RE: 2009 Show Application Procedure

Just a reminder that you can download the show application from www.apha.com/showing (click on “Show Application”). Complete the application “on-line”, print it, sign it and fax it! Of course, if you need me to mail you a hard copy of the application, please give me a call as I would be happy to do so. **No “new” show applications will be accepted for workshop or convention weekends.**

The most current judge list with updated contact information can be found at www.apha.com/judges (click on “Directory”). By checking on-line, you will find which show dates a judge has already contracted, possibly saving you a phone call! If you need a hard copy, I can send you the list of judges. Just let me know.

When submitting your show application, remember to include your show application fee and show bill or premium list (Rules SC.120.C and SC.160.J, respectively) in order for your show to be approved. Show bills must contain the date and location of the show, the judge name(s), show management contact information, start time and list of classes. Usually show office, entry and stall fees are also listed, along with important rules and regulations.

Check out www.apha.com/showing as we continue to expand this area of our website to assist you, the show managers and secretaries! Watch for you next issue of *Show Notes*, the show secretary and manager e-newsletter! If you are not receiving it, please contact me about getting on the mailing list.

Best wishes during the 2009 show season. If you have any questions regarding the show application process, **please contact me at lknowles@apha.com or by phone at 817-834-2742 extension 245.**

2009 Rule Changes/Clarifications

- **RG-036. Legal Guardianship**
 - A. To establish legal guardianship over a minor, the appropriate legal document must be submitted. Such document must be issued by the appropriate court with jurisdiction over the matter and must be a certified copy that has been recorded. To rescind this document or order, a new order would be required.
- **SC-216.** The name of the Green Working Hunter class has been changed to Preliminary Working Hunter.
- **AM-090.C.2., a-f.** In amateur halter classes the age of a junior horse is 2 years and under and the age of a senior horse is 3 years and over.
- **YP-085.B.2.** In youth halter classes the age of a junior horse is 2 years and under and the age of a senior horse is 3 years and over.
- Also please note that no “new” show applications will be accepted for workshop or convention weekends.
- **Fee Change:** POR and ZOR APHA fees have increased to \$5.00 per horse per judge.

APHA SHOW APPLICATION INSTRUCTIONS

(How to apply for an approved APHA show)

1. Verify show date(s) with the APHA Show Approval Coordinator in the Performance Department.
2. Obtain show applications from the APHA Performance Department or online at www.apha.com/showing.
3. Complete the show application. It is recommended that all information is completed before submitting the application although it may be submitted with certain information pending (judge name(s), etc.). However, the show will not be approved until the pending information has been received.
4. Mail the show application(s) with the appropriate fees. To avoid late penalty fees, the show application must be postmarked ninety (90) days or more for the U.S. and one hundred (100) days or more outside the U.S., prior to the entry deadline or show date, whichever comes first. All Fees (U.S. funds only) are based on the postmark (per show/judge). Postal meters are not accepted. If a postal meter is used, the date received will be used in the counting of days.

Fee schedule: Show Applications (per show/judge)

| | Members | Non-Members |
|----------------------|----------|-------------|
| 90 days or more..... | \$ 25.00 | \$ 75.00 |
| 60-89 days..... | 100.00* | 200.00* |
| 30-59 days..... | 175.00* | 350.00* |

*(includes show application fee)

The late fee is in addition to the show application fee. Late fees are non-refundable. Show applications will not be approved if postmarked less than thirty (30) days prior to the show entry deadline or show date, whichever comes first.

5. Approval of a show will not be granted until a show bill or premium list, in scheduled order and date, for such show is received by the APHA. Once the show bill or premium is submitted, the list of classes can be amended up to thirty (30) days prior to the show by written notification to APHA. See the attached list of approved classes and class requirements.
6. When the show approval is granted, an approval letter and stamped 'APPROVED' copy of the show application will be forwarded to the show secretary with forms needed to report results.
7. All correspondence and the show approval notebook will be mailed to the SHOW SECRETARY unless otherwise indicated on the show application. All revisions must be in writing and sent to the APHA prior to changes being made.

CHOOSING A JUDGE:

1. Judges must be an APHA approved judge. Contact the APHA for a current judge list or by going on-line at www.apha.com/judges.
2. Judge must not have judged another APHA show within 200 miles, within 30 days of the show. A judge may not judge the same show or set of shows the prior year.
3. Arrangements should be made for the judge such as motel, travel, maps, show bill, signed contract and other arrangements. Enclosed is a sample contract. It is recommended a contractual agreement with the judge be signed before submitting the judge.

COMPLETING THE SHOW APPLICATION: TARGET AREAS

All applications should be postmarked ninety (90) days or more for the U.S. and one hundred (100) days or more outside the U.S., prior to the entry deadline or show date, whichever comes first to avoid assessing late fees. The completed show application, a complete show bill or premium and the application fee should be submitted at least 120 days prior to the show date in order to allow time for processing the application for inclusion in the Calendar of Events in the *Paint Horse Journal* and on the APHA Web Site, www.apha.com. All information should be submitted at least 30 days prior to the show to allow sufficient time to notify judges, secretaries, management and exhibitors of the shows' approval. ***PLEASE make every effort to have your show application completed and submitted with the show bill or premium and show fees at the time the application is originally mailed.

1. Dates and Type of Show

- Please list the date that each judge will be judging, even if the judge is listed as TBA (to be announced). It will help us to determine how to set up your show. It is most important that these dates are listed correctly.

2. Name of Show

- See Rule SC-090.K. Cannot use other breed names-such as Pinto in the name when having combined show; cannot use World, International, Champion, Championship, National (exception - Fairs and Livestock Shows for National & International).

3. Entry Deadline

- Post entries means that exhibitors may enter at the show.
- Deadline is for pre-entry and/or pre-entry for certain classes such as cattle classes.

4. Stalls Available

- Be sure to list contact, phone numbers and e-mail addresses if stalls are available.

5. Judges

- If judge(s) have not yet been selected, list as TBA (don't leave blank).

