. Feel the vibrancy of My presence with you. I am Jesus Christ, the Son of the Living God, the resurrected Lord. I live and am present with you this very day.
- 9.** I am totally with you in this room. You do not realize the immense gifts that I give to you.
- 10.** In Body, Blood, Soul and Divinity, I am present! The risen Lord is with you, My beloved souls, this very day!

Excerpt from April 16, 1995 Rosary

The Ascension

2. Messenger: See Jesus as He raises His arms and ascends into heaven and a cloud takes Him from our sight. We live on faith. We see the consecrated Host but we do not comprehend the great gift we have that He truly remains with us this day in the consecrated Host. God gives Himself to us! We become one in Him when we receive Him in the Eucharist. He gives us His Body.

4. Jesus speaks: I am Jesus Christ, the Son of God, come to this earth in such great love to save souls, to lead souls to heaven to be with Me forever and ever. How many souls will be lost because of their willfulness and their ways? Pray, My children, for the souls that are in darkness. They hold on to their foolish ways. They turn their backs and go their own way.

5. Messenger: He went to heaven to prepare a place for us. Heaven is our true home!

6. He ascended into heaven and the gates of heaven were opened!

9. See the souls as they ascend into Heaven behind Jesus. See the souls as they are released from purgatory because of our prayers. See the great mercy of God that He loves souls. God the Father loves us so much that He sent His Son into this world so that we might be in heaven some day.

Excerpt from April 16, 1995 Rosary

The Descent of the Holy Spirit

1. **Messenger:** Jesus promised before He left the earth that He would send the Holy Spirit to baptize the apostles. Please, dear Holy Spirit, descend upon us so that we have the courage to do all that You are asking us to do. We are fearful and weak and we need Your grace. We need You to live in us, to operate in us, to help us be more and more like Jesus.
3. Mary was joined in the Upper Room with the apostles and a gigantic wind came and there appeared over their heads parted tongues of fire.
7. Mary, our Mother, help us to unite ever closer to the Holy Spirit that He can work and be active in our being, that we might feel this saturation and penetration of the presence of the Almighty God within our souls.
8. Holy Spirit, impart to us Your life so that we may be enlightened to do all that God is asking us to do. Fill us with such a brilliant light that we know the light of the Almighty God.
10. May we be transformed more and more into the image of Jesus in the Heart of the Virgin Mary and led to the bosom of our Father.

Excerpt from April 16, 1995 Rosary

The Assumption of Mary into Heaven

1. **Jesus speaks:** Model yourselves after Mary, My Mother. She was taken body and soul into heaven. You, too, some day will be taken into My kingdom.
2. You must come to Our Hearts. Pray from the heart, My beloved ones. As Mary was so united to My Heart, pray to Mary to unite yourselves closer and closer to My Heart.
4. Our Hearts are a great symbol of Our love for you.
6. How I want to unite with each one of you in deepest love, to unite more deeply with you. The love that I have is immeasurable and the longings of your hearts are the longings to unite ever closer to My Heart. You will be satisfied in heaven, My beloved ones, for your hearts will be filled with My love.
9. **Messenger:** Mary mothers us as she mothered Jesus. Mary is the Mother of the Church. We pray to Mary to lead us to an ever deeper union with God.

Excerpt from April 16, 1995 Rosary

Mary is Crowned Queen of Heaven and Earth

2. **Messenger:** How the Heart of Mary knows the Heart of Jesus. How she stands by our side and mothers with the most maternal love. How do we turn to Mary? Do we realize that she is here at every second waiting to take us to the Heart of her Son? She reigns in heaven with her Son Jesus. He loves His Mother so much. Ought we not put our faith and trust and love in His Mother so that she might lead us closer to His Sacred Heart?
3. We are the children of God. God is our Father. Let us realize how we must live in connection with the Father, that our every action is to please Him and to do His Will, that Mary is our Mother and by our side with love to lead us to greatest union with God.
5. Mary is there to lead us to the Heart of her Son.
6. The Heart of Jesus is waiting to be united with us in such deep love. Help us, Jesus, as little children being held by our loving mother, to realize the immense love that the Father, the Son and the Holy Spirit outpour to us. Help us to realize how Mary is our Mother who guards us and protects us under her mantle, how she watches over us and leads us ever closer to the Heart of her Son.
9. **Jesus speaks:** Consecrate your lives to the Sacred Heart of Jesus and the Immaculate Heart of Mary and pray fervently for your priests, for I live this day in the Church. Pray for the priests and the Church. I love you, My beloved ones, and I love My Church.

Excerpt from February 1, 1995 Rosary

The Annunciation

1. **Messenger:** The Angel Gabriel appeared to Mary and asked her to be the mother of Jesus.
2. Mary always complied with the Will of the Father. She said, "...let it happen to me as you have said." (Lk 1:38)
4. There was always great intimacy between Jesus and His mother. From the first moment of conception she felt the life of Jesus, Son of God, grow within her womb.
5. The child Jesus is with us this day. He is in our brothers. He is in our children. If the Child Jesus were here and we were to hold Him, to talk to and be with Him, we would treat Him with such joy and such kindness! Jesus is in our brothers. Jesus is in our children. Jesus is here this day. Do we treat our brothers, our children, one another, with the same kindness that we would the child Jesus?
9. It was in the womb of the Blessed Virgin Mary that the Most Sacred Heart of Jesus was formed. Jesus took on our human nature out of great love for us.

Excerpt from February 1, 1995 Rosary

The Visitation

1. **Messenger:** The angel had told Mary that her cousin Elizabeth had conceived a child. Mary made haste to the hill country to visit her.
2. Upon Mary's arrival at Elizabeth's house, Elizabeth was filled with the Holy Spirit and cried out with a loud voice, "Of all women you are the most blessed, and blessed is the fruit of your womb." (Lk 1:42)
5. We receive so much love from God! The Father loved us so much that He sent His only begotten Son into this world so that we might be saved. Jesus waits this very day for us to come and be with Him. It is out of great love that the Master waits for us.
6. When Mary and Jesus arrived at Elizabeth's house, the child in Elizabeth's womb leapt for joy. John, who was to announce the good news that Jesus had come to this earth, even before his birth leapt with joy in the womb of his mother at the presence of Jesus in Mary's womb.
8. Mary was filled with the Holy Spirit and cried out, with a loud voice, her Magnificat: "My soul proclaims the greatness of the Lord and my spirit rejoices in God my Saviour!" (Lk 1:46,47)

Excerpt from February 1, 1995 Rosary

The Birth of Jesus

1. **Messenger:** The Father bridges the gap between divinity and humanity in the person of Jesus Christ.
3. Do we realize the immense love that the Father has for us that He sent His only begotten Son into this world as a human in the person of Jesus Christ?
5. Who are we that God loves us so much that He would take on a human nature!
8. We see the consecrated Host. But within the consecrated Host is truly God, in His divinity and His humanity.
9. We look for those things that are visible. But are not the true treasures found in those things that are invisible? The reality is that this is God's world! We see the things in front of our face and we do not realize how the world of Jesus and Mary truly is. We do not realize how they are with us this very day. Jesus Christ, the Son of God, remains with us this day in His divinity and humanity in the Eucharist. We are surrounded by His presence in one another. He dwells and lives in each one of us when we are in the state of grace. In every blade of grass, the life that is there comes from God. Yet we are so blind! We see so little! Holy Spirit, open up our eyes. Where we are blind, let us see. Let us see more and more the invisible world. Let us know more and more the presence of God as it is all around us. Help us to see Jesus in each other. Help us to be more aware of Jesus Christ, who is truly present with us in the tabernacle.

Excerpt from February 1, 1995 Rosary

The Presentation of Jesus in the Temple

1. **Messenger:** The Holy Spirit told Simeon that he would not die until He saw the child of God. The Holy Spirit led Him into the Temple. Jesus, Mary and Joseph came to the Temple and the old man was overjoyed at the sight of the child Jesus. He held Him with such joy in his arms and said that now he was ready to die for he had seen God.
2. Holy Spirit, enkindle in us the fire of Your love so we may see more clearly Jesus Christ, Who is with us this very day. So that we may see that He is God and, out of great love for each one of us, remains with us, waits for us, longs for us, and wants us to open our hearts wide so that He may enter in. Remove the blinders from our eyes, dear Holy Spirit, and lead us ever closer to intimacy with Jesus Christ, our beloved Savior.
4. Simeon told Joseph and Mary of the great sufferings that Mary and Jesus would have to undergo and he said to Mary, "...and a sword will pierce your soul too." (Lk 2:35)
9. Mary, just as you presented the Child Jesus in your arms in the temple, tuck us into the Heart of Jesus and present us to our loving Father so that we may be ever closer and closer to the Heart of Jesus and the Father. And lead us closer to your beloved Spouse, the Holy Spirit.
10. Holy Spirit, the more we unite with Mary, our mother, transform us more and more into the image of Jesus and lead us ever closer to the Father.

