We LOVE our new 3D printers!

Our Middle School students were the first to compete a project for the new 3D printers! His name tag/key chain is currently printing.

In the spring, we were gifted two Makerbot Sketch 3D printers.

A VERY SPECIAL THANK YOU TO OUR DONOR!

These printers are able to be remotely accessed from desktops around the campus. Students in 5-8 grade are using the program Tinkercad to create and construct various 3d models based on a given task.

They have already created personalized key chains and will be moving into more complex projects that will allow us to take the concepts of Science, Technology, Religion, Engineering, Art, and Math to new levels.

STREAM is FUN!

Our 2nd graders are learning about gardening during PE class

Our 8th graders are busy reading their latest novels during ELA

Help us as we support the [Cardboard Kids](#)®

Our students are creating Cardboard Kids® and we could use your help.

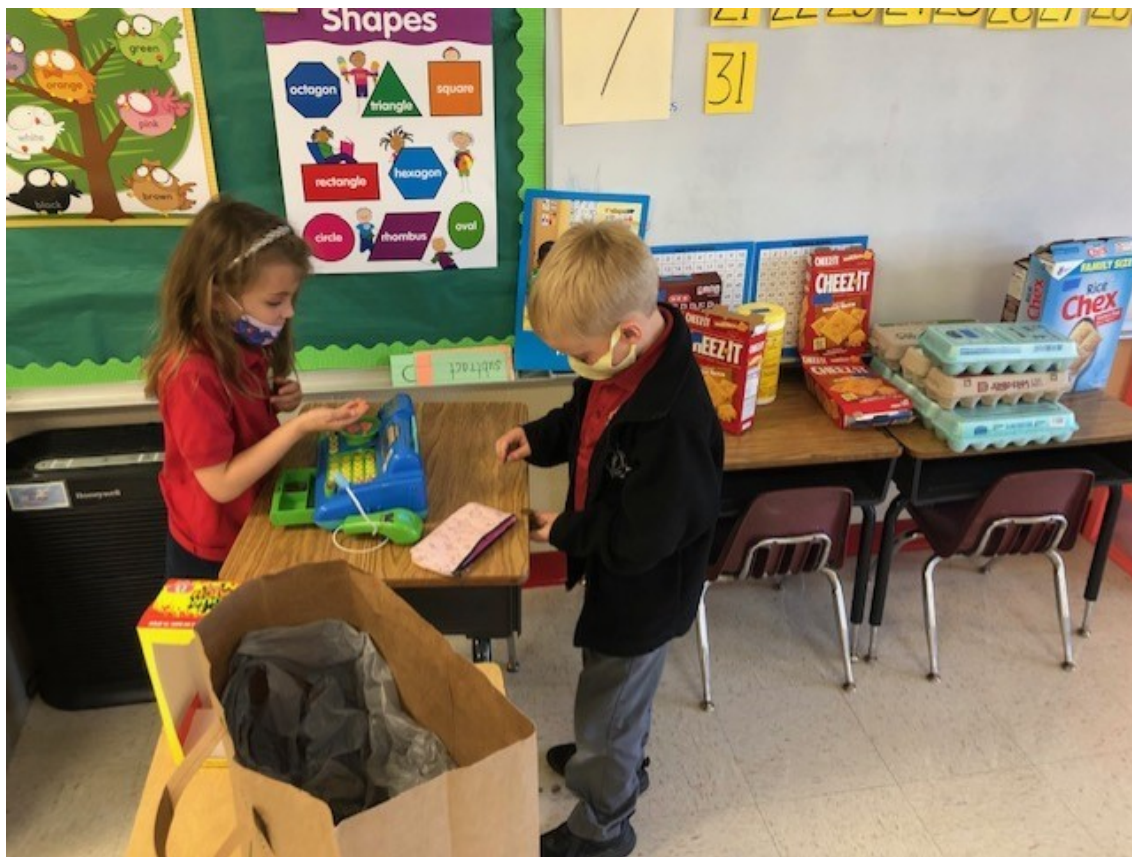

Do you have extra fabric or craft supplies?

Drop them off in the school office and then look for your donations that will help “dress” our cardboard kids.