6. **Manager/Secretary**

- The manager and show secretary cannot be the same person and both must be on grounds during the show. Only list one show manager as that person is in charge of the show.
- List address, phone numbers, fax numbers, and e-mail addresses. If an e-mail address is given; correspondence concerning the show will be done through e-mail whenever possible.
- It is highly recommended that the secretary and manager of the show have and use e-mail.
- If any number or e-mail address is not to be published, be sure to list DNP beside the number. However, at least one number – either the show manager's or show secretary's number - *must* be listed.

7. **Application in General**

- The show application should be *legible*. It is *preferred to be typed* so that all information is clear. **You can now complete the application online.**
- Use only the APHA current (revised 10/07/08) official application.

8. **Drug Testing Statement**

- This statement is now at the bottom of the application. This statement *must* be signed before your show will be approved.

9. **Show Bills or Premium List**

- Classes should be in the order they are to be held. Approval of a show will not be granted until a show bill or premium list in scheduled order for such show is received by the APHA. See Rule SC-120 & SC-160.J. Once the list is submitted, the list of classes can be amended up to 30 days prior to show by written notification to APHA.
- Minimum class requirements for show approval and schedule: Refer to Rules SC-095, AM-075, AM-245, YP-070 and YP-075.
- The rules about combining and splitting classes and cancellation of classes are most often misquoted on the show bill: Refer to Rules SC-185.G, YP-075.B, SC-060.A.3 and AM-080.B.

- Any additions or deletions or changes in locations, date, etc. should be sent in on show approval correction form. This form may be mailed, faxed or e-mailed.

11. Faxed Applications

- If an application is faxed, **DO NOT** mail the original. A faxed copy is the same as an original.

12. Contract Disputes

- APHA does not deal with contract disputes between the sponsor and a judge, a facility or other contracted individual, organization or company.

13. Additional Information

- Any additional information needed (such as judge names, show or premium list, drug and tail testing statement, phone numbers, etc.) should be returned immediately upon request of the information. **Please be sure that the person listed on the application to receive the correspondence is the person who can submit the additional information needed.** This information should be returned 90 days prior to your show so that it may be listed as approved in the *Paint Horse Journal* and on our Web site, www.apha.com. The show appears on the Web site the following day after being entered into the show program.

14. Checking for Accuracy

- It is your responsibility to check the information that is listed in the *Paint Horse Journal* and on the Web site for accuracy. Check date, location, judges, start time, stall information, all phone numbers and e-mail addresses. Re: Apprentice Judging Program

The American Paint Horse Association approved a creative new approach to strengthen its judging program in 2001. The Apprentice Judging Program is designed to benefit those who want to apply for APHA judging credentials but may need some additional experience in the show arena. It is strictly an optional program. The Judges Committee has been very pleased with the continued response to this program and they wish to thank you for your help in making this program a success. If you have any questions please don't hesitate to call me at 817/22-6416, or e-mail me at ccain@apha.com.

Following are the rules that pertain to show management for this program:

- It is the apprentice's responsibility to contact the judge and show management to obtain permission to apprentice at your show. Please evaluate each of your shows in advance and determine which shows are conducive to the apprentice program. If you make this determination ahead of time, you will be better prepared to give the apprentice an immediate answer. Once the apprentice has obtained permission from you and the judge, then they are to contact APHA.
- The apprentice must abide by all rules as listed in JU-000.E., JU-000.F. and JU-000.G. of the current APHA rule book. (Exception: JU-000.G.2.) No amateurs are allowed to apprentice.
- No more than one apprentice judge is allowed at a show and only one judge may be used as an apprentice reference.
- Apprentice judging at a show where a family member is exhibiting, judging or a member of show management is not allowed.
- The apprentice must judge the entire show from first to last class.
- The apprentice is responsible for providing his/her own judge cards. Judge cards are available upon request from the APHA Performance Department. Cards will be handed in to the Judge, not show management.
- Following completion of the show, the official judge will be asked to fill out and submit an Apprentice Evaluation Form to the APHA. APHA provides this form to the judge.
- There is no limit to the number of times a person may apprentice judge.
- Show Management is not required to furnish the apprentice with hotel accommodations or meals.
- Show Management is not required to fill out an evaluation form on the apprentice, however, if you wish to fill one out, it will be added to the apprentice's file.

Guidelines for a Special Event

SC-096. Special Paint Events. Organizations or individuals wishing to stage or sponsor Special Events (i.e. team penning, cuttings, reinings, team ropings, etc.) must obtain approval of the APHA if the results of such events are to be recognized and points are to be awarded to the horses which place sufficiently high in that event. Approval does not carry over from year to year, but must be obtained for each individual event. All rules and regulations and fees pertaining to APHA shows will be followed in APHA Special Events. See Rules SC-301 for Working Ranch Horse Competition.

1. A special event is limited to two judges in the arena at any given time and held on one day.
2. Mileage restriction: Rule SC-090.I.applies only if the regular APHA approved show includes the special event classes.
3. A special event can be held on contiguous dates and within 250 miles of any other APHA-approved show. However, a maximum of 2 special events can be held on contiguous dates and within 250 miles of each other.
4. Maximum events: A maximum of 2 categories as defined by Rule SC-050.A.3, SC325.K.2, AM-030.A or YP-025.A (see below). Classes can be offered in each division (open, solid paint-bred, amateur, youth...) within a category.
5. All other rules in the General Show and Contest section of the APHA Rulebook shall apply.

American Paint Horse Association

Membership Requirements

The following information outlines the membership requirements for show purposes. To ensure all eligibility requirements have been met, show results are submitted accurately and to prevent any unnecessary show processing delays it is very important the following guidelines are followed.

Amateur and Novice Amateur Division:

All amateur exhibitors must be current APHA members and have a current amateur/novice amateur status card in order to be eligible to show. In 2008, both of these cards were combined into one.

