(Repeat with right paw, left paw, wag tail, pant)

So go Alice go, Boom boom bom  
(Count down 9, 8,...until)  
Alice the Camel has no humps  
Alice the Camel has no humps  
Alice the camel has no humps  
So Alice is a horse

### Alligator

(Repeat Song)  
The alligator is my friend  
She could be your friend too  
If only you would understand  
That she has feelings too  
  
(Chorus)  
Alligator  
Alligator  
Can be my friend, can be my friend, can be your friend  
too

The alligator swims in swamps  
She never walks on dirt  
I'd rather have her as my friend  
Then wear her on my shirt (Chorus)

The alligator laughs and smiles  
She never sings the blues  
I'd rather have her as my friend  
Then wear her on my shoes (Chorus)

The alligator ate my friend  
She could eat your friend too  
If only you would understand  
That she eats dinner too (Chorus)

### Alive, Awake, Alert

### Animal Fair

Went to the animal fair, the birds and the beasts were  
there  
The big baboon by the light of the moon was combing  
his auburn hair  
The monkey fell out of his bunk (clap) and slid down the  
elephant's trunk (whee!)  
The elephant sneezed and fell to his knees  
And what became of the monkey, monkey, monkey,  
monkey, monkey, monkey  
(Sing together, then one side monkeys while other side  
sings, then switch)

### Animal Song

There was a crocodile, an orangutan, an eagle soaring and a  
silver fish  
A bunny, a beaver, a crazy elephant  
Nanananananananananana  
(Repeat, taking away an animal each time)

I'm bringing home a baby bumble bee  
Won't my mommy be so proud of me  
I'm bringing home a baby bumble bee  
OUCH! It stung me

I'm squishing up my baby bumblebee  
Won't my mommy be so proud of me  
I'm squishing up my baby bumble bee  
Eww, it's yucky

I'm licking up my baby bumble bee  
Won't my mommy be so proud of me  
I'm licking up my baby bumble bee  
Ohh, I don't feel so good

I'm barfing up my baby bumble bee  
Won't my mommy be so proud of me  
I'm barfing up my baby bumble bee  
Oh, what a mess

I'm sweeping up my baby bumble bee  
Won't my mommy be so proud of me  
I'm sweeping up my baby bumble bee Oh Hi Mom

## Banjo Song

I loved to play my old banjo  
I played it on my knee  
But now the strings broken down  
It's no more use to me  
I took it to the banjo shop  
To see what he could do  
He said the strings were broken and  
It's no more use to you  
The news it made me sad and grey  
I cried the whole night through  
And then what happened  
I don't know  
My banjo played like new

## Barges

(Chorus)

Barges, I would like to go with you, I would like to sail the  
ocean blue.

Barges, have you treasures in your hold, do you fight with  
pirates brave and bold

Out of my window looking in the night, I can see the barges  
flickering lights  
Silently flows the river to the sea, and the barges do go  
silently (Chorus)

Out of my window looking in the night, I can see the barges  
flickering lights  
Starboard shines green and port is glowing red, I can see  
them flickering far ahead (Chorus)

Out of my window looking in the night, I can see the barges  
flickering lights  
Now is the time when I will soon be gone, and I'll sail with  
barges on and on (Chorus)

Out of my window looking in the night, I can see the barges  
flickering lights  
But I must stay here by my window dear, as the barges sail  
away from here (Chorus)

## Bean Song

## Bear Song

(repeat song, after verse, repeat all together)

The other day  
I saw a bear  
A great big bear  
a way up there

He looked at me  
I looked at him  
He sized up me  
I sized up him

He said to me  
Why don't you run?  
I see you ain't  
got any gun

And so I ran  
Away from there  
But right behind  
Me was that bear

Then up ahead  
I spied a tree  
A great big tree  
Oh, glory be

The nearest branch  
Was ten feet up  
I'd have to jump  
and trust my luck

And so I jumped  
Into the air  
But I missed that  
branch  
A-way up there

Not don't you fret  
and don't you frown  
'Cause I caught that branch  
on the way back down.

That's all there is  
There ain't no more  
Unless I meet  
That bear once more

## Beaver Song

Beavers one, beavers all, let's all do the beaver call  
Chomp, chomp, chomp, chomp  
Chomp, chomp, chomp, chomp  
Beavers two, beavers three, let's all climb the beaver tree  
(chomps)  
Beavers four, beavers five, let's all do the beaver jive  
(chomps)  
Beavers six, beavers seven, let's all go to beaver heaven  
(chomps)  
Beavers eight, beavers nine, STOP, it's beaver time! (chomps)

## Birdie Song

Way up in the sky  
The big birdies fly  
While down in the nest  
The little birds rest  
With a wing on the left  
And a wing on the right  
The little birds sleep  
All through the night  
Shhhh. They're sleeping  
(Shout) The bright sun comes up  
The dew falls away  
'Good Morning, Good morning'  
The little birds say Chirp.

