Team Check-In Information

All Coaches need to check-in their teams at their assigned play site an hour prior to the start of their pool play. Team check-in will take place at a designated table near admissions.

Check-In times for all teams are: Saturday 7:00am-2:00pm

***Teams that play Saturday in the 8:00am check-in will be helped on a first-come, first-serve basis. Your team will have to wait out in the lobby until the coach has checked in and has the team's credentials. Please give yourself enough time and please make sure your roster is good to go.**

The Team Rep or Coach must check in their team. They will be asked to verify and sign their roster. This roster will be the official roster for the event. No additions or changes to a team's roster are allowed once a team has begun competition.

At Team Check-In:

- 1. We will ask for a **cell phone** contact for each team**
- 2. You will need to **verify the roster** including uniform numbers. Each player is required to wear the same jersey number throughout the entire event. This applies to all players in the libero position as well.**
- 3. You will need to turn in the **JVA Coaches' Sign-In Form**. By signing this form, you are stating that you have access to all of your players' JVA Release of Liability Forms and Medical Release and Waiver Forms. "Access" means you have hard copies in your possession or log-in rights to the electronic file of forms. You will NOT need to turn in these forms.**
- 4. Players and coaches may be added to the roster at the time of team registration but they must be able to show verification of background screening.**
- 5. Each Coach will receive **Wristbands** at check-in for players and coaches. If lost, these will not be replaced.**

*****Please be sure to read through all materials, there will be no coaches meeting prior to competition*****

JVA Background Screen is through NCSI.

Rules of Play

The 2015-17 USAV Regulations for Domestic Competition will be in effect with the following exceptions:

EITHER LIBERO WILL BE ALLOWED TO SERVE IN ONE ROTATION

EITHER LIBERO CAN BE CHANGED EACH SET

Match Format / Warm-up Procedures

- All divisions will play best of 3-set formats. Divisions that have 3-team pool(s) with no cross-over match in combination with 4 team pools in the same division will play all 3 sets to 25. Pool finish will be based on set percentage as all 3 sets will count for finish placement.
- All cross-over and challenge matches will be “match play”, best of 3 sets.
- Matches will move ahead of schedule if time allows.
- All warm-ups will be 2-4-4 (2 min. shared ball handling, first 4 min. court-time for serving team & last 4 min. court-time for receiving team). Teams must serve within their court-time.
- The team off the court should assist in ball-shagging during the on-court teams’ warm-up.

Match formats for each of the divisions will be available online at www.advancedeventsystems.com.

Officials and Team Officiating Responsibilities

- The Head Official will schedule a First Referee for each match.
- Work teams will need to provide a Second Referee, Official Scorer, Visual Scorer, Libero Tracker and 2 Line Judges. The work team needs to report to the Head Official no later than the beginning of the serving team’s warm-up. For each minute the work team is late or incomplete, one point will be given to their next opponent (up to 25-0 forfeit).

Pre-Match Protocol

- Prior to the start of the 1st set, both full teams will line up behind the service line. At the signal of the head official, they will proceed to the center line to shake hands with their opponents. The starting line-up will remain on the court for the line-up check, and the libero shall be waived in by the head official.

Procedure for Ties in Pool Play

- **Ties in Pool Play – DO NOT LEAVE your court area until your pool has been decided!!!**

The Tie Breaker Procedure outlined below will only be enforced in the event of a 3-way tie in which one of the teams would be eliminated from moving into the **Gold Division**.

- For all 2-way ties, the team that won the pool play match (head to head) between the two teams tied for position will take the higher position.
- 3-way ties for non-gold division placement will be decided by the following CRITERIA:
 - **Match %**: matches won divided by matches played
 - **Set %**: sets won divided by sets played
 - **Point %**: points scored divided by the total points scored by the team's opponents in that pool
 - **Coin Flip**
- **3-way ties for teams all moving onto gold division placement will be decided with CRITERIA above**
- **3-way ties for 1st place**, with 2 teams moving into the Gold/Championship Division
 - The team with the greater set %/point % (as described in the CRITERIA above) shall be awarded first place. The other two teams shall play one 15-point set (switch at 8) for the remaining playoff position. The team that wins the playoff set will be awarded 2nd, the loser will be awarded 3rd. The team that was awarded first will provide the work team for the play-off.

3-way ties for 2nd place, with 2 teams moving into the Gold/Championship Division

- The teams will be seeded using the CRITERIA above. The team seeded 1st will be the bye team and play the winner of the set between the two remaining teams. The team that was

seeded 1st will provide the work team for the 1st playoff set. The loser of the 1st playoff set, will be the work team for the 2nd playoff set.

- If, due to formatting, there are any other tie scenarios, the procedure outlined in the USAV 2015-2017 Rule Book, page 245-246, will be followed.

**If one of the teams in a 3-way tied pool leaves the site before the determination that a tie-break is necessary, that team will automatically become the lowest placed team (among the teams that are tied) and the remaining 2 teams will play one tie-breaking set to 15 (switch at 8), if needed, with a work team to be assigned.

Code of Conduct / Disciplinary Action

Any participant listed on the Official Roster who is causing unfavorable situations either prior to, during, or after the event is subject to disciplinary action by the Tournament Director(s).

Anyone discovered in possession or consuming illegal substances will be automatically expelled from the Championships. There are no warnings for alcohol or drug consumption by players or any other underage person whose name appears on the official roster
