Spotlight

Nice | HySecurity
Full-Line Gate
Operator
Manufacturer

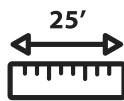

Residential operators

Simplified gate automation and access for home, farm, and ranch applications

7251/7351 Slide

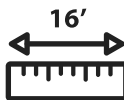

Durable construction, dependable performance

powered by
1050US

Apollo Linear Actuator

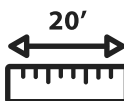

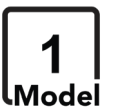

Trusted value, rugged performance

powered by
636, 936, 1050

Vanguard 3501 Swing

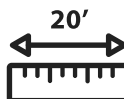

See the gate, not the opener

powered by
1050US

TITAN Linear Actuator

Elegant, modular design meets quiet operation

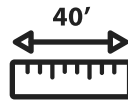

powered by
936, 1050

Commercial operators

Enabling the free flow of traffic through secure and efficient gate automation

SlideSmart™ DC

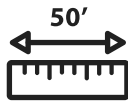

Dependable slide gate operator with battery backup

powered by **SmartDC**

SlideSmart™ CNX

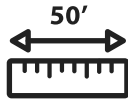

The industry's smartest slide gate operator

powered by **SmartCNX**

SlideSmart™ HD

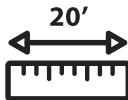

Move large, heavy gates with ease

powered by **SmartDC**

SwingSmart™ DC

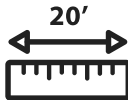

Dependable swing gate operator with battery backup

powered by **SmartDC**

SwingSmart™ CNX

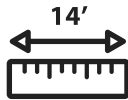

The industry's smartest swing gate operator

powered by **SmartCNX**

StrongArmPark™ DC

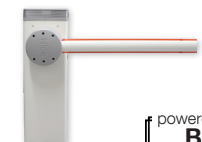

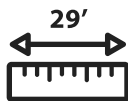

Proven reliability with support for revenue control

powered by **SmartDC**

M-Bar / L-Bar

Advanced traffic control solutions

powered by **BCU1**

Industrial operators

Powerful, long-lasting, and low-maintenance automation solutions for the largest and heaviest gates

SlideDriver™

Maximum security combined with extreme durability

28
Models

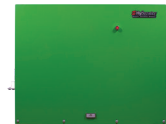

powered by
SmartTouch

SlideDriver™ 200

Ultimate performance and power for the heaviest gates

4
Models

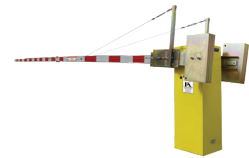

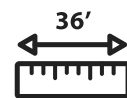

powered by
SmartTouch

StrongArm®

Reliable, low-maintenance multi-lane traffic control

10
Models

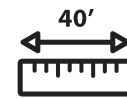

powered by
SmartTouch

HydraSwing™

Compact power for large swing gates or high-wind applications

6
Models

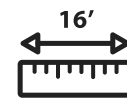

powered by
SmartTouch

SwingRiser™

Unique two-axis movement to clear ground obstacles

12
Models

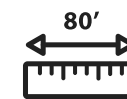

powered by
SmartTouch

HydraLift™

Quickly clear wide traffic lanes at sites with space constraints

4
Models

powered by
SmartTouch

HVM operators

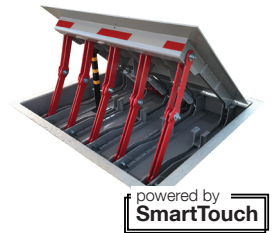

Crash-rated perimeter
solutions for the highest
security environments

HydraWedge™ SM50
Seamless, fast-opening
in-ground security

4
Models

6.5' - 13'

EFO
<1s

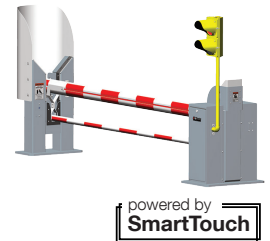

StrongArm® M30/M50
Maximum security and
stopping power

4
Models

24'

EFO
5-7s

WedgeSmart™ DC
Security plus traffic
control in one

1
Model

14'

1.5 to
3.5s

Bollards M30/M50
Fixed perimeter security
with flexible pedestrian
access

10
Models

M30

M50

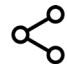

Control boards

636 Control Board

Basic residential control board

 11 user settings

 3 loop inputs

1050 Controller

Full featured residential controller

 100 + settings

 3 loop inputs  2 user relays

SmartDC Controller

Full featured commercial controller

 70 + settings

 4 Hy5B loop inputs  2 user relays

SmartCNX™ Controller

Advanced controller with smart phone and HyNet connectivity

 300 + settings

 4 Hy5B loop inputs  3 user relays

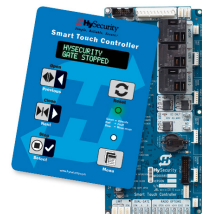

SmartTouch™ Controller

Full featured industrial controller

 70 + settings

 4 Hy5B loop inputs  3 user relays

BCU1 Controller

Full featured controller for M-Bar / L-Bar

 40 + settings

 2 loop inputs  3 user relays