## Birds in the Wilderness

Here we sit like birds in the wilderness  
Birds in the wilderness, birds in the wilderness  
Here we sit like birds in the wilderness  
Waiting to be fed

## Black Socks

Black socks they never get dirty  
The longer you wear them the blacker they get  
Someday, I'll probably wash them  
But something keeps telling me  
Don't do it yet  
Not yet, not yet, not yet  
(Sing together, then one group sings while the  
others "not yet," then switch)

## Blue Bottle

I have a little present here for you  
inside this tiny bottle so very small and blue.  
Please do not uncork it, simply put it on away  
for inside there lies a summer's day.  
Put it on away.

Now I'd be pleased if you didn't ask  
why I gave this gift to you  
Don't know myself, did it on a whim  
as the thoughts came running through.  
Please do not uncork it, simply put it on away.  
Just thought you'd like your own summer's day.  
Put it on away.

Now, can you read the writing on that tiny bottle's wall?  
I know it's quite small, but I can read it all.  
It says: "She who is reading this is standing right by my  
side,  
and might be sort of interested at what lies inside:

"There'll be one breath from a butterfly  
and one ray from the sun  
and lots and lots of laughter from little children's fun.  
Please do not uncork it, simply put it on away,  
For inside there lies a summer's day. Put it on away."

## Boa Constrictor

I'm being swallowed by a boa constrictor  
I'm being swallowed by a boa constrictor  
I'm being swallowed by a boa constrictor  
And I don't like it at all  
(repeat)  
Oh no, he's got my toe  
Oh gee, he's up to me knee  
Oh my, he's reached my thigh  
Oh fiddle, he's up to my middle  
Oh heck, he's up to my neck  
Oh dread, he's swallowed my mrph

## Boogie Woogie Washer Woman

*Sing to the tune of Boogie Woogie Bugle Boy*  
Way down yonder where nobody knows,

With a scrub a dub here and a scrub a dub there  
The boogie woogie washer woman washes her clothes  
Skiddlee op bop boogie woogie Skiddlee op bop boogie

The boogie woogie washer woman washes her clothes, Yeah!

## Boom Boom Ain't It Great to Be Crazy

(Chorus)  
Boom, boom, ain't it great to be crazy  
Boom, boom, ain't it great to be nuts like us  
Silly and foolish the whole day through  
Boom, boom, ain't it great to be crazy

A horse, a flea, and three blind mice  
Sat on the curb stone shooting dice  
The horse he slipped and fell on the flea  
"Whoops" said the flea, "there's a horse on me"

Way down south where bananas grow  
A flea stepped on an elephant's toe  
The elephant cried with tears in its eyes  
"Why don't you pick on someone your size?"

Way up north where there's ice and snow  
There lived a penguin and his name was Joe  
He got so sick of black and white  
He wore pink socks to the dance last night

So I'll take it out and put it on  
It's a great big Brownie smile

(Chorus)  
Barum-barum-ba bubble gum. Barum barum-ba bubble

(chorus)  
My mommy gave me a five, she told me to stay alive, but I  
didn't stay alive, I choked on my bubble gum

## Buffalo Song

Across the windswept desert  
Where nature knows no man  
A buffalo spied his brother  
a-lying in the sand  
said the buffalo to his brother,  
what makes you lie that way?  
But the buffalo did not answer,  
He's been dead since way last May.  
Since way last May.

## Bungalow Song

Let's build a bungalow big enough for two

If you'll be M-I-N-E mine, I'll be T-H-I-N-E thine

You are the B-E-S-T best of all the R-E-S-T rest  
And I'll L-O-V-E love you all the T-I-M-E time

Kissin' in the moonlight, whoo hoo

He just got back from the army  
I hear he knows how to wear a rose  
Hip, hip, hooray for the army

## CIT 2 Song-2007

There's some cabins by the beach  
where all your dreams are within reach  
and all your wishes can come true,  
if you just believe in you

Although your stay may not be long,  
we'll still miss you when you are gone.  
Summers may come and go,  
but this for sure we'll always know:

\*\*You can come to camp and be who you want to be.  
You can come along and be best friends with me.  
And when you're all grown up, you'll see  
camp was really the place to be.

Teachers may come and go,  
but counselor will stay and grow  
and make a difference; we all know  
camp is a never-ending show.