As in the past, amateurs and novice amateurs must present to you a current amateur status card. Please help the exhibitors be aware that **the amateur status card expires every year on December 31** and a new card must be obtained to begin showing on January 1. **Show secretaries must check that the card is for the current year and that novice amateurs are eligible in the categories in which they have entered classes** (categories and the classes included are listed on the back of the card). Additionally, the amateur's age group will be indicated – Classic (19-44 years old) or Masters (45 years or older). The amateur must enter the correct age division for classes split by age group.

APHA membership will also be indicated on the amateur card. The Amateur card will have two expiration dates on it – one for amateur status and one for APHA membership. **Both dates must be checked and must be current for the amateur to show.**

| Amateur/Novice Amateur | | APHA Member | |
|---|---|-------------|--------------------------|
| Expires Dec 31, 2009 |  | | Expires Apr. 31, 2009 |
| Doe, John | | | |
| Age Group Classic (19-44) | ID Number 0123456 | | |
| Categories: 1 2 3 4 5 6 7 8 9 10 11 12 13 14 15 | | | |
|  American Paint Horse Association P.O. Box 961023 ♦ Fort Worth, TX 76161 (817) 834-2742 ♦ apha.com/amateur | | | |

Check card for:

1. Amateur or Novice Amateur Status
2. Amateur Status expiration date (year)
3. Membership expiration date (Membership is valid through **end of month** indicated)
4. Age Division – Classic (19-44) or Masters (45+)
5. Novice Amateur Category eligibility (15 categories)

If the amateur does not have an amateur card, a **Temporary Amateur Application** must be completed prior to showing. **To prevent show processing delays**, be sure that the amateur has completed the form in full; novice amateurs must complete all sections in their entirety including their prior show experience. Correct fees must accompany the form. If membership is near expiration, please suggest that it be renewed also. The perforated section at the bottom of the form is for the show secretary to complete and give to the exhibitor at the show. The exhibitor will then have proof of amateur status for their next show until their permanent card arrives. **It is important that you complete the date issued on this card** for the next show secretary to verify. If the exhibitor uses one of these cards at your show, you must check that the card has not expired.

If an individual presents an amateur card and their amateur status is current, but their membership is not, they must complete the **APHA Temporary Membership form**. Again, the temporary card must be given to the exhibitor to use until their permanent card arrives. **If either the amateur status or the membership is not current, a temporary card application must be completed.** Anytime a membership is processed in the APHA office, a new Amateur card will be printed which will contain all the current membership and Amateur status on one card.

If you have any discrepancies, please call the APHA Amateur Department at 817-222-6447.

Youth and Novice Youth Division:

All youth exhibitors must be current AjPHA members and, if eligible and wish to show in the Novice Youth classes, have a current novice youth status card in order to show. In 2008, both of these cards were combined into one card.

As in the past, novice youth exhibitors must present to you a current novice youth status card. Please help the exhibitors be aware that the **novice youth status expires every year on December 31** and a new card must be obtained to begin showing on January 1. **Show secretaries must check that the youth card is for the current year and that novice youth are eligible in the categories in which they have entered classes** (categories and the classes included are listed on the back of the card). Additionally, the youth's birthdate will be indicated. The youth must enter the correct age division for classes split by age group.

AjPHA membership will be indicated on the youth card. If the exhibitor is a novice, the card will have two expiration dates – one for novice youth status and one for AjPHA membership. **Both dates must be verified and must be current for the youth to show.** If the exhibitor is not novice, the AjPHA membership must be checked.

Check card for:

1. AjPHA Membership expiration date
2. Novice Youth status
3. Novice Youth status expiration date (year)
4. Novice Youth Category eligibility (15 categories)

If the youth does not have AjPHA Membership or Novice Youth Card, a **Temporary Youth Application** must be completed. **To prevent show processing delays**, be sure that the youth has completed the form in full; novice youth exhibitors must complete all sections in their entirety including their prior show experience. Correct fees must accompany the form. The perforated section at the bottom of the form is for the show secretary to complete and give to the exhibitor at the show. The exhibitor will then have proof of their membership and/or novice youth status for their next show until their permanent card arrives. **It is important that you complete the date issued on this card** for the next show secretary to verify. If the exhibitor uses one of these cards at your show, **you must check that the card has not expired.**

If either the AjPHA membership or the novice youth status is not current, a Temporary Youth Application must be completed. **If they present a youth card and their novice status is current but their membership is not, or vice versa, they must complete the form.**

Open Division:

All open exhibitors must be current APHA members in order to be eligible to show.

Proof of individual membership or an APHA exhibitor card is required at time of showing. **There are five cards that are acceptable to meet this requirement:**

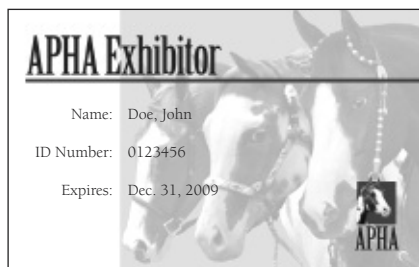

1. Current APHA membership with a single individual's name (card is valid through **end** of month indicated)
2. APHA exhibitor card
3. Temporary membership card that has not expired
4. APHA amateur card (or temporary amateur card) with current membership indicated
5. AjPHA youth card (or temporary youth card) with current membership indicated

For all cards, show secretaries must check that the membership on the card is current. The card must also list a single individual's name. **If the membership is a joint or farm/ranch membership, an APHA Exhibitor Card is required** so that each individual exhibitor is assigned their own identification number and can be recorded properly in the show results.

If the exhibitor does not possess a card with a current membership, he or she must complete a **Temporary Membership Application**. Correct fees must accompany the form. The perforated section at the bottom of the form is for the show secretary to complete and give to the exhibitor at the show. This temporary card will serve as proof of their membership until their permanent card arrives. **It is important that you complete the date issued on this card** for the next show secretary to verify. If you are presented with a temporary card at your show, be sure to check that it has not expired.

APHA Exhibitor Cards:

Exhibitors possessing a membership in a joint or farm/ranch name must apply for an **exhibitor card as proof that they are eligible under that membership**, and to provide show management with the correct individual APHA identification number to record.

