

Farlingaye HIGH SCHOOL

Headteacher: Dr A Sievewright

Sixth Form

Open Evening

6.45 - 9.00 pm

Thursday 11th January 2018

Welcome to Farlingaye High School's Sixth Form Open Evening

This evening is for parents and students who are considering an application to join the Sixth Form in September 2018. There is a general introduction to the Sixth Form by Dr Sievewright, senior staff and current sixth form students in the main school hall or gym at 6.45 p.m. After this you are welcome to tour the school. Throughout the evening there will be a series of presentations by subject staff which will help you to make an informed choice of course for next year.

The presentations, involving both staff and current students, are aimed at providing details of the type of work you will experience and the expectations that will be made of students. The presentations are repeated during the evening to ensure that, whatever your proposed options, you are able to attend up to five different subject presentations. Additionally, time has been made available for you to talk to subject staff less formally to allow them to answer your individual questions. The timetable for the presentations is at the back of this booklet. Please use this to plan your evening.

Also included in this booklet is a map of the school to help you find the rooms in which presentations are taking place. The sixth form block is open and here you will be able to talk to staff regarding Higher Education, Careers, enrichment and the GCSE retake options, as well as find the scheduled talks for Economics, Business, Travel and Tourism, Health and Social Care, Applied Science and Biology.

Dr Sievewright, Mr Lampard and other sixth form staff will also be available to answer any questions you may have. In addition there is a help desk situated in the study room in the sixth form block. Here you will be able to ask any questions concerning the structure of the sixth form curriculum, option choices and timetable issues.

Thank you for coming. We hope you have an enjoyable and informative evening.

Please remember, if we are not offering your preferred combination of subjects, please let Mr Lampard, Dr Sievewright know and we will do our best to accommodate your request.

N.B. If you have not received a copy of our Sixth Form brochure, please ask for one.

SUMMARY OF COURSES AVAILABLE

SUBJECT	AS Level	A Level	One Year Courses
Additional Studies	Level 3 Pre-U Certificate		
Applied Science	2-Year AQA Level 3 Extended Certificate		
Art & Design	✓	✓	
Art (Photography)	✓	✓

Physical Education	Two year level 3 technical qualification		
Physics	✓	✓	
Psychology	✓	✓	
Religious Education	✓	✓	
Sociology	✓	✓	
Spanish	✓	✓	
Travel & Tourism	2-Year BTEC Level 3 National Extended Certificate		

POST 16 AT FARLINGAYE WE OFFER THE OPPORTUNITY:

- To take a variety of A levels and AS levels or other level 3 qualifications;
- To combine elements of A Level and GCSE as necessary.
- Strive for academic progress and success to enable positive progression to intended destinations.
- Ensure all students are fully prepared for Sixth Form and beyond into life in the 21st Century.

RESULTS

- For many years we have been one of the top three most highly achieving state schools in Suffolk at A level.
- 2017 was an excellent year with a pass rate 98%.
- 18 students achieved at least 2A*
- 25% of all achieved grades were A / A*
- 57% of grades were at A*/A/B

RESULTS

- Every student achieved at least 2 A Level passes which will enable them to go onto either Higher or Further Education or their chosen career.
- We're equally proud of those students who joined us on 4 Cs and achieved 2 or 3 A level grades last summer.
- We add value to our students whatever their abilities.
- You will get quality teaching, leading to quality results. This success feeds into the students' future.

DESTINATIONS

- University place confirmed 86%
(Including those taking gap year with a confirmed place)
- Employment / Apprenticeship / FE 14%

A LEVELS CHANGED

- Between 2015 and 2019 all schools have been asked to oversee changes to the structure and content of A levels.
- Some A levels no longer exist and in these cases we offer Level 3 technical qualifications to replace these.
- For A Levels, final grades will no longer be awarded from the combination of AS and A2 units.
- A level results will depend only on the exams taken at the end of the 2-year course.
- However, there will be separate AS exams that are 'stand alone' qualifications.

