

PASSAGES IN CHRIST

We Welcome in Faith Alexander-Victor Addeh, Jasmine Addeh, and Kevin Addeh who are initiated into the Christian Community through the Sacrament of Baptism this weekend. May our daily example of prayer and service help young people to grow as faithful members of Christ's Body.

Join us at 4:45 PM for a shared meal and at 5:30 PM for a presentation by Dr. Jack Buchner who will give a presentation on *Catechesis and Evangelization: Formation in the Life of the Church*.

Fr. Keith's Korner

A national campaign entitled "Forty Days for Life" began on Wednesday last week. The Catholic Church is well-known for its pro-life stance on a variety of social issues, including its opposition to the death penalty and euthanasia. This particular campaign is part of that pro-life perspective, focusing on the issue of abortion. If you are able and willing to join this campaign through prayer or some other more active means, please sign up after Mass this weekend or use the contact information listed elsewhere in this bulletin.

The Sacrament of the Anointing of the Sick will be celebrated at all the Masses next weekend. We invite all parishioners who are seriously ill, handicapped, anticipating surgery, experiencing the effects of aging, or suffering from illnesses such as high blood pressure, diabetes, alcoholism or drug abuse, depression etc. to come forward after the homily for the laying on of hands and anointing with the oil of the sick.

Friday of this week is the Feast of Saint Francis, who led the people of his time into a greater reverence for all of God's creation. In his honor, we will celebrate the annual Blessing of Animals next Sunday 6 October at 1:30 PM on the lawn outside the building. Pets that are ill are invited for this blessing outside, rather than the Anointing of the Sick celebrated during Mass inside!

Our next Red Cross Blood Drive is coming up on Saturday 19 October from 8 AM until 2 PM. We still have appointments available to "give the gift of life", and so please sign up after Mass in the entrance hallway, or call the parish office for an appointment. That same weekend, the annual Frederick CROP Walk will be held on Sunday 20 October, which raises donations to alleviate hunger, both locally and nationally. Please stop by the table in the Gathering Space to pick up sponsor forms, or to sponsor one of our walkers that day.

A COMMUNAL CELEBRATION
OF
THE SACRAMENT OF THE ANOINTING OF THE SICK

will take place during all Saint Katharine Drexel Masses
on Saturday 5 October and Sunday 6 October 2013

The Catholic Church professes and teaches that the anointing of the sick is one of the seven sacraments of the New Testament instituted by Christ and that it is alluded to in Mark (6:13) and recommended and promulgated to the faithful by James the Apostle and brother of the Lord. He says: "Is there anyone sick among you? Let him call for the elders of the Church and let them pray over him and anoint him in the name of the Lord. This prayer, made in faith, will save the sick man. The Lord will restore his health, and if he has committed any sins, they will be forgiven" (James 5:14-15).

Who is eligible?

Those who are seriously ill; handicapped; suffering from an illness (high blood pressure, diabetes, alcoholism, depression, etc.); anticipating surgery, or experiencing the effects of aging.

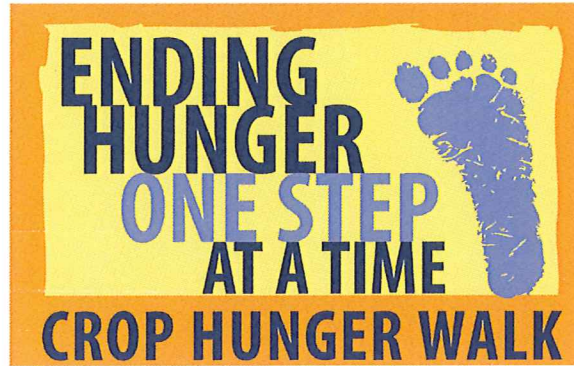

Our faith community welcomes those who are seriously ill to be prayerfully surrounded with love and compassion as they experience the Sacramental presence of Christ through the laying on of hands and anointing with oil of the sick blessed by Archbishop Lori during Holy Week.

Parish nurses will be available at each Mass for emergency assistance.

Frederick CROP Hunger Walk

Sunday 20 October 2013

Starting from Grace UCC (25 East 2nd Street) Registration begins at 12:30 PM.
The walk kicks off at 1:30 PM

Please Step Up! We need you!

Where does the money go? In the last 20 years, CROP Hunger Walks have raised **more than \$294 million** to help people struggling to feed their families – both around the world and around the corner. In fact, 25 percent of the funds raised by CROP Hunger Walks benefit the communities where they take place. Right here, in Frederick MD, **20% of our proceeds support the Food Bank** via the Religious Coalition and **5% goes to help** those who depend on services through **Meals-on-Wheels**.

What difference does it make? Funds raised in a CROP Hunger Walk assist people around the world with a “hand-up” to reach the goal of becoming self-sustaining. For example:

\$75 can enable three women to attend a literacy class for a year and change their lives forever.

\$350 can enable the eldest in a child-headed household of AIDS orphans to receive vocational training, so they can support their siblings and themselves.

\$1,050 can support community-based health, hygiene, and sanitation training for an entire community.

What's the point of walking? Hungry people in developing countries typically walk as many as six miles a day to get food, water and fuel, and to take their goods to market. We walk to be in solidarity with their struggle for existence. We walk because we want to end hunger and support self-sustaining opportunities ~ one step at a time.

\$50 can provide seeds and tools to help 3 families start a garden.

\$100 can provide emergency food for a family of five for a month.

\$125 can send six women to literacy classes and empower them for life.

Pease join the Saint Katharine Drexel Family as we participate in the 10th Anniversary as members of the FREDERICK CROP Hunger Walk.