CITs will dry your tears.  
CITs will ease your fears.  
CITs owe a lot  
to whom which we were taught.

Come, come once more together  
Now is the time we sing farewell  
Come, come once more together  
Now is the time we sing farewell

There are songs of strength that move us forward  
Songs that lead our chorus well  
There are songs of peace and hope and laughter  
Songs that bid a sad farewell (Chorus)

What a precious gift it is  
Once we were strangers now we are friends  
Sing with me and hold this moment  
Close to your heart 'till we meet again (Chorus)

## Cootie Song

I woke up Sunday morning  
I looked upon my wall  
The cooties and the bed bugs  
Were playing a game of ball

The score was six to nothing  
The cooties were ahead  
The bed bugs hit a home run  
And knocked me out of bed

(Chorus)  
Singing E-ne-me-ne and a Mi-ne-mo  
Catch a witter-wafter by the toe  
And if he holler-holler-hollers, let him go

I went down stairs for breakfast  
I ordered bacon and eggs  
I ate so many pickles  
The juice ran down my legs (Chorus)

The cow song  
(Replace with other animals/sounds)

## Crocodile Song

Oooh, she sailed away on a bright and sunny day on the  
back of a crocodile  
"You see," said she, "He's as tame as he could be. I'll ride  
him down the Nile!"  
But the croc winked his eye as she waved them all good-  
bye, wearing a happy smile  
At the end of the ride, the lade was inside, and the  
smile was on the crocodile

## Daisy

I got a daisy on my toe  
It's not real, it does not grow  
It's just a tattoo of a flower  
So I look perdy in the shower  
It's on the second toe of my left foot  
A stem and flower it has no root  
'Cuz that don't look good  
I got a daisy on my toe  
My left foot loves my right foot so

## Do Your Ears Hang Low

Do your ears hang low

soldier  
Do your ears hang low

Have you ever been to the moon  
Sliding down the Lunar dunes  
Martians will be coming soon

Donkey riding, donkey riding  
Hey Ho, away we go  
Riding on a donkey

Have you ever been to the sea  
Swimming with the Manatees  
A shark is coming after me

Climbing on the Mountains tall  
Oh my gosh, I'm going to fall!  
Riding on a donkey (Chorus)

Have you ever been to camp  
Where it's always nice and damp  
Up and down the trails we tramp  
Wish we had a donkey! (Chorus)

## Doughnut Song

Well I walked around the corner and I walked around the block  
And I walked right into a doughnut shop  
And I scooped two doughnuts right out of the grease  
And I handed the lady a five-cent piece  
Well she looked at the nickel and she looked at me  
And she said, "This nickel is no good you see,  
There's a hole in the middle and it goes right through"  
I said, "Lady there's a hole in your doughnuts too"  
Thanks for the doughnuts, good-bye

## Down by the Bay

Down by the bay, where the watermelon grows

## Bear combing his hair

## Ant climbing a plant

## Mouse building a house

## Pig wearing a wig

## Dreams

May all of your dreams bloom like daisies in the sun. May you always have stars in your eyes.  
May you not stop running, not until your race is run, and may you always have blue skies.

A dream is something you can make to keep within your heart,  
to build on when you're glad or when your world's been torn apart.

A dream is something all your own that no one else can steal.

A dream is something you can make come real.

You can share a laugh with any stranger you may meet  
You can share your money with a beggar on the street.  
But you can only share a dream when love has set it free.

Please, won't you share your dream with me?

## Duck on a Limb

Oh a duck can't sit on a limb  
Cause he doesn't have wings on his feet  
And a bird can't swim in the sea  
Cause he doesn't have a waterproof  
Doesn't have a waterproof  
Doesn't have a waterproof seat

## Dum-Dum-Dada

Dum-Dum-Dada

## Give Yourself to Love

(Chorus)

You must give yourself to love If love is what you're after  
Open up your heart to the tears and laughter  
And give yourself to love, give yourself to love

Kind friends all gather round, there's something I must say  
What brings us together here has blessed us all today  
Love has made a circle that holds us all inside  
Where strangers are as family and loneliness can't hide  
(Chorus)

I've walked these mountains in the rain, I've learned to love  
the wind

I've been up before the sunrise, to watch the day begin  
I always knew I'd find you, though I never did know how  
But like sunshine on a cloudy day, you stand before me now  
(Chorus)

Love is born in fire, it's planted like a seed  
Love can't give you everything, but it gives you what you  
need

Love comes when you're ready; love comes when you're  
afraid

It'll be your greatest teacher, the best friend you have made  
(Chorus)