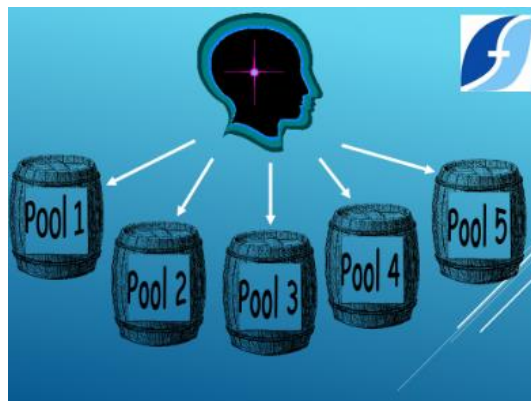

Year 12 Year 13

AS RESULTS AND YEAR 13

- Detailed results of AS exams will be considered when assessing which subjects students continue in Year 13.
- AS results will also be entered on UCAS forms to be considered by universities as part of their application.
- Gives all parties the best picture of progress and performance.

GCSE OPTIONS

GCSE Options plus AS levels

ENTRY REQUIREMENTS

- > 5 at grade 5 / Cs – Choice of Full Programme of Study, as long as you also meet any subject specific requirements.
- > Most subjects at grade 5, Some at grade 6 and some at grade 4.
- > 4 at grade 4 / Cs – Choice of a reduced option / subject range.
- > Must have at least 1 of English or Maths at a 4 and retake the other.

Who's who in the Sixth Form Team?

YEAR 12 Mr Grogan Assistant Head of Year 12		YEAR 13 Mrs Matthews Assistant Head of Year 13	
YEAR 12 Mr Galt Head of Year 12		YEAR 13 Mr Daint Head of Year 13	
TUTOR			
Miss Alexander	Miss Fretwell	Mr Westwood	Mr Turner
Mr Craig	Mr Williams	Miss Greenport	Mr Edge
Mr Potts	Miss Atwood	Mr Saunders	Mr Lording
Miss Chapman	Mr Tople	Mr Montague	Mr Deane
Miss Ray	Miss Green	Mr Pugh	Miss Moran

Farlingaye High School

ENRICHMENT

Farlingaye Sixth Form offers you a range of new opportunities:

- > Year 12 Induction Day - 'It's a Knockout'
- > Buddy mentoring
- > Student Ambassadors
- > Work Experience
- > Adopt a teacher
- > Mock Trial
- > Investor challenge
- > Maths Olympiad
- > Extra curricular subjects
- > Charity committee
- > Reading club
- > Councils – Sports, Green, School, Sixth Form

ENRICHMENT

There are also opportunities within faculty areas to undertake enrichment linked to certain subjects. These include:

- > Sports
- > Drama
- > Music
- > Day Conferences
- > National Lectures
- > Outside Speakers
- > International exchanges and residentials
- > Trips to a variety of places including Italy, India, Poland, Czech Republic, Borneo, Morocco, Peru, Ski trip, Music tour to Europe and the Galapagos.

DUKE OF EDINBURGH

The Duke of Edinburgh's Award has been running at Farlingaye for a number of years now.

- > Students in year 12, will have the option to complete their Gold award, training and commitment at this levels much harder with expeditions being held in the Yorkshire Dales and the Lake District.
- > It is helpful to have completed all levels of the award, however it is possible to enter directly into silver or gold with no previous experience.

SUPPORT

We will provide a range of care and support to assist with any need that may arise.

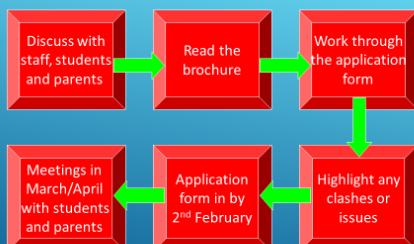

- > For you as an individual
- > Sixth Form Team
- > Tutors
- > All Staff
- > Students
- > Student Support
- > Careers
- > Outside agencies
- > Individual Dialogues
- > UCAS & Progression Routes
- > Mock Interviews

SUMMARY

- > AS is completed in Year 12 for all A level courses.
- > Year 13 A level exams will test the entire two-year course.
- > All students 'opt' for one subject in each pool, plus the enrichment option as the fifth choice.