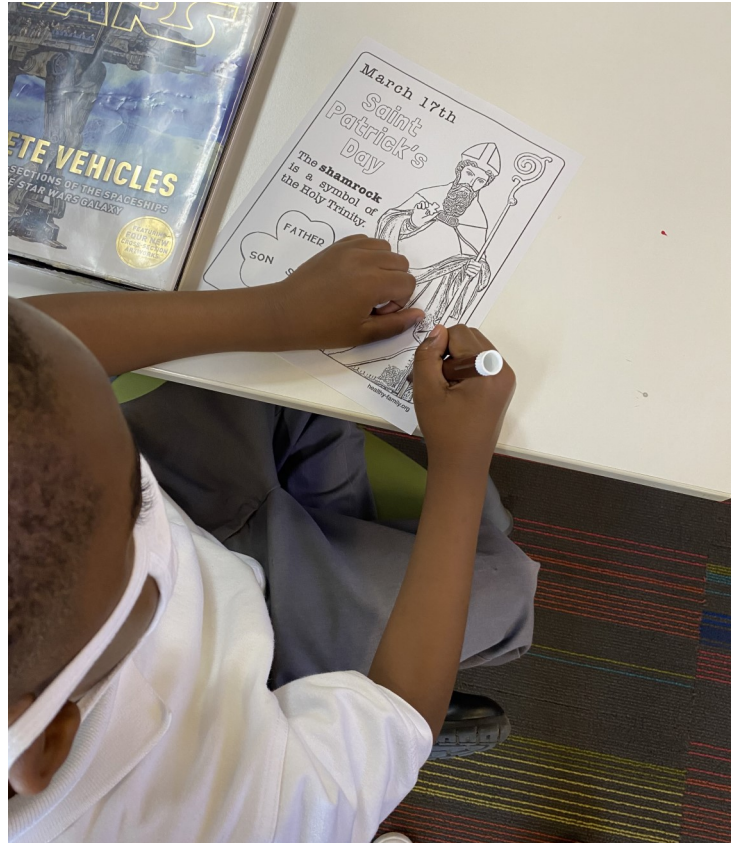

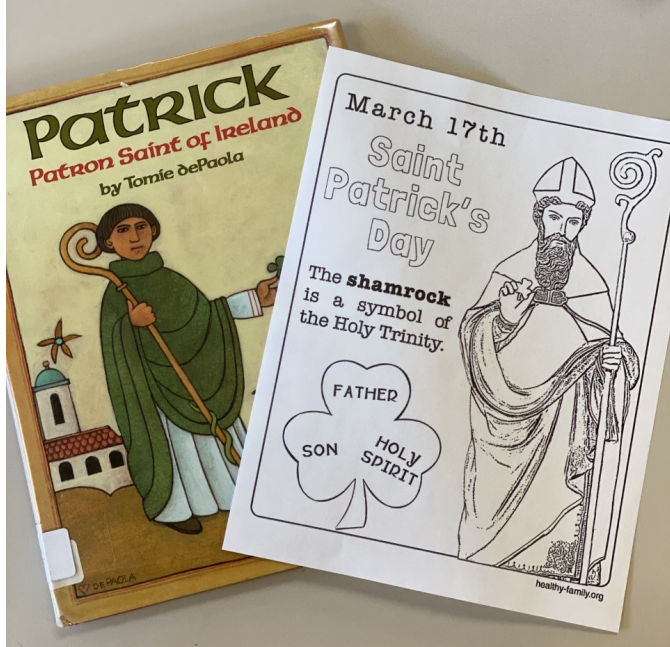

Kindergarten Math time

Our Kindergarten students are studying money during Math class. They are shopping in their Math Center using their coins and newly acquired knowledge.

St. Patrick, Pray for us!

Our 1st graders are learning about St. Patrick during Library class.

It's Reenrollment time!

It's reenrollment time and families are able to reenroll, register siblings, and set up your FACTS payment plans. We have begun accepting families from our community. **Don't lose your place in our school!** We will not automatically roll over families from the previous year; you are required to reenroll each year. Your child's spot in our school is not guaranteed until you complete your FACTS payment plan for the 2021-2022 school year.

It's easy to reenroll, just go to the secure page on our school website:

[Reenrollment | St. Pius X Catholic School | San Antonio, TX \(stpiusxsa.org\)](#) or click on the picture. Registration fees will not be due until July. Having difficulty? Contact [Cathy Brown](#).