Check card for:

1. Name
2. Identification number (to be used on the show roster and/or in recording results for that exhibitor)
3. APHA membership expiration date (card valid through **end** of month indicated)

If the exhibitor presents you with a **current membership card**, but it is in a joint or farm/ranch name, he or she **must complete an Exhibitor Declaration Form**. This form requires that all eligible exhibitors under that membership be listed (**for a farm/ranch/business-must be only principal owners**). Once processed, all of those exhibitors will receive a permanent exhibitor card to use as proof of membership in the future. These cards will contain unique individual APHA ID numbers for each individual in order to ensure accurate show records and to be able to better track show participation. The Show Secretary must complete the temporary cards at the bottom of the form for those exhibitors to use until their permanent cards arrive. No fee is required for an exhibitor card if the APHA membership is current.

If you have any questions or if we can help in any way, please don't hesitate to contact the APHA Performance Department at 817-834-2742, ext. 773 or showing@apha.com. Thank you so much for your dedication and tireless efforts. Wishing you a successful show season!

NOTICE to SHOW MANAGEMENT

Subject: Scribes

APHA is requesting that all Show Managers make every effort to provide a capable scribe for each judge for all scored events, even if the judge fails to request one on his contract.

As a Show Manager we are sure that you would want your judges to perform to the best of their abilities. Supplying them with a capable scribe will help to assure this. The scribes should be selected and prepared in advance of the show. Scribes that are chosen at the last minute may leave doubts in the mind of the judges and the exhibitors as to their ability.

In an effort to ensure that our judges receive the education that they need, we ask that you document on the judge evaluation form whether the judge used the scribe that was provided by show management.

Definition of a capable scribe:

- Required to document in writing the score of penalties and maneuvers
- Must be able to calculate simple mathematics in a rapid manner
- Must have basic organizational skills
- Not required to know or understand the rules related to scoring
- Individual must be mature enough to understand the importance of their position and confidentiality
- Not required to be a full time ring steward

Helpful Hints:

- All scribing should be done in pencil
- Encourage them to focus on the score sheet versus the horse/rider
- Refrain from any unnecessary conversations with the judge
- Refrain from any comments directed at or about the horse/rider being judged

If you need suggestions on how to find volunteers to scribe or how to educate a scribe, please contact one of the following:

- D. Show results of approved shows and contests will be listed on the official Association Web Site www.apha.com. A period of one year from the date of the show will be allowed for a correction of printed show results. After that date, no request for show result correction will be considered. It is the responsibility of the owner of record at the time the horse is exhibited to notify APHA of any possible errors in show results.
- E. Discrepancies between APHA approved show classes and classes actually offered and conducted at the show shall be presented to the Executive Committee for judgment when properly submitted by the contestants or show management.

ALL SHOW MANAGERS AND SECRETARIES ARE REQUIRED TO BE ON THE SHOW GROUNDS.

PER THE APHA RULE BOOK

See Rules SC-110 and Rule SC-115

RING STEWARD

Below are the rules concerning your responsibility at APHA shows. Please read carefully.

** Make note that show management must provide a competent scribe for any judge if he or she requests one when signing a contract.

Rule SC-135:

- A. A competent ring steward will be required at all approved shows. Any reputable person may act in the capacity of ring steward who can furnish proof that he is capable through ability or experience and is familiar with the APHA rules.
- B. A good ring steward makes the work of the judge much easier by relieving the judge of unnecessary details. If the class is too large, the ring steward will inform the judge of the size of the incoming class so the judge may divide the class if he wishes to do so. By assembling the class promptly, he will be able to keep the judging program on schedule and eliminate long delays between classes.
- C. The ring steward will notify the judge when all horses are present for each class and call his attention to those horses which are absent. This information will be placed on the record which the steward marks after each class has been judged.
- D. The ring steward(s) must have in mind that they have been selected to help the judge--not advise him. Steward shall carefully refrain from discussing or seeming to discuss the horses or exhibitors with the judge. Stewards shall not take part, or seem to take part, in any of the judging. When steward is not actively engaged in his duties, steward shall place themselves in such a position so as not to interfere with the judging and the view of the spectators. Steward must not allow the exhibitors to crowd up in the ring or arena and should, at all times, endeavor to keep the possibilities of an accident at a minimum.
- E. The ring steward has charge of the activity in the ring or the arena. The ring Steward shall act as mediator between the judge and the exhibitor. The judge should request the steward to move and place horses as he advises. When the ring or arena size is small and the class entries are large, steward should survey the situation and take every precaution to keep the horses moving until the judge is ready for them to be judged. Steward has the authority to ask an exhibitor to remove his/her horse for the safety of other horses or the spectators or remove an exhibitor for unsportsmanlike conduct.
- F. It is important that the ring steward be familiar with the procedure of sifting, when the classes are large and the judge requests that he/she line them up for the first sift, the second sift, and so on, until the judge has his class ready.
- G. The ring steward shall assist in arranging the class winners the same in every class. The public has a right to know how the various horses placed. Example 1st through 7th or 7th through 1st.
- H. When the judge has completed the judging of halter classes of one sex division, then the steward shall call all first and second place class winners into the ring. Steward shall assemble the first place class winners in one line and the second place class winners in another.