The Finding of Jesus in the Temple

1. **Messenger:** When Jesus was twelve years old, He was taken up to the Temple for the feast of Passover.
2. When it was over, Mary and Joseph left Jerusalem but the Child Jesus remained there.
3. They had gone a day's journey before they realized that the Child Jesus had been left behind.
4. With great sorrow in their hearts they returned and searched for the Child Jesus.
9. Dear Mary, if we ever lose our way from the Most Sacred Heart of your Son, lead us back quickly.

Song: O burning Heart, O Love divine.
How sweet You are to me. I see the Host, I
know You are here to love and care for
me.

The Agony in the Garden

1. **Messenger:** Be there with Jesus in the Garden in the darkened night as He kneels. Before Him He sees all the sufferings He is about to undergo.
3. We tap ever so lightly at the door of His Heart. He is an endless, burning furnace of fire, on love for each one of us. He says, "You do not know even the smallest amount of the immensity of the love that I have for you. You must come into My Heart. It is in My Heart that I lavishly give you My great love."
7. He suffered in the Garden for all of our sins, for our haughtiness and our pride, for our lack of compassion and mercy for our brothers. Yet He gives to us unconditional love and asks us to love one another. In the Our Father we say, "Forgive us our trespasses as we forgive those..." He suffered for all the times that we say no to forgiving our brothers. We forgive some but not all and think it is okay. Jesus loves each and every soul.
8. **Jesus speaks:** Come to My open Heart through My pierced side. Look at the wound in My side. Suffering helps you reach My immense love. Enter My Heart through My pierced side and fall deeply into the abyss of My great love.
9. Do not let your hearts turn cold! You must come to Me with hearts that are soft and ready to love. Put aside all the hardness in your hearts, for a soul that is haughty and angry cannot unite with My love. I long to be in the deepest union with each one of you present. So deep! You cannot fathom the great love that I have for you. You must clean your hearts of all the debris. Sweep away the unforgiveness and come into My Heart through My pierced side.

**Jesus is Scourged
at the Pillar**

1. **Messenger:** Think of Jesus! Visualize Him, totally present, His body here! See Him as they lead Him away. They poke at Him! They pull His hair! See this so clearly in your mind. A person named Jesus being led away!
4. **Jesus speaks:** It is in your heart that you will know Me, My dear children. You must visualize more and more the lives of Myself and My Mother. As you go through these mysteries of the rosary, put yourself there. See as if you were present. Experience what I went through. It is in knowing Our lives that you will know the great love that We have for you.
6. **Messenger:** This is my beaten friend, Jesus! He shed His blood for love of me so that I may be with Him forever in heaven.
9. And what do You ask of me, Jesus?
To love God and love my brother! To become more closely united to You as You outpour divine love and divine life!
10. **Jesus speaks:**...I call out to you today to rid yourselves of all impurities in your heart. Then you will receive a reward that far surpasses anything you can gain on this earth. You will receive closer union with My Most Sacred Heart. I love you! I love you! I love you! Moment by moment, second by second, I am there to provide you with everything you need. You must surrender and trust in Me!

Jesus Is Crowned with a Crown of Thorns

2. **Messenger:** Jesus, You bled for love of each one of us. Help us to realize during this Lenten season the immensity of Your love as we meditate on Your wounds, the wounds to Your most precious Head, the wounds that You suffered to Your hands and feet. How would it be to rub our hands across Jesus' head, to touch the puncture wounds from the thorns! He truly suffered this for love of us!
4. Let me kiss Your wounds, dear Jesus, the wounds that You suffered for love of me! Let me enter into the wound in Your side. The more deeply I enter into this wound, the more I enter the abyss of the endless love of Your Most Sacred Heart.
7. We look for love in so many places when, minute by minute, second by second, Jesus is inside of our hearts telling us how He is truly there and loving us.
8. If you put your fingers into the nail marks in His hands and into His side, would you believe that, minute by minute, second by second, He loves you so much, and that He is God and will provide you with all your needs?
10. Minute by minute, second by second, hear the soft, gentle voice within your heart say, "I love you, I love you, I love you." It is in realizing this immense love that there is love to give to others.

The Pieta

Jesus Carries His Cross to Calvary

1. **Messenger:** He came to serve. He came into the world in such poverty in a stable in the town of Bethlehem. He left this world hanging on a cross. Both were bare wood! He came to show us the way! Meditate on this mystery as He carries His cross. The Son of God! He took on human form for love of us. He came to show us how to love.
3. Jesus came and He loved and He preached the Gospel. His way was love. He always acted in love and they condemned Him to death. When we preach the Gospel, when we act from love, why do we expect people to treat us differently when they treated Jesus this way? But He came and carried His cross to show us His way and His way is the way of love. He promises to us an everlasting reward far beyond our comprehension.
4. These are rosaries from the Hearts of Jesus and Mary. See Their eyes as They gaze at one another on the way to Calvary. She asks us to see through her eyes the suffering that her Son endured for love of us. The more we realize the love He has, the more we will go into the world and take this love to others. We are soldiers of the Most Sacred Heart of Jesus.
5. He wants to become one with us so that it is no longer we who operate, but it is He Who operates in us, so that our every action is an action that we perform with Jesus, and the might is the might of the Almighty God within us! In order to unite this way with Him, we must be ever pure. Love unites only with love! If our hearts are filled with hatred and anger for any person, we cannot be one with Him. He longs for this love. He longs to be one in us! He wants to penetrate our souls with the fire of His love. Pray

Rosary Meditations for Elderly, Ill, and Homebound

to the Spirit so that the Spirit moves inside of you.

10. Jesus speaks: This is the love that I have for each and every soul. The bodily agonies I experienced were nothing compared to the agonies I experienced in My Heart for the souls that would be condemned to eternal damnation despite My sufferings. I beg you this day to answer My call.

**Jesus is Crucified
and Dies on the Cross**

2. **Jesus speaks:**...You do not know how I am longing for you to be so close. How I want you to surrender and let Me operate in your hearts! You tap ever so lightly when there is an ocean of My love that I want to give to you. Surrender your hearts and read My letters of love for it is in these letters that you will know My love more and more.
6. As Mary walked by My side on the way to Calvary, as she stood under the cross, she is by your side in all your sufferings. You are never alone.
7. I give you My very own Mother!
8. **Messenger:** As she held His little baby body, she now holds His lifeless body in her arms under the cross.
10. This rosary is from the Hearts of Jesus and Mary, so united, one with each other. To love Jesus is to love Mary. To love Mary is to love Jesus.

The Resurrection

1. **Messenger:** Jesus has told us how He is the vine and we are the branches. We must stay rooted in Him so that His life flows through us. We cannot become disconnected from the vine. We are one, joined with Him.
3. **Jesus speaks:** ...Open wide your heart during this rosary that I may speak to you and tell you of My burning love for you. I am giving to you an abundant sharing in My life...
4. **Messenger:** Oh, My beloved Jesus, I see You glistening and covered in white. I know that You rose on the third day and that there is such glory in the resurrection. My life is a constant death and resurrection as I live in You.
- 5The Almighty God, our beloved and loving Jesus - He is alive, He is with us this day. He lives in us in a special way. When we are baptized and in the state of grace, God is alive within us and He shares with us His divine life. We are Christ to one another for He is alive in us....
6. ...It is at Fatima that Mary said that we must stop offending God. She has given to us the peace plan that we will have peace on this earth - it is in consecrating our hearts. She said until a sufficient number have consecrated their hearts to the Hearts of Jesus and Mary we will not have peace in the world. She said we must pray the rosary, that we must observe the First Saturday devotion, that we must make reparation to Their Hearts....

Our Lord Ascends into Heaven

1. **Messenger:** He took His apostles out to the place of His Ascension and He raised His arms and He ascended into heaven....

