Spiritual Bouquet Cards for Father's Day Novena

Remember your beloved father, grandfather, or any special man, living or deceased, with a Father's Day "Spiritual Bouquet." The Mass Intentions

for **Sunday, June 20th through June 28th** will be for fathers and significant men who have touched our lives. **Envelopes to purchase a spiritual bouquet offering will be available in the parish hall June 6th through June 16th.** The offering envelopes will be placed on the Altar for all Masses June 20th through June 28th.

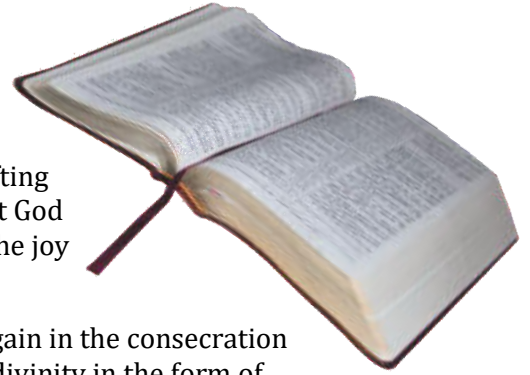

The Family Fully Alive program was launched in our parish in December. The Family Fully Alive program ask families to invite God into their homes and cultivate each family as a miniature domestic church. Each month a new theme, scripture readings and family activities are presented in the program booklet. For the month of June, the theme is **Self-Giving Love**. The form of

marital and family love is given by God himself, who is love. The Christian family, the domestic church, has been entrusted with the irreplaceable vocation of being the first school of human and divine love. Scripture readings for the month are Psalm 119:1-3, 9-12, 33-38, 105-108. The family activity for the month - An important part of love consists in doing things out of love for others, even things that we may find unpleasant. To encourage these little sacrifices, research and make sacrifice beads (also known as "good deed beads"), inspired by a practice that St. Therese of the Child Jesus used to do when she was a child. Sacrifice beads are essentially a way of helping the family look for opportunities to make little offerings of love to God through small acts of self-giving service. Additional booklets are available in the Parish hall.

This Week's Reflection...

When the readings are proclaimed to us at Mass we are hearing not the words and voice of the reader, we are hearing the words and the very voice of God speaking to us. God is pulling back that veil that separates heaven and earth and sharing his word with us. He is instructing us, admonishing us, uplifting us, and guiding us by his Holy Words. He is lifting that veil between heaven and earth so that we can get a glimpse of what God has in store for us and so that he can soften our hearts and fill us with the joy that we will experience when we meet Him face to face.

And then we see the Priest, in the person of Christ, pull back that veil again in the consecration of the Eucharist. Jesus himself comes to us fully, body, blood, soul and divinity in the form of bread and wine. Talk about a supernatural experience, talk about the veil between heaven and earth being pierced! Not only does he become present for us he allows us to consume him and take him into our very body. If this isn't a joyful experience I don't know what is.

And that joy is not meant to be kept to ourselves. When we encounter holiness and joy at the Mass we are called, like the Apostles, to go out and share that holiness and joy with others.

So are we experiencing this lifting of the veil at Mass? Are we paying the Lord homage? Are we filled with great joy at hearing God's word and receiving His body, blood, soul and divinity in the Eucharist?

NEW GUIDELINES FOR COVID-19 PANDEMIC

On May 22, 2021 the general dispensation from the obligation to attend Sunday Mass expired in the Archdiocese of Atlanta.

There are some exceptions for certain circumstances which are outlined below.

In light of the CDC's most current update, those who are fully vaccinated are not required to wearing masks in church. However, the Archdiocese of Atlanta will continue to recommend masks at Masses. Those who are not vaccinated should still wear a mask. People should maintain a reasonable healthy space between themselves and others who are outside of their families. We will continue to broadcast all Masses to cars in the parking lot.

