Underfloor Heating

Get ready to install Polypipe Underfloor Heating

Look out for the exciting launch of the Polypipe Underfloor Heating marketing campaign. Backed by major TV and press adverts endorsed by celebrity interior designer Kelly Hoppen, it's going to be big - and there's something in it for you.

Join our Registered Installer Network so when the phone starts ringing you'll be ready to talk shop. With a comprehensive range of underfloor heating systems designed to work on any project and exceptional levels of service and support you'll get everything you need to get the job done. All from a manufacturer you can trust.

For more information about joining our Registered Installer Network go to www.polypipeuh.com/installers

Polypipe
Underfloor Heating

We offer an in house design and advice service for all wet systems, including screed floor, overlay and multilayer systems. Please call in to discuss your requirements at any of our branches
