Jesus entered a village where a woman whose name was Martha welcomed Him. She had a sister named Mary who sat beside the Lord at His feet listening to Him speak. Martha, burdened with much serving, came to Him and said, "Lord, do you not care that my sister has left me by myself to do the serving? Tell her to help me."

The Society of St. Vincent de Paul (SSVdP), a charitable organization dedicated to the service of the poor, was established by French university students in Paris in 1833, led by the Blessed Frederic Ozanam. The first SSVdP chapter in the United States was established in 1845 in St. Louis, Missouri.

Membership in the United States totals more than 150,000 in 4,400 conferences. The national headquarters is in St. Louis. Members of the Society are known as “Vincentians,” after St. Vincent de Paul, the patron of the organization. Vincentians are organized into conferences, a group of volunteers who gather together to grow spiritually and offer person-to-person service to those in need or living in poverty.

SSVdP activities in Denver began in 1876. Fr. Terry Kissell initiated the formation of our conference in April 2011. We are one of 32 conferences that make up the Denver Metro Council of the SSVdP. Our food collection goes to Catholic Charities’ Little Flower facility and we sometimes partner with Catholic Charities for financial assistance. We also work with our SSVdP Denver Metro office and other parish conferences.

Our funding is based on a fixed amount from St. Michael’s, grants, individual donations, your Kroger Loyalty Number and Safeway card purchases, the Walk for the Poor, and our SSVdP Poor Box contributions.

**A story behind the numbers from our elder care team...**

Have you ever taken a moment and thought to yourself, what will happen to me when I can no longer care for myself? For many, a nursing facility is the only answer. Many residents have family members who visit, but those visits may seem infrequent. A great number of residents have no family or friends nearby. This is where SSVdP elder care volunteers come in.

A friendly face and smile, plus some personal attention means a lot to them. Whether visiting one-on-one, providing an extra hand on shopping trips or outings, or assisting with an activity you are welcomed.

I have chosen to assist with activities, making crafts, painting, and tea parties allowing residents to open up and share stories of

their lives and experiences. You never know what you will hear. Some stories can be true, some not so true.

The memories that you will receive are much more rewarding than the small amount of time you contribute. Please consider joining us. We are active at five nursing centers

As the spiritual shepherd to more than 500,000 Catholics in northern Colorado, Archbishop Aquila is responsible for prudently distributing Appeal donations to nearly forty educational, charitable, and pastoral ministries.

Together, let's show our support for the works of our wider Church by joining him through a generous donation to the Appeal. **July 21, 2019 — Sixteenth Sunday in Ordinary Time**

**GN 18: 1-10A; PS15:2-5; COL 1:24-28; LK 10:38-42**

In today's Gospel reading from St. Luke, we receive a reminder about the proper use of the gift of time, a fundamental aspect of a stewardship way of life.

Our passage highlights one of the most famous dinner parties ever thrown, recalling the day that Martha and Mary hosted our Lord in their home. We are told that Martha, as a good steward, welcomes Christ in but then becomes "burdened with much serving" while her sister and fellow hostess chooses to simply sit with Jesus, listening to Him speak.

Martha becomes indignant at Mary's behavior and complains to Jesus, "Lord, do you not care that my sister has left me by myself to do the serving? Tell her to help me." But Jesus, in His infinite wisdom, refuses to get pulled in to this sisterly spat. Instead, He offers Martha a fresh way to look at the situation. "Martha, Martha, you are anxious and worried about many things. There is need of only one thing."

What is that one thing? It is to put Jesus first in our lives and above all other things; to "sit at his feet" and listen as Mary did, giving Him the first priority of our time no matter how busy we think we are. When we truly commit to putting Christ first in our daily lives through a regular time of prayer and frequent participation in the sacraments, we will find that all our other concerns become less pressing, less overwhelming.

Why is this so? Because the time we invest in our relationship with God saturates all aspects of our lives with His grace. And because God cannot be outdone in generosity. He will abundantly reward any sacrifice we make in order to spend time with Him.

### My childhood is full of memories of my dad...

*in the garage listening to the ball game while working on one of our cars, doing maintenance on the lawnmower or fixing one of our bikes with a flashlight in his hand. As I got older, the challenges changed but just like my bike I'd bring my brokenness to my Dad and he always was able to make the problems shrink in size. All of us counted on Dad.*

I contacted The Catholic Foundation and set up a Donor Advised Fund as a memorial to him. ### Pastoral Council

Q - Why Mary Magdalene is called the "apostle to the apostles"?

A - Mary Magdalene was very devoted to Jesus and, as one of a group of women, traveled with Him on His journeys, which went against the custom of the times: women had never been permitted to study with a rabbi. The Gospel of John lists her as one of the three women who stood by Jesus' cross. Mary was the first to go to the tomb and ran to tell the apostles. Christ appeared to her and asked her to be the messenger to announce that He had risen from the dead, which she did. That is why she is called the "apostle to the apostles". July 22 is the Memorial of St. Mary Magdalene.

## Donna & Christopher's Habitat Story

Donna and Christopher are proud parents of one son (age 15) and two daughters (12 and 9). Donna and Christopher want the brightest futures for their kids and work hard to provide for their family. Donna currently works as a para-educator for Jefferson County Public School District while Christopher is a full-time maintenance technician at a local real estate company.

Currently, Donna and Christopher feel stuck in their overcrowded apartment due to the skyrocketing rental rates in metro Denver. The neighborhood they are in is unsafe and both Donna and Christopher worry about their children's safety. In addition, having a family of five all in one small apartment has become extremely difficult for their children since they do not have their own space for homework or down-time.

By partnering with Habitat for Humanity, Donna and Christopher are currently building their future home at our College View Community and look forward to the stability homeownership will bring to their future. They look forward to purchasing their own home where they know they'll have affordable and consistent mortgage payments that will provide financial security for their entire family. **"We are really excited about having somewhere to call home,"** writes Donna. **"My family will have stability and a safe neighborhood to live in."**

"Something else I am very excited about is knowing my children will always have clean clothes because we will have our own washer and dryer instead of using the community one which is very unreliable," shares Donna.

The additional benefits of owning their own home are not lost on the family. **"My kids are excited to have a brand-new home with a backyard,"** Donna shares. **"We are most excited about making this house our home, creating my dream garden, owning a pet, and make lasting memories."**
