SPRING 2015

Business - Big Dreams Start Here

The Daly City/Colma Chamber of Commerce exists to support and grow business in our local communities. The continued success of this wonderful community depends on a close working relationship between the customers, businesses, community and city government. Gone are the days when a business came to town, set-up shop and joined a local group, simply because it was the thing to do; they would introduce themselves, have a drink and they would assume that their businesses were on the way. At that time, it was the thing to do. Today, it is quite different. It is crucial to stand up and be involved in the larger community. Our Chamber recognizes that just like a good skipper at sea, you should always be on deck looking out for creative ways to enhance and strengthen your business. Your Chamber offers you the implements, strategic partnerships, opportunities,

venues and events in which business leaders can invest their energy, gear up for challenges, and find solutions that bring success. It has become very important to take chances, show initiative, and be creative and innovative. This is what it takes now to define yourself as a business winner. Together we prosper within the local and larger community. I truly believe that the economic development and growth of the entire bay area rests securely on the shoulders of sound business management and growth.

The Chamber provides you with tools to go the extra mile to build and maintain the all-important customer base. The Chamber is your business advocate and partner. Join the Chamber today and give your business the nutritional boost and benefit it deserves. Just a \$99 investment! As a business woman, all my life,

I reflect back on the dues I have paid over the past 54 years. They have been the best investment I've ever made for my business. Being a part of the Daly City/Colma Chamber provides businesses with the opportunity of visibility, advertising and communicating with business owners, civic leaders and to the public. Join today and come to our events, mixers, and other functions. Utilize our business resources, surely find something for every business, and always an offer to help at your disposal.

Since the first of the year, we have had heard from the Mayors of both the City of Daly City and Town of Colma, at our **State of Our Cities Address** event, held at the Colma Community Center on January 29th. Community members, businesses and civic leaders learned about local issues and future

plans. The program was well received and provided important information to attendees while providing a golden opportunity to discuss upcoming plans, opportunities and news. Next, on February 19th was the annual **Major Employers Breakfast and Speakeasy**, which was held at **Renee's Fine Dining in Lucky Chances Casino**. Here panelists provided sought after information on topics of the day, that included Social Media, Comcast Future, Communications, and Transportation. The large gathering of business and civic leaders eagerly took part in the questions and answers period that accompanied the guest panelists. When

From Ashes To The Birth Of A New Church...In Daly City

We watched in disbelief as we watched the intense fire consume our beloved old church and all it meant to us. I had only been the pastor of the church for six months when an accidental fire set us on a thirteen year odyssey that led us to Daly City.

Like many older congregations we had our comfort zones but the crisis made us examine our mission as a church. After much soul searching we committed to being used of God to love and serve the community He would lead us to.

Probate, Wills and Trusts

Need expert help navigating the probate process? Call ROBERT L. FERRIS, your California Probate Attorney for a FREE 30 minute consultation. Attorney ROBERT L. FERRIS has been doing probate and estate planning for over 20 years.

We Make Probate Simple:

- We prepare the Petition and all the necessary court documents and ensure its done properly and on time.
- Most probates do not require a court appearance, but if a court appearance is are necessary we appear for you.
- No upfront legal fees. You only pay the court filing fees, we get paid by the estate when the case is completed.
- We handle probate cases anywhere in California

When Someone Dies:

Sometimes it is difficult to think clearly during the days and weeks following the passing of a loved one. Our free online booklet "HOW HANDLE THE DECEDENT'S AFFAIRS AND UNDERSTAND PROBATE provides a useful guide and checklist of what needs to be done. It can be found on our website: probateattorneysanfrancisco.com

Avoiding Probate:

The cost to probate an estate is based on the value of the estate. A \$600,000 estate (gross value without mortgage deduction) will cost about \$31,600 as follows: attorney fees \$15,000, executor fees \$15,000, and court costs approximately \$1,600. If the estate were valued at \$800,000 these costs would be about \$40,000. A Revocable Trust sometimes referred to as a Living Trust is an estate planning tool designed to avoid probate and thus avoid paying these costly probate fees.

all was said and done, the message resonated much appreciation and worthwhile information received by the guests, who enjoyed a great breakfast as well. It was gratifying to see the camaraderie between the business people of Daly City and Colma. Then, on March 12th, the Chamber did a kick off for its annual **Access to Higher Education Scholarship Program** with a fantastic **Crab Feed** at the Colma Community Center. A delicious fresh crab dinner accompanied by a wonderful Caesar salad from **Steve House's Daly City Outback Steak House**, a great pasta pesto from **Dennis Fisicaro** and his team, along with antipasto, Raymond sourdough bread, plus a wonderful desert and ice cream provided

and eloquently served by the catering team headed by **Annie Chen and Daisy Li** of **Moonstar Seafood Restaurant**. Live music was provided by **George Campi** and an amazing Raffle with many, many prizes completed this fantastic evening. The generosity of the guests for this event, was significantly appreciated. On behalf of the our Chamber, I would like to express our sincere thanks for the exceptional generosity of all those involved that made this event truly an outstanding success.