6. ...How do we treat Jesus? Do we treat Him as if He is alive? Do we love Him with all our heart, our whole soul and our whole being? Do you hear the laments of our beloved Savior, the Almighty God, Who gave Himself and died on the cross? He is alive. He wants this burning love affair with us. Many of the Masses, many of our prayers, are said with lack of emotion in our hearts. He wants us to love Him with the deepest burning love, not to go through the motions. Every prayer is a love affair with our beloved Savior. The Rosary we sing-(the Rosary song), and He wants us to say from our heart, the bottom of our heart, "Jesus, we love You. Mary, we love you. Oh, the Rosary, the Rosary, is the love of Their Two Hearts. Oh the Rosary, the Rosary, is the love of Their Two Hearts."...

7. **Jesus speaks:** I am alive, I am alive, I am alive, and I live in your heart. Open your heart and let Me come inside of you. I want to touch My beloved souls this day. Will you say "yes" to this calling?

8. I am alive, I am alive, I am alive, and I live in your hearts.

Messenger: Jesus no longer walks this earth, but He is alive and He lives in us.

9. **Jesus speaks:** I am alive, I am alive, I am alive, and I am the Almighty God, all powerful. You see with such limited vision. You must surrender and let go and let Me run your life. You are holding on, My beloved ones. You must realize that I am all powerful, all mighty, and that I am guarding you and I am with you in a

special way this day.

10. Carry My light into the darkness.

Messenger: And the light came across the dark sky and many were touched with the fire of His love....

**The Descent of the Holy Spirit
Upon the Apostles**

1. **Messenger:** "When Pentecost day came round, they had all met together, when suddenly there came from heaven a sound as of a violent wind which filled the entire house in which they were sitting; and there appeared to them tongues as of fire; these separated and came to rest on the head of each of them. They were all filled with the Holy Spirit and began to speak different languages as the Spirit gave them power to express themselves." (Acts 2: 1-4)
2. ...The deepest union with Him is to give ourselves to Mary, for we are sinners. She is the pure and sinless one. We give ourselves to Mary and we go to Him in her pure and sinless heart, to the very depth of His Heart...
3. ...It is as Mary said: we must consecrate our hearts to the Hearts of Jesus and Mary. This is the key-Mary's heart is the gateway to going to the deepest chamber of the Heart of Christ.
4. We see how Peter denied Christ. We see how the apostles were afraid. We see Thomas did not believe. We see them stumble and fall and run away, and then we see them, after the Holy Spirit descended upon them. They went out into the world and thousands were converted. They were filled with the fire of God's love. Let us, God, be filled with the fire of Your love...
7. ...If we want peace we should do what Mary has told us for she is the Queen of Peace and the peace of the world has been entrusted to her...

**The Assumption of Our Lady
into Heaven**

1. **Messenger:** We see Mary taken body and soul into heaven. We live here, we struggle everyday with so many struggles. We are so focused on the daily events. We do not realize that soon we too will go to heaven, if we love and serve the world, if we love and serve God...
2. ...Mary is our heavenly Mother. She was taken into heaven but she is very much with us. She has told us what we must do. We must pray the rosary. She is our heavenly Mother...
5. Jesus gave me a message that we are His hands and we are His Heart beating in this world. We must truly be real lovers, lovers living in this world loving one another, one with each other. It is in going to the pure Heart of Mary, that we will unite in this deep love affair with Jesus.
6. **Jesus speaks:** You are My hands. You are My Heart beating in this world. My beloved apostles, will you say "yes"? Will you go into the world? Will you carry My light in the darkness? Will you tell the children who are suffering how I love them? Will you go to the nursing homes and tell the elderly how I am longing to be with them, to talk to them, to hear the words from their lips that they love Me? You are My apostles of love.
7. **Messenger:** We are so focused on the things of this earth and our heavenly Mother has appeared so many times and told us what we must do-she made it so clear at Fatima. Do we think our Blessed Mother will change, that she will change her peace plan? ...We must do what Jesus and Mary are asking us to do.

The Coronation of Our Lady

1. **Mary speaks:** I am Our Lady of the Holy Rosary... It is through the rosary that you will have peace in your hearts. My little children, you must learn to discipline your thoughts. You must come to Our Hearts and meditate on Our lives. Our lives will live in your life as you meditate on the mysteries of the rosary.
6. **Messenger:** This is the good news: if we do what Mary tells us at Fatima, we will have peace. There will be the reign of the Sacred Heart and the triumph of her Immaculate Heart in which souls will fervently love Jesus with the greatest love. Her plan is so simple but Satan has blocked this plan. Satan has blocked these rosary messages and meditations. We must pray that we can circulate the messages of Jesus and Mary to the world that is hungry and in need of help.
7. One day soon we will be with God in heaven, forever and ever.
8. Wrapped in the embrace of the Almighty God for all eternity. Heaven is a place of love for the Almighty God is love. We will be satisfied. We will know love. We will be at peace.
But, hell is a place where there is no love, there is no community, there is isolation, there is longing for God for all eternity.
He is alive, He is alive and He is with us this day...
10. **Jesus speaks:** ...How tenderly I love you, My beloved ones. I am Jesus... Will you be My apostles of love? I am calling you to love God and to love one another, to be one in your hearts, to put aside all hatred and bitterness within your heart, to not give into the tauntings of Satan to divide you, to always operate in love, to focus on God. Let your hearts be filled with love.

The Annunciation

2. Messenger: We see the angel appearing to the Virgin Mary. Mary says yes to the angel, always complying with the Will of the Father. She loved the Father so much as a little child, always wanting to please the Father.

3. Mary is filled with the Holy Spirit, and the Word became flesh and dwelt among us. Jesus, the Son of God, enters this earth in the womb of the Virgin Mary. Who are we that God the Father so loved this world that He sent His only-begotten Son, Jesus, into this world? Jesus took on a human baby body.

4. We are His chosen ones. The Father created us with such love, each one of us individually, so precious to Him. He gave to us His Son that we would be saved and live with Him forever and ever in heaven.

7. Jesus speaks: Let your hearts be soft and supple, My dear ones.

Open wide your hearts and rid yourselves of all distractions of this world. Be alone with Me. I am Jesus Christ, the Son of God, and I am giving to you great gifts here, abundant graces to understand more the mysteries of My life and that of My Mother. Open wide your heart and forget all that is holding you apart from Me and meditate on these mysteries of Our lives.

10. Messenger: As you meditate on these mysteries of the rosary, see the connectedness between the Hearts of Jesus and Mary. Mary's Heart that dwells in her Son. Let your heart dwell in the Heart of the Virgin Mary and your heart will dwell in Jesus' Heart. You will be in such connection with this love, the love of your Mother and the love of Jesus, your Savior.

The Visitation

4. **Messenger:** It is in Baptism that we are made children of God and heirs of heaven. We are children of God! God loved the world so much that He sent His only Son, so that we would be with Him forever in heaven. This is only a stopover on our way to eternity. The glory that awaits us is so immense that we can never comprehend it.
5. Mary visited her cousin Elizabeth with the Child Jesus within her womb. We are visited by Jesus in this room in such a special way! For the Almighty God is outpouring His abundant grace to each one of us at this time. Mary, help us to be more sensitive to the touch of His Grace, to realize His life, the vibrancy of this life, within us.
6. **Jesus speaks:** ...You do not see the great gifts that I am outpouring to you. Open wide your heart. Let go of any bitterness, anger and resentment, and live according to the Father's Will. Operate in love. Do all your deeds in love, and know that your Father is guarding you. Your Mother is forever by your side protecting you. Father, Son, and Holy Spirit dwell within your heart in such intimacy. My dear ones, children of God, open your hearts and receive the graces that I am giving to you now.
9. Let not your hearts be troubled. Satan is pressing down and dividing many of My beloved ones. You must focus on My Heart and know that Satan is at work here. When you are harboring ill thoughts toward any person, Satan is attempting to divide you. Let your hearts be free and your minds be open. Pray for grace to deal with all of the sufferings that you are undergoing. It is in My grace that you will be strengthened. Pray every day for abundant grace to know and love God more...

Rosary Meditations for Elderly, Ill, and Homebound

10. Come to Me, My beloved ones. I want to hold you close to My Heart. I want to caress and cuddle you and give you My love. I am Jesus, your Savior. I love you. I love you. I love you.

