Tribute

2020 Champion of Hope - Tom Horton

Tom Horton

Cancer Services is delighted to honor N. Thomas Horton as the 2020 Champion of Hope Award recipient. Horton is a local attorney, a husband, a grandfather, a community leader and a cancer survivor. He has dedicated many years of services to the community and to Cancer Services.

He first joined Cancer Services' board in 2003. He has served as the board chair and led the 2007 – 2008 Capital Campaign that raised the nearly \$3,000,000 needed to purchase Cancer Services' current building.

He has also contributed his experience and knowledge to strategic planning to ensure the future health and sustainability of Cancer Services.

"When you speak with Tom, you feel that personal connection. He listens and hears you in a way that few others do," said Dianne May President and CEO of Cancer Services. "It's a gift. It's part of who Tom is, and we are so fortunate that he has chosen to share that gift with this organization and all of the people connected to it."

Dianne collaborated with Dr. Sreenivasa Nattam, an oncologist with Fort Wayne Medical Oncology and Hematology and Kathy Callen, who sits on Cancer Services' Advisory Council, in a video announcing the award and honoring Tom.

Callen shared how Horton had provided her with comfort when she discovered she had cancer. "At his core he wants to help people and his drive to serve is really incredible. He has such dedication to this organization and because he has experienced cancer, he can help people even more," Callen said.

Tribute 2020

Although the event was different, the heart of Tribute remained the same. The community came together to honor and remember people touched by cancer and thank the heroic healthcare professionals in our community who care for cancer patients. Tribute donors raised \$33,000 through the virtual Tribute event, which launched in August and culminated on September 2 with a livestream broadcast of heartfelt Tributes and the announcement of the 2020 Champion of Hope Award recipient.

Those Tributes can be viewed on Cancer Services' Facebook page at www.facebook.com/CSNI.org.

If we have misspelled your name or inadvertently left it off our list, please call 484-9560 so we can make a correction.

Cancer Services is entirely supported by charitable contributions. Some support comes from local foundations, but it is the individual donors who make the most impact - sending regular checks, buying tickets to fundraising events, and walking to raise money with friends. These gifts come with "no strings attached," which means we are able to fund innovative new programming and balance resources so that people can get what they need when they need it.

When you read this list of amazing donors and wonder if your gift matters, please know that the organization wouldn't exist without it.

#CSNIGivingHope, #GivingTuesday
