

Iconic representation of Goddess Lakshmi bestowing abundant wealth. The elephants symbolise royalty consciousness

17 November 2010

Namaste everyone,

I'm happy to announce the launch of our upcoming **SHREEM BRZEE Prosperity Trip 2010** from **17 to 22 December 2010** in South India.

The **SHREEM BRZEE Prosperity Trip 2010** has been designed with one goal in mind - to bring about a **revolutionary shift** in your financial consciousness & material reality in the most enjoyable way and **boost** your prosperity and wealth energy as we enter 2011!

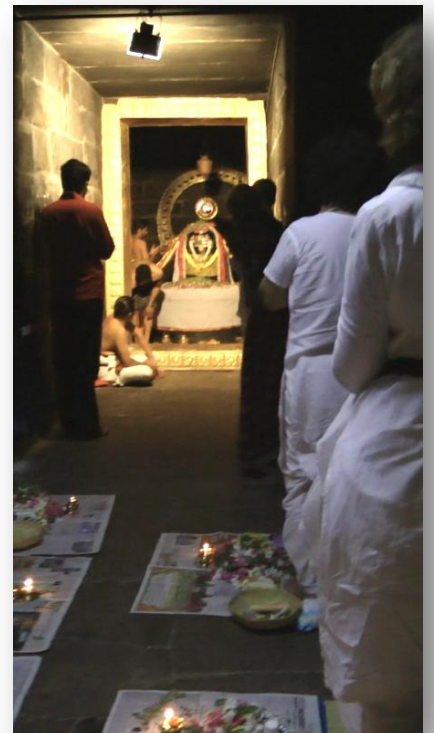

During the **SHREEM BRZEE Prosperity Trip**, we will visit some of the greatest Lakshmi temples in South India (which are **powerful energy vortexes** dating back centuries) in order for you to absorb Goddess Lakshmi's abundant energies of wealth & prosperity and to financially empower you for 2011 & beyond!

Thanks to Dr Pillai (Baba)'s special relationship with these temples, we have access to these temples' most sacred spot i.e. the *sanctum sanctorium* (inner sanctum). This is where the Goddess resides and generally the public are not allowed in here. While the priest performs offerings (*abishekams and poojas*) to invoke Goddess Lakshmi and call

on Her to shower us with Her blessings, all of us will be able to chant

**SHREEM  
BRZEE**

together and perform our own private offerings to Lakshmi.

*Performing our own private pooja in a temple's sanctum sanctorium during the Grace Light Powerspot Trip last month*

## **HIGHLIGHTS OF THE SHREEM BRZEE PROSPERITY TRIP**

How will you benefit from the **SHREEM BRZEE Trip**? Here's how:

- **GAIN** unprecedented access to some of the greatest Goddess Lakshmi power vortexes in South India & totally empower yourself with Lakshmi's energy of abundance & prosperity
- **MERGE WITH SHREEM BRZEE:** We want to make sure that **SHREEM BRZEE** becomes totally ingrained in your consciousness. We are therefore targeting to chant no less than **30,000 SHREEM BRZEE** repetitions as a group during the **SHREEM BRZEE Prosperity Trip**. When you chant any mantra as a group, the power of that mantra is amplified and everyone benefits from the amplified power of the **SHREEM BRZEE!**

By the time you return home, you will live and breathe **SHREEM BRZEE!**

- **BUST** your debt karma for 2011 & beyond! To ensure every aspect of your financial well-being is taken care of, we have arranged to visit a powerful **Shivan** temple at Thirucherai that is renowned for its **debt-burning** powers. This Shivan temple can help people find a good profession and alleviate personal and business debts
- **BE SHOWERED** with the blessings of **Kubera** (the banker of Heaven) & **AshtaLakshmi** (8 forms of Lakshmi). For the 1<sup>st</sup> time, we will be visiting two very special temples:

The first is a temple dedicated to **Lakshmi** and **Kubera** to obtain their joint blessings!

Our second visit is to the first **AshtaLakshmi** temple of its kind in India. This temple is dedicated to **AshtaLakshmi** (the 8 forms of Lakshmi that gives you 8 different forms of wealth). This temple is situated in Besant Nagar on the shores of the Bay of Bengal.

## **THE LIFE-TRANSFORMING POWER OF A TRIP TO INDIA (1): A TESTIMONIAL**

I'm happy to share with you a lovely testimonial from George Matthews who attended our **Extreme Shreem Trip** in March this year and experienced powerful changes after returning home. Here is George in his own words:

*"Since I began practicing Baba's teachings starting Jan 2010 through the group chantings, **the Lakshmi powerspots trip in India**, as well as following the rituals a lot has changed in my life materially.*

*Initially I discovered that I had a lot more spending cash even though I hadn't received a raise or followed any particular budget.*

*And then three months ago the promised turmoil that Mohini mentioned during the India trip ("things which are not vibing with your new high energy will go away, don't cling to them") happened. I was on the verge of losing my job, and it pushed me to starting something on my own, a step which I'd been wanting but never gotten around to.*

*Well, it's now a couple of months later, and there are now many weeks where in a single stretch of 7-10 days more money is earned through the company than I would make through a whole 30 days as salary.*

*The sacred sounds, the rituals, Baba's blessing, the group energy - all of it is powerful. It works!"*

George received Lakshmi's blessing to quit his job and set up a successful corporate secretarial firm - **Servolve Pte Ltd** (<http://www.servolve.com>)

Congratulations George!