God bless my underwear, or I'd be bare

Once upon a time in a cottage in the woods  
There lived three bears, cha, cha  
One was a mama bear and one was a papa bear  
And one was a wee bear, cha, cha  
One day they were walkin' in the deep woods  
A talkin' when along, along,  
Along came a little girl with golden hair  
And upon the door she knocked  
But no one was there, no one was there  
So she walked right in, had herself a ball  
Home, home, home came the three bears  
Someone's been eating my porridge said the papa bear.  
Grrrr!  
Someone's been eating my porridge said the mama bear.  
Ooooooh!  
Hey ba ba re bear, said the little wee bear  
Someone has broken my chair (Crash!)  
Just then Goldilocks woke up  
Broke up the story and she beat it out of there  
Bye, bye, bye, bye said the papa bear  
Bye, bye, bye, bye said the mama bear  
Hey, ba bare bear, said the little wee bear

## Hawaiian Punch

(Brady Bunch Theme)  
Here's the story of a lovely apple  
Who was bringing up three very lovely fruits  
All of them had stems of green like their mother  
The youngest one a grape

Here's the story of a handsome pineapple  
Who was bringing up three fruits of his own  
They were four fruits, living all together  
Yet they were all alone

'Til the one day when the apple met the pineapple  
And they knew it was much more than a bunch  
That this group must somehow form a beverage  
That's the way they all became Hawaiian Punch  
Hawaiian punch, Hawaiian punch!  
That's the way they all became Hawaiian punch

Have you ever been fishin’ on a hot summer’s day  
Sitting on the fence and the fence gave away

And all the little fishies do the hoochie-coochie dance  
You never did, and you never will

Have you ever gone swimming on a hot summer’s day

And all the little fishies do the hoochie-coochie dance  
You never did, and you never will

## Hippopotamus Smile

What can make a hippopotamus smile  
What can make her walk for more than a mile  
It’s not a paper party hat  
Or candies that will make her fat  
That’s not what hippos do

(Chorus)

What do they do?  
They ooze through the goose without any shoes  
They wade through the water ‘til their lips turn blue  
That’s what makes a hippopotamus smile

What can make a hippopotamus smile  
What can make her walk for more than a mile  
It’s not tune on an old violin  
Or listening to the whistling wind That’s not what hippos  
do  
(Chorus)

What can make a hippopotamus smile  
What can make her walk for more than a mile  
Not sliding down a slippery slide  
Or going for a bicycle ride  
That’s not what hippos do

What do they do?  
They ooze through the goose without any shoes  
They wade through the water ‘til their lips turn blue  
That’s what makes a hippopotamus  
That’s what makes a hippopotamus  
That’s what makes a hippopotamus smile

All over this land, ooh ooh ooh ooh ooh

## Inspire Me

When I was a little bitty baby sittin' on mama's knee  
I looked around to see just what the future had in store  
for me  
I needed to see women who were living without limits  
I needed to see women making history

\*\*So I said

Give me a woman who can climb the tallest mountain  
Give me a woman who can swim across the widest sea  
Women need women who led lives of boldest daring  
Tell me their stories they inspire me

When I was a young teenager reading my *Seventeen*  
I looked around to see just what the future had in store  
for me  
Women in those fashion mags were too small for my  
dreams  
I needed to see women just as big as me

Now that I'm a full grown woman living in society  
I look around to see just what the world still has in store  
for me

I need to see women who are shooting like the comets  
So I can spread my own stardust 'cross the galaxy  
Tell me your story you inspire me

## Jeep Song

Oh I was born one night one morn  
When the whistle went toot toot (toot toot)  
You can fry a cake or bake a steak  
When the mud pies are in bloom  
Does six plus six make nine  
Does ice grow on a vine  
Is old man Joe an Eskimo  
In the good old summer time  
Oh...loop-de-loop in your noodle soup  
Just give your socks a shine  
I'm guilty judge I ate the fudge  
Three cheers for Auld Lang Syne  
I cannot tell a lie, I hacked an apple pie  
It's on a tree beneath the sea  
Above the bright blue sky  
Oh...if Easter eggs don't wash their legs  
Their children will be ducks (quack, quack)  
I'd rather buy a lemon pie for 47 bucks  
Way down in Barcelona  
I jumped into the Fonio  
But that was all bolognio  
Pateroski blow your horn (toot toot)

All through my pipes

## Noble Duke of York

The noble Duke of York  
He had ten thousand men  
He marched them up a hill and then he marched them  
down again  
Now when you're up you're up  
And when you're down you're down  
And when you're only half way up  
You're neither up nor down

## Oh How Lovely is the Evening

(Round)

Oh how lovely is the evening, is the evening  
When the bells are sweetly ringing, sweetly ringing  
Ding dong, ding dong

## On My Honor

\*\*On my honor, I will try.

