

# SIDS NETWORK OF KANSAS, INC. FISCAL YEAR 2012 ANNUAL REPORT

## MESSAGE FROM THE BOARD PRESIDENT—EMMA RICHMOND

Emma Richmond

I began my 10<sup>th</sup> and final year on the Board of Directors of the SIDS Network of Kansas in July. As I write this, I look back on the accomplishments of the Network over this period of time and I am very proud. I have met many wonderful people and have learned so much from them. My experiences at the Network have proven to me that it's okay to cry and it's okay to smile (even in the same situation), that a small group of people can make a big difference, and that the kindness of strangers is invaluable. The Network has given me the extraordinary opportunity to turn a personal tragedy into something positive and given me the ability to honor Josh's memory.

The mission of the SIDS Network of Kansas is to serve those who are or may be touched by the tragedy of Sudden Infant Death Syndrome (SIDS) by providing supportive services for all those affected, community awareness, professional development and support for medical research efforts. Over the past fiscal year, the Network has been busy fulfilling our mission through presentations, training, support groups, grief counseling, fundraisers, and countless other activities:

Haley's 11<sup>th</sup> Annual SIDS Scramble was held September 26, 2011 at Tallgrass Country Club in Wichita, Kansas. This year we hosted 80 golfers and raised over \$16,000 to support bereavement services and community outreach across the state of Kansas. Thank you to the golfers, volunteers, families, planning committee, and sponsors including Allen, Gibbs & Houlik, L.C., Cintas, BlueCross BlueShield of Kansas, Best Buy, Village Pediatrics, Innovative Vein, 100.5 the Wolf, Bob FM 97.1, Dr. Michael & Amber Wilson and Via Christi Clinic, Physicians Exchange, Doonan Truck & Equipment of Wichita, Davis-Moore, Brandon Steven Motors, Mid Kansas Women's Center, Total Home Solutions of Wichita, Plains Marketing L.P., Adoption Centre of Kansas, Mid-Continent Energy Corp., International Brotherhood of Electrical Workers No. 271, Cummings & Cummings, Dr. George & Brenda Farha, Robin & Karen Foley, and Mike & Sonia Phillips, who helped make the 2011 Scramble a success. The 12<sup>th</sup> Annual Scramble is scheduled for August 27, 2012 at Crestview Country Club and spots are still available.

Community Baby Showers for Safe Sleep were held on October 1, 2011 and on January 21, 2012 at All Occasions Events Center and Holy Savior Catholic Church in Wichita, Kansas, respectively. The Network partnered with the Black Nurse Association, the National Association of Hispanic Nurses, the March of Dimes and Healthy People 2020 in educating African American and Hispanic pregnant women and their support people on safe sleep. All participants, upon completion of the event, were provided with a crib and a wearable blanket. The next Community Baby Shower is scheduled for August 18, 2012 at Holy Savior Catholic Church. We hope to continue holding future baby showers twice a year in the Wichita area.

Additionally, we held a training session in April demonstrating how to host a community baby shower and are hopeful that these showers will soon be held through-out the State.

The 1<sup>st</sup> Annual SIDS Walk of Topeka was held October 8, 2011. The event promoted awareness to the Topeka community and provided support for families affected by SIDS. Thank you to the McCulley family for planning and promoting this event. The 2<sup>nd</sup> Annual Walk will be held October 6, 2012.

On Sunday, December 11, 2011, the Network held our Annual Candle Lighting Memorial at the First Mennonite Brethren Church in Wichita, Kansas. This event featured poetry, a memorial slideshow, candle lighting and music and was attended by over 200 people. We will host the next candle lighting on Sunday, December 9, 2012.

The 9<sup>th</sup> Annual Step Up for SIDS was held May 5, 2012. We had 654 steppers, over 150 volunteers and raised over \$27,000. This was the third year for our 5K run through the campus of Wichita State University and we had 240 registered runners. The event also included our annual memorial walk, balloon release and children's fair. Pictures are available on the SIDS Network web site ([sidsks.org](http://sidsks.org)). Thank you to our sponsors Cargill, Don Hattan Chevrolet, Physicians Exchange, 100.5 the Wolf, The Print Source, Genesis Health Clubs, Chicken Poop, Bob FM 97.1, GoRun Wichita, First Gear, all of the participants, families and volunteers, the McCulley family (our 2012 Step Up Ambassador Family), Anthony's Crew (Grand Team Award for Most Money Raised), and the planning committee. Next year's event will be held Saturday, May 4, 2013.

The Network continues to participate in Sudden Unexplained Infant Death Investigation Trainings for first responders. These presentations are made to law enforcement, and EMS and fire personnel, to help train them on things such as questions to ask, things to watch for and how to interact with the family in cases of a sudden unexplained infant's death.

The Network conducted numerous Safe Sleep for Child Care Providers and Safe Sleep Trainings for RN's across the State. These presentations are made to new or expecting parents, child care providers, child care trainers, students, nurses and other medical staff, law enforcement, and various other individuals. The presentations highlight the current recommendations for creating a safe sleep environment for babies.