Coming soon is our **Business Extravaganza and Taste of Our Cities** which will be held at Daly City City Hall on April 23rd, from 4:30 to 8:30pm. **This event is Free to the Public.** There will be much to

see, great networking and definitely food sampling. In addition you will hear prominent people in our community and participate in an on-going raffle for prizes. This is a terrific way for businesses to generate business and learn more about their business community. It is a fine way to spend an afternoon, it offers so much to everyone.

Lastly join the Chamber back at Daly City City

Hall on May 21st, for the **"Scholarship Ceremony"** with our deserving high school graduates. This is always a treasured evening!

So, there you have it. Remember 24/7 for your business needs. Thank you.

Community Outreach

This is our way of giving back to the community we have served for years.

The benefits of Onsite Chair Massage, which has been utilized in the work-place for more than 20 years, has resulted in enormous cost savings, increased productivity, and higher morale. Stress is the number one cause of poor work attendance. Employers pay millions of dollars every year on lost productivity and healthcare costs. Onsite Chair Massage is easy to set up and run, can last any time between 5 - 15 minutes, leaves them feeling refreshed and ready to take on the remainder of their work day, and as it uses no oil, takes place with the employee fully clothed.

The Ins and Outs of Fixer-Uppers

Many buyers consider whether to buy move-in ready or a Fixer. What sets Fixers apart is lower price; because they've been poorly maintained or abandoned.

Determining if a property is a wise investment requires work. You'll need to figure out what the average home in the area sells for, as well as the cost of the most desirable ones. Get a comparative market analysis (CMA) to see what price similar properties sold for and the listing price of those on the market. Remember, a home price that looks too good to be true probably is. Find out why before pouring hard-earned money into it.

Experts suggest novices avoid run-down properties needing extensive work and recommend starting with a property that only needs minor cosmetic work—like paint, new floors, window coverings, landscaping & appliances. It's important to examine the Fixer carefully and figure out how much it will cost to fix any defects or repairs.

When looking for a Fixer, some experts suggest you follow this basic strategy: find the least desirable home in the most desirable neighborhood. Then decide if the expense that's needed to repair is in your budget.

So-called "bad" areas—described as residentially unstable or poor—have offered affordable homeownership for many young, 1st time buyers and low/moderate income families wanting a home to call their own. Whether right for you to buy a Fixer depends on your threshold for risk and level of tolerance. That said, many run-down neighborhoods are experiencing a residential resurgence as an influx of newcomers jump-start what were once staid, unsafe, or depressed areas.

As a Member of the Top 5 in Real Estate Network®, I have a wealth of real estate and homeownership information that may help you. Feel free to contact me any time for this important information, and be sure to forward this article on to any friends or family that may be interested.

Save Energy and Money with a Free Energy Audit

The City of Daly City and Town of Colma has partnered with San Mateo County (SMC) Energy Watch to provide local businesses with free energy audits or assessments that could help save on utility bills, lower maintenance costs, and reduce our impact to the environment. Any small commercial PG&E customer on A1, A6, A10, or E19-v rate schedules can apply for the energy assessment.

How It Works:

1. Sign up for a free energy assessment – With no obligation ever, Energy Watch identifies and provides a recommendation on energy efficiency upgrades and appliances such as lighting, refrigeration, HVAC systems, vending machines, and occupancy sensor updates.
2. Approve the proposal – Energy Watch reviews the proposal with the business including rebates, projected utility bill savings, and any minimal co-pay amount. Installations usually pay for themselves in less than 24 months.
3. Schedule the install and enjoy the upgrades and savings – Energy Watch selects and manages the approved contractor and schedules the job when convenient to the business, performs post-install inspection, handles the rebate paperwork, and pays rebate directly to contractor.

The PG&E rebates generally cover 30-100% of the total cost. The rebate is issued directly to the contractor so the participating business only pays out of pocket for the non-rebated portion of the project cost.

To learn more about the program and to schedule a free audit, contact SMC Energy Watch at (650) 599-1403 or at <http://www.smcenergywatch.com/get-energy-audit>. The SMC Energy Watch program is a partnership between PG&E and the City/County Association of Governments of San Mateo County.

Farmers Insurance, Panos Agency

Panos Insurance Family

Are all insurance agencies the same? No they aren't. So what makes The Panos Insurance Agency different from all the other local insurance agencies in the Bay Area? A lot! First of all we insure over 300 small businesses and restaurants in the Bay Area. The word of mouth regarding our superior customer service from our commercial clients has been spreading! We insure a variety of clients from Gary Danko's to wonderful neighborhood corner taco shops and everything in between. Protecting the future for our clients is our number one goal.

