

# Fourteenth Sunday in Ordinary Time

“Go on your way;  
behold, I am sending you  
like lambs among wolves.”

Luke 10:3

St. Frances Cabrini Parish, Allen Park MI

## Weekend at Birney's

### Welcome Fr. Adam Nowak!

I would like to extend a warm Cabrini welcome to Fr. Adam, our new Associate Pastor. Fr. Adam was one of three new priests ordained for the Archdiocese of Detroit June 8 at Blessed Sacrament Cathedral. His

assignment at St. Frances Cabrini will be for three years. For the next two years, he holds the distinction of being the youngest priest in the Archdiocese of Detroit ... plenty of fodder for me to remind him of ... from time to time! Please pray for Fr. Adam, Fr. Steve and myself, so that we can be priests according to the heart of the Good Shepherd.

### Final Festival Report

As I had previously shared with you, the Festival this year was blessed to realize a record profit! Now that all the invoices have been paid, I can report our final numbers.

Let the record show, that for 2019, the St. Frances Cabrini Festival profited---\$180, 863!!! Compared to the previous two years (2017 - \$133,951; 2018 - \$131,665), we hit a grand slam!

Thank you to our many volunteers, chairpersons, Mother Nature and participants. All are deserving of a tremendous job well done! I am already looking forward to 2020!

### Clarification on Petitions to End Dismemberment Abortion

'A citizen's initiative petition drive to prohibit the dismemberment abortion procedure in Michigan has now be-

gun. Dismemberment abortion is a particularly gruesome procedure that deserves no place in civilized society. It involves tearing a live baby apart limb by limb inside the womb and individually removing each of its body parts. In 2018, it was reported that Michigan had 1,908 dismemberment abortions, which is 7.1% of the state's 26, 716 abortions reported that year, and 54.4% of all abortions reported after 13 weeks gestation.

At present, 12 other states have passed bans on this procedure. The goal of the petition is to gather 400,000 signatures throughout the summer/fall. Once they are approved, the Legislature will have 40 days to vote yes or no. If a simple majority in both chambers approves the bill, it becomes law without needing the signature of the governor. If the vote fails in this regard, it becomes a ballot question in 2020. The governor's promise to veto the legislation has been the impetus to pursue the citizen-initiated legislative petition drive.

### Michigan Values Life Petition

This petition drive, operating under the committee named *Michigan Values Life*, is organized by *Right to Life of Michigan* and ***IS SUPPORTED*** by Michigan Catholic Conference (MCC). Michigan Catholic Conference, founded in 1963, serves as the official voice of the Roman Catholic Church in Michigan on matters of public policy. The Catholic Bishops of Michigan serve as the Board of Directors on MCC.

The *Michigan Values Life* citizen's petition would amend the state's active 2011 law that bans the partial-birth abortion procedure. Using this approach, it is likely that the dismemberment ban will be determined to be constitutional.

The dismemberment ban poses no threat to Michigan's

Hi, I'm Fr. Adam Nowak, and very excited that Archbishop Vigneron has assigned me as Associate Pastor of St. Frances Cabrini. I grew up in the Downriver area, having attended school at St. Pius X, in Southgate, and Christ the Good Shepherd, in Lincoln Park, before graduating from Woodhaven-Brownstown schools, so I'm a little familiar with Cabrini. In fact, during seminary I'd often pray my holy hour in the Mother Cabrini Chapel. I'm the middle of three, I have an older sister and a younger brother, and I have three little nieces whom I love dearly. My parents still live in Brownstown and both my siblings are still in the Downriver area.

My home parish is St. Cyprian and my internship parish was Holy Trinity in Port Huron. Before entering seminary I received my degree in psychology and religious studies from the University of Detroit Mercy and was the youth minister at my home parish. I love working with young people! I've been blessed to go on a number of mission trips, at home and abroad, and the Lord has definitely given me a heart for missions. I'm really looking forward to being at Cabrini and seeing how the Lord is going to use me on my new mission here.

Please don't hesitate to stop me and introduce yourselves! Even though I'm not the best at remembering names, I'll try my hardest! Please pray for me during this new transition in my life and be assured of my prayers for all of you. I look forward to meeting you! God bless!

We'll update our total next week.

Donations of gently used clothes and shoes can be dropped in our blue St. Vincent de Paul donation boxes located next to Holy Family Hall.

**Please do not place household items (glassware, pots, pans or knick-knacks) or furniture inside or around the boxes.**

And, please, if bins are full, consider taking your donations to the mission boxes at the Knights of Columbus on Champaign, or Joe's Carpet, on Racho Road in Taylor - he has a St. Vincent de Paul bin in front of the store.

Until recently, household items and furniture, such as end tables, dressers and sofas, could be dropped off at our Lincoln Park Store. Unfortunately, this store been closed. If you have household items, furniture, and/or large bags of used clothing, please contact our Donation Department at 313-672-7822, or (1-877-St VINCE) to arrange a pick-up.

Your donations are critical to the support of local families in need - many who are struggling to make ends meet and rely on basic needs assistance programs provided through the Society of St. Vincent de Paul.

complete abortion ban because it does not ban abortion. It bans a specific abortion procedure. For more information visit the *Michigan Values Life* committee website: [michiganvalueslife.org](http://michiganvalueslife.org)

There is a second petition that has been initiated to ban any abortion after cardiac activity is detectable (approximately 6-8 weeks of gestation). While the intent of this legislation is honorable, there is cause for concern. It could weaken and potentially supersede Michigan's existing ban on all abortions. Preserving Michigan's existing ban on abortion is of paramount concern, as this law already protects all unborn children, once a heartbeat is detected and even prior to its detection. Additionally, the petition language does not take into account Michigan Law and its many abortion restrictions, such as the limitation that only licensed physicians can perform abortions. As a result, the proposed language has the potential to also overturn other important protections within state law. For these reasons, ***MCC DOES NOT SUPPORT*** the initiative from the Michigan Heartbeat Coalition.

Michigan's unique situation, with its long-standing ban on abortion, requires that any pro-life legislation be carefully evaluated to ensure that it will not weaken or repeal the state's existing ban on abortion. Michigan has the longest existing and, some say, the strongest pro-life law in the country. Since 1846, Michigan law has banned all abortions. The state's most current abortion ban went into effect in 1931, providing exception only to save the life of the mother. Following the U.S. Supreme Court's *Roe v. Wade* decision in 1973, the 1931 ban was upheld by the Michigan Supreme Court, within the parameters of *Roe*, and continues to ban abortions post-viability. Therefore, Michigan's complete ban on abortion will go back into effect when *Roe* is overturned.' - Michigan Catholic Conference ([micatholic.org](http://micatholic.org))
