## TECHNOLOGY WITH STYLE

For more than 65 years, SMEG, created in 1948 in Guastalla, Emilia Romagna, the kingdom of good food and the Italian way of life, has given itself the task of interpreting the demands of contemporary living to create domestic appliances capable of going beyond the mere practical necessities to become design icons.

Thanks to incredible attention to quality, technological content, functionality, aesthetics, and ergonomics, SMEG has become a point of excellence for the concept of "Made in Italy", which proudly exports creativity, style, and Italian passion all over the world.

## THE NEW ICONS OF THE DOMESTIC SPACE

SMEG 50'S style line was born from the fusion of technology and aesthetics, functionality and evocation of the unmistakable shapes and atmosphere of 50's Style. Rounded and retro lines and colors are reinterpreted with a modern twist to become protagonists of the kitchen. From the iconic FAB28 fridge, to the latest generation

of Small Domestic Appliances, the 50's Style line is composed of unique, versatile, anti-conformist products, and is dedicated to those who love being surrounded by objects with a strong character, without losing sight of high-quality performance.
