UNIVERSITY OF MINNESOTA  
CROOKSTON

**Small Campus. Big Degree.**

# So, what's the big deal?

We'll tell you. University of Minnesota Crookston offers things other colleges can't, like same-rate tuition costs for all students, laptops for everyone, a safe on and off-campus community and a high post graduation job placement rate. These may seem like small details to your college experience, but they may make a big difference now and well into your future. And that is a big deal.

So are:

- 19 students in a class
- 16:1 student-faculty ratio
- A degree recognized and respected by worldwide employers.

The small things are a big deal.

# Something Bigger Than You

## Learning is Doing

At U of M Crookston, we offer plenty of engaging experiences from research to volunteering and everything in between. Explore a plane cockpit, a biotech lab, a courtroom, a business board room, a river ecosystem, a veterinary office – experiences that give you life skills, engage your brain and aren't too shabby for your resume.

## What's the Big Picture?

You're actively in control of the big picture at U of M Crookston. With the help of our faculty and staff, you'll be able to plan, develop and implement projects that give you the confidence and skills to take hold of your career path, whether it be diving right into a job or continuing your journey in grad school. It's your choice.

## Not Your Typical Classroom

At U of M Crookston, you won't spend all your time behind a desk. Our curriculum is designed around experiential learning, which means we want you to have as much hands-on learning as possible. Depending on your major, you get opportunities to be in the field, the lab, the classroom or engaging in simulated scenarios that give you a competitive edge when you enter the workforce.

- 
- Projects to analyze advertising, public relations, journalism and new media for real clients
  - Flight training
  - A new informatics lab that offers some of the most advanced visualization and computer graphics technologies available
  - The only Collegiate FFA chapter in Minnesota
  - Teaching experience with the Early Childhood Development Center and regional schools
  - Designing urban and environmental landscapes
  - Tree planting at Chippewa National Forest
  - Outreach projects in business, entrepreneurship and marketing through Enactus, a national leadership organization
  - The only bachelor's-level software engineering program in the University of Minnesota system
  - Award-winning judging teams in crops, livestock, dairy and equine

- Developing and implementing a business plan with regional businesses
- The only bachelor's degree in criminal justice in the University of Minnesota system
- Equine breeding, training and showing
- Tax preparation work with local residents through the accounting program
- Prescribed burns at Glacial Ridge National Wildlife Refuge
- The only bachelor's program in horticulture in the state of Minnesota

And you'll be ready to take them on. U of M Crookston offers students an array of hands-on experiences both inside the classroom and out, so students build the confidence to tackle challenges in their own backyard or across the globe.

- Involvement in faculty research on biofuels, energy conservation and work with dairy and wind energy
- Presenting student research at the National Conference on Undergraduate Student Research (NCUR)

- Investigating the use of data mining technologies to determine if flooding will take place in the Red River Valley
- Business research with faculty in the Economic Development Administration (EDA) Center or the Center for Rural Entrepreneurial Studies (CRES)
- Studying child development at the Early Childhood Development Center on campus
- Exploring possible antimicrobial properties of selected plant extracts

**Big Picture. Big Challenges.**

UNIVERSITY OF MINNESOTA CROOKSTON

The background of the page shows a person in a dark jacket standing next to a computer monitor. The monitor displays a presentation with various icons and text, including 'Home', 'Insert', 'Design', 'From Current Slide', 'Broadcast Slide Show', and 'Custom Slide Show'. The person's hand is visible near the bottom of the monitor. The overall scene is a classroom or lecture hall with wood-paneled walls. On the left side, there is a decorative graphic of red circuit lines with circular nodes. At the bottom of the page, there is a yellow horizontal band, and below it, a wooden desk with a clipboard and papers. A white speech bubble shape is overlaid on the top left, containing the main heading.

## See How You Fit.

Internships. They're a great way to earn college credit, add to your resume and help answer the question, "is this really what I want to do?" You can find internship opportunities with everyone from the business down the street to Fortune 500 companies.

Or maybe grad school is in your future. U of M Crookston students get the educational requirements and resources they need to apply to an array of graduate programs from veterinary science to med school to an MBA program. Many go on for more education in a variety of other fields.

## Ready, Set, Go!

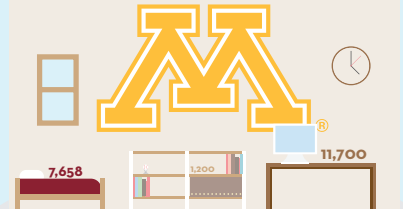

A high percentage of U of M Crookston graduates gain full-time employment in their field of study or go on to enroll in graduate or professional school. We'll sure miss you when you graduate, but as a proud Golden Eagle alum, we know you'll want to come back to cheer us on at homecoming or catch up with your favorite professors.

## Small World. Big Experience.

The world really is a small place, and at U of M Crookston we value diversity. Our students bring rich experiences spanning six continents and more than 20 countries and 40 states! And we value diversity because it not only helps you better understand the world, it helps you understand yourself and how your piece fits into the puzzle of global society. Get involved in the many multicultural and international programs on campus, and you'll see how easy it is to make friends from across the world.

Or choose one of our international programs. Study, intern, volunteer, play, explore – here or anywhere. Take your pick from more than 300 options in 67 countries. Don't just learn it, live it.

## Be A Big Fan!

Golden Eagles shake things up on the court, the field and on the sidelines. The U of M Crookston campus competes at the NCAA Division II level in the Northern Sun Intercollegiate Conference (NSIC) as well as the Intercollegiate Horse Show Association (IHSA) and offers a full range of men's and women's athletic programs.

Men's athletics: Baseball, Basketball, Football, Golf

Women's athletics: Basketball, Equestrian, Golf, Soccer, Softball, Tennis, Volleyball

Our beautiful and friendly campus will charm you, and we doubt you'll want to leave after a tour of our modern residence halls and comfortable common areas. As far as our hometown of Crookston goes, you'll find it to be warm and welcoming with its own small but distinctive set of shops and businesses including the longest running movie theater in America and a candy store that makes chocolate covered potato chips! And Grand Forks with a variety of entertainment, shopping and dining options is only 25 minutes away.