American Paint Horse Association

SC-085. DRUGS AND MEDICATIONS

- A. FORBIDDEN SUBSTANCES.** A horse shall not be shown in any class at a show approved by the APHA or event held in conjunction with an APHA-approved show, whether or not the event is approved by APHA, if the animal has been administered in any manner a forbidden substance. A forbidden substance is defined as any stimulant, depressant, tranquilizer or sedative which could affect the performance of the horse (stimulant and depressants are defined as substances which stimulate or depress the cardiovascular, respiratory or central nervous system). Also forbidden is any substance, regardless of how harmless or innocuous it might be, which might interfere with the detection or quantification of any substance defined above. In the event any forbidden substance is administered to any horse for any reason, the owner and/or trainer should withdraw the horse from competition until the drug is no longer present in the plasma or urine.
- B. PERMITTED SUBSTANCES.** The following seven drugs or medications are permitted. Administration of these drugs or medications does not require that the horse be withdrawn or kept out of competition.
- 1) Phenylbutazone
 - 2) Flunixin
 - 3) Ketoprofen
 - 4) Meclofenamic Acid
 - 5) Naproxen
 - 6) Acetazolamide
 - a. May only be administered to horses documented through DNA testing to be positive (N/H or H/H) for HYPP (Hyperkalemic Periodic Paralysis).
 - 7) Lidocaine/Meplivcaine
 - a. When administered within 24 hours of showing, may only be used under actual observation of event management (or designated representative) and/or the official show veterinarian, either of which must sign the medication report form, to aid in the surgical repair of minor skin lacerations which, by their very nature, would not prevent the horse from competing following surgery. A medication report form must be filed with show management as required in section C. below.
- C. CONDITIONALLY PERMITTED SUBSTANCES.** In addition to those drugs listed in section B., Therapeutic Medications (those drugs listed in the Racing Commission International (RCI) regulations- class 4 and 5) given for the legitimate treatment of illness or injury are permitted if ALL of the following conditions are met:
1. Filing of a completed medication report (available from APHA or show management) with show management before exhibiting the horse. The medication report must contain the following information:
 - a. Diagnosis of illness/injury, reason for administration, and name of administering and/or prescribing American Association of Equine Practitioners (AAEP) veterinarian.
 - b. Signature of veterinarian or person administering the medication. If prescribed by written instructions, a copy must be attached to the medication report.
 - c. Identification of the medicine; the name, amount, strength and mode of administration.
 - d. Date and time of administration.
 - e. Identification of the horse: Name, age, sex, color and entry number.
 2. The horse must be withdrawn and kept out of competition for not less than 24 hours after the medication is administered.
 3. The medication report must be filed with show management within one hour of administration of the medication or one hour after show management is available, if administration occurs at a time other than during competition hours.
 4. The medication report must be signed by show management and the time of receipt recorded on the report.
 5. While this report must be filed only if the administered medication will be present in amounts detectable in the blood and/or urine samples at the time of competition/sampling, exhibitors are hereby cautioned it is their responsibility to determine whether or not such medication has had time to clear the horse's system. IF THERE IS ANY DOUBT, A MEDICATION REPORT SHOULD BE FILED.
- D. CAUTION AGAINST MEDICINAL PREPARATIONS.** The use of medicinal preparations and tonics of any kind in which the ingredients and quantitative analysis are not specially known is also cautioned against the use of such may result in a positive analysis of the specimen taken from the horse.
- E. RESPONSIBLE PARTIES.** All owners, trainers and exhibitors are accountable for the condition of any horse which they enter or allow to be entered, in any APHA sponsored or approved event, or event held in conjunction with an APHA-approved show, whether or not the event is approved by APHA. Such persons are hereafter referred to as "responsible parties". By voluntarily entering a horse in an APHA approved or sponsored event or event held in conjunction with an APHA-approved show, whether or not the event is approved by APHA, the responsible parties are presumed to know all rules and regulations of the Association. Based on their accountability for their horse's condition, all responsible parties are subject to disciplinary action any time a prohibited substance is detected at an APHA approved or sponsored event, regardless of the reason the prohibited substance has been administered, and whether or not the responsible parties had actual knowledge of the administration or presence of the prohibited substance.

- F. INVOLVED PARTIES.** In addition to the “responsible parties” as that term is used in this rule, any person who administers, aids in the administration, causes to be administered, or conspires in the administration of any prohibited substance shall be subject to disciplinary action. Such persons are here-after referred to as involved parties.
- G. TESTING BY APHA OR STATE GOVERNMENT.** All drug testing of APHA approved events will be done under the direction of the APHA unless the show is being conducted in a state whose government has established drug testing procedures. Those shows that are tested by the APHA will be selected at random by the APHA office, however, the show management of any APHA event can request that a show be tested if show management agrees to be responsible for the cost associated with the testing. Any drug testing performed at the request of show management shall be conducted by the APHA staff or its designated representative.
- H. LABORATORY INTEGRITY.** It shall be presumed that the sample of urine, saliva, blood or other substance tested by the laboratory to which it was sent is the one taken from the horse in questions, that its integrity has been preserved, and that all the procedures of the collection and preservation, transfer to the laboratory, analysis of the sample and report received from the laboratory pertaining to the horse in questions are presumed to be accurate and correct reflections of the condition of the horse during the show in which the horse was entered. The burden shall be on the responsible or involved parties to rebut the aforesaid presumptions in a hearing conducted by the Association’s Executive Committee or its appointed committee.
- I. REQUEST FOR SPECIMEN.** A request by the APHA representative or its designee to take a specimen of urine, saliva, blood or other substance for testing shall not be refused by any person. Refusal to comply with such a request shall constitute grounds for immediate disqualification of the horse from further participation in the show and shall also be considered a positive drug test for purposes of this rule. Artificial induction of urination is at the option of the owner/agent.
- J. COOPERATION WITH APHA REPRESENTATIVE.** Cooperation with the APHA approved veterinarian and/or his agents and/or Association representative shall include, but not limited to:
1. Taking the animal immediately to the location selected by the appointed veterinarian and/or his agents for testing the horse and present it for testing and presenting the registration certificate or a photocopy for the veterinarian’s report.
 2. Assist the veterinarian and/or his agent in procuring the sample promptly, including, but not limited to, removing equipment from the horse, leaving it quietly in the stall and avoiding distractions to it. Schooling, lengthy cooling out, bandaging and other delays of this type may be construed as noncooperation.
 3. Polite attitude and actions towards the veterinarian and/or his agents and/or Association representative.
 4. Failure to cooperate shall be considered a refusal.
- K. HORSES SUBJECT TO EXAMINATION.** Horses in competition at any APHA sponsored or approved event or event held in conjunction with an APHA-approved show, whether or not the event is approved by APHA, are subject to examination by a licensed veterinarian or an Association representative who must be approved by the APHA. The examination may include positive identification, physical, saliva, urine, blood tests, or other tests or procedures at the discretion of said licensed veterinarian necessary to effectuate the purposes of this rule. Said veterinarian may examine any or all horses in the class(es) in a show, or any horse entered in any class, whether in competition or not, or any horse scratched or withdrawn or which simply fails to appear for competition by any other exhibitor within 24 hours prior to the class for which it has been entered. A horse which has been withdrawn from competition may be administered a prohibited substance provided the prohibited substance is declared to show management prior to a requested drug testing.
- L. TEMPORARY SUSPENSION.** At such time as the APHA receives written notification of a positive drug test involving forbidden substance, all “responsible parties” shall immediately be placed on temporary suspension and denied all privileges of the Association, pending hearing on the matter. The APHA shall mail written notification of this action to the responsible parties and shall also give notification via telephone when possible. Any responsible party will be charged a \$200.00 restitution upon receipt of notice to APHA of a positive drug test.
1. **Post Bond.** Each responsible party may post a \$500.00 bond at which time that party will be allowed to participate in all APHA events and activities until such time as a hearing is held.
 2. **Certified Check.** The \$500.00 bond must be in the form of a certified check or money order payable to the APHA. The bond will become effective at such time as is received in the APHA office.
 3. **Bond Returned.** If it is determined after the hearing that there has been no violation to this rule, the \$500.00 bond will be returned. If it is determined after the hearing that there has been a violation of this rule, the \$500.00 bond will be automatically forfeited to the APHA drug testing fund. This bond forfeiture is in addition to any other penalties or disciplinary action that may be taken against the responsible or involved parties.
- M. HORSE SUBJECT TO PENALTIES.** The horse involved, as well as the responsible or involved parties, may be subject to, but not limited to, the following penalties where appropriate.:
1. **Barred.** Barred from competition.
 2. **Forfeiture.** Forfeit awards, or monies, or points or placings, thereby moving up horses placing behind the disqualified horses and possible redistribution of awards, or monies, or points, or placings.
 3. **Certificate Relinquishment.** Relinquishment of the horse’s registration certificate to the Association for a specific period of time. Although ownership of such horse may, thereafter, be transferred to another party, the transfer of ownership will not dissolve or shorten the terms of disciplinary action.
 4. **Penalties or fines.**
 5. **Suspension.**