The Network offers monthly Support Group Meetings in Wichita, Topeka and Salina.

We continue with our Six Steps to Safety project which provides new families with information about creating a safe sleep environment for their babies along with other general safety information recommended for new parents/caregivers. Each packet includes a Halo SleepSack™ provided by

		<b>Net Excess Over Expenses</b>	<b>\$ (44,106.17)</b>

*(continued from page 1)*

the SIDS Network of Kansas. The Network has assembled and distributed over 33,000 of these *Six Steps* packets since 2004.

The Network also continues our *Kansas Cribs for Kids®* project. This project provides a free Graco® Pack-N-Play® crib to families without the means to obtain a safe sleep environment for their new babies. To date, over 2,600 cribs have been distributed throughout the State.

A *Safe Sleep DVD* is available on our web site ([sidsks.org](http://sidsks.org)) or at [www.safesleepkansas.org](http://www.safesleepkansas.org). This DVD was developed through collaboration between the SIDS Network of Kansas, Lawrence Memorial Hospital, Douglas County Safe Kids, Parents As Teachers, Kansas Association of Child Care and Resource and Referral Agencies, and Safe Kids Kansas. This DVD demonstrates how to create a recommended safe sleep environment for babies. The DVD is being provided to hospitals, child birth centers, child care providers and public health professionals to distribute to all caregivers. The hope is the DVD will be viewed by new parents prior to hospital discharge. Additionally, the video is available online for viewing at home or via maternal child health and public health web sites.

The Network renewed its contact with the *State of Kansas* and we are extremely pleased to report that our funding increased this year. Our efforts across the State are being recognized and we have many advocates in Topeka. Thanks to everyone who appealed to their representatives, senators, lobbyists, committee members, and other influential people within our government on behalf of the Network.

We offer a heartfelt thanks to our board members who are retiring from the board: Tracey McNeely, Rhea Rogers, MD, Rita Lungwitz, and Jeff Walenta. We appreciate your input, effort, and caring. You will be missed.

I would like to extend a sincere thank you to our staff, volunteers and donors. You are the reason our Network is a success.

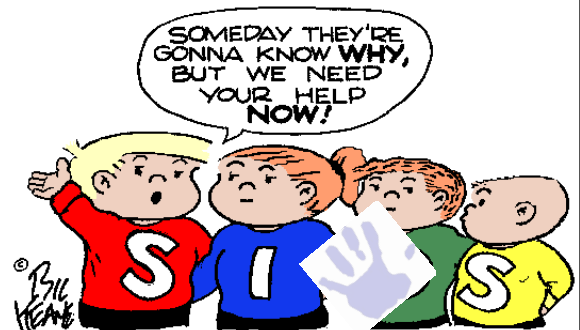

As this is my last President's report, I wanted to give a special mention to a few people who have really meant a lot to me personally and who have done a tremendous amount for the Network. Ted and Susan Bredehoft, thank you for your vision, caring, compassion and effort. The organization you created in memory of your granddaughter, Haley, has helped and touched more people than you will ever know. I will continue to endeavor to memorialize my son as you have done for Haley. Alpha Kappa Alpha, thank you ladies for stepping up at every event and always being there when we need something done. Your efforts are very much appreciated. Lindsay Smith, thanks for keeping us super-organized and making sure we're all doing what we should be doing. I wish you the best of luck in whatever your future holds and I know you will be exceptional at it. Christy Schunn, you are such a great person and we could only hope to have more people like you in this world. You are the supreme expert and my hero.

Emma Richmond  
President and Josh's Mom  
SIDS Network of Kansas, Inc.

## REACHING ACROSS THE STATE

### Community education was presented to:

- Safe Sleep education for Wesley Medical Center, Wichita, KS

 Communication Assistant: Amanda Yoder  
 communications@kidsks.org

Thank you to all the donors that make our program services throughout the State possible!

The *Six Steps to Safety Packet* is an educational tool distributed to new and expectant parents throughout the State of Kansas to reduce the risk of sudden infant death. The Network works to provide more packets each year with the help of gracious foundations and donors. Since FY04 over 33,000 packets have been assembled and distributed by the SIDS Network of Kansas.

The SIDS Network of Kansas initiated the *Kansas "Cribs for Kids"® Project* throughout the State of Kansas. The goal of the "Cribs for Kids"® project is to reduce infant deaths caused by unsafe sleeping environments. Through the Kansas "Cribs for Kids"® Project, the SIDS Network of Kansas has distributed over 3,000 Graco® Pack-N-Plays™ throughout the State of Kansas to infants who would have otherwise slept in an unsafe sleep environment.

- To date *Six Steps to Safety* donors are:
- Children's Miracle Network
  - CJ Foundation for SIDS
  - Downtown Wichita Kiwanis
  - Employees Community Fund of Boeing Wichita
  - Junior League of Wichita