APPLICATION PROCESS

FINAL THOUGHTS

- > Nothing is set in stone at this point.
- > GCSE Results Day will be an important day.
- > We want to identify issues early so that students make the best choices.
- > Feel free to ask questions now and later.

A “Typical” Timetable for a Year 12 Student

Period	Monday	Tuesday	Wednesday	Thursday	Friday
9.05–9.25	Registration/ Form Period				
1 9.25-11.05	Physics	Maths	Music	Additional Studies	Psychology
2 11.25-13.05	Maths	Study Period	Psychology	Physics	Music
Lunch 13.05-14.00					
3 14.00-15.45 (including afternoon registration)	Music	Psychology	Physics	Maths	Study Period

A “Typical” Timetable for a Year 13 Student

Period	Monday	Tuesday	Wednesday	Thursday	Friday
9.05–9.25	Registration/ Form Period				
1 9.25-11.05	Physics	Maths	Study Period	Additional Studies	Psychology
2 11.25-13.05	Maths	Study Period	Psychology	Physics	Study Period
Lunch 13.05-14.00					
3 14.05-15.45 (including afternoon registration)	Study Period	Psychology	Physics	Study Period	Maths

Pools for Year 12

Technology		RE (Philosophy and Ethics)		Physics		Sociology		RE (Philosophy and Ethics)	
Travel & Tourism (Level 3 BTEC)				Psychology				Sociology	
								Spanish	
Additional Studies		Additional Studies		Additional Studies		Additional Studies		Additional Studies	
		MATHS GCSE		ENGLISH LANG GCSE					

It may be that the subjects you wish to study clash in one of the option pools above. If this is the case please complete the boxes below and we will do our best to accommodate your choices.

Subject clashes:	In option pool:
Subjects I would like to study if clash cannot be resolved:	

- Community Service, Work Placement, 'Adopt a Teacher' and possibly an opportunity for PE enrichment may be available for some students in individual study time.
- The Extended Project Qualification (EPQ) will be offered after school in Year 13.
- GCSE retakes are available as shown and can also be considered once GCSE results are known.
- All students must opt for **Additional Studies** in one pool. This will take 2 of the 6 lessons per fortnight available in this pool. The four remaining periods will be individual study time.
- Our expectation is that students then choose ONE AS subject from each of the remaining four pools. We recognise that for a few students a choice of three Advanced courses plus Additional Studies will be sufficient. This will need to be negotiated prior to entry.
- Many subjects appear more than once. These are distinct groups and enable flexibility of choice for students.
- Please note that for the majority of students, AS subjects **will not** be available in Year 13
- Students taking Further Maths **must** choose Maths in Pool D. If this causes difficulty please let us know.

PRESENTATIONS ARE TAKING PLACE AT THE GIVEN TIMES AND VENUES FOR EACH SUBJECT

GCSE Programme/ Higher Education information is available throughout the evening in the sixth form study room.

Next Steps

Thank you for attending our Sixth Form Open Evening tonight, we hope you enjoyed your visit and found the evening informative. Should you have any further questions which occur to you after this evening, please do not hesitate to contact us by phone, 01394 385 720 or email:

jlampard@farlingaye.suffolk.sch.uk.

To apply to Farlingaye Sixth Form please complete the application form contained with the prospectus which is available in the foyer or online on the Farlingaye website.

Please ensure your application is returned before our deadline of

Friday 2nd February 2018.

Once we receive your application, and after the application deadline, we will contact you to arrange an informal meeting with you and your parents or carers. This will take place in March or April.

We look forward to receiving your application and we would like to wish you the very best of luck with your GCSEs!
