In the Aggie Pathway to the Baccalaureate Program, our system of five campuses work together to navigate you toward a bachelor's degree - even if you initially don't meet admission's requirements to the university. Aggie Pathway students may transition to the Las Cruces campus after successful completion of:

- 24 credits, in addition to any required developmental courses
- 2.50 cumulative college GPA

Students participating in the Aggie Pathway program can attend academic, cultural and athletic events on the NMSU Las Cruces campus. For more information, see the Aggie Pathway to the Baccalaureate Program website.

The deadline for changing admission status from non-degree to degree seeking is **January 28, 2022**. After this date, students will remain in the non-degree seeking status for the term. The deadline for changing enrollment status from credit to audit or graded to S/U is **January 28, 2022**. NOTE: Students in non-degree admission status are not eligible for financial aid or veterans' benefits.

High School Students

High school students are welcome to take courses at NMSU Carlsbad under the Early Admission or Dual Credit Agreements. Information and forms may be obtained through your counselor at Carlsbad High School, Loving High School, Artesia High School, Jefferson Montessori Academy, Faith Christian Academy or Paradise Academy. This transcript or document must also indicate the date the student completed or graduated from the home school program.

Web Registration

Once admission is complete, students may activate their myNMSU account and register for classes. Log in to <https://my.nmsu.edu> and select "create an account". All holds must be cleared before access to web registration will be given.

Adding or Dropping Classes

Students who wish to add and/or drop a course may do so via the web until the last day of late registration. After late registration, schedule changes must be made in person at the Student Services Office, Room 111.

Withdrawing from the University (all classes)

Students who wish to withdraw from a semester or mini-semester must pick up a withdrawal form from the Student Services Office, Room 111, obtain all necessary signatures and return the form by the deadline. Students may not do a complete withdrawal via the web. Disenrollment is for the current semester only; future registration or readmission is not affected.

All students who withdraw are liable for all debts owed to the university, must finalize and/or clear their accounts with the NMSU Carlsbad Business Office, and may be required to repay all or a portion of financial aid funds. VA and financial aid (grants, loans, work study or scholarships) recipients must contact the Financial Aid

Office prior to making schedule changes. Students sponsored by other programs (WIA, HRDI, etc.) are advised to contact their program coordinators before making schedule changes.

Effect of Schedule Changes on Financial Aid Award

Students who receive grant or loan aid will be required to repay a portion of aid received if:

- they withdraw from the university within the first 60 percent of the semester; or
- stop attending classes within the first 60 percent of the semester; or
- they are enrolled in a mini course which is cancelled before the first day of class.

Residency for Tuition Purposes

Residency for tuition purposes is determined by information you provide on your application to NMSU for admission or for readmission. A continuing student classified as a non-resident who has satisfied the requirements to establish residency may submit a Petition for In-State Residency Tuition Classification along with the required supporting documentation to Student Services Office, Room 111. Petitions must be filed on or before the census date of the semester effective.

An individual must establish legal residency in New Mexico before he or she is entitled to pay in-state tuition rates. The requirements to establish residency for tuition purposes are independent from those of other types of residency such as voting and holding public office.

A brochure that details residency requirements is available from the Student Services Office, Room 111 or from the New Mexico Higher Education Department website.

Who is eligible for residency for tuition purposes?

U.S. Citizens or U.S. Permanent Residents who are financially independent, those that are not claimed by parents or guardians on federal income tax return, and can provide documentation of having resided in New Mexico for the past 12 consecutive months may be eligible to petition for residency for in-state tuition purposes.

The following individuals may also receive a waiver of non-resident tuition and are not required to complete the 12-month duration requirement. Sufficient documentation will be required for each:

- An individual married to a legal resident of NM.

- Spouse and dependent children of a person who has moved to NM and has obtained permanent full-time employment.
- Non-resident members of the U.S. armed forces, and their spouses and dependent children stationed on active duty in NM.
- Active participating members of the New Mexico National Guard and their spouse and dependents.
- A spouse or children of a veteran or the armed forces, provided the spouse or child is eligible for benefits pursuant to the federal Post 9/11 Veterans Educational Assistance Act of 2008 or any other federal law authorizing educational benefits for a veteran and the dependents of a veteran.
- Active service members of the U.S. armed forces who were legal residents of New Mexico prior to entering service may retain their NM residency.
- Individuals, their spouses and dependents who moved to NM for retirement purposes.
- Members of an Indian nation, tribe or pueblo located wholly or partially in NM, regardless of residence.
- Part-time students enrolled for six hours or less during a regular semester.
- During summer sessions, non-residents tuition may be waived according to the institution's tuition policy.
- Texas residents who reside within a 135 mile radius of an institution.
- Colorado and Arizona residents' tuition reciprocity participants selected by eligible institutions based on criteria set by each eligible institution.

change form in the Student Services Office. Address and phone number changes can also be updated by students through their myNMSU accounts. For name changes, documentation (proof of name change) must be submitted along with name change form.

The following information has been designated as directory information and is subject to release to the public under the Buckley Amendment (PL 93-380), “the Family Educational Rights and Privacy Act of 1994” – student’s name, address, telephone listing, date and place of birth, classification, major field of study,

participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, and the most recent previous educational agency or institution attended by the student. Other information regarding disclosure of student data is available in the Office of Student Services in compliance with the Act. Students may complete the Free Application for Federal Student Aid (FAFSA) at <http://www.fafsa.gov>. Links to the FAFSA website and additional information may be found at <http://fa.nmsu.edu/>.

Students may access their student accounts at <https://my.nmsu.edu> to review their student financial aid file status and should take action to complete their files. You may go to <http://fa.nmsu.edu/policies/disbursement-of-funds.html> for details regarding disbursement of funds. Student must consult the Financial Aid Office prior to changing their schedule especially during the add/drop period. At NMSU Carlsbad, students must meet with their Financial Aid advisor to request a student loan. Loan awards require students to be enrolled in a minimum of six credit hours.

