There's truly no place like Columbia, Missouri.

Nicknamed "CoMo," our beloved college town is compact, close-knit and friendly. Its vibrant social calendar is full of events including art exhibits, True/False Film Fest, outdoor concerts and local farmers markets.

EXPAND YOUR PERSPECTIVE.

Our flagship campus offers an intellectually diverse environment and energetic culture.

With Mizzou students representing all 50 states, every county in Missouri and more than 100 countries, you'll exchange ideas with some of the best and brightest minds around.

LEARNING BY DOING.

At Mizzou, building your résumé begins long before graduation, so you can gain the skills you need to carry into your career.

Students gain firsthand experience through the Missouri Method, our philosophy of hands-on learning.

M-I-Z, Z-O-U!

Mizzou was the birthplace of modern homecoming traditions. Our annual celebration is one of the nation's most spirited and spectacular college traditions to this day.

Imagine chanting alongside classmates and fellow Tigers at Memorial Stadium, which can seat 61,620 fans for our electrifying games.

Men and women's basketball rev up Mizzou Arena and the women's team made it to March Madness 2019. The same year, five Mizzou Athletics programs finished their season ranked in the NCAA Top 25.

Fun fact: our Tigers do just as well off the field, too. Mizzou is an SEC leader in academic progress rate, which measures eligibility, retention and graduation rates.

SUCCESS IS WORTH EVERY CENT.

College is a big investment with even bigger returns. Staying on top of the financial aid process really pays off. Follow these steps to make sure you get the most out of your tuition dollars.

- 1** Apply for admission to be considered for automatic scholarships. For maximum scholarship consideration, apply to Mizzou before Nov. 15 of your senior year.
- 2** Log into Scholarship Universe to answer a series of matching questions that will direct you to applications to complete for maximum scholarship consideration – both internal and external. Applications are due Dec. 1.
- 3** For loans and grants, submit your Free Application for Federal Student Aid (FAFSA) by Jan. 1 for priority consideration. Some scholarships require that you submit your FAFSA before the general priority date.

On average, college graduates earn up to \$1 million more in their lifetimes and report 70% higher job satisfaction.