In a nutshell is what sets us apart:

1. We offer Employee Practice Liability insurance in our policies which helps to protect our valued clients from harassment and discrimination issues. We do not broker this out EPLI, it's an option on our policy.
2. We are in the Top 15 for Commercial Insurance across 15,000 agencies in the United States. That's not easy! This means our customer service and pricing is outstanding!
3. We are in the Top 25 for Personal Lines Insurance out of over 15,000 agencies. Why? Because we listen and

help to keep you and your family protected.

4. Our dedicated team all grew up in the Bay Area. We love having our office conveniently located in Daly City. Play the 6 degrees of separation game with us. We bet we know your neighbor, cousin or Aunt Sally!

5. We habla espanol in our office. Yep...have Spanish speaking licensed team members.

6. We want to save you money while keeping your assets protected. We will look for ways to keep your costs down but your protection up.

7. We are funny but take our job seriously and want only the best for our clients.

8. We have a unique approach to insurance and look for gaps in your insurance coverage. Gaps can be very costly and we don't ever want to see our clients uncovered in a time of need.

9. We like people! We will review your policies as often as you want in person. That's our job. Call us today to see if we can save you money!

Nothing feels better to us than protecting your business, your personal assets, and your family from life's mishaps. We value each other on our team at the Panos Insurance Agency and we truly value our amazing and diverse clients! We look forward to meeting you. Please stop in and say hello or grab us at an upcoming Chamber event. We want to protect your tomorrow!

Two years ago we bought the old abandoned Moose Lodge on Mission Street and we are in the process of renovating it into a beautiful community church. We asked then Mayor Canepa what we could do to serve the community. He challenged us to do a street cleanup of Mission. As a result several other churches and over one hundred volunteers invested sweat equity in beautifying the community.

Recently we adopted Susan B. Anthony school so we can help it succeed in its mission to help the children in our neighborhood. Most recently, we decided to support our Daly City Police Department so we served them homemade cookies, Starbucks coffee and thanked the staff for their vital work.

I believe that great cities begin with people being great neighbors to one another. We still need to raise funds and finish our building but we are not waiting to be good neighbors. We join the efforts of the Colma-Daly City Chamber of Commerce in making our communities a wonderful place to work, live and do business.

*I have some cheese ...
Got some wine?*

Q: I had some nice cheese at home and a friend came over. We decided to sit out on the deck and have a bottle of wine with it. IT WAS AWFUL! I had always heard cheese and wine

go together? Where did I go wrong? –Mary Lou

A: Well Mary Lou, you're part right and part wrong. Cheese and wine DO always go together! But, it must be the RIGHT cheese with the RIGHT wine. What we're trying to do is play "go fish". The sizes and flavors and sharpness of the cheese are on one card, and the size, dryness and tannic acid are on the other. Sound confusing? It's not. Let me take it a part a bit.

Big, beefy, dry wines need big sharp, hard cheeses. Conversely, delicate, light, and smooth wines need light, creamy and salty cheese.

Here's a cheat-sheet that might help:

LIGHT CRUMBLY OR CREAMY CHEESE: Brie, Camembert, Chèvre, Feta

> Goes with <

LIGHT WHITE WINES: Albariño, Un-oaked Chard, Chablis, Chenin Blanc, Gewürztraminer, Riesling, Sparkling Wine

SEMI SOFT OR LIGHT HARD CHEESE: Cheddar (young), Edam, Emmental, Gruyère, Havarti, Jarlsberg, Monterey Jack, Manchego

> Goes with <

WHITE: Bordeaux, Burgundy, Chard, Gewürz, Pinot Blanc, Riesling, Viognier

RED: Barbera, Beaujolais, Dolcetto, Merlot, Zin, Yng. Tawny Port, Amontillado Sherry

"BLUE" CHEESE: Cambozola, Gorgonzola, Roquefort, Stilton

> Goes with <

PORT & SHERRY: Tawny, Aged Vintage, Oloroso

HARD CHEESE: Cheddar (aged), Gouda (aged), Gruyère (aged), Asiago, Cheshire, Manchego, Parmigiano, Pecorino, Reggiano

> Goes with <

WHITE: Bordeaux (aged), Burgundy (aged), Champagne (vintage) Rhônes, Riesling (sweet), Viognier

RED: Barolo, Barbaresco, Bordeaux, Burgundy, Cabernet Sauvignon, California Blends, Nebbiolo, Petite Sirah, Rhône Blends, Zinfandel

PORT & SHERRY: Tawny, Vintage, Madeira, Oloroso

IF you had a spread of all these cheeses and were pressed to get only ONE WINE of all of them... A nice bottle of Riesling!