Remember: class codes, judge name, signature of the judge, and number of entries must be included on the judge cards. Please sort the judge cards by judge. DO NOT put judge cards on the same sheet of paper. Judge cards should be separated. When the results and judge cards are received in the office, they will be processed, edited and posted according to the date of the show. We do not post shows out of order unless we are waiting on fees, additional information or judge's evaluations. A copy of the results will be forwarded to the show secretary for their records.

TIPS FOR SUBMITTING RESULTS ELECTRONICALLY

This is a list of the most common mistakes made on electronic results.

- 1) Each record on a diskette/attachment must contain the same show number and year. **Do not use the show reference number, use the individual judge show numbers.** Please double check to make sure you enter **the correct show number and year.** The reference number is intended for printed results only.
- 2) Horse's name and registration number indicated on results **MUST** match the registration certificate exactly or the entry will be incorrect. **Do NOT enter commas in the registration numbers.**
- 3) The exhibitor name and APHA ID number for **ALL** exhibitors **MUST** match the status cards exactly or the entry will be incorrect. Include relationship on Youth, Novice Youth, Amateur and Novice Amateur exhibitors.
- 4) **All EXHIBITORS MUST HAVE APHA ID NUMBERS.** If an ID number is unavailable include exhibitor's address. Refer to the Record Layout page 2.1b
- 5) Please use .dta or.txt files. May name file after show. Example: tucson1.dta or spokane2.txt.
- 6) When entering the Walk Trot classes, the correct codes start with WT0. The corresponding number code for each individual class see page 2.3. The "0" in the class code is a **ZERO, NOT** the letter O.
- 7) Include the Grand and Reserve Halter Horses on the correct records. Refer to Class Code list for proper codes for Open, Amateur and Solid Paint-bred Grand and Reserves.
- 8) You **must** enter the placings for the classes that do not have enough entries to make it a point class. You **must** enter the horses that have a "no time" or "DQ" from the judge as a non-placing entry.
- 9) Always use correct class codes. Refer to Class Code list.
- 10) Numerical fields must use zeros and Alpha fields must use the letter O.
- 11) Use all UPPER CASE LETTERS in Alpha fields.
- 12) APHA Approved Computer Software automatically uses format from Record Layout page 2.1b. If developing your own software see 'Show Results Electronic Specifications' page 2.1b

NATIONAL RANDOM DRUG TESTING PROGRAM

POSTED

OFFICIAL DRUG DECLARATION NOTICE

THIS SHOW MAY BE SELECTED FOR RANDOM DRUG TESTING BY THE AMERICAN PAINT HORSE ASSOCIATION

At the direction of the American Paint Horse Association Executive Committee, the Association has implemented a National Drug Testing Program as of January 1, 1986. The Purpose of this program is to preserve the integrity and image of the American Paint Horse.

Owners, trainers and exhibitors are requested to familiarize themselves with the provisions of Rule SC.085 of the current Official APHA Rulebook and are presumed to know all rules and regulations of the Association, and the penalty provision of said rules by their voluntary action in entering or exhibiting a horse in approved or recognized shows.

NOTICE TO BE POSTED BY SHOW MANAGEMENT

NOTICE TO EXHIBITORS

Rule SC-175.G.states: "Geldings which are still listed as stallions according to APHA records at the time the show results are processed at the APHA office will be disqualified."

If you are exhibiting a gelding and the papers have not been changed at the APHA office, be sure to forward the original registration papers and a statement indicating the horse was gelded as soon as the show is over, if not before. The statement must include month and year and the owner's signature.

If the original registration papers and the statement indicating the date the horse was gelded are not received in the office prior to the show results being processed, your gelding will be disqualified and points will be lost.