The Birth of the Lord Jesus

2. **Messenger:** Jesus gave to us His Mother who stood beneath the cross. He gives to us a share in His divine life, merited by His life and, in a special way, by His death on the cross. It is through Mary that we receive this life. She is the Mediatrix of all grace. She gave Jesus the life of His physical body. Grace flows through her to us. It is through Mary that we will be drawn closer and closer to the Heart of Jesus.
3. The sheep and the shepherds are around the child Jesus. Jesus Christ, born in a stable, in a manger, in the town of Bethlehem. The Chief Shepherd of the Flock, a little Baby, comes to this earth. He is not born high and mighty, with gold and silver. Rather, He is wrapped in swaddling clothes and laid in a manger, surrounded by sheep and beasts of the earth.
5. ...Jesus gives us His life in the Sacrament of Baptism. He nourishes this life by His Body and Blood in the Sacrament of the Holy Eucharist.
9. **Jesus speaks:** I have not come to this earth to divide, but to save men from their sins. I came to this earth to love all of My beloved ones, more and more. My dear one, release all of the anxiety and fear in your heart. Let Me bathe you in a bath of My love. I am Jesus and I am truly present and attentive to all your needs.
10. This love is poured into your heart and you know more and more the presence of the Almighty God. Feel this presence within you. Release and let go of all distractions. I am the Almighty God and I am truly present.

The Presentation of Our Lord in the Temple

1. **Messenger:** The Child Jesus was taken to the Temple and presented to the Father.
2. Mary was told by Simeon of the sufferings to come. He said to Mary, "...and a sword will pierce your soul..." (Lk 2:35)
6. **Jesus speaks:** Satan aims to trip you up and stop you in your path. The Almighty God is speaking to you. What have you to fear? Father, Son and Holy Spirit live within your heart. If the world shakes and the sun ceases to shine, within your heart you can feel the presence of your Father, Son and Holy Spirit so close to you and loving you. Release all your anxieties and let Me bathe you in a bath of My love. I am Jesus, and I am outpouring to you My life.
8. **Messenger:** The Presentation in the Temple is such an important mystery! Mary was told that a sword, too, would pierce her soul...
9. **Jesus speaks:** Come unto Me, My beloved ones. I want to hold you gently in My arms and press you close to My Heart. I am Jesus. I speak to you with tenderness and love. ... Release yourselves and come away with Me for short moments all through the day. Feel the presence of the Almighty God as I live and dwell within your hearts. I love you. I love you. I love you. I give to you now My abundant life. I am strengthening you for the days ahead...

The Finding of the Child Jesus in the Temple

1. **Messenger:** The Child Jesus was taken up to the Temple for the feast of Passover. Mary's Heart ached constantly from the prophecy of Simeon. Feel in your heart as Mary felt. She knew ever since the prophecy of Simeon of the suffering to come. There was such a connection between Jesus and Mary, such intimacy between Them! We see the Two Hearts beating within her body in the first two mysteries of the rosary. She provides life for Jesus through her milk in the third mystery. She comes to the Temple with the Child Jesus in her arms and Simeon tells her of the sufferings to come. Now they take the Child Jesus to the Temple. Jesus is separated from Mary and Joseph. Mary and Joseph go on their way and Jesus is left behind. When Mary realizes that the Child Jesus was left behind, her Heart is in such sorrow! She returns to find the Child Jesus.

3. Mary carried many things in her Heart. Few times we hear her speak. There was a secret between her and her Son all through Their lives.

5. We are being formed more and more in the spiritual womb of Mary, through the Holy Spirit, to be more and more like Jesus.

6. **Mary speaks:** My dear little children, I am Mary, your Mother. I ask you to pray as you have never prayed before from your heart for all the little lost children in this world today. I stood under the cross and I watched my Son as He suffered and died. This day, my dear ones, many of my children will be lost forever, for their hearts are willful and they go about their lives in sin. Jesus loves each and every child. I am the Mother of each child. I love each one of my children, your brothers. Will you pray from

your hearts, my dear children? Pray for all the little lost children of this world. I am Mary, your Mother, and I am asking you this day to hear my words. I speak to you with this urgent request to pray as you have never prayed before.

9. Jesus speaks: ...I am Jesus, your beloved Savior. I speak to you, My dear ones, with a soft and gentle Heart, always a Heart that is filled with such love! Come to Me and I will give to you all that you need.... My dear little ones, this world has turned Godless. You must focus on the Almighty God. Do not let Satan talk in your minds to divide you. Do not harbor in your hearts any resentment or anger toward your brothers. Harboring this resentment and anger hurts your union with Me. Only a heart of love can properly unite with My Heart. I call you to holiness. I call you to open up your hearts and let Me enter. I will give to you My divine life and My divine love. I am Jesus. I talk to you gently and sweetly. Do you hear? It is in the quietness that you will hear My gentle voice. I am attentive to your every need, gently caring for each and every one of the tasks that you perform. I love you! I love you! Surrender, My dear ones, and know that I will never abandon you. I wait by the door of your heart. I wait, I wait, I wait. Will you open your heart and let Me in? Trade any bitterness for My divine love. I am Jesus, your beloved Savior. I gave My life for you. Will you love your hurting brothers for Me?

5. He wants to become one with us so that it is no longer we who operate, but it is He Who operates in us, so that our every action is an action that we perform with Jesus, and the might is the might of the Almighty God within us! In order to unite this way with Him, we must be ever pure. Love unites only with love! If our hearts are filled with hatred and anger for any person, we cannot be one with Him. He longs for this love. He longs to be one in us! He wants to penetrate our souls with the fire of His love. Pray to the Spirit so that the Spirit moves inside of you.
6. ...It is through Mary's pure and sinless Heart that she will take us deeper and deeper into the Heart of Jesus. There is such oneness between these two Hearts, such connection between them!...

Jesus Is Crucified and Dies on the Cross

2. **Jesus speaks...**You do not know how I am longing for you to be so close. How I want you to surrender and let Me operate in your hearts! You tap ever so lightly when there is an ocean of My love that I want to give to you. Surrender your hearts and read My letters of love for it is in these letters that you will know My love more and more.
6. As Mary walked by My side on the way to Calvary, as she stood under the cross, she is by your side in all your sufferings. You are never alone.
7. I give you My very own Mother!
8. As she held His little baby body, she now holds His lifeless body in her arms under the cross.
10. This rosary is from the Hearts of Jesus and Mary, so united, one with each other. To love Jesus is to love Mary. To love Mary is to love Jesus.

The Resurrection

1. **Messenger:** On the third day, Jesus rose from the dead as He had foretold. Death has no power over Him!
2. They had rolled the heavy stone in front of the tomb and His enemies believed that they had won. Jesus was locked in the tomb! These are truly the Glorious Mysteries for He rose triumphant on the third day!
3. Mary Magdalene and some of the others went to the tomb. When they arrived, they saw the stone had been rolled back.
5. Jesus walked with two disciples on the way to Emmaus and recounted for them all the scriptures in the Old Testament from the time of Moses that referred to Him.
10. Who are we that God loves us so much that He sent His only Son into this world and His Son died on the cross for our redemption? Now He rises on the third day to bring us new life. He gives to the apostles the power to baptize and to forgive sins. It is through baptism that we are made children of God and heirs of heaven. We are given new life in baptism!

The Ascension

1. **Messenger:** Jesus took the apostles out to the town of Bethany and gave them His final blessing and left them in His peace. The ways of God are the ways of peace. The more we realize the immense love that the Father, Son and Holy Spirit have for us, that the three Persons are truly inside of us when we are in the state of grace, the more we then realize that no one can take away this indwelling of the Trinity within us. The more we pray and stay connected to Them, the more They lead us to peace. Peace, joy and happiness come from the realization of the presence of God within us!
2. We walk this barren land not alone. We walk with the presence of the Trinity inside of us. We are temples of the Holy Spirit. It is in the realization of this divine gift that we are given that we will have peace within. As we look at Jesus all through the passion, the look of peace is always on His face, even though He suffers, because He knows the Father's love.
4. These are the Glorious Mysteries! Jesus truly rose from the dead! Can we even comprehend that a person who died could rise from the dead? This alone shows the magnificence of God's might!
6. They who walked and talked with Jesus, who were by His side, were filled with fear. As they were filled with fear, we should be gentle with ourselves when we are full of fear inside. We should realize that it was only through the power of the Spirit that they were transformed from fear to fearlessness. Almighty God can take us from the depths of doom and raise us to such immense heights, but it takes our will of surrendering to Him, of focusing on Him, of doing always the Father's will, of living in the Father's will

as children who are being obedient to their Father.

