Welcome to Hendra

Hendra is a dynamic oilfield supply company based in the Netherlands with over 30 years experience of sourcing and supplying materials to the oil, gas, waterwell and mining industries. We specialize in finding the products our customers need for the best possible price - without compromising quality. Once an order has been placed, we take care of shipping and ensure that the materials reach the end-user as quickly as possible.

Why Choose Hendra?

- **Experience** - Our extensive experience in sourcing and supplying specialized materials, means we know what you're talking about. Our large supplier list enables us to quickly source the products our customers need and contacts built up over time in the industry mean we can offer competitive quotes - fast.
- **Flexibility** - We can be reached 24 hours a day, 365 days a year. We know that our customers are based around the globe and need to contact us when it's convenient for them.
- **Choice** - We can offer you brand new original equipment manufacturer's parts - if that's what you want - but we can also supply alternatives from qualified sources. Why? We believe that in a competitive market these savings turn into capital you can invest in other areas.
- **Reliability** - No one can afford to waste time, so we make it our priority to deliver the goods where you want them and when you want them.
- **The Hendra team** - Our dedicated multi-lingual staff are committed to excellent customer service - wherever you are based. Our customers have a wide range of different requirements and each enquiry receives individual attention. Resourceful and attentive to detail, the Hendra team are able to offer the personalized service you are looking for, saving time and making your life easier.
- **Distributors** - all our distributors are ISO or API certified so you can be absolutely certain you are buying quality products that conform to the latest guidelines.
- **Finance** - if you are unsure about payment, give us a call. We may be able to help you arrange financing.
- **Competitiveness** - In a turbulent world it is essential to be streamlined. Hendra strives to keep overheads to a minimum and focus on what actually matters. These savings are passed on to you, the customer.

Experience, flexibility, reliability and competitiveness are among the reasons why our customers choose us. We look forward to counting you among them.