There's a duty to be done and I say "aye."  
There's a reason here for a reason above.  
My honor is to try and my duty is to love.

People don't need to know my name.  
If I've done any harm, then I'm to blame.  
If I've helped another, then I've helped me,  
If I've opened up my eyes to see.

I've tucked away a song or two;  
When you're feeling low, there's one for you.  
If you need a friend, then I will come,  
And there's many many more where I come from.

Come with me where the fire burns bright;  
You can even see better by a candle's light.  
You can learn much more from a campfire's glow  
Then you'll ever learn in a year or so

We've made a promise to always keep,  
and we pray softly falls before we sleep.  
We'll be Girl Scouts together and when we're done,  
we'll still be a-workin' and a-singin' this song

## On the Loose

\*\*On the loose to climb a mountain On the loose where I am free

On the loose to live my life the way I think my life should be  
For I only have a moment, and the whole world yet to see  
I'll be looking for tomorrow on the loose

Have you ever seen a sunrise turn the sky completely red?  
Have you slept beneath the moon and stars-a pinebough for your head?

Have you ever sat a talked with friends, though a word was never said?

Then you're like me and you've been on the loose.

There's a trail that I've been hiking just to see where it might go

Many places yet to visit, many people yet to know.

And in following in my dreams, I will live and I will grow on a trail that's waiting out there on the loose.

So in search of love and laughter, I'll be traveling 'cross this land

Never sure of where I'm going for I haven't any plan.

And in time when you are ready, come and join me, take my hand,

And together we'll live out life on the loose.

In this world that I am traveling I will think of you each day  
Remembering your smile, for it seems like yesterday  
That we sat beneath the stars, and we dreamed about today  
We've come together and we are on the loose

## On Top of Spaghetti

On top of spaghetti, all covered in cheese  
I lost my poor meatball when somebody sneezed  
It rolled off the table and onto the floor  
And then my poor meatball rolled out of the door  
It rolled in the garden and under a bush  
And then my poor meatball, it turned into mush  
But then the next summer, oh wonders  
I see My poor little meatball grew into a tree  
The trunk was all covered in beautiful moss  
It grew lovely meatballs and tomato sauce

## Pickin' Flowers

(Chorus)

Pickin' flowers in the rain and laughin' in the sun  
We try to teach 'em how to live by themselves and  
Still get things done

Gonna be a counselor at a summer camp, gonna find out what it's about.

Little eyes are gonna look up at you, and little hands will reach out. (Chorus)

Days are long and nights are short and the pay is so small.  
And we don't know if what we say really sinks in at all.  
(Chorus)

Build a fire or dig a trench, sharpen an ax with whetstone.  
And maybe next time when we're not there they can do it alone. (Chorus)

And sometimes when things don't work out right and we think we're all flops.

They look at us and they smile at us and they ask us not to stop. (Chorus)

And when it's all over and it's time to leave we'll just sit and think:

what parts of us do they take along and what parts of them do they leave? (Chorus)

So that's why I'm here at this summer camp, and I hope you feel the same way.

There's a lot to get, but a lot more to give, and I hope you're here to stay. (Chorus)

Sandwiches are beautiful,  
Sandwiches are fine.  
I like sandwiches, I eat them all the time;  
I eat them for my supper and I eat them for my lunch;  
If I had a hundred sandwiches, I'd eat them all at once.

I'm a roaming and a rambling  
And a wandering along,  
And if you care to listen,  
I will sing a happy song.  
I will not ask a favor  
And I will not ask a fee,  
But if you have yourself a sandwich  
Won't you give a bite to me? (Chorus)

Once I went to England, I visited the Queen,  
I swear she was the grandest lady  
That I've ever seen.  
I told her she was beautiful  
And could not ask for more,  
She handed me a sandwich  
And she threw me out the door. (Chorus)

A sandwich may be egg or cheese

Any kind will do. I like sandwiches,  
How about you? (Chorus)

## We Can Make a Difference

By the width of our smiles,  
People know we are there  
By the depth of our love,  
We show others we care  
We can make a difference, you and I  
We can make a difference if we try

For as much as we give,  
People know we are there  
For as long as we live,  
We show others we care  
We can make a difference, you and I  
We can make a difference if we try

Not a minute to lose,  
People know we are there  
And the hour has come,  
We show others we care  
We can make a difference, you and I  
We can make a difference if we try

When our love multiples,  
People know we are there  
When we add to their lives,  
We show others we care  
We can make a difference, you and I  
We can make a difference if we try