- 8.** He came to give us life. He nourishes this life with the Eucharist. This is Jesus truly present in His divinity and humanity. He feeds our life through His own Flesh and Blood! He feeds our life in Him through the divine love that He has left with us. He feeds this life through the Church, through the sacraments. He gives us the sacrament of penance whereby all our sins can be taken away through the power of the priest. God is so good to us that He truly feeds our life in Him!
- 10.** He, God, lets us partake in His divine life, in His divine love, and He nourishes us with His very own Flesh and Blood!

The Descent of the Holy Spirit

1. **Messenger:** The apostles were full of fear and they locked themselves in the Upper Room. Jesus had told them that they would be baptized by the Holy Spirit.
2. They were locked in the Upper room with the Virgin Mary and there appeared over their heads parted tongues of fire and the Holy Spirit descended upon them. Mary is the Mother of the Church. She is our spiritual Mother. She is the Mother of Christ!
3. Mary is our model. She is the spouse of the Holy Spirit. It is in modeling ourselves after Mary that we become more and more like Jesus. Mary, help us to love you, to be drawn ever closer to you. Dear Spirit, please transform us in the Heart of Mary more into the image of Jesus so that we may be ever closer to our beloved Father.
4. It is through Mary's pure and tender Heart that the Spirit transforms us more and more into the image of Jesus!
10. And He gave to them the Eucharist to feed the life that He had imparted to them, and the Spirit moved within their souls to lead them ever closer to the love of God so that this love could radiate from their being and be seen in the world.

**The Assumption
of Mary into Heaven**

1. **Messenger:** Mary was taken up into heaven, body and soul!
2. But she remains with us this day. She is our spiritual Mother. She is the Mother of the Church. Jesus is alive in the Church today.
5. It is through the pierced Heart of your Son that the sacramental life of the Church was born - through the water, which represents baptism, and the Blood, which represents the Eucharist. We are given life and we are fed. Hold the Church, and all those who minister there, in your Heart. Hold them ever close to you for you are their Mother. Mother the Church! Hold them so close to you! Guide them! Protect them! Lead them through your Spouse, the Holy Spirit, filled with the fire of God's love, into this world in which the Sacred Heart of Jesus will reign and the Immaculate Heart of Mary will be triumphant!
7. Dear Mary, help the priests, your beloved priest-sons, to realize the great mission to which the Father has called them. Help them to lead the flock to the Eucharistic Heart of Jesus Christ.
9. The Church is the Body of Christ. He is the Head and we are the members. We are all one in this Body of Christ. Unite us ever closer with you, Mary, Mother of the Church. Lead all in the Church to the most burning love of the Eucharistic Heart of Jesus Christ, the Son of God!

The Coronation of Mary as Queen of Heaven and Earth

1. **Messenger:** There appeared in the sky a woman, clothed with the sun. The moon was under her feet and there were twelve stars about her head.
2. Mary is Queen of Heaven and Earth! The Sacred Heart of Jesus will reign and the Immaculate Heart of Mary will triumph on this earth!
3. There will be an era of peace. Peace is only found in God and in doing His Will. We must turn our hearts back to God, follow the Ten Commandments, do all that He is asking us to do, say we are sorry for our sins and draw our hearts into union with the Sacred Heart of Jesus.
9. Mary, our Queen, lead us ever closer to Jesus' Heart. Be with us as we walk with Jesus on Calvary. Be with us and lead us to everlasting life so that we may one day be united with the Father, Son and Holy Spirit forever and ever.
10. May the saints and angels guide us on our way to eternal salvation. May we know God more and more. May He outpour His love on us, His beloved ones. We are His and He loves us so much!

The Agony in the Garden

1. **Jesus speaks:** ... Let Me fill you with My love so you feel within you My burning love. Although the earth be shaken and not give its light, you will know that the Almighty God dwells within your heart and that you have nothing to fear, for a graced soul is constantly filled with the presence of the Father, the Son and the Holy Spirit. I am Jesus, your beloved Savior...
2. In the garden I knelt with such agony in My Heart, for in My divine knowing I saw before Me all of the events about to happen... As I suffered in the garden for the souls that beat Me and treated Me with indifference, I was comforted by the acts of love that you are giving to Me this day.
4. Love is giving, My dear ones, giving of yourself for the sake of others. Many this day do not know the meaning of love. To love means to give of yourself, to give for the other. Many times it is hard to love and keep giving love for, as you are self-giving, the other continues to be selfish, but I am calling you to love. As you meditate on this passion, focus on My love, given for all, how I was persecuted and suffered and still loved. My way is love. Focus on the meaning of the word love and what it means to you.
8. I give to you great graces to help you to love in this world that is hurting and in pain... You must go to My Heart and take refuge there and focus on My love for you...
10. ...Let go of any kind of selfishness that you feel within yourself and vow to love and to give. Let go, release. If you let go you will feel tremendous freedom and My grace will pour into your heart and you will be filled with My burning love.

Excerpt from July 28, 1995 Rosary

Jesus is Crowned With Thorns

1. Jesus speaks: The words that wound! Words from your beloved brother! Do you see My Body, covered with wounds, wounds all over My Body? When your brother treats you with ugliness, My dear ones, focus on the wounds covering My Body and pray for the grace to act as I would want you to act.

2. My dear ones, let your hearts be in joy as you realize My presence continually within you. During all of your sufferings, I am with you.

3. Messenger: They pounded into His head a sharp crown of piercing thorns. Look at the head of Jesus, punctured by the thorns, the deep holes around His forehead. Focus on these wounds and then think of the little wounds that we receive, the words spoken, the problems that we let press on our minds. Look at Jesus and think of the crown of thorns pressing on His head. He allows us to suffer and in this suffering we are brought to greater and greater life in Him. Do we feel this divine life within us?

6. Jesus speaks: Why do you go it alone when I am here, I am present, and I am outpouring My life, My grace, to you this day. Let go, surrender. When you are backed up against a wall, let go. I am here. Trust.

Messenger: Jesus, I trust in You.

Jesus speaks: Forever on your lips say, "Dear Sacred Heart of Jesus, I trust in You!"

10. I love you, I love you, I love you. Surrender and let go, for I am truly with you.

Jesus Carries His Cross up Calvary

1. **Jesus speaks:** I ask you to carry the cross that you are given this day and to carry this cross with joy in your heart.
4. **Messenger:** It is in Mary that we will reach this deep intimacy with the Heart of Jesus. It is in going to Mary's Heart, in being rocked in her arms and held close to her breast, that she gives to us the milk of salvation. She gives to us life from her Son Jesus.
5. It is in knowing the tender love of our beloved Mother that we will join more deeply to the love of Father, Son and Holy Spirit. It is through Mary's Heart that we are carried to this love of God.
6. **Jesus speaks:** Release yourself and let go for I am truly present in this room with you at this very moment. Put off all distractions. Focus more and more on My presence with you. All through your day, all through your encounters with others, I want you to be aware of My presence with you, not just when you pray, but all through the day—when you are talking to others, when you are walking, whatever you are doing.
10. ...As you look into My eyes, tender, loving eyes, My dear ones, I want you to hear three words from My lips as I look back at you with My tender loving eyes. I love you!

Jesus is Crucified and Dies on the Cross

1. **Messenger:** Jesus was raised high on the cross on Calvary. See Him on the hill and see Mary under the cross and hear the wind blow. See the cross against the darkened sky. This is the greatest sacrifice: the Son of God gave His all to the Father for love of us. His hands were pierced, His feet were pierced, His head was crowned with thorns. He surrendered and gave His life that we might have life forever with Him in heaven.
3. It is in uniting ourselves to the Holy Sacrifice of the Mass being offered all through the world at every moment, offering ourselves with this sacrifice to the Father, that this is our most powerful prayer and that our prayers are magnified to such an extent. All through the day offer, with the Holy Sacrifice of the Mass, to the Father, in the Holy Spirit, through the intercession of the Virgin Mary. Offer up, my dear ones, your prayers-for the souls suffering in this world this day, for the souls in Purgatory that need your prayers-all of your petitions. Unite them to the Holy Sacrifice of the Mass going on constantly, the greatest prayer that you can give to the Father.
8. Let us all pray in union with the Holy Sacrifice of the Mass throughout the world and offer ourselves up continually in this Sacrifice with Jesus to the Father. As we all do this there will be unity in this offering, for we are all one in Him. As we unite in Him, we unite in each other.
9. Ave Maria! It is through the pierced Heart of Jesus that the sacramental life of the Church was born. Blood and water flowed forth from His Heart-water, the symbol of baptism, our

Rosary Meditations for Elderly, Ill, and Homebound

rebirth in Him, and Blood, the symbol of the Eucharist, whereby we are fed by his Body. As the life flows through His pierced Heart, so it flows through His beloved Mother, for her Heart was invisibly pierced with a sword and she is the Mediatrix of all grace. As she nourished the Christ Child within her womb, so she provides the life to us from her Son Jesus through her spiritual womb.

