A MESSAGE FROM YOUR PASTOR

Dear Parishioners,

By now everyone should know that we will be installing our new sound system for the church the first two weeks of August. **During those two weeks, the two weekday Masses (6:30 and 8:00 a.m.) from Monday through Friday and the Saturday 8:00 am Mass will be celebrated in the Parish Hall. Our weekend Masses will be celebrated in the Church - beginning with the 5:00 p.m. Saturday Mass. Funeral Masses will be held either in the Parish Hall or at the funeral home.**

We will not have the Sacrament of Reconciliation on the first two Tuesdays (4-5 p.m.) of August. Reconciliation will be available on Saturdays from 3:30-4:30 p.m. in the church. Also, we will not have Eucharistic Adoration during the two weeks of the new sound system installation.

Hopefully this major project will vastly improve the sound in our church. This has been a problem since the church was constructed. The company that is installing the sound system has guaranteed that wherever people sit in the church, the sound will be intelligible to them.

I appreciate everyone's patience during this time of installation and hopefully it will have been worth the inconvenience.

God Bless,

Mmgr. Callahan

Adoration of Our Lord

God is in this holy place (ant)

This place (our Church) is holy because God is here. Visit Him.

There are limited days and hours of exposition, but Our Lord remains with us in the tabernacle day and night. **There is always a need for faithful committed adorers.** For more information please contact Sharon at 636 447-3673 636-284-4314 or Matt at 636-448-7786 ADOREHISREALPRESENCE@charter.net

PRAY FOR PRIESTS

“O Holy Mother of God, pray for the priests your Son has chosen to serve the Church... Make them models of virtue in the service of God's people. Help them be pious in meditation, efficacious in preaching and zealous in the daily offering of the Holy Sacrifice of the Mass. Help them administer the sacraments with love and joy.”

St. Charles Borromeo

Please pray for all priests and holy vocations.

New summer reads available for only \$5 each!

New \$5 each - "Life Lessons"

In this great short read for summer, popular author and presenter Patrick Madrid draws Life Lessons from the many interesting, funny, instructive, and poignant experiences of his life. These Life Lessons will inspire you to look anew at your everyday experiences—and see the wonder of God.

New \$5 each - "Saint John Paul The Great"

Discover the five greatest loves of Saint John Paul II, through unpublished stories about him from bishops, priests who organized his papal pilgrimages, his students in Poland, Swiss Guards, and others. Rekindle your own faith by learning what captivated the heart of this great saint.

New \$5 each - "Mother Teresa of Calcutta"

Mother Teresa's life sounds like a legend: the Albanian girl who entered an Irish order to go to India as a missionary and became an "Angel of the Poor" for countless people. Fr. Leo Maasburg was there as her close companion for many years, traveling with her throughout the world and was witness to countless miracles and incredible little-known occurrences. In this personal portrait of the beloved nun, he presents amazing stories about her that most people have never heard.

The Parish Pulse

JUNE is National "CATARACT" Awareness Month

Prevent Blindness

Our Vision Is Vision.

RECOVERY FROM CATARACT SURGERY

After surgery, most of the healing takes place in the first few days. But it may take up to 1 month for your eye to fully heal. For the first week or two, or as your doctor recommends, you should minimize vigorous physical activity. You should restrict any lifting or deep bending, which causes increased eye pressure.

If you experience severe pain, loss of vision or a sudden increase in redness or swelling of your operated eye, call your eye doctor right away.

DOs and DON'Ts:

- Do use your medication as directed.
- Do sit down and lift your feet to put on your shoes.
- Do try to sleep on your back or on the unoperated side.
- Do have someone else drive while your eye is healing.
- Do wear sunglasses in bright light.
- Do keep follow-up appointments with your doctor.
- Do keep moderately active.
- Don't rub or press your eye.
- Don't bend over to pick things up; kneel instead.
- Don't get soap, shampoo or other irritants in your eye .

Take care of your eye

These pointers can help you recover more quickly

Applying eye medications

Use the eye drops or ointment that your doctor prescribed to help your eye heal. This medicine protects against infection and helps decrease swelling .

How to apply eye drops or ointment

Tilt your head back. Pull your lower eyelid down to create a "cup" that holds the drops or ointment. Put in the prescribed amount of medicine and close your eye to distribute it evenly. If you have trouble doing this, ask a friend or relative for help. Start with a fresh bottle of medicine after surgery so germs don't get transferred .

Eye shields

Your doctor may want you to use an eye shield at night to protect your eye while you sleep.