ATTENTION

SC-075. INHUMANE TREATMENT

- A. No person on show grounds, including but not limited to, barns, stalls, parking area and show arena, may treat a horse in an inhumane manner, which includes, but is not limited to:
1. Placing an object in a horse's mouth so as to cause undue discomfort or distress;
 2. Tying a horse in a manner as to cause undue discomfort or distress in a stall, trailer or when longeing or riding;
 3. Letting blood from a horse;
 4. Use of inhumane training techniques or methods; poling or striking horses legs with objects (i.e. tack poles, jump poles, etc.);
 5. Use of inhumane equipment, including, but not limited to, saw tooth bits, hock hobbles, tack collars or tack hackamores;
 6. Any item or appliance that restricts the movement or circulation of the tail; or,
 7. Intentional inhumane treatment which results in bleeding.
- B. Upon discovery by any show official of inhumane treatment, show management shall immediately report the matter to the Association.
- C. The standard by which conduct or treatment will be measured is that which a reasonable person, informed and experienced in generally accepted equine training and exhibition procedures, would determine to be cruel, abusive and inhumane. See Rules GR-060.C., GR-070.A. and GR-070.D.

ATTENTION AMATEUR AND NOVICE EXHIBITORS

Any horse exhibited at APHA approved shows or shows sponsored by the APHA, must be owned by the Amateur, or the Amateur's family. Family shall include: spouse, mother, father, son, daughter, brother, sister, grandchild, grandparent, legal ward, inlaws (father, mother, brother, sister, son, daughter), stepchild, stepparent, step-grandparent, half brother, half sister, aunt, uncle, niece, nephew or solely owned corporation, ranch or farm. Such ownership must be evidenced by the records of the APHA.

Horses leased to either the Amateur or the Amateur's family are not eligible for use in APHA approved amateur or novice amateur classes.

AM-020.B. Transfer of Ownership

The exhibitor must be able to prove ownership at the time of the show by presenting the APHA registration certificate or a legible photocopy with the correct owner or owner's name printed on the certificate by the APHA office.

Any horse shown in an amateur or novice amateur class that does not meet this requirement will be disqualified and number of entries will be lowered.

ATTENTION

SC-070. Exhibitor Conduct

A. **REQUESTING JUDGE'S OPINION.** An exhibitor may make a request through the ring steward or other show official for a judge's opinion concerning an exhibitor's horse which can be stated in the presence of a ring steward or other show official at any time; however, at no time will fraternization between the exhibitor and the judge be permitted during the show.

B. **PROHIBITED CONDUCT.** See also Unsportsmanlike Conduct, Rule GR-065.H. and GR-066.A. When an exhibitor, owner or trainer is guilty of unsportsmanlike conduct, such person is subject to disciplinary action by the APHA, including but not limited to, fines or suspension. See Rules GR-060.C., GR-070.A. and GR-070.D. In addition, approaching the judge without following the procedure listed in SC-070. A. above may be considered in violation of GR-065. H. or GR-066.

1. To promote competition in APHA-approved events, in order that APHA's records will, at all times, reflect the actual quality of equine performance, any form of conduct that inhibits competition is expressly prohibited. This offense includes not only the person suggesting the prohibited conduct, but all who participate in the scheme or plan. Such conduct includes, but is not limited to:

- a. Paying another's entry fee, directly or indirectly; or,
- b. Encouraging a potential competitor to refrain from entering the class.

2. Violation of this rule shall disqualify from participation in the event the horse entered by the person paying the fee and the horse entered by the recipient, and shall be referred by the show management to APHA for disciplinary action.

3. To assist APHA in the promotion of true competition, any person approached by another to cooperate in a scheme or plan to inhibit competition, shall immediately report the matter to show management and then to APHA in writing within 10 days.

4. A contestant assisted by use of an electronic or two-way communication device by another person outside the show arena or show ring shall be automatically disqualified unless assistance is necessitated for safety of competing horse or horses to be determined by the judge and/or the Executive Committee. (See Rule SC-160. F. for exception.)

Amateur / Youth & Novice Division Information

PROCEDURES FOR TEMPORARY AMATEUR APPLICATIONS

1. **What if an exhibitor comes to my show without an Amateur or Novice card?**

The exhibitor has two choices: Either complete the “temporary application” with applicable fees made payable to the APHA -OR- they can only be allowed to compete in the Open division.

2. **What if the exhibitor says they have a current Amateur/Novice card, but left it at home or can't find it? (i.e. needing a replacement card)**

The exhibitor again has two choices: If they cannot show you their card or a copy per rule AM-015.A, they can either fill out the temporary application with all fees made payable to APHA -OR- they can only be allowed to compete in the Open division. *Yes, this means they will be required to pay the full price for the temporary card (with Rush fee) in order to exhibit that day. However, if it is determined they have a current card once the application is processed in the APHA office, a refund will be issued in the amount of \$10. They will only be charged for a duplicate card and rush fee.

3. **What if they brought their renewal form with them to the show and they want to compete?**

Renewal forms *should not* be accepted. Refer to question #1. They will HAVE to fill out the temporary application in order to receive the perforated “temporary card” to carry with them. This application will be used in lieu of the renewal form. Rush fee will apply.

4. **What if they applied for a temporary card at a previous show and have not received an original card from APHA yet,**

but want to exhibit with their “temporary card”?

This is acceptable. You will need to make a copy of the temporary card for your files as well as a copy to insert into the envelope coming to the APHA with your show results. This extra step will be beneficial to our staff when processing your shows.

5. **What if a Novice is unsure of his/her Novice status or points on file with APHA or other breeds?**

If the exhibitor cannot verify points prior to handing you the application, rather than running the risk of being disqualified from the show, we STRONGLY suggest they show Amateur only (can fill out the application as Novice though) and wait for their Novice card while APHA verifies Novice eligibility. If they show Novice and we find they are ineligible, they will be disqualified. **Being more safe than sorry might save your show from presenting a “Novice High Point” award to an exhibitor only to find out from APHA they were not eligible.

