## Meet Your CCF Advisory Board

**Tony Carrillo.** I graduated from Chisholm High School in 2008. I then went on to the University of Wisconsin-River Falls where I completed my general education courses and played football. I moved back to Chisholm and got my degree in electrical maintenance and construction from Hibbing Community College. I am currently employed at Minntac Mine as an industrial electrician and am very active with my Local USW Union. I reside in Chisholm with my wife, Ashley and her daughter, Mya, and two of the bet dogs on the planet, Maggie and Apollo. I enjoy spending time with my family and friends, going to McCarthy’s Beach, our family cabin on Vermillion, tinkering in my garage and the great variety of offerings our area provides.

**Rita Charter.** I was born and raised as a Chisholm Bluestreak! In 1972, I graduated from Chisholm High School and earned my Bachelor’s degree from Mankato State in 1976. Later, I completed a Master’s degree from the College of St. Scholastica. In the course of almost 40 years, I was blessed every day to work as a job I was passionate about—teaching. To be able to teach at the high school I graduated from was truly a gift; therefore, despite my retirement from ISD #695 in

2014, I went back to work in a classroom setting so that I could stay in touch with my students—the best energy source on the planet! I have been working part-time now for more than three years. When I am not at the cabin on Little Sturgeon, you will find me traveling, at the gym, volunteering or enjoying time with friends and family.

**Jen Gigliotti.** Jen moved to Chisholm in 2014 where she and her husband, Nick, started their careers as physical therapists with Big Stone Therapies in both Chisholm and Hibbing. Jen was born in Kenosha, Wisconsin and attended the University of Wisconsin-Madison for both her undergraduate and graduate degrees. In addition to working as a physical therapist, Jen is also co-owner of one of Chisholm’s newest downtown businesses, 30 West Fitness and Recreation, where she enjoys helping the community reach their health and fitness goals. Jen loves spending time with her family and friends, and especially love the challenge and fun of keeping up with her three kiddos, Farrah (4), Roman (2-1/2) and JoJo (5 months).

**CCF Mission Statement**

The CCF’s mission is to be a steward of funds for innovative and creative projects that are responsive to community and economic development in the areas of social service, education, arts and culture, conservation and historic and environmental preservation.

# Chairman of the Board Report

*Greetings Fellow Investors!*

**“...together we can do so much.”**

The state of the Chisholm Community Foundation (CCF) is strong. The funds we are stewards of total \$2,773,398. Just completing the first grant cycle of 2021, we awarded \$54,208 in grants and \$29,400 in scholarships to graduating seniors from the Chisholm Public Schools.

Like our entire society, the CCF has faced challenges this past year as well. Fundraising activities came to an abrupt halt, yet the Foundation awarded over \$180,000 in 2020 in grants and scholarships. As we recover from Covid-19 restrictions, our mission is to continue working with non-profits to improve the lives of Chisholm and Balkan residents.

On June 26, 2021, the Minnesota Discovery Center will host the Grand Opening of the Redhead Mountain Bike Park (see Insert). July 26th will mark the 25th anniversary of our CCF Golf Outing. We have the capacity to have 36 teams enter this scramble. Please mark the date and put a foursome together! \$100 per golfer buys a round of golf, lunch and dinner following the event at Valentini's. Doc Graham Days is taking place August 4th through August 8th. The St. Louis County Fair also runs August 4th through August 8th. The CCF is planning a burger bash for sometime late this summer or fall. The annual Keyboard Liquor Holiday Party will be held on December 3, 2021 at Valentini's. We are also discussing ideas for an event at the 2022 All Class Re-

union. Preparation continues for additional activities which will put a significant focus on Chisholm as a hub of the Iron Range. With grants and volunteerism from the CCF Board of Directors, the CCF is involved in all these activities.

*Jay Madigan, CCF Chair*

As a final note, please consider donating to the Chisholm Community Foundation. For those that have donated in the past—THANK YOU! For those that continue to donate on an ongoing basis—THANK YOU! And for those who might consider donating in the future—THANK YOU! Every donation helps fund a project or helps a deserving student further their education.

Best regards,

*Jay Madigan, CCF Chair*

**Trivia Question**  
*Who was Chisholm's first girls' volleyball coach?*

After high school, he attended Hibbing Community College and the University of Minnesota, before beginning his career as Account Manager for Ashland Chemical, a division of Ashland, Inc. He was a 15-year member of the Board of Directors for the American Foundry Society, and served as its Chairman in 1998. He is the proud father of Joshua, Jessica and Julia and Grampa to Sam, Ava, Ellie, Vanessa and Josie. **Debbie Randolph.** I grew up in Cherry and graduated from high school in 1973. I moved to Chisholm in 1982 with my daughter, Carrie. My second daughter, Ashlee, was born in 1986. Both of my daughters are Chisholm graduates. I worked at Hibbing Taconite for 24 years and retired in 2018. Since my retirement, I decided to get more involved in our community. My hobbies include fishing, gardening and going to work out at 30 West Fitness.

We have two children, both graduates of CHS and one adorable granddaughter, Tomlin. My husband Bill and I are both retired and enjoy volunteering and spending time at our cabin. For the past three years, I have been very active in the Fairview Range Volunteer Service Organization and currently serve as the fundraising chair. My working career centered around healthcare in many forms. From clinics, mental health centers and hospitals to insurance companies. I have pretty much done it all. This is my second time being on the CCF Board. I am so proud of the work that is done that I was happy to come back and help.

**Travis Vake.** I was born and raised as a Chisholm Bluestreak and I have lived here for my entire life. I love our city of Chisholm and I believe it is the heartbeat of the Iron Range. Currently I am serving on the Chisholm City Council, the Range Center Board, the Chisholm Community Foundation, and the President of the Chisholm Kiwanis Club. I am the proud Uncle of a beautiful niece and two handsome nephews, who I adore and spoil as much as I can. ## Valentini’s Hosts Chisholm Chili Warm Up

Submitted by Jen Gigliotti

This past February, the Chisholm Community Foundation joined forces with Valentini’s Supper Club in a fun, unique fundraiser called the Chisholm Chili Warm-up. We coincided the event with the Polar Bear Days’ event “Sled the City,” allowing folks to “warm-up” after a fun afternoon of sledding in downtown Chisholm.

We divided and conquered by having CCF board members selling tickets and helping out on the sledding hill, as well as folks serving up meal orders for both Covid-friendly curbside and indoor dining. All-in-all, we ended up selling 160 tickets

and raising over \$1,400 for the Chisholm Community Foundation. On behalf of all CCF board members, I would like to thank the staff at Valentini’s for their wonderful collaboration and teamwork in this event with us. As we are nearing the end of spring and welcoming the summer season, we are looking forward to more community involvement and fundraising events that can help us work toward furthering our vision of

stewardship and investment in our wonderful city of Chisholm.