## **A SPECIAL BONUS FOR ALL ATTENDEES**

We weren't planning on including **Thiruvanamalai & Mount Arunachala** (the Mountain of Fire that will remove your ego) in the **SHREEM BRZEE Trip** this time around but when Mohini & I were talking, we recalled that everyone on our **Grace Light Powerspot Trip** last month had unanimously shared that being at Thiruvanamalai & Mount Arunachala during the full moon, feeding 6000 pilgrims and walking around Mount Arunachala on the full moon night had been such an incredible, profound and sacred experience that we thought we should not want to pass up the opportunity to do it again!

We therefore delayed the launch of the **SHREEM BRZEE Trip** so that Dr Pillai (Baba)'s India ashram staff could re-work the itinerary to fit a visit to Thiruvanamalai and miraculously they were able to, given that December is a super peak tourist season in India and hotels are always fully booked.

I am therefore very happy to let you know that we will adding a visit to **Thiruvanamalai & Mount Arunachala** (which is one of the mantras in the **Miracle Mantra**) on the **SHREEM BRZEE Trip**.

At **Thiruvanamalai & Mount Arunachala**, you will be able to:

- Stay at Sparsa, a beautiful eco-resort that overlooks **Mount Arunachala** ([http://www.sparsaresorts.com/thiruvannamalai\\_resort.html](http://www.sparsaresorts.com/thiruvannamalai_resort.html))
- Feed thousands of pilgrims on their pilgrimage around **Mount Arunachala** to worship Lord Shiva every full moon. According to Dr Pillai (Baba), feeding a human being will give you immeasurable Grace from the Divine.

*During our Grace Light Trip, Dr Pillai (Baba) dropped by for a surprise visit at the feeding station when we were distributing food to the 6,000 pilgrims walking around Mount Arunachala.*

- Destroy the negative karma of millions of births. According to Dr Pillai (Baba), by walking around **Mount Arunachala**, you will destroy the negative karma (*thoughts patterns that your soul carries from lifetime to lifetime*) from millions of births

## THE LIFE-TRANSFORMING POWER OF A TRIP TO INDIA (2): A TESTIMONIAL

Here is wonderful testimonial from Andy who was also on the **Extreme Shreem Powerspot Trip** (March 2010):

*Dear Vijay and Mohini*

*Thank you both so much for coordinating and executing an incredible trip together with the Wonderful people from Astroved! Yadeesh, Raj, Maheshwari*

*I'd like to share my testimonial.*

*My Extreme Shreem Trip was basically COMPLETELY paid for by the first day of the trip, plus some excess!*

*On the 1st official day of the trip (13th March), I turned on my mobile phone and received an SMS from my friend saying that one of the stocks that we invested in had hit our target price and we had sold off. It was a 200% ROI over 18 months.*

*Bit of background before hand: This stock is invested in a Gold mine which is listed on the Canadian stock exchange. As a group, a few of us had invested together and my friend is the one who will spot the trend and ask us if we want to sell if he thinks it is viable.*

*We have tried to sell before on 1-2 occasions but the price never ever rose high enough to our target price. On 12th March (the day we departed from Singapore) itself about noon, I received an SMS from my friend, asking if I wanted to sell at a specific price. I said OK. He replied with another SMS saying he would queue at a price which was 5 cents more than the initial price. I said OK and forgot about it.*

*Also, when the stock hit the target price, the price went down again and only went back to the target price once the next day. After that, for the next few weeks, and even at present, the price has gone down another 10-20%. So..you can say we cashed out just about the most profitable range for these few weeks! (Venus in Aries!)*

*So, was it divine timing and coincidence? The Canadian market opened about 10.30pm on 12th April, just as we were on the plane from Singapore to Chennai and it sold off about 12am+ or so. And...the stock, a gold mine? Lakshmi's favourite? A stock we have been trying to sell for a few times, but unsuccessful always? My friend, sending me the SMS the afternoon just as I was about to fly off that evening? I would have kept my phone turned off during the day time and checked my SMS' periodically in the day/evenings, and might have missed the timing completely if he had sent the SMS when I was in India. I had a chat with my friend when I returned and asked him why he queued at 5 cents more than the original price. He said he felt that it would most certainly sell at the original price, but wanted to take more of a "risk" and profit more by increasing the target price by 5 cents, a gut feel...basically.*

*Whatever the reason, it happened. I stayed on in Chennai and Bangalore for the next 12 days or so after the main group left and I also completed my **1,000,008 Shreems** by chanting 50,000 - 60,000 shreems everyday. I had initially completed about 300,000 Shreems the past few months in Singapore....so...this was REALLY an Extreme Shreem Trip!*

*Thank you Goddess Lakshmi, Baba and everyone for their blessings! SHREEM on!"*