All financial aid offers are subject to revision due to changes in policy, law, regulation, errors, changes in funding or the failure of the

student to notify the student Financial Aid office of any other source of funding (such as scholarships, etc.). The student is responsible to repay excess funds that were disbursed due to any of these reasons.

Satisfactory Academic Progress (SAP): Federal regulations require that financial aid recipients meet certain academic standards to be eligible for federal financial aid. Academic transcripts are reviewed each semester. The full policy may be reviewed at <http://fa.nmsu.edu/policies/satisfactory-academic-progress.html>.

VA Benefits: Certification, Verification, and Admission

NMSU Carlsbad courses have been approved for study by veterans and others who qualify for veteran's educational assistance. Processing applications and certifications takes from 4 to 5 weeks and should be initiated well in advance of course registration. Veterans must verify their courses with the VA certifying officials in the Student Services Office, 575-234-9225, each semester for continued certification. The VA toll free number is 1-888-442-4551, or you can visit their website at <http://www.vba.va.gov>.

By enrolling in classes at NMSU Carlsbad, a student makes a financial commitment to pay the tuition and fee charges associated with that enrollment. The enrollment action constitutes a financial obligation between the student and NMSU that all proceeds of this agreement will be used for educational purposes and constitute an educational loan pursuant to 11 U.S.C. § 523(a) (8).

Each month, current term enrolled students with outstanding balances on their accounts receive an email notification from uar@nmsu.edu containing a password secured Student Billing Statement PDF attachment. Password instructions are included on the email sent.

An e-BILL reflects the charges and credits applied to your account as of the date the bill was created.

Statement and Payment History within myNMSU provides direct access to view prior statements, payment history, and account activity that has occurred since your latest billing statement has been published.

Students are responsible for checking their email for electronic bill notification and for making payments on time.

Students also have the capacity of creating Proxy Users within the myNMSU. Proxy Users are typically parents, guardians, spouses or friends that the student wishes to grant access to billing and payment information. Not set up yet? Students can follow these simple instructions for creating a Proxy User.

Campus SaVE Act

NMSU does not tolerate any sexual violence to include partner violence which can be defined as any physical, sexual, or psychological harm against an individual by a current or former partner or spouse of the individual.

Such sexual violence covers domestic violence, dating violence, or stalking. The Campus SaVE Act compliments and is a companion to Title IX and assists with the response to and prevention of sexual violence in higher education. The Act provides a framework for educational institutions to address incidents of sexual violence occurring on-campus, on public property within and adjacent to campus, and at non-campus properties like off-campus student organization housing, campus sponsored events and remote classrooms.

All new students, including Adult Education students, Dual Credit high school students, and non-degree students must participate in training on the Campus SaVE Act. All employees will receive the President's policy on an annual basis. Failure to comply with the training will result in disenrollment from courses or the inability to register for courses and participate on the NMSU campuses. Training will be provided for students at the mandatory New Student Orientation, as well as an online training.

The complete text of this policy will be maintained on the OIE website: <https://equity.nmsu.edu/>

Spring 2022 Final Exam Schedule

- Below is the final exam schedule for the Spring 2022 semester. All regular M/W and T/R classes will adhere to the exam schedule. Exams will be held in the room where the course has met throughout the semester. The instructor may or may not decide to require a final exam; however, the class must meet.
- For all other classes, final exams will be held during the regular class period on the last day of class.
- Weekend classes will meet as usual and are not required to adhere to the Exam Week Schedule. Their final exams will be held during the regular class period on the last day of class.
- Students with exam schedule conflicts must contact instructors before March 10, 2022.
- Any student having more than three (3) exams in any one day should contact the instructor of the last exam listed and ask for alternate arrangements for that exam.
- Faculty are not allowed to hold examinations lasting more than one class period during the last week of regular class. In addition, faculty only can reschedule exams outside of the regularly scheduled exam period with the unanimous consent of the students and with permission of the Chief Academic Officer/Provost. Students who feel that their rights have been violated should contact the Vice President for Student Services.

Additional Course Information

Class Cancellations

NMSU Carlsbad reserves the right to cancel any course. Decisions regarding the cancellation of specific classes may be made as early as the close of the registration period, or as late as the close of the first day of class. Since the major determining factor for cancellations is enrollment, students are strongly encouraged to register early in the registration period.

Schedule Modification/Updates

Information in the Spring 2022 Class Schedule is accurate at press time. If or when changes are made (cancellations, adds, time-date changes, etc.), the changes can be viewed by checking our website at <https://courselookup.nmsu.edu/login.php> Students are urged to check the **ONLINE SCHEDULE** and meet with an academic advisor before registering. It is understood that any item in this publication is subject to modification at any time by proper administrative procedure.

To help you better understand our schedule, we are providing a brief explanation of some of the content. For additional information regarding prerequisites, consent of instructor, S/U grading, etc., please see the course description in our most recent catalog. **Dual credit** classes are classes offered only to Early College High School and High School Dual Credit students. Mirror classes are classes, which are offered as dual credit and therefore must be offered to New Mexico State University Carlsbad students. Mirror classes **will only** be taught should there be sufficient enrollment to constitute a full class; at that time an instructor and day/time will be assigned. This schedule is only current at the moment it is printed and becomes out-of-date as soon as a class is added or canceled. For up to the minute class schedule information, please go to <https://courselookup.nmsu.edu/login.php>. Please note that while page 11 of this schedule does list specific course fees associated with certain courses, it may not be all inclusive as this scheduled is published in advance of the actual courses beginning. Here are some links sites on NMSU's website that will assist you.