6. **What if they are totaling their fees and are not sure if their APHA membership is up to date?**

Our suggestion is if they aren't certain their membership is current, have them add the \$35 membership in. APHA will be glad to refund them once we verify that information. This will eliminate the delay of show results being posted due to Amateur balance dues. Refunds can be processed approximately two weeks after we have processed the applications (which will be the first thing processed from the show results packet once they are received from you). OR - they can call the APHA office the next business day to either verify their membership status or pay the membership fees over the phone if needed with credit card information.

****NOTE**** *Cash, money orders and credit cards are the acceptable methods of payment for the temporary applications. If we receive checks, we have to wait on those to be cleared. We are trying to speed up the processing of the applications. Credit Cards are the preferred method of payment.*

SHORT SHOTS

- ✓ Please be cautious with these temporary applications, it is not our intent to have these forms “readily available” to everyone. The initial goal is still for them to bring their cards to the shows. If a spectator wishes to purchase an Amateur/Novice Amateur card, please give them a regular application and have them fax or mail it in on their own behalf.
- ✓ If you submit show results by diskette, you can either leave the Amateur ID # blank or enter all zeros.
- ✓ Complete the enclosed Temporary Amateur Application summary sheet that indicates how many applications you took at the show (list to be sent in with the show results).
- ✓ ANY temporary applications completed at the show will incur a \$25 Rush fee.
- ✓ Please make sure the applicant fills the application out completely. That will allow the show results to be posted quicker. This includes the Novice portion for Novice applicants.
- ✓ There will be a designated envelope provided for you (in the Show Approval packet) for the Temporary Amateur Applications and fees to be returned with show results.
- ✓ Be sure to complete your part on the temporary card before they tear off their section – it is important for you to sign where indicated and list your show number.

Memo

TO: Show Management and Exhibitors

RE: Ownership & Membership Requirements for Youth Exhibitors

Youth Membership Requirements

A current AjPHA membership is required to exhibit in youth classes at an APHA-approved show (Exception: Leadline and Walk-trot). Youth exhibitors must have an individual membership in his or her name. Joint APHA memberships do not qualify and should not be accepted.

Youth Ownership Requirements

A horse exhibited in youth classes does not have to be owned by the contestant showing the horse. However, in order for a youth to be eligible for APHA points, titles and awards, the horse must be owned by the youth and/or the youth's family (mother, father, stepparent, brother, sister, stepbrother, stepsister, half-brother, half-sister, aunt, uncle, nephew, niece, inlaw (brother, sister), legal guardian, grandparent, or step-grandparent), family owned corporation, ranch or farm.

If the relationship requirement is not met, APHA points will not be recorded to the horses' permanent record. However, APHA points will be recorded to the youth's record to determine novice eligibility. The ownership requirement also does not apply to Leadline and Walk-Trot exhibitors.

If you have questions concerning this information, please contact the APHA Performance Department at 817-222-8455 or the APHA Director of Youth Activities at 817-834-2742, extension 248.

Thank you.

PROCEDURES FOR TEMPORARY YOUTH APPLICATIONS

1. What cards must be presented for an exhibitor to show in youth classes?

- **Leadline**—no card required
- **Walk-trot**—no card required
- **13 & Under**—AjPHA Membership Card
- **14-18**—AjPHA Membership Card
- **18 & Under**—AjPHA Membership Card
- **Novice Youth**—AjPHA Membership Card with an unexpired Novice Youth Status designation.

2. What if an exhibitor comes to my show without an AjPHA membership card or without the Novice Youth Status designation on the card?

The exhibitor must complete the temporary application with applicable fees made payable to the APHA.

3. What if the exhibitor says they have a current AjPHA Membership or Novice Youth Status designation, but they do not have a card?

If the exhibitor cannot show you their card(s) or a copy (per rules YP-005.A. and YP-210.A) they must fill out the temporary application. They will be required to pay the full price for the temporary card(s) and any applicable rush fees in order to show that day.

4. What if the exhibitor brought their renewal form with them to the show and they want to compete?

Renewal forms *should not* be accepted. The temporary application must be filled out in lieu of the renewal form.

5. What if they applied for a temporary card at a previous show and have not received an original card from APHA yet?

So long as a valid (signed and dated), unexpired temporary card is presented, this is acceptable.

Make a copy of the temporary card for your files and a copy to insert into the envelope coming to the APHA with your show results.

If the exhibitor cannot present the temporary card, they must fill out the temporary application with applicable fees made payable to APHA.

6. What if a youth is unsure of their Novice eligibility or points/titles/earnings with APHA or another recognized equine association?

The youth should **ONLY** show in the 13 & Under, 14-18, or 18 & Under classes until their Novice eligibility is determined. They may contact the Director of Youth Activities for assistance.

****NOTE**** Credit Cards are the preferred method of payment for temporary applications. Cash and money orders are also acceptable methods of payment. Checks should be discouraged, as they significantly reduce the speed of processing show results.

**“SHORT SHOTS” FOR
TEMPORARY YOUTH
APPLICATIONS**

- ✓ **ALL** temporary applications for Novice Youth Status will incur a \$25 Rush fee.
- ✓ Please be cautious with these temporary applications. It is not our intent to have these forms “readily available” to everyone. The initial goal is still for them to bring their card(s) to the shows.
- ✓ Applicants for Novice Youth must complete the Section B in its entirety and sign the application! Do not allow Novice Youth applicants to leave the eligibility chart blank. If they have checked yes to any eligibility question, they MUST list at least previously shown horses’ names and the horses’ breed.
- ✓ Complete the temporary card in its entirety before separating it from the application. Key points include: the type of temporary card that was purchased, your show number, and the show secretary’s name and signature.
- ✓ Return all Temporary Youth applications, applicable fees, and the Temporary Youth Application Summary Sheet with the show results, or earlier if possible.
- ✓ If you submit show results by diskette, you can either leave the Youth ID # blank or enter all zeros.

FEES

Temporary AjPHA Membership Card = \$15

Temporary Novice Youth Card: (\$15 + \$25 Rush) = \$40
(Exhibitor **MUST** present a current AjPHA membership card)

Temporary Novice Youth Card and AjPHA Membership Card:
(\$30 + \$25 Rush) = \$55