- 10.** I see the life flow from His pierced Heart, through the Heart of the Virgin Mary, and into our hearts. We are saturated with this divine life and divine love. It is from His Heart that all mercy and love flow.

Excerpt from July 13, 1995 Rosary

The Annunciation

1. **Messenger:** Put yourself in the presence of the Almighty God. Before us is the same Jesus Christ Who walked on the face of this earth and was carried in the womb of the Virgin Mary. He is present, the same Jesus Who hung on the cross. Who are we that the Almighty God is present and that we are before Him? Let us bow our head and bend low for this truly is Jesus Christ, the Son of God, and He is giving to us a great gift by allowing us to be so close.

2. We see the angel appearing to the Virgin Mary. Mary says yes to the angel, always complying with the will of the Father. She loved the Father so much as a little child, always wanting to please the Father.

4. We are His chosen ones. The Father created us with such love, each one of us individually, so precious to Him. He gave to us His Son that we would be saved and live with Him forever and ever in heaven.

7. **Jesus speaks:** Let your hearts be soft and supple, My dear ones. Open wide your hearts and rid yourselves of all distractions of this world. Be alone with Me. I am Jesus Christ, the Son of God, and I am giving to you great gifts here, abundant graces to understand more the mysteries of My life and that of My Mother. Open wide your heart and forget all that is holding you apart from Me and meditate on these mysteries of Our lives.

8. Make a Spiritual Communion. Feel the presence of the Almighty God as you do when you receive Holy Communion. For when you are in the state of grace, the Father, Son and Holy Spirit dwell within you in such a special way! You cannot imagine the

Rosary Meditations for Elderly, Ill, and Homebound

beauty of a graced soul, a soul that is filled with My life. If I lifted the veil in this room, you would fall on your faces from the vibrancy of the rays that would come from the Consecrated Host. My dear ones, you do not know the great gifts I am giving to you in this room.

The Visitation

1. Messenger: The Virgin Mary goes to visit Her cousin Elizabeth. The child in the womb of Elizabeth leaps for joy at the presence of the Almighty God. Here we are in this room and the Almighty God is present, no less present than He was in the womb of the Virgin Mary. The child in Elizabeth's womb leaps for such joy! Let our hearts be filled with joy that God is here and has chosen us to be with Him. Nothing is an accident. Every hair of our head is numbered.

4. It is in baptism that we are made children of God and heirs of heaven. We are children of God! God loved the world so much that He sent His only Son, so that we would be with Him forever in heaven. This is only a stopover on our way to eternity. The glory that awaits us is so immense that we can never comprehend it.

5. Mary visited Her cousin Elizabeth with the Child Jesus within her womb. We are visited by Jesus in this room in such a special way! For the Almighty God is outpouring His abundant grace to each one of us at this time. Mary, help us to be more sensitive to the touch of His grace, to realize His life, the vibrancy of this life, within us.

6. Jesus speaks: Many are called, but few are chosen. I have chosen you, and My Mother has called each one of you to her house. This moment, moment by moment, second by second, you are being guarded and watched in this world that is suffering and in pain. You do not see the great gifts that I am outpouring to you. Open wide your heart. Let go any bitterness, anger and resentment, and live according to the Father's will. Operate in love. Do all your deeds in love, and know that your Father is guarding you. Your Mother is forever by your side pro-

protecting you. Father, Son, and Holy Spirit dwell within your heart in such intimacy. My dear ones, children of God, open your hearts and receive the graces that I am giving to you now.

- 10.** Come to Me, My beloved ones. I want to hold you close to My Heart. I want to caress and cuddle you and give you My love. I am Jesus, your Savior. I love you. I love you. I love you.

The Birth of Our Lord

1. **Messenger:** The Hearts of Jesus and Mary beat within the same body. Is there more intimacy than that? For two mysteries of the rosary we see these two Hearts joined in one body. In the third mystery, the Child Jesus is born. Mary was the life support of the physical life of Christ. Although Their bodies are now separated, the life of the Child Jesus continues through the milk of His Mother.

3. The sheep and the shepherds are around the Child Jesus. Jesus Christ, born in a stable, in a manger, in the town of Bethlehem. The Chief Shepherd of the flock, a little Baby, comes to this earth. He is not born high and mighty, with gold and silver. Rather, He is wrapped in swaddling clothes and laid in a manger, surrounded by sheep and beasts of the earth.

6. He no longer walks this earth, but He remains, in His divinity and humanity, no less present today than the day He did walk the earth. He remains in the consecrated Host. He is as present in this room as the day He was born in the town of Bethlehem. Who are we that we have the Presence of the Almighty God? Where Jesus is, so are the Father and the Holy Spirit, for They are three in one. He is so closely united to Mary, His Mother. Mary is also present with us.

Jesus speaks: Many are called, but few are chosen. I have chosen you this day, and I am showering you with My abundant grace, the grace of My life.

9. I have not come to this earth to divide, but to save men from their sins. I came to this earth to love all of My beloved ones, more and more. My dear one, release all of the anxiety and fear in your heart. Let Me bathe you in a bath of My love. I am Jesus and I am truly present and attentive to all your needs.

Rosary Meditations for Elderly, Ill, and Homebound

- 10.** This love is poured into your heart and you know more and more the presence of the Almighty God. Feel this presence within you. Release and let go of all distractions. I am the Almighty God and I am truly present.

The Presentation of our Lord in the Temple

1. **Messenger:** The child Jesus was taken to the Temple and presented to the Father.
2. Mary was told by Simeon of the sufferings to come. He said to Mary, "...and a sword will pierce your soul too." (Lk 2:35)
4. Let our hearts be filled with the life of the Almighty God. May our hearts sing, for we are given great gifts. In this room today, the Almighty God is present. His Mother is with us, mothering us and loving us.
6. **Jesus speaks:** Satan aims to trip you up and stop you in your path. The Almighty God is speaking to you. What have you to fear? Father, Son and Holy Spirit live within your heart. If the world shakes and the sun ceases to shine, within your heart you can feel the presence of your Father, Son and Holy Spirit so close to you and loving you. Release all your anxieties and let Me bathe you in a bath of My love. I am Jesus, and I am outpouring to you My life.
8. **Messenger:** The Presentation in the Temple is such an important mystery! Mary was told that a sword, too, would pierce her soul. All grace is released through Mary.

The Sorrowful Mother

Excerpt from July 13, 1995 Rosary

The Finding of the Child Jesus in the Temple

- 1. Messenger:** The Child Jesus was taken up to the Temple for the feast of Passover. Mary's Heart ached constantly from the prophecy of Simeon. Feel in your heart as Mary felt. She knew ever since the prophecy of Simeon of the suffering to come. There was such a connection between Jesus and Mary, such intimacy between Them! We see the two Hearts beating within her body in the first two mysteries of the rosary. She provides life for Jesus through her milk in the third mystery. She comes to the Temple with the child Jesus in her arms and Simeon tells her of the sufferings to come. Now they take the child Jesus to the Temple. Jesus is separated from Mary and Joseph. Mary and Joseph go on their way and Jesus is left behind. When Mary realizes that the Child Jesus was left behind, her Heart is in such sorrow! She returns to find the Child Jesus.
- 3.** Mary carried many things in her Heart. Few times we hear her speak. There was a secret between her and her Son all through Their lives.
- 4.** A sword, too, shall pierce your Heart, O Mary. Our eternal life was merited by Christ's life and death on the cross. Water and blood poured forth from His pierced Heart. Life flows through Mary's pierced Heart to us for she is the Mediatrix of all graces. Our Mother, giving to us, dispensing to us this life. As she gave life to the physical body of Jesus, so she dispenses supernatural life to us.
- 5.** We are being formed more and more in the spiritual womb of Mary, through the Holy Spirit, to be more and more like Jesus.
- 7. Mary speaks:** My Heart was in such sorrow for the loss of my

Rosary Meditations for Elderly, Ill, and Homebound

child! My Heart is sorrowing for the loss of so many this day. My dear little children, pray. Offer your days, each day, to the Father in union with the Holy Sacrifice of the Mass, in the Spirit, with all the angels and saints and souls in purgatory. Offer up all of your actions for the little children of this world who are suffering and in pain.