While the general dispensation is removed, there are specific persons for whom the dispensation will, for the time being, still be applicable, as well as persons for whom there is no obligation in the first place according to the norms of canon law. One does not have an obligation to attend Mass on Sunday or a holy day of obligation in the following circumstances:

1. You are ill or you have a health condition that would be significantly compromised if you were to contract a communicable illness (i.e., you have underlying conditions or are in a high-risk category). Please use the dispensation and do not attend Mass.
2. You are experiencing flu-like symptoms.
3. You have been exposed to someone who has tested positive or you have reason to think you might be asymptomatic of a contagious illness.
4. You care for the sick, homebound, or infirm.
5. You are pregnant.
6. You are 65 years of age or older (per the CDC's recommendation of high-risk individuals).
7. You cannot attend Mass through no fault of your own (e.g., no Mass is offered, you are infirm, your ride did not show up, the church was at capacity).
8. You have significant fear or anxiety of becoming ill by being at Mass.

For questions about how these might apply to you, please contact our pastor. These categories will be reviewed in due course and revised as needed.

Persons legitimately dispensed from the obligation to attend Mass are still to observe the Lord's Day by participating in a broadcast of the Sunday Mass or by spending time in prayer or meditating on Scripture, either individually or as a family.

We cannot live without the Eucharist, and the Church is not fully alive without its congregation.

Invite a friend or family member to bring their life back to Jesus at the Mass. It doesn't matter how long

they have been away or the reason. Now's the time to encounter God in the special way He has designed for worship and thanksgiving. The Mass is where we come before God to take part in the miracle of the Eucharist and be strengthened by it to carry out our unique mission.

Share the "Meet Me at Mass" invitation! Surrounded by our parish community, we rejoice together where God becomes present to each one of us in an intimate and real way. Gospel Meditation for The Most Holy Body and Blood of Christ

As our world faces so much turmoil and change, it is now more important than ever to remember who God is, who we are and where we are going. It is easy to get distracted and lose focus, especially when we are being pulled in so many directions. We can not only lose sight of God but one another. Maintaining our well developed and mature relationships with God and one another is essential to continuing to live, healthy, happy, and focused lives. In a message to young people, Pope Benedict XVI said, “the happiness you are seeking, the happiness you have a right to enjoy has a name and a face: it is Jesus of Nazareth, hidden in the Eucharist.” What is true for those who are younger is even truer for those who are older. Regardless of how the particulars of life change over time, human beings are still hard-wired to seek the fullness of life and happiness. How we embark on this journey and what we choose along the way will indicate whether we meet success.

There is so much brokenness and pain in our world. Many people are lost, feeling lonely, anxious, marginalized, victimized, isolated, oppressed, and abused. Every time we receive the Body of Christ, we have an opportunity to become what we eat. The power and presence of Christ in the Eucharist becomes present in us and effects change in ourselves and in the lives of those we meet. We are given the grace to become temples of justice and peace, carrying God’s sacred Presence within us wherever we go. Our faith community is ignited with the fire of God’s love and stands out as a beacon of hope in a world that is lost. This is the only way we can discover peace-filled resolutions to violence and create innovative solutions to what is fueling its need in the first place. True happiness, for the young and old alike, becomes an obtainable goal.

St. John Maria Vianney says it so well. “There is nothing so great as the Eucharist. If God had something more precious, he would have given it to us.” Only the Eucharist has the ability to connect, sustain, strengthen, and properly orient us, not only on the road of this life but the road to life eternal. Knowing this, when life gets challenging, unsettling, and difficult, we can rely on and cling to this gift we have in the Real Presence of Christ. This actual encounter with God celebrates God’s unconditional love for us and grounds us to the truth of who we are in a way nothing else is able to do. Because through the Eucharist we really do become the Body of Christ, we are also bonded together in a most perfect way to one another as that Body. Nourished, united, and strengthened by the Eucharist, let us individually and collectively, bring this wonderful gift to all we meet, especially the poor with whom we have a special connection.
