MERRY CHRISTMAS

Create Festive Trees for Less

(NewsUSA) - Hosts and hostesses celebrating Christmas often find that Christmas trees are the focal point of a well-

decorated home. And it's easy to create a beautiful and fun Christmas tree, while saving enough money for presents.

First, you'll need a Christmas tree. To get more tree for your money, consider an artificial tree. They are available in all shapes, sizes and materials, and they can easily be stored after the holidays for use year after year. Once you have your tree up, make it sparkle with lights. Choose between a variety of colors or white lights.

For a sophisticated look, decorate your tree according to a theme, such as a food or candy motif. Hang candy canes, popcorn and candy garlands, which can be made by stringing hard candies like Life Savers on fishing wire. Or focus on special interests such as sports, traveling or gardening. Decorate a tree with your favorite sports team's memorabilia and colors. Keep

website: www.bunzels.com

MERRY CHRISTMAS

your tree simple by choosing one or two colors for the tree's décor.

For kids, decorate with their favorite color. Make tissue-paper flowers to place on your tree. All you need is tissue paper and pipe cleaners.

For a tree that will help you remember the good times, hang mementos that you've collected throughout the year instead of traditional, often expensive ornaments. Choose knick-knacks from family vacations, party pictures, favors from weddings or showers, or kids' arts and crafts projects. Hang holiday greeting cards from family and friends on your tree. To turn these trinkets into ornaments, glue or attach ornament hangers to each item. Your tree will be a reminder of the fun shared throughout the year.

For a more international feel, use inexpensive wrapping paper to make origami cranes -- symbols of peace. Paper birds of all sizes will look beautiful on your tree and can be a fun project for the whole family.

Comfort Keepers Care Services

COMFORT KEEPERS® FLEXIBILITY FULLFILLED BOTH CLIENTS NEEDS!

Carla and Tony were married 64 years. Tony was not taking his meds and with dementia needed more social interaction. They have a large collection of records and precious things and Carla knew they would not fit in a senior apartment. Carla says "So much of Tony is here in the home we love." So she made the decision to call Comfort Keepers®.

Carla says Comfort Keepers® number 1 concern is the client and we are selective about who we hire. Comfort Keepers Mandy fulfilled the needs of Tony prior to his passing and Mandy stayed on to help Carla. Carla said, "Mandy is sweet and delightful. She notices things that need doing that I don't always notice. We can talk about any topic, and she is a spiritual encouragement to me. Mandy is the daughter I never had. I love, trust and respect her. She gives me a hug when she comes and when she goes."

She tackled big projects like sorting through filing cabinets and going through things that would have been sad and difficult for Carla to do on her own.

Carla has been dealing with the grief over the death of her husband. She said, "Mandy helped to stabilize my emotions, get my feet on the ground and help me get past the grief." Thanks Mandy for loving our seniors.

INTERACTIVE CAREGIVING™

Is an holistic approach to caring for the mind, body, spirit and well being to all we serve!

WE ARE ELEVATING THE HUMAN SPIRIT

Comfort Keepers believes that "care is a relationship," not a task and our goal is to find joy in every day. It's proven that our "Seniors Happiness comes from daily experiences with those around them."

"Socially engaged seniors have higher levels of physical, mental and cognitive functioning."

The smallest amount of exercise appears to help **SENIORS LIVE LONGER** and lowers the risk of disability.

In every Comfort Keeper® is a heart and compassion to care for others. It is the power to lift lives every day.

Serving Milwaukee and
 Waukesha Counties

Live nativity at Mt. Zion Lutheran Dec. 13

Come witness the baby Jesus surrounded by angels, wise men and townspeople as they gather to worship the king. Listen to carolers share popular Christmas songs and spark your holiday spirit alive. A stable with live animals will also be on site for this holy event.

"The live nativity is one of the churches most favorite events. We love seeing the faces of young children and their family and friends as they are taken back to a simpler time. They love being a part of the precious Christmas story they have heard so many times. And seeing the baby Jesus and the animals make it all come together. Join us for an inspiring night," encouraged

Pastor Josh Graber.

The live nativity will be held Friday, Dec. 13 from 5-7:30 p.m. at Mt. Zion Lutheran Church, 12012 W. North Ave. Wauwatosa. Free chili, and hot beverages will be offered.

Mt. Zion Lutheran Church ELCA is a congregation that includes people from all over the Milwaukee area who are seeking meaningful Christian community, enriching worship and music, intelligent conversation, opportunities for service and a safe place for their families to be nourished.

A traditional Sunday service starts at 8:30 a.m. and the contemporary service at 10:45 a.m. All are welcome. www.mtzionlutheran.org