The Ascension of Jesus into Heaven

1. **Messenger:** See Jesus as He extends His arms and goes up to heaven. See the apostles below. They are filled with fear and confusion to see their beloved Jesus leave.
3. God is a mystery! We can meditate on this mystery of Jesus rising from the dead, of His going up to heaven. He wants us to meditate on the mysteries of His life and His Mother's life.
5. God the Father loved us so much that He created us in His own image and likeness. It is in meditating on the mysteries of Jesus' and Mary's lives that we can model the way we live after Jesus and Mary.
8. **Jesus speaks:** My dear little ones, how I love you. When you are baptized, the Father, the Son and the Holy Spirit dwell inside of your Heart in a very, very special way. I am Jesus. I never leave you. I love you and remain with you in your heart.
10. I wait for you, My little children, to come and tell Me that you love Me, too. I wait for you to come and to talk to Me, to share all those things that are in your heart with Me.

2. As you love your mother, your father and your friends, I love you and Mary loves you so much more than any earthly person could ever love you.
3. The Father created each one of you so specially! He loves you so much!
4. He gives you the special talents that you have this day. He loves you so much and wants you to use your talents to do the work of God.

4. The more we realize how close our Mother really is to us, the more we will feel secure as she wraps her mantle about us and leads us ever closer to her be-loved son, Jesus.
5. **Mary speaks:** I wrap you, my beloved, dear, sweet children, in my arms. I hold you close to my Heart. I protect you from this world as any mother would protect her little child. You are my little child, my dear one. I am forever with you.
7. **Messenger:** Jesus, when He ascended into Heaven, went to prepare a place for us. The gates of heaven were opened!
9. We, too, will be taken up into heaven. These are the Glorious Mysteries. If we love and serve the Lord, we will be given such glory in Heaven.

Our Lady of Grace

***Excerpt from January 13, 1997 Rosary
(from the Apostles' Manual)***

The Annunciation

1. **Messenger** ...Let us give our hearts at this moment to our beloved Mother, Mary. Let us ask the Holy Spirit to work within our hearts that we will see, that we will know God more than we have before, that He will fill us with this light of knowing God. And let us go to the Heart of Jesus and be so one with Him. Let us be one with one another in this room that we are one joined with the Father, Son, and Holy Spirit through the powerful intercession of Our Lady as we pray this rosary.
3. The angel Gabriel appeared to the Virgin Mary and announced that she was to be the Mother of God. Mary was filled with the Holy Spirit and the Word became flesh and dwelt among us.
6. The Almighty God came into this world in the womb of the Virgin Mary and He was in her womb for nine months. He was born a child. Why are we so high and mighty that we do not realize that we must be children, that we must recognize our Father as our Father and our Mother as our Mother, that we live as a little child lives, always aware of his father and what would please him, always loving his mother. Look at how far this world is from giving the Father the honor that is His due and from loving and obeying their Mother.
7. Jesus came within the womb of the Virgin Mary. We too must go to the spiritual womb, the Heart of Mary. It is there that the Holy Spirit works and, oh, how He works. He works to sanctify us, to make us holy, to make us more and more into the image of

Rosary Meditations for Elderly, Ill, and Homebound

Jesus. It is there that He gives to us great lights, that He gives to us grace that we know God more and more.

- 10.** The Son of God came to this earth. He came in the womb of the Virgin Mary. He is the light of the world. It is in going to the heart of Mary, her spiritual womb, that we will receive lights whereby we know God more and love Him more.

***Excerpt from January 13, 1997 Rosary
(from the Apostles' Manual)***

The Visitation

1. **Messenger:** And Mary went to visit her cousin Elizabeth. Mary went forth to proclaim the good news; she told her cousin Elizabeth. We are called to go into this world, to go into the darkness that exists in the world today, and to proclaim the good news.
3. Mary brings forth her children of light. As we give our hearts to Mary, we are brought forth children of the light. As we walk into the darkness, His light shines from us. To be a child of light we must consecrate our heart to Mary. We must give ourselves as a child to Mary.
4. Many are so filled with pride this day, for they do not feel that they need their Mother. But Christ showed us, Christ showed us the way. He came to this earth in the womb of the Virgin Mary. We must be as children as the Father intends us to be. We must love our heavenly Mother, Mary. We must do what the Father intends us to do. Our every effort and thought must be the thought of pleasing our heavenly Father.
5. And how are we shining in this world today? Are we the lights that are shining in the darkness? Does the light of Christ shine from us as we go to others, as we visit others? Is He alive in our hearts? Is His life and His light shining from our eyes? Are we acting as He intends us to act?
7. **Jesus speaks:** My beloved ones, I am near. I am with you this day and My Mother Mary is with you in a special way... Let go of all the cares in your heart, all the bitterness and come as a little child. At every moment, your life must be lived to please your heavenly Father. Your heart must be filled with love for your Mother, for you are children of God. Mary is your Mother and God the Father is your Father.

The Nativity

1. **Messenger:** Look at how haughty we are. Look at how we act and then look, look to the Child Jesus, born in a stable in Bethlehem in such poverty. The Almighty God surrounded by beasts of the earth. He came into this world a little child. We are called to be children. We are called to be humble. We are called to be loving, to put aside our haughtiness and our pride and to work as one. For what plan? To love God, to love one another, to help to save souls...
2. She told us exactly what we must do at Fatima: we must consecrate our hearts, we must pray the rosary, we must observe the First Saturday devotion, and make reparation to Their Hearts...For it is through the consecration, it is in the giving of our hearts to Jesus and Mary, that we will be brought forth as children of light.
4.Why do we pray this rosary meditating on the mysteries of the lives of Jesus and Mary? It is here in the rosary, as we give our heart to Mary and to Jesus, as we give our heart to Mary, that the Holy Spirit works within her heart and we receive lights, lights, insights into understanding these mysteries of Christ. We pray the rosary and we understand more the life of Christ from the Heart of Mary.
6. The Almighty God came, a little child conceived in the womb of the Virgin Mary. He was a baby. The Almighty God was a baby. Why are we so haughty? We are children of God. We must obey our heavenly Mother. We must obey our Father...
9. He came into the world, the light of the world. And the light shone in the darkness and the darkness did not comprehend.

Rosary Meditations for Elderly, Ill, and Homebound

There are many this day that do not understand. It is because we have disobeyed our Mother Mary. We must go to her, the woman clothed with the sun. We must go to her Heart, her spiritual womb. It is there that the Holy Spirit will give to us His light that we will know God more and we will be brought forth children of light walking in this world.

The Presentation in the Temple

2. Jesus speaks: ...I Am Who Am. I am the Alpha and the Omega. I am the Almighty God. You must be obedient children. It is through your obedience that the consecration will spread to many souls on the earth. It is through your obedience to help spread the priestly newsletter and start prayer chapters in churches that many priests will love God with the greatest love in the Mass.

3. Messenger: He came our Savior, our King, our Almighty God. He took flesh in her womb through the power of the Spirit. He was carried in her arms as a helpless baby. He went to the temple and there Simeon said, "Now, Master, you are letting your servant go in peace as you promised; for my eyes have seen the salvation which you have made ready in the sight of the nations; a light of revelation for the gentiles and glory for your people Israel. As the child's father and mother were wondering at the things the were being said about him, Simeon blessed them and said to Mary his mother, 'Look, he is destined for the fall and for the rise of many in Israel, destined to be a sign that is opposed - and a sword will pierce your soul too-so that the secret thoughts of many may be laid bare.' " (Lk. 2: 24-35)

4. ...When our hearts are one, when the hearts of the faithful are consecrated to the Hearts of Jesus and Mary and the hearts of the priests are consecrated to the Hearts of Jesus and Mary, we will be one in Their Hearts. There will be one flock and one Shepherd. We must obey our Mother and do what she has told us to do. We must spread the consecration to the youngest child

Rosary Meditations for Elderly, Ill, and Homebound

to the oldest person. We must tell them to give their hearts to Mary and to Jesus.

5. And the children of darkness walked next to the children of light. And those that will be saved will be those that are children of light. We must do as Mother Mary has told us.
6. And Mary speaks and she says that she stood beneath the cross of her Son. And Simeon said to Mary that a sword too will pierce your heart, oh Mary. And she stood under the cross and her Heart was in such anguish for she knew of the children that would be lost, her little children, the ones that she loves so dearly...

- 8.** And the children were not lost children and the Mother did not weep any longer for the children were children of God, loving one another, loving their Mother, and doing as she has told us to do.
- 9.** We will all walk hand in hand, loving God and loving one another. There will be this great era of peace in which the Sacred Heart of Jesus will reign and the Immaculate Heart of Mary will triumph...

The Agony in the Garden

1. **Messenger:** Be with Jesus as He kneels in the Garden of Gethsemane.
3. With greatest love for each one of us, the Father sent into this world His only-begotten Son.
4. Jesus took on a human nature with greatest love for each one of us. He now kneels in the Garden, His Heart in such anguish. He Who is Love sees before Him all the souls from all time who would neglect Him and treat Him so indifferently despite all His suffering and love that His most tender Heart has for each and every soul.
7. Jesus remains with us this very day, the same as the day that He knelt in the Garden. He remains with us in His divinity and humanity. With greatest love for each one of us He longs, He thirsts, He waits for us to come and be with Him...
10. God, grant to us the grace to know and to love You more so that we can more fully realize that You truly are God-made-Man in Jesus Christ, that You come to this earth in greatest love for each one of us, that You long and wait for our love and that You want to give us Your love.

The Scourging at the Pillar

1. Jesus speaks: My Heart is on fire for each one of My precious souls. I long for you to come and be with Me. As I suffered all through My Passion, the greatest agonies were not the agonies that I suffered to My body - the scourging at the pillar, the tearing of My flesh - but the agonies that I endured to My most tender Heart, which is a Heart of love waiting to share with each and every one of My precious souls...

3. I loved Judas so dearly and Judas betrayed Me with a kiss. How many of My dear souls come to Me with hearts that are hot and cold. I want you to come to Me with hearts full of love, that will unite with Mine, that will become one with Mine, that will give to this world My love for your hurting brothers. I ask you this day, "Do not say no!" I am truly Jesus Christ, the Son of God, Who was scourged at the pillar for love of your brothers...

4. ...I came to show you the way, the way to love. They persecuted Me. I loved those who persecuted Me. I ask you this day to be kind in your heart, to give to this world the love that I want to give to you. I am a burning furnace of endless love. My power never goes out. My love is never spent. Come to My Most Sacred Heart and I will fill your hearts with endless love.

7. When they persecute you and hate you because you are not of this world, you must endure all out of greatest love. My way is always love. I came to show you the way, the way to eternal happiness. It is only in loving one another that you will merit eter-

nal life. I ask you for two things. I ask you to love God and to love one another.

8. Come to My Eucharistic Heart! Let Me fill you with the fire of My love so that it will radiate to all those that you come in contact with. For the power of the Almighty God is a power that cannot be contained. It will radiate from your being to all those you touch.

The Crowning with Thorns

5. **Jesus speaks:** I truly came into this world, the Son of God, to show you the way. As I sat in silence, think of how you respond to those who come to you with hatred in their hearts. My way is the way of love. You must love all your brothers as I have loved.
6. My Father created each and every child-so precious, so unique-with such love that He sent Me into this world.
7. I love you so this day that I would suffer again all that I suffered for you before.
8. With all the love that I pour out to each and every one of you, think of how it is to love so much and to be neglected by so many.
9. Pray to the Spirit to open your heart to the fire of My love.

Excerpt from January 26, 1995 Rosary

The Carrying of the Cross

2. **Messenger:** They gave to Him a heavy cross that they put on His most precious shoulder. He carried the weight of the sins of the world on His back. This is the love that He has for each and every man, that He carries the cross with our sins on His back.
5. **Jesus speaks:** My Mother comes to stay, to lead you ever closer to My most tender Heart. I ask you to answer this call, the call of the Immaculate Heart of Mary and the Sacred Heart of Jesus, to be joined ever closer to the Hearts brimming over with love for each and every soul.
6. I fell under My cross. The weight was so heavy! I did not give My cross up. I willingly carried this cross for love of you!
7. It is in living in the Father's will that you will be the happiest. To My very death I followed the will of the Father.
9. **Messenger:** See through the eyes of Mary. She peered into Jesus' eyes on Calvary. See through the eyes of Mary as she comes and appears to us this day to tell us to see her through her eyes the love of her precious Son, Jesus Christ, to see that He truly walked to Calvary, that He was truly scourged and crowned with thorns and that He did it for greatest love of each of us. And He calls out this day for us to come and be with Him and to spread His love to this world.

The Crucifixion and Death of Jesus on the Cross

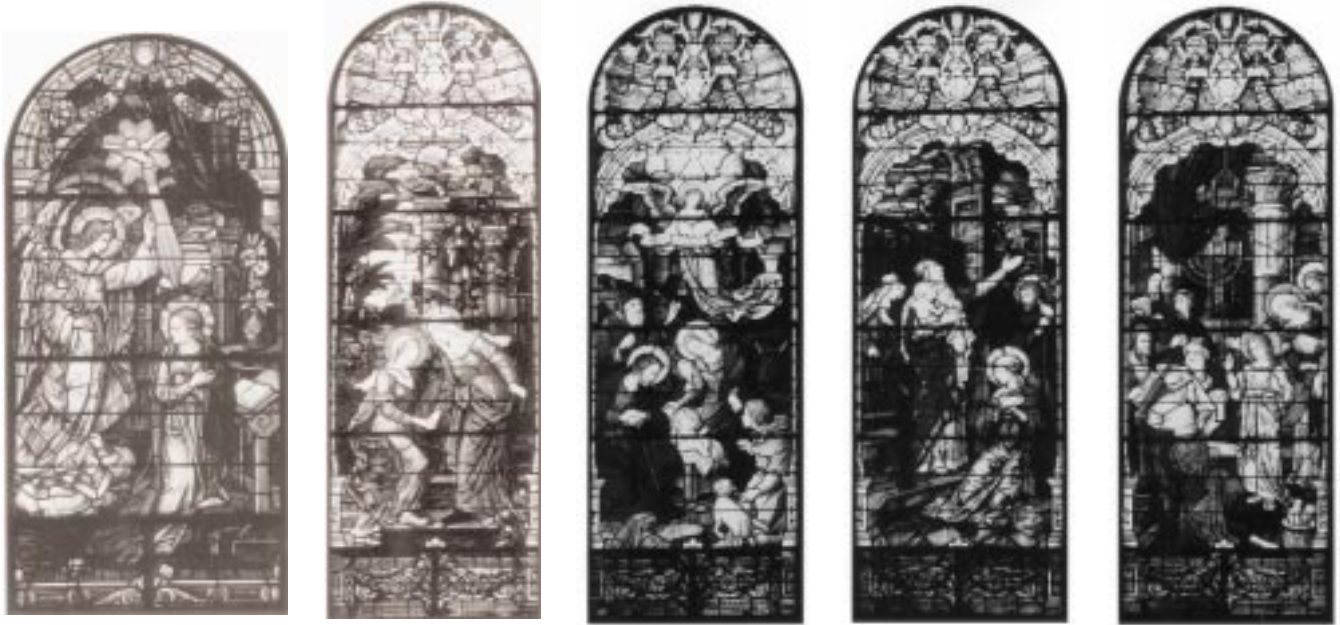

1. **Messenger:** See the little hands of Jesus. See the little feet of Jesus as Mary holds Him as a baby. And now she stands and watches as they pound nails through His most precious hands into the cross. The anguish in her Heart so deep! And a sword, too, shall pierce your Heart, Oh Mary!
5. As He gave His life on the cross, so He gives us His life this day in the Eucharist!
8. Mary stood under the cross and she saw her beloved Son as He took His last breath.
9. She calls out to you this day. She is calling! She is calling each and every soul that He gave His life for to know His love. For it is only in this love that you will find what your soul craves.
10. And they gave to Mary the lifeless body of her precious Son. As she held His baby body tenderly in her arms, she - so weak! - now holds His lifeless body in her arms, covered with blood.

A MESSAGE FROM JESUS TO ME

Jesus Speaks:

My dear nursing home loved ones,

I am an endless vat of divine LOVE. My Heart is consumed with LOVE for you.

I want you to say all day:
"Jesus loves me, He is with me, He died for Me.

Jesus loves me, He is with me, He died for me.

My Father loves me so much. I am His little child.

The Holy Spirit will fill me with the fire of God's love if I ask Him. The Holy Spirit is with me.

Mary is my Mother. She loves me and is with me now."
